<sup>1</sup>Under normal driving conditions with routine fluid and filter changes. <sup>2</sup>Always wear your safety belt and follow airbag warning label instructions.  
<sup>3</sup>Right-front-passenger seat only.

**New Vehicle Limited Warranty.** We want your Ford F-150 ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

**Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at [fordcredit.com](http://fordcredit.com).

**Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

## STX

# FACTORY OPTIONS ENHANCE FUNCTIONALITY.

**FORD WORK SOLUTIONS™** help increase your productivity with smart options like **CABLE LOCK (A)** by Master Lock®. This 10-ft. vinyl-coated, retractable, braided-steel cable spools out of a rugged case mounted right in your cargo box, making it easy to secure your gear. An available **INTERNET-CAPABLE IN-DASH COMPUTER (B)** features Garmin® navigation, hands-free calling, and a convenient touch screen with wireless keyboard¹. The available **Tool Link™** system uses RFID (radio frequency ID) technology from DeWALT® to help track your tools before and after each job². The available **Crew Chief™** fleet management system³ from Microlise® helps track your vehicles and keep them in shape with maintenance reports.⁴

**STOWABLE BED EXTENDER (C)** folds out, clamps together and secures with a bolt-action latch. Made of rugged fiberglass-reinforced polypropylene, this optional 21-in.-tall barrier lets you haul with the tailgate down or secure smaller loads with the tailgate up.⁴

**REMOTE START SYSTEM (D)** is new for 2011. In addition to starting your truck, this factory-installed feature can automatically adjust the cabin temperature based on the temperature outside. It will even activate the heated and cooled front seats (if equipped). You'll find it standard on KING RANCH®, PLATINUM, LARIAT LIMITED and Ford Harley-Davidson™ F-150.

**POWER-ADJUSTABLE PEDALS (E)** enable drivers to customize the placement of their brake and accelerator pedals for optimal comfort and precise control. Available on XLT, FX2 and FX4; standard and includes memory feature on LARIAT, KING RANCH®, PLATINUM, LARIAT LIMITED and Ford Harley-Davidson F-150.

**TRAILER TOW MIRRORS (F)** manually telescope and fold forward or backward so you can get through tight spaces. Whether you're towing or not, the large viewing area and convex lens on these available mirrors help improve visibility and reduce blind spots.

¹Some features are unavailable while driving. Not available with SYNC or Sirius Satellite Radio. See your dealer for details. ²Tool Link system cannot read tagged items stored in metal tool boxes. ³Service fee required. ⁴Shown with aftermarket bedliner.

## MECHANICAL

<b>FRONT SUSPENSION</b>	
Type	Coil-over-shock
Axle (rating @ ground)	3,150 lbs.-4,050 lbs.
<b>REAR SUSPENSION</b>	
Type	Solid axle
Axle (rating @ ground)	3,500 lbs.-4,800 lbs.
<b>STEERING</b>	
Assist	Electric power-assisted steering (n/a with 6.2L V8 engine) Hydraulic power-assisted steering (6.2L V8 engine only)
<b>BRAKES</b>	
Type	4-wheel vented-disc ABS
Front (rotor diameter)	13.8"
Rear (rotor diameter)	13.7"
