GROUPS

For your convenience in ordering, some of Pontiac's more popular accessories are combined in groups, as shown below. These accessory groups are factory-installed, thereby saving you both time and installation costs.

BASIC GROUP (Code 321—UPC Y88)

- Pushbutton AM Radio with Windshield Antenna.
- Visor Vanity Mirror, Right-hand (all models).
- Outside Remote-control Mirror (all models).
- Deck-lid Release (available all models except station wagons).
- Dual-stage, Heavy-duty Air Cleaner (all models).
- Electric Clock (available all Tempest, LeMans, LeMans Sport, GTO and Catalina models).
- Custom Foam Front-seat Cushions (available with bench front seat on Tempest, LeMans, LeMans Sport Safari, Catalina, Executive and Bonneville models).
- Custom Foam Rear-seat Cushions (available Catalina 4-door Sedans and Station Wagons and Executive Safaris).

LAMP GROUP (Code 322—UPC Y92)

- Cornering Lamps (Catalina, Executive, Bonneville and Grand Prix only).
- Underhood Utility Lamp (Catalina, Executive, Bonneville and Grand Prix).
- Underhood Lamp (Tempest, LeMans, LeMans Sport and GTO only).

- Dome Reading Lamp (all models except convertibles).
- Door Courtesy Lamps (Bonneville and Grand Prix only).
- Rear-compartment Courtesy Lamp (all station wagons—std. on Catalina, Executive and Bonneville 3-seat Station Wagons).
- Luggage Lamp (Tempest, LeMans, LeMans Sport and GTO only).
- Ashtray Lamp (Tempest and LeMans only).
- Glove Box Lamp (Tempest and LeMans only).

POWER ASSIST GROUP (Code 331—UPC WS6) available all models.

- Turbo Hydra-matic Transmission.
- Variable-ratio Power Steering.
- Power Front Disc Brakes (standard on Grand Prix).

TURNPIKE CRUISE GROUP (Code 332—UPC WS5) available Catalina, Executive, Bonneville and Grand Prix models only.

- Cruise Control (available all models with automatic transmissions).

- Tilt Steering Wheel (available all models with Power Steering, except with 3-speed manual transmission—column shift).
- Power Bench Seat (6-way: Catalina, Executive and Bonneville; 4-way: Grand Prix).
- Power Bucket Seat, Driver's side (Grand Prix only).

COMFORT GROUP (Code 334—UPC WS7) available Bonneville and Grand Prix models only.

- Soft-Ray Glass (all windows).
- Electric Door Locks (include Electric Seat Back Locks on 2-door models).
- Power Windows (standard on Brougham).
- Custom Air Conditioning.

RALLY GROUP (Code 334—UPC WS8) available Tempest, LeMans, LeMans Sport and GTO models only.

- Rally II Wheels.
- Custom Sports Steering Wheel.
- Rally Gauge Cluster and Clock.
- Ride and Handling Springs and Shocks.

Note: All Group Accessories may be purchased individually, if desired.

PONTIAC DECOR GROUP (Code 324—UPC Y86)

Available Catalina models only.

Deluxe Safety Steering Wheel.

Deluxe Wheel Covers.
Wheel Opening Moldings.

Pedal Trim Plates.

Catalina 4-door Hardtop exterior decor trim features bright-metal roof drip moldings, wheel opening moldings and deluxe wheel covers. Interior decor trim features brake, clutch and accelerator pedal trim plates, shroud panel insulator, and deluxe safety steering wheel. (F)

Catalina Hardtop Coupe exterior decor trim features bright-metal roof drip moldings, deluxe wheel covers and wheel opening moldings. Interior decor trim features brake, clutch and accelerator pedal trim plates, shroud panel insulator, and deluxe safety steering wheel. (F)

Catalina 4-door Sedan exterior decor trim features bright-metal side-window reveal moldings, deluxe wheel covers and wheel opening moldings. Interior decor trim features brake, clutch and accelerator pedal trim plates, shroud panel insulator, and deluxe safety steering wheel. (F)

