XV Crosstrek
XV Crosstrek Hybrid

Love. It's what makes a Subaru, a Subaru.

409

1 | 2014 XV Crosstrek

Think it. Do it. Make it count.

The 2014 Subaru XV Crosstrek

The 2014 XV Crosstrek is all about going places, respectfully. From the feisty XV Crosstrek 2.0i to the all-new XV Crosstrek Hybrid, this is a compact crossover with few peers. It's the perfect blend of all-wheel-drive capability and long-distance efficiency. Now you can explore more, and leave behind even less.

XV Crosstrek 2.0i Limited in Desert Khaki with accessory equipment.

Capable

Warning. Bigger plans may occur. Standard Subaru Symmetrical AWD can handle the slippery and twisty, while its 8.7 inches of ground clearance make uneven roads and steep inclines less challenging.

Clean

The XV Crosstrek was a born leader in efficiency and environmental sensitivity, and the all-new, ultra-efficient XV Crosstrek Hybrid pushes the envelope even further. Not only is it the most fuel-efficient AWD crossover in America,¹ it also earned the Advanced Technology Partial Zero Emission Vehicle rating (AT-PZEV)² from the California Air Resources Board, making it the ultimate vehicle for courteous adventurers.

Entertaining

Now you can escape it all, but stay connected at the same time. The available navigation system includes the Subaru STARLINK™ system featuring Aha™ connected service,³ which keeps you in the loop with food, news, weather, podcasts, audiobooks, and more. You can also enjoy Bluetooth® streaming, HD Radio® and SiriusXM® Satellite Radio⁴.

Versatile

The XV Crosstrek is ready when you are. Its generous cargo area and roof rails with available cross bars accommodate most adventures, while ample passenger room keeps things comfy for everyone inside.

1 Based on EPA estimated fuel economy for 2014 XV Crosstrek CVT models compared to AWD vehicles with Polk's Non-Luxury Compact CUV segment.
2 2014 Subaru XV Crosstrek Hybrid vehicles achieving an Advanced Technology Partial Zero Emission Vehicle (AT-PZEV) rating by the California Air Resources Board are available in all 50 states. Only those vehicles that are registered in the states of California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 10 years/150,000 mile Hybrid Electric Vehicle battery warranty. For vehicles registered in all other U.S. states, the Hybrid Electric Vehicle battery warranty will be 8 years/80,000 miles. See your warranty maintenance booklet for additional information.
3 Compatible smartphone and free Aha app required. For Aha to operate, latest version of Aha application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Incorporated. Your wireless carrier's rates may apply.
4 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your dealer.

“It looks brawny but stays compact, it retains the practicality of a hatchback but rides higher, it handles like a car on the road but tolerates rougher off-road conditions, and its cargo space, gear storage, and versatility—plus Subaru’s characteristic all-wheel drive—make it remarkably useful under conditions that vary from the mall to the ski slopes, or the beach to the trailhead.”

— *thecarconnection.com*, August 2013

“XV Crosstrek: the best crossover hybrid value in America.”¹

— *R.L. Polk & Co.*

“Subaru has racked up more endorsements by independent arbiters of automotive quality and safety than just about any other manufacturer.”²

— *FORTUNE Magazine*, December 3, 2012

“... XV Crosstrek supplements its solid road manners with a surprising level of off-road proficiency and the best fuel economy of any all-wheel-drive (AWD) SUV on the market.”³

XV Crosstrek 2.0i Premium in Ice Silver Metallic with accessory equipment.

When you're this clean, you don't have to worry about getting dirty.

Introducing the all-new 2014 XV Crosstrek Hybrid

The all-new 2014 XV Crosstrek Hybrid is truly in a class of its own. Not only does it give you the ruggedness and ground clearance of an SUV, with the lower carbon footprint of a hybrid, it's also the most fuel-efficient AWD crossover in America¹. And this hybrid really walks the walk. It was awarded a merit that even some other hybrids don't achieve—the Advanced Technology Partial Zero Emission Vehicle rating (AT-PZEV)² by the California Air Resources Board. Every XV Crosstrek Hybrid rolls off our assembly line at our zero-landfill plant, making it the ideal vehicle for explorers with a conscience. Thankfully, all this environmental sensitivity doesn't come at the expense of performance. Seize the day with 8.7 inches of ground clearance, Subaru Symmetrical AWD, and the smooth, powerful Subaru Hybrid System with zero-emission EV mode.

