LUXURY SHOULD TAKE YOU PLACES. LIKE TO A NEW STATE OF MIND.
DESIGNED FOR THE WAY IT MAKES YOU FEEL.

For 2014, design, spaciousness, technology and peace of mind arrive at a rewarding place: Buick Enclave. Your first glance reveals artfully sculpted lines flowing seamlessly from front to rear. How you see the world is highlighted by signature LED-accented headlamps and taillamps. They help illuminate Enclave’s design as well as the road. Inside, a feeling of openness welcomes you to the Enclave. The Buick IntelliLink® infotainment system entertains you and your companions, and advanced safety features—including available Forward Collision Alert and Lane Departure Warning—elevate your sense of well-being. Experience all this and much more in the 2014 Buick Enclave.

Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.
Slide in and discover how Enclave’s “low and away” instrument panel creates a sense of wide-open space. Its soft-to-the-touch feel makes you want to run your hand across its surface, while your eyes are treated to distinctive wood tones, chrome accents and ice-blue ambient lighting. Enclave is built around comfort for short trips to the store or long journeys across the country. The driver and front-passenger seats offer heating and cooling, are power adjustable in eight directions and also include power-adjustable lumbar support so you can tailor Enclave’s comforts to fit yours.

TRAVEL FIRST CLASS. NO MATTER WHAT ROW YOU’RE SEATED IN.

COCOA COLOR PALETTE
Leather-appointed seating
Enclave’s QuietTuning technology helps reduce, block and absorb noise and vibration. So you’re left with the ideal environment for conversation. Nothing stands between your ears and the available Bose® 10-speaker sound system. Engineered specifically for the Enclave cabin, music sounds full and detailed, speech sounds natural and the system even approaches live performance levels with minimal harmonic distortion.
When conditions—weather or otherwise—demand more traction, Enclave’s available All-Wheel-Drive (AWD) system doesn’t ask you to push buttons. It’s automatically activated when you need it most. It constantly monitors traction at all four wheels, so whenever it detects slip, power is delivered to the wheel(s) with the best grip. In low-traction situations—like rain, sleet or snow—it can send up to 50 percent of engine torque to either front wheel and up to 85 percent to either rear wheel. And on dry roads, performance and handling benefits like enhanced acceleration and torque reach all four wheels. Power comes from a 3.6L V-6 with direct fuel injection, variable valve timing, 288 hp and 270 lb-ft of torque. It’s paired with an electronically controlled 6-speed automatic transmission, for optimal efficiency and performance.
Your voice is all you need to control the Buick IntelliLink® infotainment system. Enclave lets you personalize your listening options. Call up music, news, sports and other features—just by saying the word. You can even make hands-free calls. Using Bluetooth, it connects your compatible smartphone to a high-resolution touchscreen. With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to audio apps on your phone such as Pandora® internet radio and SiriusXM satellite radio® (3-month trial included). IntelliLink also easily stores your mobile phone contacts. There’s even a USB port to connect your iPhone® or digital music player. You’re doing all of this while keeping your hands on the wheel and eyes on the road.

1 Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. 2 Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. 3 If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. 4 Not compatible with all devices.
WHY DREAM IN BLACK & WHITE WHEN YOU CAN DO IT IN THESE COLORS?

With a wide selection of exterior colors and wheels to choose from, there’s every reason your Enclave will reflect your personal sense of style. So go ahead and select the one that says to you, “Drive me home.”

19" CHROME-CLAD ALUMINUM
20" ULTRA-BRIGHT MACHINED ALUMINUM

Additional charge, premium paint.
Before making a lane change, always check the Side Blind Zone Alert display, check side and inside rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained.

Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Services vary with conditions.

Requires active OnStar subscription, which is standard for 6 months, and select iPhone®, Android™ or BlackBerry® platforms. Does not apply to spare tire.

Enclave offers a comprehensive suite of available safety technologies. LANE DEPARTURE WARNING® alerts drivers if they are drifting out of their lane unintentionally without their turn signal on. FORWARD COLLISION ALERT warns the driver with a visual display if they are approaching a vehicle directly ahead too quickly. Enclave’s standard REARVIEW CAMERA SYSTEM® conveniently located in the center-mounted information screen, gives you a heads-up of what’s behind you. Using radar technology, available REAR CROSS TRAFFIC ALERT® makes you aware of oncoming traffic when backing up, while the available SIDE BLIND ZONE ALERT® warns you when a vehicle is detected in your side-mirror blind spot. Enclave also includes high-intensity discharge xenon headlamps with an available articulating feature to help you see better around corners. And in an industry first, the standard driver’s seat side-mounted FRONT CENTER AIR BAG® adds another layer of protection by providing cushioning between you and your front passenger to help reduce injuries in side impacts.

With OnStar®, standard for 6 months, you’re never far from help in a crash, or more than a button-push away from finding the things you want or staying in touch with the people in your life.