Catalina Station Wagon exterior decor trim features bright-metal side-window reveal moldings, wheel opening moldings, rocker panel extensions and deluxe wheel covers. Interior decor trim features brake, clutch and accelerator pedal trim plates, shroud panel insulator, and deluxe safety steering wheel. (F)

Convertible exterior decor trim features wheel opening moldings and deluxe wheel covers. Interior decor trim features brake, clutch and accelerator pedal trim plates, shroud panel insulator, and deluxe safety steering wheel. (F)

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

TEMPEST DECOR GROUP (Code 324—UPC Y86)

Available on Tempest, LeMans and GTO models only.

Coupe: Exterior decor trim features bright-metal side-window reveal moldings on Tempest; deluxe wheel covers on Tempest and LeMans; rocker panel moldings on Tempest; wheel opening moldings on Tempest and LeMans; dual horns on Tempest and LeMans; concealed windshield wipers on Tempest.

Interior decor trim features brake, clutch and accelerator pedal trim plates and deluxe safety steering wheel on Tempest and LeMans; wood grain appearance instrument panel and rear armrests with ashtrays on Tempest. (F)

4-door Sedan: Exterior decor trim features bright-metal side-window reveal moldings and concealed windshield wipers on Tempest; deluxe wheel covers, dual horns and wheel opening moldings on both Tempest and LeMans. Interior decor trim features brake, clutch and accelerator pedal trim plates and deluxe safety steering wheel on Tempest and LeMans; wood grain appearance instrument panel and rear armrests with ashtrays on Tempest. (F)

Concealed Windshield Wipers (Tempest only—standard all others.)

Deluxe Safety Steering Wheel (standard on GTO).

Deluxe Wheel Covers.

Hardtop Coupe: Exterior decor trim features dual horns on LeMans; wheel opening moldings and deluxe wheel covers on LeMans and GTO.

Interior decor trim features brake, clutch and accelerator pedal trim plates, and deluxe safety steering wheel on Le Mans. (F)

4-door Hardtop: Exterior decor trim features wheel opening moldings and deluxe wheel covers on LeMans. LeMans interior decor trim features brake, clutch and accelerator pedal trim plates, and deluxe safety steering wheel. (F)

Station Wagon (LeMans): Exterior decor trim features wheel opening moldings and deluxe wheel covers. Interior decor trim features brake, clutch and accelerator pedal trim plates, and deluxe safety steering wheel. (F)

Convertibles: Exterior decor trim features deluxe wheel covers and wheel opening moldings. (F)

Pedal Trim Plates.

Wood Grain Appearance Instrument Panel.

Wheel Opening Moldings. Rocker Panel Moldings.

AIR CONDITIONING

AUTOMATIC TEMPERATURE CONTROL AIR CONDITIONING (Code 581—UPC C75). Available for Catalina, Executive, Bonneville and Grand Prix models.

Set the desired comfort range—then forget it. Strategically located heat sensors determine system temperature and fan speed to maintain the comfort level year 'round, no matter what the temperature and humidity outside. When mild heat is required, bi-level distribution directs warmer air to the floor, and cooler air through air conditioning outlets. Adjustable air outlets can be directed as desired. (F)

Automatic Temperature Control Air Conditioning Controls for Grand Prix.

Automatic Temperature Control Air Conditioning Controls for Catalina, Executive or Bonneville.

Custom Air Conditioning Controls for Grand Prix.

CUSTOM AIR CONDITIONING (Code 582—UPC C60). Available all models except Ram Air IV or 6-cylinder with 2-speed automatic transmission.

Combines heating and cooling units in a single system for balanced all-season comfort. Easy-to-operate, manual sliding-lever controls permit selection of inside air, outside air, bi-level combination (upper-level air cooling and lower-level air heating), heating or de-fogging/de-icing. When outside temperature is below freezing or switch is in OFF position or lever is set at VENT, the compressor is off. Otherwise, it remains in operation to reduce inside humidity and prevent windshield fogging. (The fan operates in all but the OFF position.) Air outlets are adjustable for directing air flow. (F)

Custom Air Conditioning Controls for Catalina, Executive and Bonneville.

