on the 2014 Nissan Z.[®]

WOULDN'T IT BE COOL IF_
LEADING-EDGE AND LEGENDARY
CAME IN ONE SWEET PACKAGE?

It's a claim few sports cars can make. And one absolutely worth experiencing. Your first stop – a curvy road not far from town. A perfect place to hear a dual exhaust bounce 332 hp of pure adrenaline off a canyon wall. To feel the massive braking power of available 14" front discs as you set up for a tight hairpin turn. The feedback through the wheel and the seats as a dynamically balanced chassis just grips and grips and grips. More? How about a perfect downshift, thanks to the world's first available rev-matching manual transmission. And somewhere along the way, find a scenic turnout, and just take in the aggressive design that's inspired awe and envy for over 40 years. Then fire up that 3.7-liter V6, stand on it, and you're gone. The 2014 370Z.[®] Sweet.

Nissan 370Z[®] Touring Coupe shown in Brilliant Silver with optional equipment. **Nissan 370Z[®] Touring Roadster** shown in Magma Red with optional equipment.

Nissan 370Z® Coupe shown in Pearl White with optional equipment.

Some may say you're obsessed, but we understand – in a sports car, everything has to be right. That's why you'll find the main gauges adjust with the steering column, so you always have a clear view. The center console controls are located within easy reach, and are easily identifiable by touch. There's even a uniquely bolstered driver's seat for enhanced support, knee pads on both sides of the console and anti-slip material on the seat cushion.

**THE FEELING OF
A 7,500-RPM HEARTBEAT.**

Nissan 370Z® Coupe shown in Magma Red with optional equipment.

00:04 sec

00:09 sec

00:16 sec

00:21 sec

THE FEELING OF UNLIMITED POSSIBILITIES.

Taste freedom as the breeze brushes your face. Hear the sound of 332 pure horsepower through a tuned exhaust. Embrace the sky as the Roadster folds its power top in about 20 seconds. Drop it from the cozy cockpit¹ or even from the outside by pushing a button on the driver's door. It's time to rev your senses.

¹Do not drive the vehicle with the top partially opened. Always make sure the top is either fully opened or closed before driving. See Owner's Manual regarding proper use.

Nissan 370Z[®] Touring Roadster shown in Black Cherry with optional equipment.

3.7^{LITER}
V6 **332**_{HP} **270**^{LB-FT}
TORQUE

**AT ITS CORE,
THE HEART OF A LEGEND.**

As long as there has been a Z[®], there has been a soulful 6-cylinder leading the way. In this case, the 4th-generation of the legendary VQ V6 engine. With a 3.7-liter displacement for massive muscle, this 332-hp dynamo features advanced Variable Valve Event and Lift (VVEL) technology that continuously tunes valve lift and timing for quicker response and a broader torque curve, while optimizing fuel efficiency and reducing emissions. And while this extensive engineering may sound intriguing on paper, the exhilaration from idle to the 7,500-rpm redline – on the straights or through the corners – is pure, pulse-pounding magic.

NISSAN SYNCHROREV MATCH®
INNOVATION THAT'S A MATCH MADE IN DRIVING HEAVEN.

Wouldn't it be cool to have a perfectly matched shift every time? SynchroRev Match® gives you the shifting skills of a pro, for a smoother, controlled drive, from your favorite twisty road to your daily commute. It's one manual transmission so smooth, it would make an automatic jealous. Except maybe, the Z®'s exceptionally talented 7-speed automatic.

A world's first. Included in the Sport Package, SynchroRev Match® technology – the first in any production car – monitors the 6-speed manual's clutch pedal, shift lever and vehicle speed. As you shift to a lower gear, the system will “blip” the throttle to the ideal engine rpm for a supremely smooth downshift as you let out the clutch. The system also works when upshifting to give you a smooth flow of power when accelerating.

Control at your fingertips. Want effortless cruising? Put the 7-speed automatic transmission in “D.” For a quick gear change, just pull the steering column-mounted lightweight magnesium paddle shifters. In Manual mode, you get manual-style control with a nudge of the shift lever or a pull of the paddle shifters. The transmission can even hold a gear in cornering for better balance, or downshift before a corner for more effective braking. And when a downshift is needed, Downshift Rev Matching automatically opens the throttle to match the rpm for smoother gear changes.

MAY THE G-FORCE BE WITH YOU.

