1982 PONTIAC FIREBIRD
Drivers, get ready! Pontiac's totally new Firebird is here! And like the magnificent "tiers" of the past, it's a road machine that will fire-up a generation!

**TRANS AM!** From saber-like nose to rakish tail, the Trans Am is a brilliant orchestration of aerodynamic function. Its .34 drag coefficient is the best of any production car GM has ever tested.

But this exciting new look is only the start of the action. Powering this dynamic new road performer is a computer-assisted 5.0 liter V-8 with free-flow exhausts and dual resonators. And you can take on your favorite road with either the standard floor-mounted 4-speed manual transmission or the available 3-speed automatic transmission.

Suspension components are completely new for 1982 and designed for impressive handling. MacPherson struts are used in front, and a torque arm configuration is used in the rear. One "hands-on" impression will convince you that Trans Am is clearly a driving sensation!

**IMPORTANT! A WORD ABOUT THIS CATALOG.** We have tried to make this catalog as comprehensive and factual as possible. Since the time of printing, however, some of the information may have been updated. Pontiac Motor Division reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Pontiac dealer for complete information.

Experience Trans Am excitement with the standard 5.0 liter 4-`bored V-8. Some available features shown.
A TRUE DRIVER'S ENVIRONMENT. One grip of the standard Formula steering wheel and you'll feel the excitement. Full instrumentation, including a tachometer, is also standard on Trans Am. Standard reclining front bucket seats offer full side support and secure comfort (available Viscose seats shown). Other standard interior features include an integral console, side window defrosters, full-out pile carpeting and fold-down rear seat. Some available features shown.
S/E, Pontiac's most sophisticated Firebird, makes a subtle, contemporary statement with its striking aerodynamic design, special accent paint and beautiful body-colored Turbo coal aluminum alloy wheels.

S/E beckons you inside with a standard Viscount luxury interior and spoils you with features that include a leather map pocket, sport mirrors, electric hatch release and hatch washer/wiper.

**FIREBIRD**. The new Firebird combines super-slick excitement with affordability. The standard 3.8L V6, computer-assisted 4-cylinder engine features Electronic Fuel Injection for impressive efficiency.

The advantages of Electronic Fuel Injection over conventional carburetors include simplicity of design and more accurate fuel delivery in hot or cold temperatures and in low or high altitudes.

A floor-mounted 4-speed manual transmission is part of the standard fun of the new Firebird. Other fun features include reclining front bucket seats, multi-function control lever, power steering, power front disc and rear drum brakes and a front away bar so you can enjoy your commute, or your drive home, like never before.

*See Facts and Figures pages for EPA fuel economy ratings.*

S/E. Sleek sophistication in a great new Firebird. Some available features shown.
ADVANCED TECHNOLOGY BREEDS NEW TRANS AM EXCITEMENT

- An inside look at the heat and soul of a new Firebird legend, 1982 Trans Am. The available 5.0 Liter V-8 with Cross Fire Injection® includes dual single-point Electronic Fuel Injection bodies on a cross-flow aluminum intake manifold. The manifold has tuned induction lengths for better breathing at higher RPMs. Electronic Spark Control—a detonator sensor for automatic adaptation to varying fuel-octane levels. High compression ratio (9.5:1) with performance camshaft. GM's Computer Command Control. Unrestricted high density air intake including functional "through-the-hood" ram air induction, computer controlled functional hood louver and sport aluminum hood with asymmetric shroud.

- *The 5.0 Liter V-8 with Cross Fire Injection is available only on Trans Ams equipped with the W85 Special Performance Package and automatic transmission. This is not available in California.*

- MacPherson strut front suspension with ball bearing upper mounts for good "on-center" feel.

- Coil springs are mounted separately to the lower control arms to provide for added room in the engine compartment and a lower hood profile.

- 30mm front and 22mm rear sway bars.

- Power steering with 14:1 quick steering gear ratio.

- Turbo cast aluminum wheels with perimeter air-venting ports.

- Functional front fender air extractors to help relieve under-the-hood air pressure buildup.

- Frameless glass hatch design with integral sunshade and gas pressure struts. Shown with the available rear window defogger and rear hatch washer/wiper.

- Rear deck Aero wing spoiler to help smooth out the trailing airflow.

- Compact spare tire for lighter weight and more usable cargo space.

- Torque arm rear suspension design which includes lower control arms, a track bar and coil springs. High-strength, light alloy steel is used in the torque arms, axle tube and spring seats.

- Available W86 Special Performance Package includes: 12.7:1 quick steering gear ratio, 21mm front sway bar, 22mm rear sway bar, limited slip differential, four wheel ventilated disc brakes with low drag calipers and quick-take-up master cylinder, P215/60R15 steel-beaded high performance radials, 15" x 7" Turbo cast aluminum wheels.

*W86 Special Performance Package is requested with the 5.0 Liter V-8 with Cross Fire Injection. On the Trans Am, it is available with the 5.0 Liter V-8 or V-6 Power.