Custom Air Conditioning Controls for Tempest, LeMans, LeMans Sport or GTO.

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

Instrument panel for Grand Prix with Automatic Temperature Control Air Conditioning.

Instrument panel for Bonneville with Custom Air Conditioning.

Instrument panel for LeMans Sport with Custom Air Conditioning.

PERFORMANCE OPTIONS

Hood-mounted Tachometer (Code 491—UPC UB5). Front-of-the-windshield installation lines it up for easy, instant readout by driver. Available Tempest, LeMans, LeMans Sport and GTO models. Not available with 6-cylinder engines. Dealer-installed on Grand Prix. (F,D)

Custom Gearshift Knob (Code 614—UPC M09). Available all models with floor-mounted manual transmission (standard on Grand Prix). Simulated walnut gearshift knob for 3- or 4-speed, floor-mounted transmission shift levers. Has Pontiac emblem on 3-speed knob. (F,D)

Custom Gauge Cluster (Code 484—UPC W63). This option groups water temperature gauge and ammeter together, and fuel and oil pressure gauges together on Catalina, Executive and Bonneville and includes clock and speedometer, where not already standard. Illustrated is Custom Gauge Cluster with clock on Executive model. (F)

Rally Gauges with Clock (Code 488—UPC W63). Integrates oil, water and fuel gauges with alternator telltale on Tempest, LeMans, LeMans Sport, GTO and Grand Prix. Also includes clock, where not already standard. **Rally Gauges with Instrument Panel Tachometer (Code 484—UPC U30).** Same as above, but with tachometer substituted for clock. Illustrated on LeMans model. (F)

Formula Steering Wheel (Code 464—UPC NK1). New and available all models with power steering. 14-inch diameter aluminum wheel. Soft, molded, urethane foam rim gives look and feel of heavily padded leather. (F)

Custom Sports Steering Wheel (Code 462—UPC N34). One style available for all models. New shallow-dish and new molded-vinyl hub with center horn button ornament. Smart, simulated wood appearance and three, equally spaced, dull chrome spokes. (F)

“The Judge” Performance Option (Code 332—UPC WT1). Available GTO only. Includes such features as: 400-cu.-in. Ram Air V-8 engine; functional, driver-controlled, air-intake hood scoops; Quadra-jet carburetor; chromed rocker arm covers, oil filler cap and air cleaner cover; 3-speed heavy-duty floor shift transmission with Hurst “T” handle; rear-deck airfoil; heavy-duty springs and shocks; fender striping; G70—14 wide-tread fiberglass-belted, black tires; and dechromed Safety Rim Rally II Wheels. Plus Ram Air decal on hood scoops; “The Judge” nameplate on front fenders, reardeck and instrument panel. (F)

Hood Ram Air (Code 601—UPC T42). Handy cable control allows driver to open ducts on hood air scoops, so as to admit cooler, denser outside air for better engine performance. Includes Ram Air decals on hood scoops. Available on GTO with 455-cu.-in., V-8 engine (standard with Ram Air and Ram Air IV engines). (F)

Ride & Handling Package (Code 621—UPC Y96). For excellent cornering and handling—extra-firm front and rear springs and shocks, for all Pontiac models. Heavier stabilizer bar for Tempest and Pontiac series only. (F)

Grand Prix—Model “SJ” (Code 324—UPC Y97). Performance and prestige items: Special 370-hp, 455-cu.-in. V-8, 4-bbl. Quadra-jet, premium-fuel engine. Lamp group. Automatic leveling control system. White fiberglass-belted tires. Rally gauges, Heavy-duty rear axle. “SJ” identification on front fender and deck lid. Available Grand Prix only. (F)