Designed to conquer every corner, the Nissan 370Z[®] starts with a low center of gravity and a short wheelbase for quick response. Structural supports under the hood and along the body reinforce the chassis to handle the loads the suspension can dish out. Add in an enthusiast's wish list of high-performance componentry. And at every turn of the wheel, find pure joy as the 370Z[®] turns handling science into pure performance art.

Lightweight suspension components. The lighter a suspension's components, the more quickly it can react to the driver and bumps in the road. Use of strong yet lightweight aluminum makes the Z[®] suspension extremely responsive. Its double-wishbone front and 4-link rear design helps to keep the tires vertical to the ground, maximizing their contact patches. Dual flow pass shocks enhance control. And super-light forged 19" alloy wheels are available for even quicker response.

4-piston brake calipers on 14" front rotors. Balance doesn't just apply to cornering. Bringing the powerful Z[®] to a halt are its largest brakes ever – available 14" front rotors, with the gripping power of 4-piston front calipers. Purpose-designed ducting helps to reduce fade and provide predictable and precise stopping power.

53/47 weight distribution. Some consider a static 50/50 balance to be the perfect weight distribution for handling. But Nissan engineers realized that a 53 front/47 rear static ratio is actually ideal. At the precise moment the driver accelerates out of a corner's apex, the weight distribution shifts rearward and becomes an approximate 50/50 balance. This translates into enhanced tire contact for better acceleration, quicker turns and a handling feel that's uniquely Z[®].

Vehicle Dynamic Control. A great sports car shouldn't just exhilarate, it should also inspire confidence. Vehicle Dynamic Control (VDC) on the 370Z[®] continuously monitors the speed of each wheel, steering angle, yaw, lateral G-forces and even braking pressure. It compares the data to the steered vehicle path and, if it senses the onset of plowing (understeer) or fishtailing (oversteer), VDC brakes individual wheels and/or reduces engine power to help keep you on your steered course.¹

¹VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.

DESIGNED FOR THE REAL WORLD.

Seats sculpted to hold you. The 370Z®'s driver seat shows how seriously we take every detail of driving. The upper seat-back has cutaway areas to help your arms move freely for steering and shifting. To let you work the pedals more easily, the lower seat cushions also feature cutaways. Along with aggressive side bolsters, the seat also features anti-slip materials to help hold you in place.

A place for everything. While it's fun to attack your favorite twisty road, a sports car also has to function in day-in, day-out driving. To keep things orderly, the 370Z® features three cup holders, a lockable glove compartment, dash-mounted storage (not available with navigation), parcel shelves behind both seats and a handy parcel box behind the passenger seat.

Coupe cargo area. Plenty of open space for the important things in life – like sports gear. An available retractable cargo cover helps keep things out of sight.

Roadster trunk. A smartly designed convertible top means usable trunk space. Even with the top down, you can still fit a golf bag in the trunk.

6 STANDARD AIR BAGS¹

EVEN WHEN REALITY BITES.

High-performance protection. The Nissan Advanced Air Bag System includes dual-stage supplemental front air bags equipped with seat belt sensors and an occupant-classification sensor. These dual-stage air bags adjust their inflation rate, depending on the severity of impact and seat belt use. If the passenger seat is empty, a sensor actually deactivates that air bag. In addition, standard side-impact supplemental air bags are built into the seats, so they move with you as you adjust your seat. Standard curtain side-impact supplemental air bags (door-mounted on Roadster) help protect you and your passenger.¹

Seat belt technologies. Utilize pretensioners to help tighten the belt when front air bags deploy. And if your body puts too much force on the belt, load limiters give a bit.

Active Head Restraints. They help reduce the chance of whip-lash injuries by moving up and forward toward your head during certain rear-end collisions.

¹Air bags are only a supplemental restraint system; always wear your seat belt. Do not use rear-facing child restraints in this vehicle. All children 12 and under should be properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See your Owner's Manual for more details. Inflated air bags shown for illustration purposes only; actual coverage area may differ. Air bags deflate after deployment.

**EVEN THE TECHNOLOGY
IS DESIGNED TO PERFORM.**

The 370Z[®] keeps a strong connection to your world as well as the road. With the available Bose[®] audio system, you've got an amazing choice of entertainment to create a soundtrack for your drive. And with the available touch-screen voice-activated Nissan Hard Drive Navigation System, you've got so much more than just directions.¹

Knowledge is king. The available Nissan Hard Drive Navigation System helps steer you clear of traffic jams, thanks to NavTraffic real-time traffic advisories.^{1, 2} Hungry for more than just directions? The system also provides you with trusted ratings and reviews by Zagat Survey.[®] NavWeather service provided by SiriusXM advises you of severe weather and potentially slippery roads that could affect your drive, as well as National Weather Service warnings and 3-day weather forecasts.² And with the available RearView Monitor, shift into "Reverse" and you get a glimpse of what's directly behind you on the navigation system's large 7" VGA screen.³

Bose[®] audio system. Because even the most dedicated enthusiast might want to listen to something other than its spine-tingling dual-exhaust note, the 370Z[®] Coupe and Roadster feature an available Bose[®] audio system custom-engineered for the unique shape of the interior. And your choices in entertainment are nearly limitless.

