## 2009 NISSAN XTERRA

**KEEP IT CORE.** Take advantage of a 261-hp V6 and a fully boxed steel ladder frame and get going. Xterra's been updated inside and out. New roof-mounted off-road lights shine the way. Bluetooth® comes along. Versatility and spontaneity forge a hard-core bond. While a roof rack ups your options and rear bumper steps get you there. It's all about the adrenaline. And the locking rear differential. Stash the damp and dirty, but clean up easy with a wipe-down cargo area. A higher purpose? Constant motion.
