Full-sized adventures ahead.

People. Pets. Cargo. Towing. Or all of the above. Whatever your day brings, the 2013 Ford Expedition and Expedition EL are built to help you power through it with ease. Roomy seating for up to 8 means everybody’s welcome. And there’s plenty of cargo space in back – up to 108.3 cu. ft. on Expedition and 130.8 on Expedition EL.² When you’re towing, a new trailer brake controller² helps enhance braking performance. While you’re parking, the Forward Sensing System² alerts you to large, stationary objects detected in front of the vehicle. And for an extra touch of style, you’ll find new 20” chrome-clad aluminum wheels² on Limited and King Ranch® models. Go further in a 2013 Expedition.

¹Cargo and load capacity limited by weight and weight distribution.²Available feature.
Powerful performer helps you maintain control.

The proven 5.4L V8 engine and 6-speed automatic transmission under the hood of every Expedition give you 20 mpg hwy, 310 horsepower and 365 lb.-ft. of torque, along with the ability to tow up to 9,200 lbs. This powertrain is also flex-fuel capable, so it runs on gasoline, E85 or any blend of the two. Joining standard trailer sway control, a new trailer brake controller helps increase towing confidence by balancing the performance of the vehicle brakes and your electric trailer brakes. For maximized traction, the convenient 4x4 AUTO mode on our Control Trac® 4-wheel drive senses when the vehicle is on a loose or slippery surface and automatically transfers power to the appropriate wheels.
Treats you well in all 3 rows.

Relax into supportive leather-trimmed seats as you maximize your comfort via the 10-way power driver’s seat and power-adjustable pedals. Dual-zone electronic automatic temperature control enables you and your copilot each to have your way. Heated and cooled front seats can help chase away a chill – or create one. To pamper more passengers, heated seats are offered in the 2nd row as well. Best-in-class 3rd-row leg room means even adults will be happy to ride in back. To seat as many as 8, you’ll want the standard 2nd-row 40/20/40 split-fold seat with CenterSlide and a 3rd-row 60/40 split-fold seat. XLT Premium, Limited and King Ranch models include our ultra-convenient PowerFold® 3rd-row seat. The 2013 Expedition takes care of you and your passengers in all sorts of powerfully luxurious ways.
XLT Premium. Available equipment.

1Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. SYNC Services varies by trim level and model year and may require a subscription. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply. Not all features are compatible with all phones. 2Available feature. 3SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software.

Keeps you connected.

Hands-free calls, music and more.
No more searching for your phone. No device on your ear. Once paired, voice-activated Ford SYNC recognizes your phone and downloads your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod. Just touch a button on the steering wheel and say things like “Call: Melissa,” or “Play genre: country.” SYNC also offers 911 Assist and with an activated SYNC Services account you get business searches, turn-by-turn driving directions, local movie times and more. Personalize it at ford.com/sync. SYNC. Say the word.

Voice-activated travel guide with SiriusXM.
The Navigation System includes a 6-month trial subscription to SiriusXM Traffic and Travel Link (Satellite Radio is standard) to bring you over 130 channels, including commercial-free music, plus sports, news, talk and entertainment. Drive smarter with the ability to look up fuel prices, check local and national weather, get alerts on traffic-related incidents, receive alternate route suggestions and much more. This system features a vibrant LCD touch screen with interactive maps you can zoom and scroll. Of course, it also responds to voice commands for hands-free control. Play DVDs while Expedition is in Park and store nearly 10 gigs of your digital music.

Command your apps. SYNC AppLink lets smartphone users control Pandora® iHeartRadio® Stitcher Smart Radio® and select other apps by voice too.
Strengthens your peace of mind.

Twists. Turns. Teenage drivers. Expedition is engineered to help you master these and many other challenges. Standard AdvanceTrac® with RSC® (Roll Stability Control™) uses 2 gyroscopic sensors to help you avoid skidding and fishtailing. It’s beneficial on all sorts of surfaces, in all kinds of weather. Adults can use standard MyKey® to help block calls and text messaging when young drivers take the wheel. Every Expedition also features the personalized protection of dual-stage front airbags, front-seat side airbags and our Safety Canopy® System, which includes a rollover sensor and 3-row side-curtain airbags. If an airbag has deployed or a safety belt pretensioner has activated in certain collisions, our SOS Post-Crash Alert System™ flashes the hazard lights and sounds the horn to help alert others. In the event of airbag deployment, Ford SYNC® with 911 Assist® uses your phone to directly contact 911. If needed, it can even give the operator an urgent message for you.

1Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. 2SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. 3The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. 4Late availability.
Expands your versatility.

Take advantage of its huge, flat load floor to carry all sorts of cargo. Let more sun shine in through the power moonroof. Slide the center of its 2nd-row seat forward for convenient access to little ones. Stay organized. Clear up blind spots. Ease cargo loading, along with passenger entry and exit. As your transportation needs change, Expedition smartly helps you adapt.

- Power moonroof¹
- CenterSlide® 2nd-row seat
- Cargo Management System (Expedition EL)
- Blind spot mirrors
- 130.8 cu. ft. of cargo space (Expedition EL)
- Power liftgate¹ and power-deployable running boards¹

¹Ford Licensed Accessory.
Comparisons based on 2012 competitive models (class is Extended Utilities), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.

**Mechanical**
- 5.4L 3-valve V8 FFV engine
- 6-speed automatic transmission with tow/haul mode
- 4-wheel independent suspension with coil-over shocks – Front: double-wishbone, short- and long-arm (SLA) design; rear: multitlink design
- 4-wheel power disc brakes with Anti-Lock Brake System (ABS), brake assist and electronic brakeforce distribution (EBD)
- 28.0-gal. fuel tank capacity (33.5-gal. on Expedition EL)
- Easy Fuel® capless fuel filler
- Front skid plate (4x2 only)
- Full-size spare tire
- Non-limited-slip rear axle – 3.31 ratio ( Expedition only); 3.73 ratio (Expedition EL only)
- Variable-assist, power rack-and-pinion steering

**Seating**
- 1st-row bucket seats
- 2nd-row 40/20/40 split-fold seat with CenterSlide® (slide-forward feature for center section); reclines and folds flat to floor in cargo mode
- 1st-row bucket seats with 2-way adjustable head restraints and 6-way power driver’s seat with manual lumbar

**Interior**
- Air conditioning
- Analog instrumentation with voltmeter, speedometer/odometer and tachometer, and oil pressure, water temperature and fuel gauges
- Assist handles (2 in 1st row, 2 in 2nd row and 1 for liftgate)
- Auto-dimming rearview mirror
- Auxiliary audio input jack
- Auxiliary rear climate control
- Cargo Management System (Expedition EL only)
- Carpeted floor mats in 1st and 2nd rows
- Cruise control
- Cupholders (3)
- Dual-blade sun visors with illuminated vanity mirrors
- Floor console with storage bin, coin holder, 2 headphone jacks, 4 cupholders, 2 powerpoints, auxiliary rear audio and climate controls, and pen holder
- Ford SYNC® voice-activated, in-vehicle connectivity system with SYNC Services for Traffic, Directions and Information
- Front door-trim panels with map pockets and cupholders
- Leather-wrapped steering wheel
- Message center
- Overhead console with map lights, single sunglasses holder, conversation mirror and rear quarter window switches
- Power door locks
- Powerpoints (3)
- Power rear quarter windows

**Exterior**
- Automatic headlamps with rainlamp
- Chrome door and liftgate handles
- Chrome grille
- Class IV trailer tow receiver with 4-pin connector
- Concealed antenna in rear quarter glass
- Fog lamps
- Front tow hooks (4x4 only)
- Liftgate with flip-up glass
- Privacy glass (rear doors, rear quarter windows and rear window)
- Reverse-window defroster
- Reverse Sensing System
- SecuriCode™ keyless entry keypad
- Windshield wipers – Front: speed-sensitive, 7-speed variable-intermittent; rear: 2-speed intermittent with washer

**Safety & Security**
- 3-point safety belts for all seating positions
- AdvanceTrac® with RSC® (Roll Stability Control™)
- Belt-Minder® front safety belt reminder
- Child-safety rear door locks
- Dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor and restraint control module
- Front-seat side airbags
- Height-adjustable shoulder belts for 1st row
- LATCH – Lower Anchors and Tether Anchors for Children on rear-outboard seat positions
- MyKey®
- Perimeter alarm
- Safety Canopy® System with 3-row side-curtain airbags and rollover sensor
- SecuriLock® Passive Anti-Theft System
- Side-intrusion door beams
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)
- Trailer sway control

New Vehicle Limited Warranty. We want your Ford Expedition or Expedition EL ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