USB input. Plug your iPod[®] into the available USB input and you can control its functions through the audio system or touch-screen monitor, plus get song readouts on the digital display.^{4, 5} No iPod[®]? No problem. You can also play digital music files from a USB flash drive.^{1, 5}

SiriusXM Satellite Radio. With 170 channels of news, sports, music and more, there's always something worth listening to. If your favorite artist is playing on one of those channels, the Z[®]'s audio system alerts you, and asks if you want to switch over.²

Bluetooth.[®] The available Bluetooth[®] Hands-free Phone System lets you make and receive calls through the audio system. On Z[®] models with the available navigation system, you can even stream music from any compatible device via Bluetooth[®] wireless technology.^{1, 6}

¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁵Always give your full attention to driving. Avoid operating your iPod[®] in such a way that you can be distracted during vehicle operation. See dealer for details. iPod is a registered trademark of Apple, Inc. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. Zagat Survey[®] is a registered trademark of Zagat Survey, LLC Ltd.

NISSAN 370Z® NISMO®
INNOVATION THAT LIVES TO PUSH THE ENVELOPE.

Wouldn't it be cool to take a legend to the next level? With a name derived from Nissan Motorsports, you should expect nothing less from NISMO®, our in-house performance arm. Started by a group of maverick Nissan engineers almost 30 years ago, NISMO® is synonymous with passion, expertise, and the heights of Nissan performance – not to mention decades of racing dominance. NISMO® puts its all into everything it builds, from championship-winning racecars and accessories for street cars to cutting-edge vehicles like the 370Z® Nismo.® With 350 horsepower, a competition-tuned suspension and a look uniquely its own, it is transformed into a sports car singularly worthy of being branded NISMO.®

Competition-tuned handling. Competition-inspired design. Serious grip starts with specially tuned springs, shocks and stabilizer bars designed to satisfy the most demanding enthusiast. Extra braces on the front strut tower bar and special vibration dampers on the front body frame rail and rear subframe are added for impressive overall body rigidity and a controlled ride. The discriminating eye will also appreciate the high down-force body design, rear diffuser and 19" RAYS® forged aluminum wheels. And for 2014, the 370Z® Nismo® becomes even more desirable with a special Alcantara®-covered steering wheel, red accents on the tachometer, and new signature NISMO® design theme, including contrasting gray exterior trim with red accents.

Alcantara® is a registered trademark of Alcantara S.p.A. Corporation.
RAYS® is a registered trademark of RAYS Engineering.

TAKE PART IN PUBLIC DISPLAYS OF AFFECTION.

GENUINE NISSAN ACCESSORIES.

Click the button to see short videos on
Genuine Nissan Accessories in action.
Or go to bit.ly/gnavideos_z

For more information and to shop online for Genuine Nissan
Accessories, go to **parts.NissanUSA.com**.

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²S-tune components are engineered by NISMO for the enthusiast that drives on the street. S-tune components offer credible, measured increases in performance, but with an additional feature that the aftermarket can't match – each S-tune component is covered by Nissan Parts and Accessory Limited Warranty, up to 36 months/36,000 miles (whichever occurs first) if installed at time of vehicle sale (like any other Genuine Nissan part or accessory). ³Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. HomeLink[®] is a registered trademark of Johnson Controls Technology Company.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.¹

A. Vehicle Cover

Protects your Z[®] from sun, dust and birds taking target practice.

B. NISMO[®] Rear Decklid Spoiler²

To the winner go the spoilers.

C. Carpeted Floor Mats

Preserve and protect in style.

D. NISMO[®] Shift Knobs²

Put legendary performance in the palm of your hand.

E. Illuminated Kick Plates (2-piece set)

A grand entry every time you get in.

F. NISMO[®] Cat-back Exhaust System²

More horsepower, more torque and more aggressive sound.

G. Z[®] Structured Low Profile Charcoal Cap

Take some iconic style with you wherever you go.