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

Safe-T-Track Differential (Code 361—UPC G80). Transfers torque to rear wheel that has best traction. Keeps you going with surer handling when your car hits a stretch of slippery road, snow, ice, water, mud, sand, ruts or chuck-holes. Available all models. (F)

Power Disc Brakes, Front (Code 502—UPC JL2). Single-piston, floating-caliper design provides powerful braking and is easy to apply in emergencies without locking wheels. Available all models. (Standard on Grand Prix.) (F)

Dual Exhausts (Code 721—UPC N10). Cut down back-pressure on high-performance engine. Available all models with V-8 engines except LeMans Station Wagon and LeMans Sport Safari. (Standard GTO and Grand Prix models). (F,D)

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

Delcotron Alternator-Regulator (62-Amp. Code 681—UPC K81). Special "solid-state" voltage regulator, built into alternator, provides improved voltage control and added reliability—increases battery life. Available all series equipped with V-8 engines. Style and amperage determined by engine or equipment. (F)

Dual-stage, Heavy-duty Air Cleaner (Code 724—UPC K45). Dual-filter design consists of wetted paper in filter, surrounded by polyglycol-wetted, polyurethane-foam outer filter. Fine filtration, extended surface. Available all models. (F)

Heavy-duty Radiator (Code 701—UPC V01). Greater cooling capacity; standard with air conditioned cars. Available all models. Also **Super-cooling, Heavy-duty Radiator (Code 702—UPC V02)**, for cooling under most severe driving conditions. Available Catalina, Executive and Bonneville. (F)

Heavy-duty Battery (Code 692—UPC UA1). 61-amp.-hr. battery for longer life, better cranking ability, more power for accessories. Available all models. (Included with air conditioning.) With 455-cu.-in. V-8 engine only, this battery features side-mounted corrosion-proof terminals. (F)

Hood Retainers. Available all models except Grand Prix. Double-locking protection at all times, with dual stainless steel posts to keep hood secure. Chrome finished. (D)

Heavy-duty Shocks and Springs (Code 622—UPC F40). Maintain proper trim and give excellent control. Especially helpful when heavy loads are carried in car trunk. Available all models. (F,D)

Automatic Level Control (Code 631—UPC G67). Adjustable air springs built into rear shock absorbers maintain level ride, even with heavy trunk or trailer tongue loads. Vacuum-operated air compressor in engine compartment automatically keeps rear of car at constant height under all conditions. Available Catalina, Executive, Bonneville and Grand Prix models, **Superlift Shock Absorbers (Code 632—UPC G66)** with tire type air filler valve also available on Catalina, Executive and Bonneville models only. (F,D)

POWER OPTIONS

6-way Power Bench Seat (Code 561—UPC A42). Provides more driving comfort on long trips. Just press button for whatever you want it to do—raise, lower, tilt forward or backward. Catalina, Executive and Bonneville models only. When optional 60/40 seat is ordered, only driver's side is powered. (F)

4-way Power Bench Seat (Code 561—UPC A41). Whatever direction control switch is moved, the seats will move—forward, backward, up, down. Available only Tempest, LeMans, LeMans Sport, GTO and Grand Prix with full-width bench front seats. (F)

Left-side Power Bucket Front Seat (Code 564—UPC A46). Left-hand, bucket-seat controls. Seat moves forward and backward, and tilts by moving up and down at the rear only. Extra comfort on long trips. Available models with bucket front seats. (F)

Cruise Control (Code 481—UPC K30). Select speed, and it will stay there until you disengage by lightly touching brake pedal. Available all models with V-8 engines and automatic transmissions only. (F,D)

Variable-ratio Power Steering (Code 501—UPC N41). Permits fast steering response. Requires fewer turns in slow-speed maneuvering, such as parking. Available all models. (F)

Power Drum Brakes (Code 511—UPC J50). A light touch on brake pedal provides excellent braking pressure. Available all models except GTO and Grand Prix. (F,D) Also, see Power Disc Brakes, page 12.

