BENTLEY
TRAVEL IN ANOTHER WORLD.

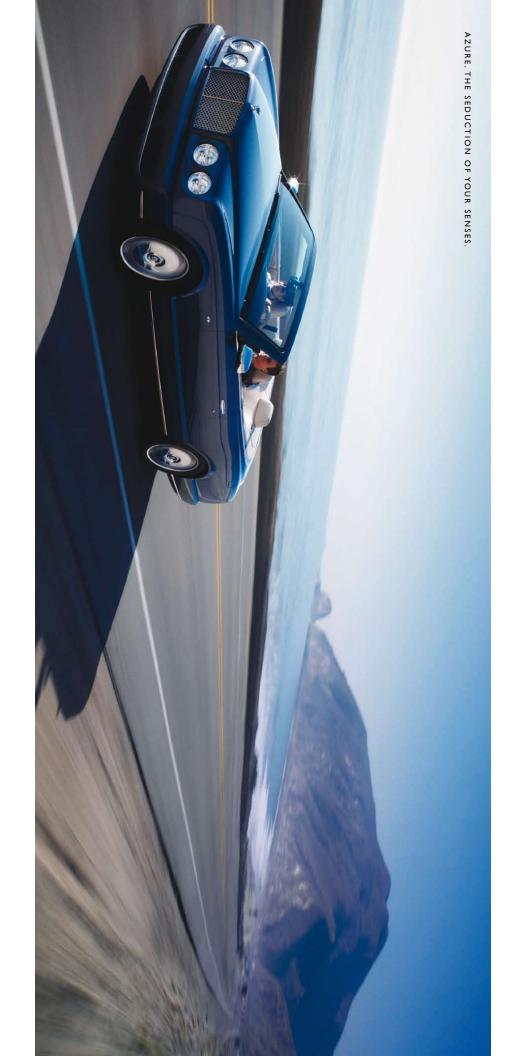

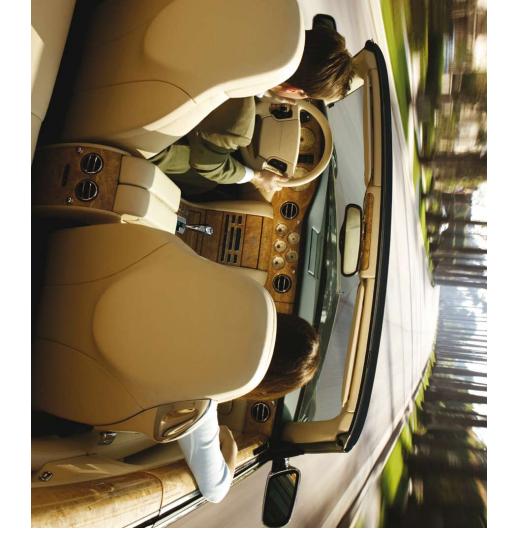

YOUR BENTLEY. SHAPED BY YOU IN EVERY SENSE.

inagination. The power or process of producing mental images and ideas. Most definitions talk about the ability to create ideas in the mind, especially of things never seen or experienced before. It's why man can create breathtaking works of art. Or write a novel that moves generations. Or build a bridge that is a statement of vision, not just a requirement of geography, lit is a world that takes on a whole new meaning when you enter the world of Mulliner But what is it that will define your Bendey! Naturally, it must be able to devour long journeys whist cossening its occupants in absolute comfort. The interior must be beautiful but functional at the same time. It should look eigenn, yet exued a certain effortes grower. Above all it must give its occupants a real sense of freedom, the sense that anything is possible. With a Bendey this feeling doesn't simply arrive along with a finished car, it begins much earlier, when you first start to form an idea of a Bendey in your mind. Your Bendey With over two billion potential configurations, the possibilities are whatever you make them You've already starred your first Bendey journey. Only you make them You've already starred your first Bendey journey. Only you make them You've already starred your first Bendey journey. Only you

ENDLESS ELEGANCE.

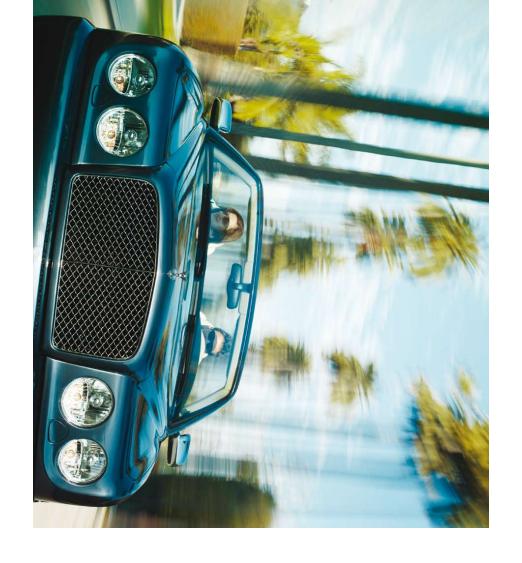

The open road. The open skies. The Azure. A convertible unmarched in performance and potency and one that is truly exocative. Quite simply, this is the world's most degant convertible.

In every sense a Bentley, with perfect interior refinement and a supple contemporary silhouette. This is a car that takes a mere 25 seconds for its root of gide away revealing the freedom of the heavens. Freedom symbolised by the 'Hyng B' radiator mastoc proudly installed atop that famous radiator grille. An iconic piece of sculpture reinterpreted for the new century.

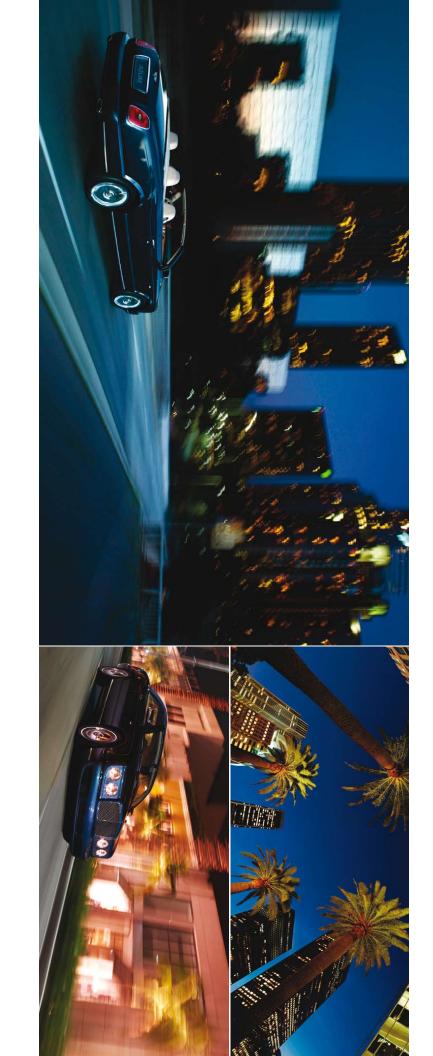

A new computer-controlled six-speed automatic gearbox brings a smoother shift and more interaction to the driving experience transleting the power of the 6.75 little ewo-undo-to-targed. We eighe into effordess propulsion. This is not only a luxury car but also a serious performance can accelerating from 0-60mph in 5.6 seconds (0-100mmh in 5.9 seconds), with a top speed of 171mph (274kmh) available on demand.