¹ Based on EPA estimated fuel economy for 2014 XV Crosstrek CVT models compared to AWD vehicles with Polk's Non-Luxury Compact CUV segment.
² 2014 Subaru XV Crosstrek Hybrid vehicles achieving an Advanced Technology Partial Zero Emission Vehicle (AT-PZEV) rating by the California Air Resources Board are available in all 50 states. Only those vehicles that are registered in the states of California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 10 years/150,000 mile Hybrid Electric Vehicle battery warranty. For vehicles registered in all other U.S. states, the Hybrid Electric Vehicle battery warranty will be 8 years/80,000 miles. See your warranty maintenance booklet for additional information.

Leave civilization behind.
Take convenience with you.

The XV Crosstrek puts your music, phone calls and cruise control all close at hand with standard steering-wheel-mounted controls. There's also an available voice-activated navigation system that includes the Subaru STARLINK™ system featuring Aha™ connected service¹, which keeps you on track with food, news, weather, podcasts, audiobooks, and more. Available automatic climate control ensures you'll have custom comfort without having to turn too many dials. Standard heated seats keep things warm and inviting, while the available moonroof puts a fantastic view well within reach.

¹ Compatible smartphone and free Aha app required. For Aha to operate, latest version of Aha application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARIMAN International Industries, Incorporated. Your wireless carrier's rates may apply.

XV Crosstrek 2.0i Limited with Black Leather and optional equipment.

All in to go all out.

XV Crosstrek 2.0i Limited with Ivory Leather and optional equipment.

11 | 2014 XV Crosstrek

Equipped for playing and built for doing.

Engaged Driving

The athletic grip of the XV Crosstrek will have you craving the curves. Its double wishbone rear suspension supplies tight, responsive handling that keeps things lively and fun behind the wheel. While its low center of gravity helps keep it light on its feet and ready for action.

Versatile Space

When you never stop doing, you need a lot of room to do it in. The XV Crosstrek supplies up to 51.9 cubic feet of storage space with the rear seats down. And the 60/40-split flat-folding rear seats make room for long cargo and a passenger on the same drive.

33
MPG

Fuel-efficient

With 148 hp, the XV Crosstrek packs enough power to entertain, while still earning up to 33 highway MPG¹ with its smart Lineartronic[®] Continuously Variable Transmission (CVT). In fact, on a full tank this efficient crossover can take you over 500 miles². And you can drive even more efficiently in the all-new XV Crosstrek Hybrid, with the peace of mind of having the Advanced Technology Partial Zero Emission Vehicle (AT-PZEV)³ rating, awarded to some of the more advanced hybrids on the road.

Connected Tech

Now available with Subaru STARLINK™ featuring Aha™ connected service,⁴ the XV Crosstrek takes connectivity to another level. Browse the web for podcasts, Internet radio, audiobooks, and personalized restaurant and hotel searches. Stream your tunes via Bluetooth[®], plug in your iPod[®] or cruise to the optional SiriusXM[®] Satellite Radio⁵ and HD Radio[®]. And getting there is a breeze with the available voice-activated navigation system and NavTraffic^{®6}.

Advanced Safety

Subaru vehicles have a well-deserved reputation for safety and XV Crosstrek is no exception. Thanks to a plethora of features—seven airbags⁸, a rollover sensor, VDC electronic stability control and a Ring-shaped Reinforcement Frame body structure—the XV Crosstrek has been named a 2013 IIHS Top Safety Pick Plus.⁷

Subaru Symmetrical AWD

Don't hold back. With 8.7 inches of ground clearance to handle rough stuff and Subaru Symmetrical AWD continually gripping the road, the XV Crosstrek can help get you out to the best spots—even through rough roads and rough weather.

