BENTLEY
TRAVEL IN ANOTHER WORLD.

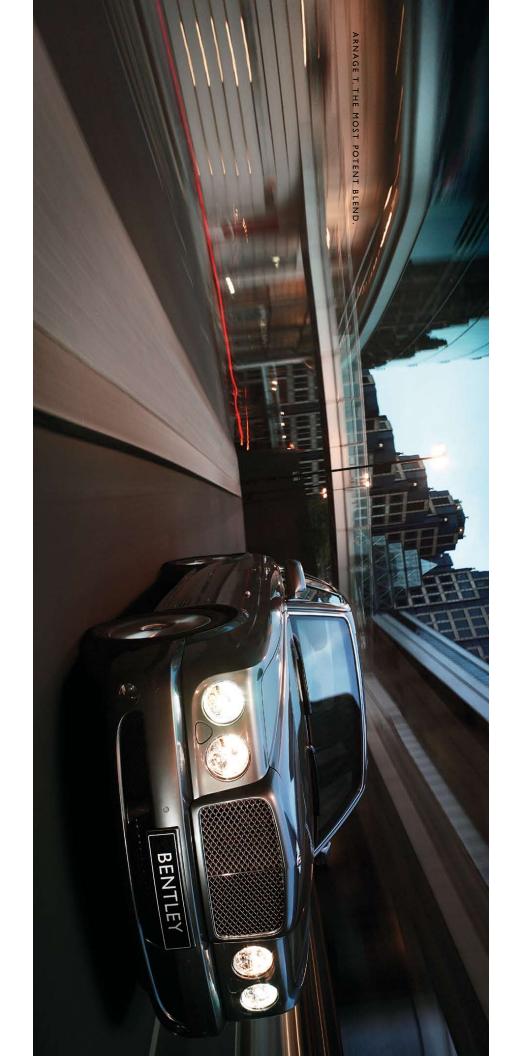

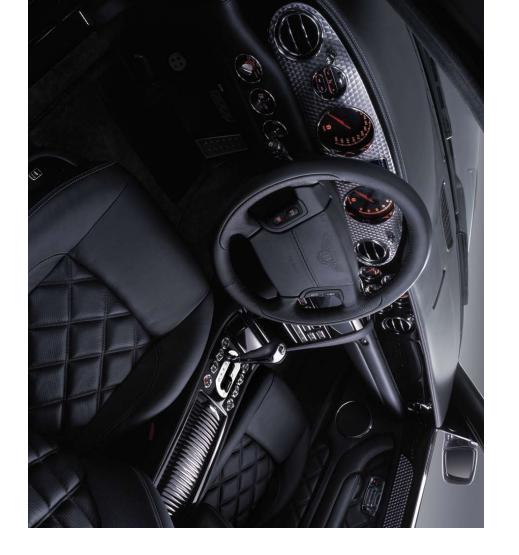

YOUR BENTLEY. SHAPED BY YOU IN EVERY SENSE.

inagination. The power or process of producing mental images and ideas. Most definitions talk about the ability to create ideas in the mind, especially of things never seen or experienced before. It's why man can create breathtaking works of art. Or write a novel that moves generations. Or build a bridge that is a statement of vision, not just a requirement of geography, lit is a world that takes on a whole new meaning when you enter the world of Mulliner But what is it that will define your Bendey! Naturally, it must be able to devour long journeys whist cossening its occupants in absolute comfort. The interior must be beautiful but functional at the same time. It should look eigenn, yet exued a certain effortes grower. Above all it must give its occupants a real sense of freedom, the sense that anything is possible. With a Bendey this feeling doesn't simply arrive along with a finished car, it begins much earlier, when you first start to form an idea of a Bendey in your mind. Your Bendey With over two billion potential configurations, the possibilities are whatever you make them You've already starred your first Bendey journey. Only you make them You've already starred your first Bendey journey. Only you make them You've already starred your first Bendey journey. Only you

MORE POWERFUL.
MORE TEMPTING.
MORE EXHILARATING.

Take a seat in the eye of the storm.

Surrounded by sublime handcrafted excellence it is easy to forget the potency that less shead of you. The silent luxury in sharp contrast to the power available to you underneath your right foot.

6.75 litres of energy contained in a masterful V8 engine.

The potential of 500bhp (373kW).

Engine torque which peaks at a formidable 1,000Nm (738 lb-ft) at 3,200rpm, with over 90% available from just 1,900rpm.

