Important information.

100,000 MILES/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2011 Chevy passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and the Courtesy Transportation Program and much more. See dealer for limited warranty details, or visit chevy.com/warranty.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Statement, and details and system limitations.

A NOTE ABOUT CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment. Excludes other GM vehicles.

ROADSIDE ASSISTANCE PROGRAM and COURTESY TRANSPORTATION PROGRAM. Visit chevy.com/warranty for details.

CHEVROLET CUSTOMER ASSISTANCE CENTER. Call 1-800-222-1020 or visit chevy.com/warranty.

FLEET ORDERS. Some standard content may be deleted with fleet orders. See dealer for details.

¹ Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details. ² Standard on LTZ and available on LS and LT. ³ Standard on Z71 Off-Road Suspension Package. ⁴ Available on LTZ. ⁵ Standard on LS and LT, not available with Z71 Off-Road Suspension Package. ⁶ Limited availability. 2011 Chevrolet Avalanche 

A silver Chevrolet Avalanche truck is shown from a rear three-quarter view, parked on a sandy beach. The truck is the central focus, with its rear wheel and side door visible. The word "AVALANCHE" is printed on the side of the truck. In the foreground, there is a large, weathered piece of driftwood. The background shows a beach with waves and a cloudy sky.

Ranked #1 in Sport Utility Trucks

U.S. NEWS & WORLD REPORT¹

Midgate Flexibility. Life doesn't stand still. That's why you need the most flexible vehicle out there.² And Avalanche delivers with the GM segment-exclusive Midgate. With the Midgate in place, you're in an upscale SUV. Lower it and you're driving a powerful pickup. It's the best of two trucks in one versatile vehicle.

Vortec 5.3L V8. Avalanche packs the right combination of horsepower and torque to handle bigger payloads. The standard Vortec 5.3L V8 engine puts 320 horses to work, along with 335 lb.-ft. of torque. That means Avalanche has the power under the hood to take whatever's inside or behind it – capable of towing up to 8,100 lbs.³

OnStar^{®4} Automatic Crash Response. OnStar with the Directions & Connections[®] Plan – standard for the first six months – includes Automatic Crash Response. In a crash, built-in vehicle sensors can automatically alert an OnStar Advisor and relay critical details. Even if you don't respond, an OnStar Advisor can request that help be sent to your exact GPS location.

100,000 Mile/5-Year⁵ Transferable Powertrain Limited Warranty. With 100,000 mile/5-year⁵ Roadside Assistance and Courtesy Transportation Programs to guarantee the quality.

Take the web with you. Available, dealer-installed Wi-Fi by Autonet Mobile⁵ delivers reliable Internet access inside and within a 150-foot radius around your vehicle.

Keep in touch. Standard Bluetooth[®] wireless technology⁷ for select phones lets you make, answer and end calls without ever taking your hands off the wheel.

Stay on course. XM NavTraffic⁸ enhances your vehicle's available navigation system by showing real-time traffic data when you need it most – while you're driving.

Plug it in. A USB port⁹ lets you connect your MP3 player or a music-loaded flash drive to the audio system and take your own tunes with you wherever you go.

¹ U.S. News Car Rankings at usnews.com/cars as of 2/19/10. ² Based on GM Large Pickup segment. ³ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. ⁴ Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. ⁵ Whichever comes first. See dealer for details. ⁶ Monthly rates apply. Visit autonetmobile.com for details and coverage map. ⁷ Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. ⁸ Requires available navigation radio. Requires a subscription sold separately by XM after trial period. Available only in select markets. For more information, see xmradio.com/navtraffic. Not available on LS. ⁹ Not compatible with all devices.

“The Avalanche is a good choice for people who do moderate hauling or towing, but still want a comfortable interior with plenty of seating!”

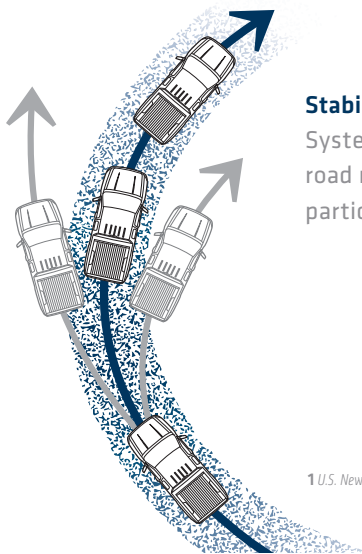

U.S. NEWS & WORLD REPORT¹

Rearview Camera System. An available rearview camera system helps you see certain stationary obstacles on the navigation screen (shown) or in the rearview mirror while moving in Reverse at slow speeds. Standard on LTZ.

Ride Quality. Avalanche is a hardworking truck, and thanks to the coil-spring suspension it shares with Tahoe and Suburban, it's also a smooth ride.

StabiliTrak. The StabiliTrak Electronic Stability Control System with Traction Control helps you avoid what the road might throw at you by improving vehicle stability, particularly during emergency maneuvers.

Active Fuel Management. Technology that delivers power when you need it. It deactivates four of the eight engine cylinders with seamless precision to conserve fuel, and when conditions demand, all eight cylinders are reactivated to give you the power you need.

Avalanche Flexibility

"...Chevrolet Avalanche is an ideal crew-cab pickup for carrying a combination of passengers and cargo!"

EDMUNDS.COM

Avalanche LT 4WD interior in Cashmere color and exterior in Imperial Blue Metallic with available features.

The most flexible vehicle out there! Inside, Avalanche has the look and feel of an upscale SUV. Outside, it has the capability of a full-size pickup with a removable three-piece cargo cover, lockable top-box storage and the largest trunk in the industry?¹

¹ Based on GM Large Pickup segment. ² Based on latest available information of vehicles with lockable trunks separate from the passenger compartment. ³ Depending on model. ⁴ Cargo and load capacity limited by weight and distribution.

1 With the 60/40 split-folding rear-bench seatback and Midgate upright, Avalanche can be configured as a five- or six-passenger³ SUV.

2 To begin converting Avalanche from an SUV to a pickup, simply lower the 60/40 split-folding bench seat. You can also stow the rear window inside the Midgate.

3 To utilize the full length of the cargo box, just lower the Midgate for a completely secured cargo area (when the three-piece cargo cover and rear window are in place).

4 To complete the transformation, remove the rear window and three-piece cargo cover and lower the tailgate to transport items such as a small ATV.

Avalanche is a perfect blend of flexibility and functionality for people who want to be ready for anything. With the help of the GM segment-exclusive Midgate,¹ Avalanche can transform from a five- or six-passenger³ SUV to a pickup with an 8' 2" cargo box and 45.5 cu. ft. of cargo space⁴ in less than a minute.
