A new, more powerful 6.2L V8 engine. A completely redesigned luxury interior featuring a new instrument panel, optional full third-row seating and DVD entertainment system. Plus, new safety features like Panic Brake Assist and head curtain side air bags* tell you— the new H2 is here.

One-third of the earth beckons.

Whether it's the 2008 H2 SUV or SUT, owning a HUMMER affords you the ultimate freedom to go just about anywhere and do just about anything. While allowing you to reconnect to all those things that make you feel like yourself again.

When designing the H2, our task was absolute — create the leader in the Sport Utility category. By wrapping our iconic HUMMER exterior around a luxurious new interior and more powerful 6.2L V8 engine — capable of generating 393 hp and 415 lb-ft of torque, we did just that. And created another vehicle that is truly Like Nothing Else.

*Always use safety belts and the correct child restraints for your child's age and size. Even in vehicles equipped with air bags, children are safer when properly secured in the rear seat. For appropriate child restraints, visit Consumer.gov/child-safety. Parents and children 12 and under should use safety seat instructions for more safety information.
Every HUMMER is designed to do something remarkable. Choose the one that is right for you and then make it your own through a variety of trim packages, color and interior options.

Models, trims, colors and more.

H2 True to the HUMMER lineage. The SUV that strikes the perfect balance between off-road capability and on-road comfort. Featuring a new Vortec 6.2L V8 engine, 6-speed Hydra-Matic 6L80 automatic transmission and completely redesigned interior.

H2 SUT It’s the H2, only slightly modified. Featuring a foldable midgate that creates a pick-up length of six feet, extending the possibilities of what you can do with your H2.
2008 H2 TRIM LEVELS

H2 ADVENTURE
- Self-leveling rear air suspension system
- On-board air compressor
- Brush grille guard
- First-aid and tool kit

H2 LUXURY
- Chrome appearance package:
  - Chrome hood handles
  - Chrome hood latches
  - Bright door sill plates
- 17" polished aluminum wheels
- Full third-row seat for 2 passengers
- Rear seat overhead DVD entertainment system with 8-in. screen
- Single-disc CD/MP3/DVD player with auxiliary audio input jack
- Boss® surround sound system
- Rear vision camera system
- Sunroof with "express open" and "express close" features (standard on the H2 SUT)
- Carpeted floor mats

For off-road enthusiasts:

AIR SUSPENSION
- Self-leveling rear air suspension system
- On-board air compressor

### 2008 H2 AND H2 SUT TECHNICAL SPECIFICATIONS

#### ENGINE
- **Type**: Vortec 6.2L V8 with cast-aluminum block and cylinder heads
- **Horsepower**: 393 hp (SAE) (@ 5700 rpm)
- **Torque**: 415 lb-ft (@ 4300 rpm)
- **Fuel Injection Type**: Sequential fuel injection
- **Displacement**: 376 in.³
- **Bore & Stroke**: 4.06 x 3.62
- **Compression Ratio**: 10.5:1
- **Crawl Ratio**: 39.7:1
- **Transmission**: Hydra-Matic 6L80 6-speed automatic
- **Drive Train**: Two-speed, electronically controlled, full-time 4WD
- **Traction Control System (TCS)**: Brake-controlled, single-wheel control capability with rear axle electronic locking differential
- **Steering**: Variable ratio, integral power and recirculating ball
- **Brakes**: Four-wheel disc, 4-wheel/4-channel ABS and dual piston calipers with Dynamic Rear Proportioning and Panic Brake Assist
- **Front Suspension**: Independent with torsion bars, 46 mm monotube gas-charged shocks and 36 mm front stabilizer bar
- **Rear Suspension**: Standard 5-link variable-rate coil spring suspension, 46 mm monotube gas-charged shocks and 30 mm rear stabilizer bar; Optional self-leveling air suspension, 46 mm monotube gas-charged shocks and 32 mm rear stabilizer bar; Three-piece fully welded ladder frame
- **Wheels & Tires**: 17-in. painted aluminum wheels; All-terrain LT315/70R17 tires with full-size spare

#### WEIGHTS & CAPACITIES
- **GVWR**: 8,600 lb
- **Curb Weight**: 6,614 lb
- **Payload, Maximum**: 2,200 lb
- **Trailing, Maximum**: 8,200 lb
- **Winch Capacity**: 9,000 lb
- **Fuel Tank Capacity**: 32 gal
- **Gross Axle Weight Rating**: 4,000 lb (Front); 5,000 lb (Rear)

#### PERFORMANCE
- **0–60 MPH**: 7.8 sec.
- **Grade Capability**: 60%
- **Side Slope Capability**: 40%
- **Water Fording Depth**: 24 in. @ 5 mph
- **Vertical Climb**: 16 in.