Electric Door Locks (Code 552—UPC AU3). New and available all models. Respond faster than vacuum system, eliminate vacuum runout. Include electric seat back locks on 2-door models. Front seat backs automatically unlock when doors are opened and automatically lock when doors are closed. Manual unlocking device still present. (F)

Power Windows (Code 551—UPC A31). All side windows controlled from single panel on driver's door. Each window also has its individual control switch. Won't operate with ignition off. Standard with Brougham Option—available all other models. (F)

Power-flow Ventilation System (Code 588—UPC C57). Helps improve air circulation, especially while stopped at traffic lights. Features blower fan ahead of each outlet to provide air flow equivalent to car speed of about 40 mph. (F,D)

Deck-lid Release (Code 554—UPC A90). No need to get outside car to unlock trunk. Just press button inside glove compartment or console. Trunk can also be locked and unlocked in conventional manner. Available on all models except station wagons. (F,D)

(F) Factory-installed. (D) Can be installed by dealer. (F, D) Can be either factory- or dealer-installed.

RADIO AND STEREO

Pushbutton AM/FM Stereo Radio and Windshield Antenna (Code 404—UPC U58). Complete listening pleasure on either AM or FM stations. True stereophonic sound when FM program is being broadcast in stereo. Includes two rear speakers and one front speaker with special balance control to vary front and rear speaker volume. Antenna hidden in windshield for cleaner exterior appearance and to eliminate bent or broken antennas. (Only one rear speaker in station wagons, convertibles and all Tempest models.) (F,D)

Note: Due to technical limitations of stereo broadcasting and reception, owners may occasionally experience limited range FM and stereo reception and/or stereo distortion and flutter in certain localities.

Pushbutton AM/FM Radio and Windshield Antenna (Code 402—UPC U69). Listen to either AM or FM. Doubles the listening pleasure. Pushbuttons can be set for either AM or FM stations, or both. Completely transistorized. Excellent quality and fidelity. Available all models. (F,D)

Pushbutton AM Radio and Windshield Antenna (Code 401—UPC U63). Fine tone and fidelity. Radio is completely transistorized. Roomy dial for easy fine-tuning. (F,D)

Rear Speaker (Code 411—UPC U80). Available all Pontiac models, except those equipped with Stereo AM/FM Radio (Code 404) or Stereo Tape Player (Code 412). New control is escutcheon behind radio station selector knob. You can have sound come from back seat only, or turn both speakers on for an enveloping effect. (Rear speaker for station wagons, see page 18.) (F,D)

Rear Speaker for Convertible (shown on Bonneville).

Rear Speaker for Tempest, LeMans, LeMans Sport, GTO, Catalina, Executive, Bonneville and Grand Prix.

Stereo Tape Player (Code 412—UPC U57). Amazing, lifelike sound from two special stereo rear speakers (except Tempest models, station wagons and convertibles). Equipped with built-in amplifiers and volume and tone controls, track selection control and control for balancing volume between front and rear speakers. Plays popular 8-track stereo tape cartridges. On Grand Prix equipped with bucket seats, player mounts on drive tunnel behind console and faces forward. Available only with radio. (F,D)

Shown on a LeMans Sport Model.

On a Bonneville.

On a Grand Prix with bucket seats.

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

STATION WAGON ACCESSORIES

Chrome Luggage Carrier (Code 541—UPC V55). Handsome and durable. Stores sizable amount of luggage thus providing extra passenger space inside. Side rails for easy tie-down. Bright chrome and stainless steel carrier installs permanently on all station wagons. Carrier for LeMans Sport and Executive Safaris has dark walnut wood grain insert on side rails to match dark walnut exterior paneling. (F,D)

Station Wagon Rear-window Dust Deflector (Code 534—UPC C51). Horizontal metal vane directs air stream onto rear window to help keep it free of dust. Promotes additional ventilation of interior when cowl vents are open, side windows closed and tailgate window open. Available all station wagons. (F,D)

