2. Fuel economy when operating on E85 will yield different values than gasoline. See Fuel Economy Guide for more information.
3. Always wear your safety belt and secure children in the rear seat.
4. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of your vehicle.
5. SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation.
6. Not all crashes will activate an airbag or safety belt pretensioner.
