More than a Car! More than a Truck!

NEW FORD RANCHERO!
More than a car . . . more than a truck . . . the Ranchero is a new idea in motor vehicles!

Above all, it's a sewing idea. Ranchero glamour is backed by plenty of heft. This sleek beauty packs a payload of more than half a ton. Its body is man-sized, with rugged double-wall construction. And no truck was ever so easy to load and unload. Body sides of the low-slung Rancheros are scarcely more than three feet above the road!

Ford’s new Ranchero really does a day’s work—and does it in a style that pays business dividends. Because Ranchero, with its trim modern lines, has a wonderful way of saying nice things about your company. Nice things like “progressive” . . . “up-to-date” . . . “good to deal with.” That’s why the Rancheros are excellent for any business—large or small—where customer impressions count.

What’s more, the practical utility of this exciting new vehicle is matched by its practical price. For all its luxury looks and features, the Ranchero’s modest cost makes this new idea in vehicles America’s biggest value on wheels!

Of course, there’s the big bonus that only the Ranchero gives you—profits plus pleasure. After the day’s work is done, Ranchero’s ready for the evening’s fun. It’s the only pickup truck that rides, handles and feels exactly like a car!
Whatever your line, the '57 Ford Ranchero makes business a pleasure!

Never before a motor vehicle so "just right" for such a wide range of uses! It's literally made to order for:

People who use one vehicle for both business and pleasure—like farmers, ranchers, salesmen, vending machine operators. For them the Ranchero combines all the work advantages of a full-size pickup ... with all the style and comfort advantages of today's most modern cars!

Businessmen whose trucks serve as field offices and workshops. That takes in contractors, builders, decorators, plumbers, landscape gardeners and many, many more.

Retailers who deliver goods—hardware dealers, and owners of appliance stores, beverage stores, lawn furniture marts and antique shops to name a few. As a "traveling salesman" there's simply nothing else in the Ranchero's class.

The Ranchero is ideal, too, for dude ranches, resorts, clubs, airports—where the right impression is so all-important.

Outdoor sports lovers who are also comfort lovers. Ranchero's the perfect companion on a fishing, hunting, skiing, boating or camping trip. There's room for a mountain of gear. And this new kind of vehicle is always ready to go—whenever you need the truck, whenever you want the car!
THAT LOVES TO PLAY!
The Ranchero Models

ENGINE

144-hp Six---223-cu in. displacement; 3.62" bore x 3.60" stroke; 8.6 to 1 compression ratio; regular fuel. Unit design carburetor, Super-Filter air cleaner, manual choke, automatic Power Pilot distributor.

190-hp 272 V-8---272-cu in. displacement; 3.62" bore x 3.30" stroke; 8.6 to 1 compression ratio; regular fuel. Low-silhouette 2-venturi carburetor, Super-Filter air cleaner, automatic choke, Y-type single exhaust, Time-O-Matic distributor.

213-hp 292 V-8---292-cu in. displacement; 3.75" bore x 3.30" stroke; 11 to 1 compression ratio; regular fuel. Low-silhouette 2-venturi carburetor, Super-Filter air cleaner, automatic choke, Y-type single exhaust, Time-O-Matic distributor.

FORDOMATIC DRIVE

Most versatile of all automatics. Combines torque converter with automatic gear mechanism. Move selector to Drive (D) and you can start normally or extra fast because Fordomatic has three automatic forward speeds.

FORD OVERDRIVE

Three-speed transmission with automatic 4th gear lets engine loaf at 35 while you do 50. Makes driving smooth, quiet, relaxing. Saves up to 15% on gas; cruises in a whisper.

CONVENTIONAL DRIVE

New, improved 3-speed transmission—the easier manual shifting there is with gear ratios tailored to each engine. Semi-confin-ugal clutch is operated by suspended pedal.

POWER STEERING

Dust up to 75% of the work of your parking and assists you in all your driving. Yet you retain the "feel of the wheel" when steering on straightaways.

POWER BRAKES

Stopping takes up to 1/3 less effort. Makes driving in traffic much easier, more relaxing. Low suspended pedal.

POWER SEAT

Automatically goes up, down, forward or back at a button’s touch. You get just the right leg room and height for easier, safer driving.

POWER WINDOWS

The final touch of luxury for the truck that has everything! Buttons on driver’s door raise, lower both side windows.

Custom Ranchero includes all brightwork of the Ranchero, plus bright-metal cap molding around top of body and rear of cab...and distinctly different bright-metal full length side moldings. Available in all Single Colors (above) or in stunning Style Tone—Colonial White above side moldings, with any of the other ten colors below side moldings and on cab roof. Upholstery: choice of four combinations with white vinyl facings and bolsters—tan and brown or white and blue woven plastic, all red or all green vinyl. Engines: 144-hp 223 Six or 212-hp 292 V-8. Max. GVW 4,600 pounds.