Separ-Phonic Rear Speaker for Station Wagon (Code 411—UPC U80). You can change volume from front to rear speaker. Allows rear-seat occupants to hear music better. Excellent tone and depth control. Included with AM/FM Stereo Radio—Code 404, Verbra-Phonic Rear Speaker—Code 411 or with Stereo Tape Player—Code 412. (F,D)

Power-operated Tailgate Window (Code 542—UPC A33). Turn key in tailgate lock, or touch switch on instrument panel, and tailgate window raises or lowers. Available Catalina and Executive 2-seat, LeMans and LeMans Sport Safari Station Wagons only. (Standard all 3-seat station wagons.) (F)

Wood Grain Safari Siding (Code 544—UPC W61). This new accessory for the Bonneville Station Wagon includes simulated wood sides having same design as on Executive Safaris. Also included is a Pontiac first—a new reflective tailgate panel to warn drivers approaching from the rear. (F)

Dual-hinged Swing Gate (Code 544—UPC C28). Swings out for easier rear-passenger entrance—swings down for easier loading. Available LeMans Station Wagon only. (Standard all other station wagon models.) (F)

Luggage Carrier Cover—Rak Pak. Treated fabric protects luggage from water and dust. When not in use, cover folds flat for storage. Rear-opening locks. Fits on top of station wagon luggage rack. (D)

TRANSMISSION CONSOLES (Code 494—UPC D55) (F)

Available for LeMans Sport and GTO models with bucket seats only. Standard on Grand Prix with bucket seats.

Console for Turbo Hydra-matic. Console features dark walnut wood grain appearance insert and padded top panel. Includes "Rally Sport" speed shift unit that permits fully automatic or manual shifting.

Console for 3- or 4-speed Manual Transmissions with Floor Shift. Available on LeMans Sport (except 4-door Hardtop and Safari) and GTO models equipped with either of these transmissions. Padded, vinyl-coated, fabric trim, color-keyed to match interiors.

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

WHEELS AND WHEEL COVERS

Deluxe Wheel Covers (Code 471—UPC P01). 14-inch wheel size covers, featuring chrome-flashed stainless steel with deep center section. Available on Tempest, LeMans, LeMans Sport and GTO. (F,D)

Custom Wheel Covers (Code 472—UPC P02). Gleaming bright chrome, 14-inch wheel size covers featuring smart sports appearance. Available on Tempest, LeMans, LeMans Sport and GTO. (F,D)

Deluxe Wheel Covers (Code 471—UPC P01). Stylish, new, 15-inch wheel size covers, featuring radial fluting with concentric rings and raised center section. Available on Catalina models (standard all Executive and Bonneville models). (F,D)

Custom Wheel Covers (Code 472—UPC P02). Distinctively styled, 15-inch wheel size covers, featuring cooling fin appearance around large center hub. Available on Catalina, Executive and Bonneville models. (F,D)

Custom Wheel Covers (Code 472—UPC P02). Exclusive and available Grand Prix only. Features attractive concentric rings in bright chrome with black trim. Brake-cooling slots for added cooling. (F,D)

Rally II Wheels (Code 474—UPC N98). Available all models (except Catalina, Executive and Bonneville Station Wagons). 15-inch diameter for Catalina, Executive and Bonneville. 14-inch diameter on all other models. Stamped steel gives appearance of magnesium. Chrome-plated wheel nuts. (Conventional spare wheel provided with "Space-Saver Spare" Tire.) (F)

Wire Wheel Covers (Code 473—UPC N95). Add special flair and sportier look to wheels. Chrome-plated wire spokes and bright red, medallion hub insert. Available all models, with 14- or 15-inch wheels, including models equipped with power front disc brakes. (F,D)

MISCELLANEOUS ACCESSORIES

Electrically Heated Rear-window Defroster (Code 534—UPC C49). Keeps rear window clear of steam, snow and ice. Current flows through small electrical conductors on inside glass surface. Improved 1970 design heats faster. Available all models except station wagons and convertibles. (F)