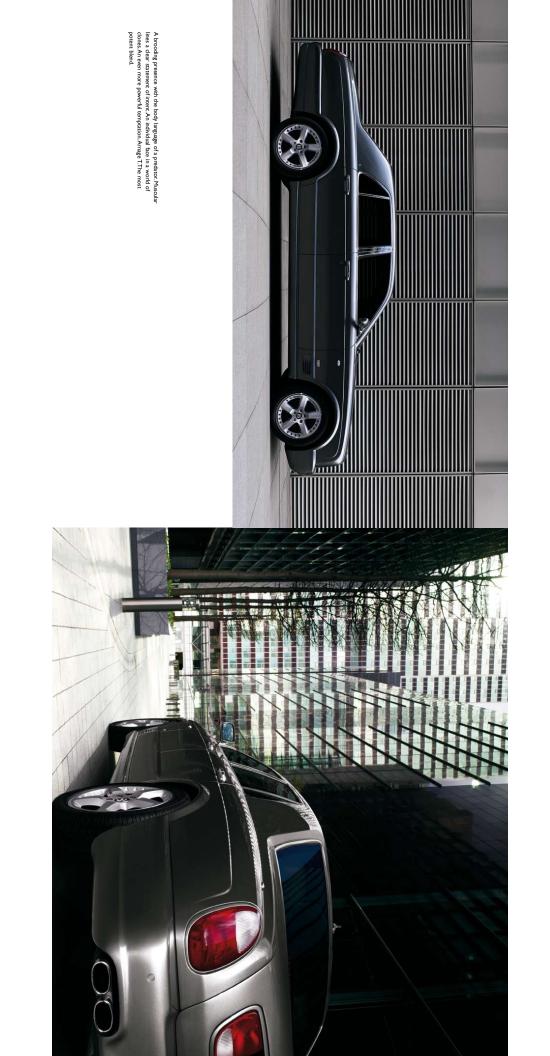

0-60 mph in 5.2 seconds (0-100 km/h in 5.5 seconds).

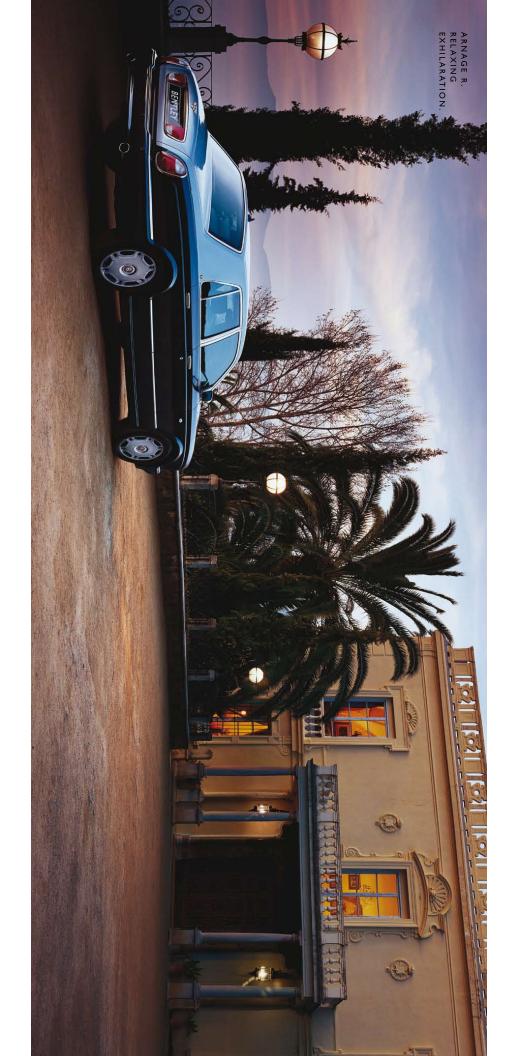

All as your disposal with the support of a new state-of-the-art, computer controlled-6-speed gearbox and countless electronic systems guiding every movement. A new Electronic Stability Programme for even more spirited handling with no reduction in stability or sidely-ficthology dutal treds for the road without sacrificing a single moment of your driving experience.

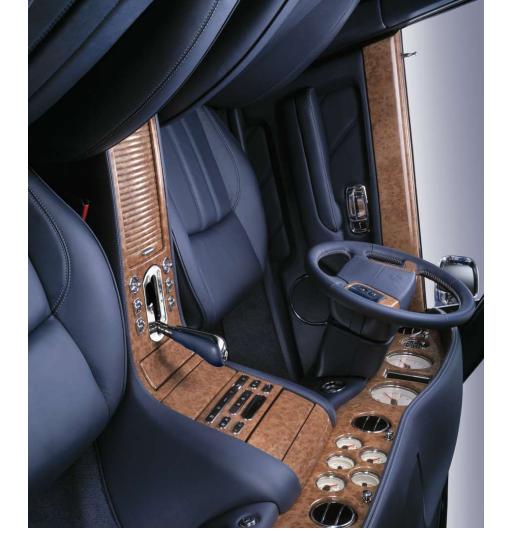

Absolute performance. An incomparable feeling.

PURE RELAXATION.

In the Amage R every journey is a unique experience of power, luxury and control; an unrivalled example of the Grand Touring philosophy.

This is a place where two very different worlds are perfectly united.