H. Front Chin Aero Deflector

Less turbulence. More downforce. Looks cool, too.

Additional Accessories:

- Rear Decklid Spoiler
- Splash Guards
- NISMO[®] Suspension Kits²
- NISMO[®] Brake Pads, Front and Rear²
- NISMO[®] Carpeted Floor Mats²
- Carpeted Trunk Mat
- Portable Cargo Organizer
- In-mirror RearView Monitor³ with HomeLink[®] and Compass

Nissan 370Z[®] Coupe shown in Gun Metallic with Front Chin Aero Deflector, NISMO[®] Rear Decklid Spoiler and NISMO[®] Graphics Kit.
Nissan 370Z[®] Roadster shown in Magma Red with Front Chin Aero Deflector.

CHOOSE YOUR TRIM LEVEL

COUPE

370Z®

- 332 hp, 270 lb-ft of torque, 3.7-liter V6
- 6-speed manual transmission or 7-speed automatic transmission
- 18" Aluminum-alloy wheels
- Yokohama® ADVAN Sport® high-performance W-rated tires

KEY AVAILABLE PACKAGE:

- Sport Package

- High Intensity Discharge (HID) bi-functional xenon headlights
- LED Daytime Running Lights
- LED illuminated Z® side marker emblems
- Nissan Intelligent Key® with Push Button Ignition
- Six standard air bags

ROADSTER

370Z®

- 332 hp, 270 lb-ft of torque, 3.7-liter V6
- 7-speed automatic transmission
- 18" Aluminum-alloy wheels
- Bridgestone® Potenza® RE050A high-performance W-rated tires
- Power convertible soft-top with glass window
- Rear glass wind deflector
- Power moving tonneau cover

KEY AVAILABLE PACKAGE:

- Sport Package

- High Intensity Discharge (HID) bi-functional xenon headlights
- LED Daytime Running Lights
- LED illuminated Z® side marker emblems
- Nissan Intelligent Key® with Push Button Ignition
- Six standard air bags

TOURING

INCLUDES 370Z® EQUIPMENT PLUS:

- Leather-appointed power heated seats with synthetic suede inserts
- Driver's adjustable lumbar support
- Bose® audio system with eight speakers, including two subwoofers

KEY AVAILABLE PACKAGES:

- Sport Package
- Navigation Package

- SiriusXM Satellite Radio¹
- Bluetooth® Hands-free Phone System²
- Aluminum-trimmed pedals
- Auto-dimming rearview mirror
- HomeLink® Universal Transceiver

TOURING

INCLUDES 370Z® ROADSTER EQUIPMENT PLUS:

- Ventilated leather-appointed power heated and cooling seats
- Driver's adjustable lumbar support
- Bose® audio system with eight speakers, including two subwoofers

- Navigation Package

- SiriusXM Satellite Radio¹
- Bluetooth® Hands-free Phone System²
- Aluminum-trimmed pedals
- Auto-dimming rearview mirror
- HomeLink® Universal Transceiver

NISMO®

INCLUDES 370Z® EQUIPMENT PLUS:

- 350 hp, 276 lb-ft of torque, 3.7-liter V6
- 6-speed manual transmission with SynchroRev Match®
- Viscous limited-slip rear differential
- NISMO®-tuned free-flow dual exhaust with H-pipe configuration
- Nissan sport brakes – 14.0" 4-piston front brakes/13.8" 2-piston rear brakes
- High-rigidity brake hoses and R35 Special II brake fluid

KEY AVAILABLE PACKAGE:

- Bose® Package

- 19" NISMO® forged alloy wheels by RAYS®
- Bridgestone® Potenza® S001 high-performance Y-rated tires
- NISMO®-tuned suspension
- NISMO® reinforced front strut tower brace
- NISMO® performance body dampers
- NISMO® aerodynamic body design
- Signature NISMO® interior trim
- NISMO® Alcantara®/leather-wrapped steering wheel

SPORT PACKAGE DETAILS

- Euro-tuned sport shock absorbers
- Nissan sport brakes – 14.0" 4-piston front brakes/13.8" 2-piston rear brakes
- SynchroRev Match®(manual transmission only)
- Viscous limited-slip differential

This package is not available on NISMO® and Roadster 370Z® models.

- 19" RAYS® forged alloy wheels
- Bridgestone® Potenza® RE050A high-performance W-rated tires
- Front chin aero deflector (Coupe only)
- Body-color rear spoiler (Coupe only)

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.* Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee.