¹ EPA estimated fuel economy for 2014 Subaru XV Crosstrek 2.0i Lineartronic[®] CVT at 33 highway MPG. Actual mileage may vary.
² Driving range based on 15.9-gallon fuel tank capacity and EPA estimated fuel economy for 2014 Subaru XV Crosstrek 2.0i Lineartronic[®] CVT at 33 highway MPG (excludes XV Crosstrek Hybrid). Actual driving range may vary.
³ 2014 Subaru XV Crosstrek Hybrid vehicles achieving an Advanced Technology Partial Zero Emission Vehicle (AT-PZEV) rating by the California Air Resources Board are available in all 50 states. Only those vehicles that are registered in the states of California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 10 years/150,000 mile Hybrid Electric Vehicle battery warranty. Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and mud-coated boots. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one would you get?

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru dealership and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your dealer has full coverage details.

Warranties

¹ 2014 Subaru XV Crosstrek 2.0L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. ² 2014 Subaru XV Crosstrek Hybrid vehicles achieving an Advanced Technology Partial Zero Emission Vehicle (AT-PZEV) rating by the California Air Resources Board are available in all 50 states. Only those vehicles that are registered in the states of California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 10 years/150,000 mile Hybrid Electric Vehicle battery warranty. For vehicles registered in all other U.S. states, the Hybrid Electric Vehicle battery warranty will be 8 years/80,000 miles. See your warranty maintenance booklet for additional information. ³ 2014 EPA fuel economy estimates. Actual mileage may vary. ⁴ The glass information listed represents calculated reference values, and may not represent actual values determined by testing. ⁵ Requires Lineartronic® CVT. ⁶ Moonroof not available with navigation system. ⁷ Requires navigation system. ⁸ Compatible smartphone and free Aha app required. For Aha to operate, latest version of Aha application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Incorporated. Your wireless carrier's rates may apply. ⁹ Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your dealer. ¹⁰ Requires moonroof. ¹¹ The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.

2014 XV Crosstrek | Accessories

Trailer Hitch. Rated at 200 lbs tongue weight with 1,500 lbs of towing capacity. Engineered to the same rigorous standards as the rest of the XV Crosstrek.

Hitch ball not included. Trailer brakes may be required. Excludes Hybrid models.

Rear Bumper Cover. Helps protect the upper surface of the painted bumper from scratches and dings.

Remote Engine Starter. Allows vehicle to start from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle interior temperature is more comfortable upon entry. Remote confirms when vehicle engine has been started.

A/T only. A different Remote Engine Starter system is available for Hybrid models.

Body Side Moldings. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect the doors from unsightly dings.

Sports Mesh Grille. Bold metal mesh design that adds an aggressive look to the XV Crosstrek. Grille comes pre-painted and ready to install.

Crossbar Set—Aero. May be used in conjunction with Genuine Subaru roof attachments and carriers.

Consult vehicle Owner's Manual for total roof-load limit.

All-weather Floor Mats. Custom-fitted heavy gauge floor mats help protect the vehicle carpet from sand, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Roof Cargo Carrier. Provides 13 cubic feet of lockable storage capacity. Opens from rear to accommodate loading from three sides. Measures 56"L x 36"W x 18"H.

Requires Crossbar Kit. Consult vehicle Owner's Manual for total roof-load limit.

Rear Seatback Protectors. Help protect the rear seatbacks from dirt and spills when the rear seats are folded flat.

Side Window Deflectors. Designed to let the fresh air in while helping to keep the rain out of the vehicle. Black acrylic plastic construction is designed specifically for an exact fit.

May not be legal in all states. Please check the laws of your state.

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 96% of all the vehicles we've built in the last 12 years are still on the road today.¹ We also share your desire for a cleaner, greener world and now we're taking it one step further. Every 2014 XV Crosstrek, Impreza and non-turbo Forester, as well as select Outback and Legacy models, achieves Partial Zero Emission Vehicle—PZEV²—status, because of their exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Cherry Hill, NJ.

¹ Based on Polk U.S. Vehicles in Operation registration information for MY 2001–2013 as of January 2013.

² 2014 Subaru XV Crosstrek 2.0L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process" and FSC® standards. The Forest Stewardship Council™ (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 91 trees preserved for the future; 42,285 gallons of wastewater flow saved; 2,830 lbs solid waste not generated; 7,797 lbs net greenhouse gases prevented; 41,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

Love. It's what makes a Subaru, a Subaru.
