As dependable as the red, white & blue.

America’s favorite full-size van for 34 years running: Ford E-Series! When trades, fleets, community groups and other organizations have a job to do, this is the vehicle they choose to get it done. And for good reason. Offering a wide range of full-size vans, wagons, cutaways and stripped chassis, the versatile E-Series can be configured with GVWRs ranging from 8,520 to 14,500 lbs. The hardworking E-Series is ideal for moving products, people and equipment — sometimes all at once. Its longevity and dependability are the epitome of Built Ford Tough. See for yourself. Go further in a 2014 Ford E-Series.

1Based on CY sales 1978-2012.
Vehicles throughout this catalog may be shown with optional and aftermarket upfit equipment.
Staying connected helps you get the job done. It’s easy to stay in touch with voice-activated Ford SYNC,\(^1\) which delivers hands-free calls, Bluetooth\(^{\text{\textregistered}}\)-streaming music and more with simple voice commands. Once paired, it can download your contacts and play music from your phone, MP3, USB or iPod\(^{\text{\textregistered}}\) just touch a button on the steering wheel and say things like “Call: Dispatch” or “Play playlist: Country.” SYNC AppLink™\(^2\) lets you control Pandora\(^{\text{\textregistered}}\) and select other apps by voice too. SiriusXM Satellite Radio includes a 6-month trial subscription that brings you over 130 channels including commercial-free music, sports, news, talk, and entertainment. Pair it with the voice-activated Navigation System,\(^3\) which includes SiriusXM Traffic and Travel Link as part of the trial, and you can look up fuel prices and get detailed information on traffic speed, accidents, construction and road closings. Keeping you on task and on schedule.

\(^1\)Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones.\(^2\)SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software.\(^3\)Available feature.
In E-Series Wagon, everyone gets the VIP treatment. Equip yours to seat 7, 8, 11, 12 or 15 passengers. In E-Series Van, help keep your equipment organized and easily accessible with our wide range of storage solutions by Masterack. Several of these packages are available at no extra charge. Please see the E-Series Van Optional Features page and your local Ford Dealer for details. Build the E-Series you want, just the way you want it. That includes the E-Series Cargo Van with the Crew Van Package, which easily transports people and gear to wherever they’re needed. There’s room for up to 5, separated from the cargo bay by a sturdy, metal-mesh bulkhead. It’s the best of both worlds.

**E-350 XLT 15-Passenger Extended Length Wagon. Medium Pebble cloth trim. Available equipment.**
- EconoCargo® Cargo Management System®
- QuietFlex® Composite Racks and Bins Package.
- Masterack Steel Racks and Bins Package.
- Electrical Contractor Upgrade® on Masterack Steel Racks and Bins Package.

**Upfits for accessibility.** Your E-Series can be equipped with aftermarket upfits including a fully automatic wheelchair lift, raised roof, wheelchair restraint system, power assist seat, hand controls and more. Visit mobilitymotoringprogram.com for details.

1Passenger and cargo capacity limited by weight and weight distribution. 11-, 12- and 15-passenger vehicles may be classified as buses and may require appropriate licensing. 2To eligible customers under the Ford Commercial Services Program. 3Available feature.
FULL-SIZE VAN. FULLY CAPABLE.

E-Series Vans can confidently tow up to 10,000 lbs.¹ with the help of smart features like standard telescoping trailer tow mirrors, Roll Stability Control™ and a factory-integrated trailer brake controller (TBC).²,³ On the 6.8L Triton® V10 with TorqShift⁴ a selectable tow/haul mode automatically compensates for altitude, grade and load conditions. Our full-color rear view camera² shows you what’s behind the vehicle when in Reverse. It also includes a distance guide and center line to help you line up with a hitch. You can haul up to 278 cu. ft. of cargo with peace of mind thanks to sturdy double-wall construction that helps protect the outer walls from shifting loads. Plus, you can choose sliding² or swing-out side cargo doors, or opt for windows all around² on panel sides.

¹When properly equipped. ²Available feature. ³Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.

1Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. For maximum trailer weights with Crew Van, deduct 200 lbs. from the weights shown (except with 18,500 lbs. GCWR).
New Vehicle Limited Warranty. We want your Ford E-Series ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Business Preferred Network. Each of the select dealerships in our Business Preferred Network (BPN) is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a BPN customer, your business vehicles receive priority service at your BPN dealership to help get your vehicle back on the road quickly.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on 2013/2014 competitive models (Class is Full-Size Vans), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles throughout this PDF are shown with optional and aftermarket equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions and capability ratings shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of or to the vehicle by the Ford Authorized Pool Account.
