ST. Molten Orange Metallic Tri-coat. Available equipment.

Molten hot AND ultra-efficient.1

1EPA-estimated ratings: 27 city/38 hwy/31 combined mpg, 1.6L Ti-VCT I-4 manual, actual mileage will vary; 29 city/39 hwy/32 combined mpg, 1.6L Ti-VCT I-4 automatic, actual mileage will vary; 30 city/41 hwy/34 combined mpg, 1.6L Ti-VCT I-4 with SFE Package, actual mileage will vary; 26 city/35 hwy/29 combined mpg, 1.6L EcoBoost® I-4, actual mileage will vary.
Behind the wheel of the all-new 2014 Fiesta ST, the rush is always on. Its 1.6L EcoBoost® I-4 engine delivers 197 horsepower\(^1\) for potent acceleration. An “overboost” feature can extend peak torque for up to 17 seconds at a time. And a 6-speed manual trans with leather-wrapped shift knob lets you stick every shift. Supportive bolsters on the RECARO® partial leather-trimmed front seats\(^2\) grip you firmly, as the sport suspension architecture with European-inspired tuning and 17” summer performance tires help keep ST planted. Enjoy the growl from EcoBoost that’s piped into the cabin through the sound symposer, or the boom of its 8-speaker Audio System from Sony.\(^3\) Time to get this party started – ST style. No supplements, additives or nitrous required.

\(^1\)Figures achieved using 93-octane premium fuel. \(^2\)Available feature. \(^3\)Horsepower and torque. Class is High Performance Subcompact Manual Cars.
Hug corners. Pass pumps.

“Fiesta is securely on the fun-to-drive side of the ledger,” says TheCarConnection.com. And Fiesta SE with SFE Package has a best-in-class EPA-estimated rating of 41 mpg hwy.¹ Assertive, nimble and highly responsive, Fiesta helps you explore your world in style. Electric power-assisted steering improves low-speed feel and highway response. AdvanceTrac® electronic stability control (3 modes on Fiesta ST) helps each wheel stay firmly planted. Under the hood, a 1.6L I-4 engine with twin independent variable camshaft timing (Ti-VCT) adds precision, contributing to fuel efficiency or power output as your input demands.

¹EPA-estimated rating: 30 city/41 hwy/34 combined mpg. 1.6L Ti-VCT I-4 with SFE Package. Actual mileage will vary. Class is Subcompact Cars vs. 2013 competitors.
Attract more followers.

Drive by in a 2014 Fiesta and people will take notice. Outside and in, there’s plenty new to “Like.” A chrome-accented grille. Sleekly tailored headlamps. Chiseled hood. “Fiesta is one of the most attractive subcompacts on the market,” says AutoGuide.com. In the back, a new spoiler on the rear hatch and sculpted taillamps signal change as well. Inside, surprising levels of technology make staying connected easy. With this magnitude of attraction, just watch your social network grow. Downtown. Uptown. Wherever Fiesta travels.
Enhance your connections.

It's easy with voice-activated Ford SYNC® with 911 Assist.® SYNC delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download your contacts and play music from your phone, MP3, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: Amy” or “Play playlist: Road Jams.”

SYNC AppLink™ lets you control Pandora®, iHeartAuto™, MLB.com At Bat® and select other apps by voice too. Take your connections to the next level in Fiesta. SYNC. Say the word.

Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. ®SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software.
Expand your view.

Via the 6.5" color LCD touch screen of SYNC® with MyFord Touch®, incoming text? Let the system read it aloud from your paired phone. With HD Radio™ Technology and iTunes® tagging, simply touch the shopping cart icon when a new favorite tune is playing to mark it for purchase later. SiriusXM Satellite Radio includes a 6-month trial subscription that brings you over 130 channels including commercial-free music, sports, news, talk, comedy and entertainment. Pair it with the voice-activated Navigation System, which includes SiriusXM Traffic and Travel Link as part of the trial, and you’ll have the ability to look up fuel prices, check local and national weather, and get detailed information on traffic speed, accidents, construction and road closings. Your world. Fiesta. Together at last.

1Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2Available feature.
Fill it with your life.

A few friends. Your favorite gadgets. That vintage resale shop find. They’ll all be at home here. New, sport-bolstered front seats can be fitted with cloth or leather trim! Keep your smartphone close in the full center console with padded armrest. On Titanium and ST, HD Radio™ rocks the 8 speakers of an Audio System from Sony®. In the rear, a 60/40 split rear seat folds down, opening up additional room for gear. Pass-through access from the trunk increases versatility in sedan models.
Layer for protection.

Good advice that still applies today. Underneath the aerodynamic shape of Fiesta, its first protective layer is a rigid safety cage. High-strength and ultra-high-strength boron steel work with SPACE (Side Protection And Cabin Enhancement) Architecture to help divert crash forces away from occupants. Next, 7 standard airbags include front-seat side airbags and side curtains. Beyond that, Ford SYNC® with 911 Assist® uses your phone to call 911 in the event of airbag deployment, and can even give the operator an urgent message for you. Underpinning it all, AdvanceTrac® electronic stability control helps keep all 4 wheels firmly planted. No wonder Fiesta earned the highest possible rating from the IIHS 3 years in a row (2011-2013).
Enrich the ambience.

With features that energize every drive, you’re free to be yourself in Fiesta. Choose your color of the day with ambient lighting! Set speed and volume controls for when others are driving your Fiesta¹; open up to the sky²; charge your phone or digital media player³ on the go; see what’s behind as you slowly back up⁴; even heat your front seats! And with the Easy Fuel® capless fuel filler, you’ll never leave your gas cap behind. You don’t need one.

New Vehicle Limited Warranty. We want your Ford Fiesta ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
