Like bright rims, luggage compartment packages, and ever shiny wheel cap. It rounded corners to incorporate. The two-tone color combination gives the smart fortwo a modern, yet timeless appeal. New Exterior Color Design Package: BRABUS "Monoblock VII" alloy wheels. Available as an option on all models.

More functions
In large measure, the interior is user-friendly and technologically advanced. The more smart fortwo information, facade design, and panoramic technology, which is maintained on function.

Quite entertaining
With the versatile full-color display menu with the smart fortwo, you can enjoy your favorite songs, make an environmental impact, and have fun at the same time. The navigation system and multimedia control of the smart fortwo will guide you through your destination.

smartville: place of innovation
As usual, we changed all the standard for the prowling innovation. Not only a car is made to provide power, air, and water, but also to provide a simple, yet forward-thinking solution. This car is not only a car, but also a brand, a lifestyle, and a real estate development. The smart fortwo has become a place of innovation for the future.
More style

The opportunity to make the smart fortwo distinctive and individual is now greater than ever, thanks to plenty of new standard and optional equipment both outside and in. New color choices for the interior, BRABUS "Monoblock VII" alloy wheels and new ambient lighting make it easier than ever to define your on-road style.

More functions

A number of practical details, user-friendly technical features and new entertainment highlights make every journey a pleasure. From the new glove compartment with clip function to the new cruise control package: easy to operate on the steering column control stalk, for a new and improved audio experience. Classy new leather sports steering wheels (including leather gear knob), new 12-spoke alloy wheels (15") with chrome rims, plus BRABUS "Monoblock VII" alloy wheels make it almost impossible to resist driving.

More smart for two than ever before.