STANDARD INTERIOR EQUIPMENT
- Seating for 5
- OnStar with a 1-year Directions & Connections service® plan
- Remote keyless entry with panic button
- 8-way power adjustment for front passengers
- Dual-zone heating, ventilation and air conditioning
- Driver Information Center
- 39 Radio with 3 months of trial service

STANDARD SAFETY AND SECURITY FEATURES
- Dual front air bags
- Head curtain side air bags with rollover sensing system
- Remote keyless entry with panic button
- Content alarm theft deterrent system
- Fold-down 60/40 split second-row seat
- Driver Information Center
- Battery rundown protection
- Remote vehicle starter
- Leather-appointed seats with 8-way power adjustment
- Auxiliary rear heating /cooling system (SUV only)
- Headlight control
- Driver's seat with standard memory feature for 2 drivers
- Power-folding, heated outside rearview mirrors with "express open" and "express close" features
- Bose® sound system with in-dash 6-disc CD changer
- HUMMER 100,000-Mile/5-Year Transferable Powertrain Warranty
- Leather-wrapped steering wheel with secondary audio controls
- Tri-zone air conditioning
- Bose® RearVision Rear Camera System
- Rear-seat audio controls with headphone jacks
- XM Radio with 3 months of trial service

STANDARD EXTERIOR EQUIPMENT
- Front bumper with retrieval loops and hitch receiver
- Rear bumper with retrieval loops and class 3 hitch receiver
- Full undercarriage panel protection
- Power-folding, heated outside rearview mirrors with "express open" and "express close" features
- Chrome exterior door handles
- Sunroof with "express open" and "express close" features
- Chrome fuel filler door
- Chrome grille guard (straight or wraparound)
- Chrome fuel filler door
- Silver painted bumpers

- Global "express down" feature on windows
- Bumper-mounted rear tire carrier with spare tire cap
- Rear vision camera system
- Rear view camera system
- Windshield-wiper washer system
- Driver's seat with standard memory feature
- Aluminum shifter
- Heated windshield washer fluid system
- Self-leveling rear air suspension with onboard air compressor
- Universal remote
- Carpeted floor mats
- Power-folding, heated outside rearview mirrors
- Touch-screen DVD navigation radio
- Touch-screen DVD entertainment system
- 6 power points (3 front, 2 rear and 1 tailgate accessible)
- 17-in. polished aluminum wheels
- Heated front and rear seats
- Heated windshield washer fluid system
- Universal remote
- Carpeted floor mats

NOTE 1: GVWR (Gross Vehicle Weight Rating) includes vehicle, passengers, equipment and cargo. GVWR availability may vary depending on equipment selected. NOTE 2: Payload includes passengers, equipment and cargo. NOTE 3: "Gross trailer weight (GTW)" should be limited to 5,700 lb. (2,583 kg) in order not to exceed the maximum gross vehicle weight rating (GVWR) of the completely loaded vehicle, and must be distributed evenly between the axles. NOTE 4: Do not exceed the maximum gross vehicle weight rating (GVWR) of the completely loaded vehicle, and must be distributed evenly between the axles. NOTE 5: Tire pressure monitoring system (TPM) requires certain TPMS capable vehicles. NOTE 6: XM Radio may require a subscription. NOTE 7: Call 1.888.ONSTAR (1.888.466.7827) or visit onstar.com for system limitations and details. NOTE 8: Always use safety belts and the correct child restraints for your child’s age and size. Even in vehicles equipped with air bags, children are safer when properly secured in the rear seat in the appropriate infant, child or booster seat. NOTE 9: XM Radio may require a subscription. NOTE 10: Contact your HUMMER dealer for additional details.
IMPORTANT WORDS ABOUT THIS CATALOG:

We have tried to make this catalog comprehensive and factual. However, we reserve the right, without notice, to make changes at any time in prices, colors, materials, equipment, specifications, availability, specifications, operation, measurements, and emissions data. All measurements are estimates and approximates based on design and engineering drawings, prototypes, and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your HUMMER dealer for complete details. HUMMER reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times.

ASSEMBLY:

HUMMER vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce HUMMER vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES:

HUMMER products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in HUMMER products may also be used in other GM makes and models.

A NOTE ABOUT CHILD SAFETY:

Always use safety belts and the correct child restraints for your child's age and size. Children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more safety information.

ONSTAR:

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement is required. Call 1.888.4.ONSTAR (1.888.466.7827) or visit onstar.com for OnStar's Terms and Conditions, Privacy Policy, and system limitations and details. For coverage maps, visit onstar.com and click on "OnStar service and coverage maps." Further information is available at onstar.com.

REVISED MPGS/TAXES:

Vehicle prices do not include federal and state taxes, fees and any other charges. Add $100 for temporary registration. OnStar services require a working GPS (Global Positioning System) satellite signal. Your vehicle's GPS satellite signal may not be available in all areas. Your vehicle's GPS satellite signal may not be available in all areas. Please consult the vehicle Owner's Manual and visit the OnStar website at onstar.com for more information.

REVISED FUEL ECONOMY:

Commencing with 2008 model year vehicles, EPA revised its methods for estimating vehicle fuel economy. The new test methods will likely lower MPG estimates as compared to 2007 and previous model year vehicles. These new methods are intended to better represent current driving styles, varying road and weather conditions and certain other factors.