- Front and rear wheel opening flares to help smooth out the airflow around the wheels.

- Free-flow exhaust system with dual resonators and a cross-over pipe.

- Available locking fuel filler door.
FIREBIRD FACTS & FIGURES

Now that you've decided on a Pontiac, you're ready for the next step: selecting the combination of "extras" that will make it uniquely yours. Take your time and study Pontiac's long list of standard and available features. Then see your dealer about buying or leasing a 1982 Pontiac.

**EXTERIOR FEATURES:**
- Black-finished door handles, key lock cylinders
- Black-finished grilles
- Black full-width taillamps
- Body-color side body moldings
- Body-color door handle tape inserts
- Body-color one-piece resilient endura front panel and front/rear bumper
- Concealed rectangular quartz halogen headlamps (electrically operated)
- Front air dam
- Front fender air extractors
- Front/rear wheel opening flares
- Lockable fuel filter door
- Lower accent paint with striping
- Mirrors: Black-finished LH manual, RH convex
- Sport, LH remote control, RH manual convex
- Rear deck aero wing spoiler
- Rear wash/washer wiper
- Tires (radial) 195/75R14 glass-belted blackwalls
- 205/70R14 steel-belted blackwalls
- Compact spare tire
- Wheels: Hubcaps
- Turbo cast aluminum with center cap (black-finished on Trans Am; body-colored on S/E)
- Wraparound hatch glass with strut supports

**INTERIOR FEATURES:**
- Acoustical insulation
- Black-finished instrument panel
- Cargo area carpeting
- Cut-pile carpeting
- Electric-operated hatch release
- Folding rear seat
- Full-length console integral w/instrument panel
- Inside hood release
- Lockable storage in left rear quarter panel
- Multi-function control lever
- Reclining front bucket seats
- Side window defoggers
- Steering wheel: Formula
- Visconti bucket seats (Includes leather & map pocket)

**MECHANICAL:**
- Automatic or manual transmission
- Air conditioning, custom (requires tinted glass)
- Axle, limited slip differential
- Brakes, power four-wheel disc
- Clock, digital (located in radio)
- Cruise control, resume-speed feature
- Custom exterior group: Includes lower body side, pillar window, bright roof drip moldings, body-color door handle tape inserts and sport mirrors (LH remote, RH manual)
- Defogger, electric rear window
- Glass, tinted all windows
- Hatch roof with removable glass panels
- Luggage compartment carpeting, includes storage well cover w/lock and carpet inserts on side, rear panels & spare tire cover
- Luggage compartment security cover (roll-up)
- Mirrors: Sport, dual electric-operated
- Visor vanity, RH
- Moldings: Body side (black)
- Power door locks
- Power seat, driver 6-way
- Power windows
- Radio equipment: Antenna, power
- Radio, Delco-GM AM
- Radio, Delco-GM AM/FM (with digital clock)
- Radio, Delco-GM AM/FM stereo and cassette tape player (includes digital clock) w/dual front and extended range rear speakers
- Radio, Delco-GM AM/FM ETR stereo and cassette tape player (includes digital clock) w/dual front and extended range rear speakers
- Radio, Delco-GM AM/FM ETR stereo with seek and scan (includes digital clock) w/dual front and extended range rear speakers
- Special performance package includes special handling package, 15 x 7 aluminum wheels, four-wheel disc brakes, limited slip axle and 215/65R15 steel-belted blackwall tires
- Sport aluminum hood scoop
- Steering wheel: Tilt
- Tires (radials)
  - 195/75R14 glass-belted whitewalls
  - 195/75R14 steel-belted whitewalls
  - 195/75R14 steel-belted white-lettered
  - 205/70R14 steel-belted whitewall
  - 215/65R15 steel-belted whitewall (with special performance package only)
  - 215/65R15 steel-belted white-lettered (with special performance package only)
- Wheels: Cast aluminum
- Rally V
- Trim rings
- 15 x 7 Turbo cast aluminum with special performance package only

**ADDITIONAL MAJOR OPTIONS:**
- Wheel locking package (w/cast aluminum wheels only)
- Wire wheel covers with locking package
- Windshield wipers, controlled cycle

**ENGINES/TRANSMISSIONS**
- Engine: Ordering Engine
- LQ4(1) 5.0 Liter (151 CID)
  - 4-cyl w/electric fuel injection
  - Fed. 4-Matic 35 (A) -- -- --
- LQ9(1) 5.0 Liter (151 CID)
  - 4-cyl w/electric fuel injection
  - Fed./Calif. 4-Matic 35 (A) -- -- --
- LC1(1) 2.8 Liter (173 CID)
  - V-6 2-bbl. 35 (A) -- -- --
- LG4(3) 5.0 Liter (305 CID)
  - V-8 4-bbl. 35 (A) -- -- --
- LT5(2) 5.0 Liter (305 CID)
  - V-8 cross-fire injection
  - Fed. Auto 40 (A) -- -- --

**DIMENSIONS** (inches)