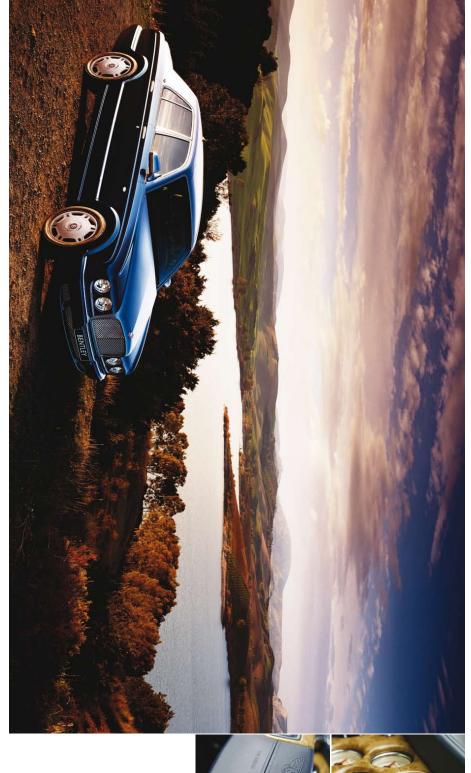

Tradition and technology in absolute harmony.

From the flawless leather of the seats to the new computer-controlled six-speed gearbox, both driver and passengers sit in an environment of summing acentracts and finger pic control. An oaste from which you can savour every nuance of the upgraded, twin-turbocharged 6.75-litre 1/8 ergine. With 1450bp (336kVV) at your command A 0-60mph time of 5.5 seconds (0-100mhn in 5.6 seconds). And a top speed of 168mph (270km/h) waiting to be relished.

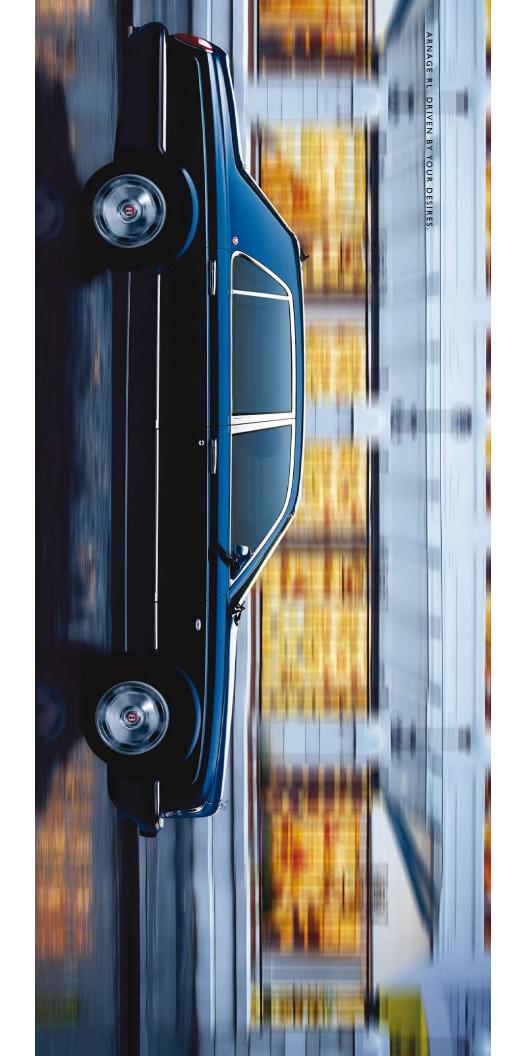

The Arnage R is a vehicle that is beautiful at birth and can be made even more so in the eye of the owner through virtually any degree of personalisation.

The Arnage R. Pure refinement, sheer excitement.

EXPERIENCE A WORLD OF FREEDOM.

The Arnage RL is the culmination of world-class coachbuilding that spans generations. It is a car that takes personalisation to a new level, where the vehicle is a canvas on which you can paint your vision.

With its extended wheelbase, 50mm to the front and 200mm to the rear compartment, the RL retains the classic Amage profile whilst offering even more pabital comfort for the passengers, But make no mistake; this is a car to drive. The twin-turbocharged 6.75-litre V8 engine, harnessed by a new highly engaging six-speed automatic gearbox, makes this an experience impossible to resist.

This is also a car for indulgence. The pleasure begins with a specification that already includes touches of luxury such as a bottle cooler concealed behind the rear armrest, reversing camera as well as a telephone for passengers in the rear*.

It continues with a consultation with a dedicated Mulliner designer and account manager, the team who will help create the vehicle to your precise requirements.

Whether it's a lavishy individual interior or a fully integrated mobile office, this is not simply a case of a few pre-ordained optional extras, it is an opportunity to realise virtually anything you can imagine - all designed and handcrafted by the most skilled automotive artisans in the world.

world.

These are people who understand not only the heritage of Bentley, but also the pleasures of luxury in a contemporary world. From fashioners of burnished walnut and fine hides to audo experts who can turn the interior of a Bentley into a concert hall to specialists who can bring the internet or television to the next reset.