The ONSTAR REMOTELINK MOBILE APP® lets you take charge of your Enclave—remote start and stop, unlock the doors or honk the horn and flash the lights from anywhere you have cell phone service. You can also check your fuel level, tire pressure® and oil life. Connect to an OnStar Advisor anytime, anywhere. And because your Enclave includes the DIRECTIONS & CONNECTIONS PLAN™ standard for 6 months, you can find destinations with the OnStar RemoteLink app and send directions right to your vehicle.

*Before making a lane change, always check the Side Blind Zone Alert display, check side and inside rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal. Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. Kit available on some coverage map details and system limitations. OnStar acts as a link to existing emergency service providers. Services vary with conditions. Requires active OnStar subscription, which is standard for 6 months, and select iPhone®, Android™ or BlackBerry® platforms. Does not apply to spare tire.
THREE ROWS. NO EXCUSES.

Thanks to three rows of first-class seating, you, your passengers and your carry-ons get to share all of this space. Choose the available eight-passenger seating for even more accommodation. With Smart Slide, getting to the third row is painless—the second-row seats easily slide forward using only one hand. Enclave offers lots of flexible cargo space. With all rows up, you still have 23.3 cubic feet behind the third row for picnic supplies. Flip the third row down, and 68.9 cubic feet is enough room for travel gear for an extended vacation. Gain even more space by lowering the second row and now you’ve got 115.2 cubic feet of level storage—plenty of room for luggage or shopping trips. And to get to all of this space, a standard power liftgate does the lifting for you.

*Cargo and load capacity limited by weight and distribution.
Enclave’s design theme is an inviting one. Beyond its natural wood tones and brushed metal, you’ll find French seam stitching that highlights the available leather-appointed seats—infused with silk and perforated for breathing and sound deadening—in the first and second rows. Everyone can enjoy Enclave’s luxury seating, the result of 1,400 hours of real-world testing. So now all you need to do is choose the color palette that feels right.
LUXURY IS IN THE DETAILS, DETAILS, DETAILS.
Want to add even more style and utility to your Enclave? It’s easy, thanks to Buick Accessories. From unique alloy wheels to helpful assist steps to cargo-carrying solutions, Enclave accessories are designed and manufactured to exceptional quality standards. There’s no better time to accessorize than right now. Add style with a set of our ACCESSORY CHROME WHEELS1 available in 19" and 20" rims. Add utility with a range of accessories from Thule® a respected leader in specialized cargo products for automobiles, that make it simple and secure to carry everything from bicycles to kayaks, from luggage to snowboards and ski equipment.

To use any of the Buick accessory roof-mounted cargo carriers, you’ll want to start with the ROOF RACK CROSS RAILS. Then add a ROOF-MOUNTED LUGGAGE CARRIER, such as the rugged, roomy Ascent Cargo Box by Thule, available in two sizes and featuring dual side openings and Quick Grip™ mounting.

Other Cargo Management Accessories:
- Roof-Mounted Bicycle Carrier / Roof-Mounted Kayak Carriers
- Roof-Mounted Luggage Basket / Roof-Mounted Ski Carrier
- Hitch-Mounted Bicycle Carrier / Hitch-Mounted Ski Carrier
- Hitch-Mounted Cargo Box / Cargo Net / Cargo Security Shade
- Cargo Organizer

For a complete list of Buick Accessories available for Enclave, please visit your Buick dealer or buick.com.

1Use only Buick-approved wheel and tire combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.

**HERE’S WHAT GOES INTO ENCLAVE, NOW YOU CAN MAKE IT YOUR OWN.**

Ok, so this is where you come in. It’s your turn to personalize Enclave with one of the equipment groups and its available options.
IMPORTANT WORDS ABOUT THIS CATALOG

Since some information may have been updated since the time of printing (May 2013), please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

NEW VEHICLE LIMITED WARRANTY. This warranty is for GM vehicles registered in the U.S.A. See your Buick dealer for terms and conditions.

4 years/50,000 miles (whichever comes first) bumper-to-bumper limited warranty. The entire vehicle is warranted for repairs, including parts and labor, to correct defects in materials or workmanship. The warranty covers the parts, systems or assemblies installed by GM. The warranty covers the repairs during the warranty period.

6 years/70,000 miles (whichever comes first) transferable powertrain limited warranty plus roadside assistance and courtesy transportation.

6 years/100,000 miles (whichever comes first) body and sheet metal components are warranted against rust-through corrosion.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES. Alterations or additions to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or splicer is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship or any alterations by such suppliers.

ASSEMBLY. Buick vehicles and their components are assembled or produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES. Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Buick products may also be used in other GM makes and models.

TRAILERING AND OFF-ROAD DRIVING INFORMATION. Please go to buick.com and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

FLEET ORDERS. Some standard content may be deleted with fleet orders. See dealer for details.

TAKE OWNERSHIP TO THE NEXT LEVEL. Create an Owner’s Center account to gain unrestricted access to everything you need to get the most out of your new vehicle. Receive alerts and service offers, schedule service, view vehicle-specific how-to videos and check service records. All online, anytime. Go to my.buick.com to take a tour or register your Buick today.
