BUILT FOR THE ROAD AHEAD.

**COMFORT. STYLE. LUXURY. SAFETY.
IT'S ALL HERE.**

Stretch out, relax and enjoy the bountiful space as you rediscover the road. Comfort and style: that's Crown Victoria LX. From the 8-way power driver and right-front-passenger seats and available driver and right-front-passenger power lumbar supports, to the available leather-wrapped steering wheel and the distinctive woodgrain-appearance trim, you'll revel in its luxurious touches.

THE SKY'S THE LIMIT

With the available moonroof, you can soak up rays, bathe in starlight or just enjoy a pleasant breeze, all with the touch of a button.

PERSONAL COMFORT ZONE

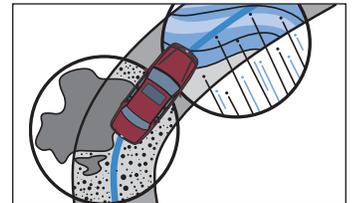

Electronic Automatic Temperature Control – This available feature allows you to select the air temperature that pleases you most.

AN ALL-STAR PERFORMER

For 10 years in a row,* Crown Victoria has earned the U.S. Government's 5-Star frontal crash test rating for both the driver and right-front-passenger seating positions. That's the kind of protection you deserve.

*1996–2005.

ROAD-GRIPPING TECHNOLOGY

Available All-Speed Traction Control – This feature improves traction on slippery or loose surfaces by using a combination of brake and/or engine control to reduce wheel spin. It's nice to have on slippery roads, icy surfaces, and even when accelerating out of a turn.