Rear-window De-fogger (Code 541—UPC C50). Blower directs air to rear window through directional grille in rear shelf. Helps give clear view out rear window. Available all models except station wagons and convertibles. (F,D)

Warning Lamps (Code 652—UPC W74). New lamp to indicate low windshield washer fluid—plus headlamp telltale, low fuel and seat belt warning lamps. Available Catalina, Executive and Bonneville only. (F)

Deluxe Safety Steering Wheel (Code 461—UPC N30). For Tempest, LeMans and Catalina models. Standard on all others. Shallow-dish design with soft, vinyl-cushioned rim and horn buttons in each of three wide spokes. Included in Decor Group. (F)

Safeguard Speedometer (Code 482—UPC U15). Available all Pontiac models. Not available with Rally Gauges. You set speed limit with control knob. Buzzer signals if car exceeds this speed. (F)

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

Child Safety Seat. Available all models. Provides extra protection for small child. Utilizes standard seat belt. Sturdily constructed with special chest retainer strap to restrict forward movement during quick stops. Ivory color in standard and deluxe models. (D)

Infant Safety Carrier. This rear-facing seat is held snugly in place by front or rear seat belt. Built-in chest strap further safeguards baby. Upright section provides support for head and back. Doubles as a handy, sturdy carrier for use outside car. (D)

Custom Seat Belts and Front Shoulder Belts (Code 451—UPC AK1). Features compact, press-to-release pushbutton buckle on fixed-length belt for driver and outboard passenger. Front outboard belt adjustment is made automatically after belt hookup by outboard retractor which takes up slack and provides desired tension. All other belts adjust in the conventional manner. All belts, front and rear, available in seven harmonizing colors. Available all models. Also available are Custom Seat Belts and Front and Rear Shoulder Belts (Code 452—UPC AK2). (F)

Rear-door Child Lock Guards (4-door models only). Children can't open or unlock rear doors when buttons are down and Lock Guards are in. Yet door can easily be "popped open" with a key. Any of regular car keys can be used. (Illustration 1—Unlocked position; 2—Regular Locked position; 3—Lock Guard position.) (D)

Cordova Top Roof Cover—UPC C08 (Black: Code No. 2; White: Code No. 1; Sandalwood: Code No. 5; Dark Gold: Code No. 7; Dark Green: Code No. 9) Distinctive-looking, vinyl-coated fabric roof covering in "grain" texture for all models, except LeMans and LeMans Sport Safari Station Wagons. (F)

License Plate Frame. Available for front and rear. Stainless steel to enhance and protect license plate. Clips on easily. Has finger pull for ready access to fuel filler cap. (D)

Fender Skirts. (Code 674—UPC T58). Available on Catalina and Executive models except station wagons. Give smooth continuous lines to body sculpturing. (Standard on Bonneville.) (F,D)

Door-edge Guards (Code 684—UPC B93). Bright, stainless steel strips help protect door edges from nicks and scratches. Available all models. (F,D)

Remote-control Outside LH Mirror (Code 444—UPC D33). Mounts on door. Adjusted by convenient controls inside car. Available all models. (F,D)

Visor Vanity Mirror (Code 441—UPC D34). Mounts on back of visor. Out of sight when not being used. Available for right and/or left visors, all models. (F,D)

Soft-Ray Glass (Code 531—UPC A01). Fully tinted for all windows. Recommended with air conditioning. Upper area of windshield is shaded to reduce glare. Also available for windshield only. (Code 532—UPC A02). (F)

(F) Factory-installed. (D) Can be installed by dealer.
(F, D) Can be either factory- or dealer-installed.

Headlamp Delay (Code 672—UPC T81). New and available all models. Allows you to have lighted path to house by turning off headlight switch *after* ignition is turned off. Headlights automatically stay on for 60 seconds and then go off. (F,D)

Ashtray Lamp (Code 662—UPC U28). Available Tempest and LeMans models only—included in Lamp Group (Code 322). Standard all other models, all series. Lights automatically when headlights are on. (F,D)
