Born in Milan, Italy, the unique spirit that is Alfa Romeo is over one-hundred years in the making. The reverence people hold for Alfa Romeo started at racetracks and is apparent in cities, streets and on racetracks worldwide. And now, the Alfa Romeo 4C is a vehicle that is a statement in itself, but owners have the opportunity to further personalize it with a wide portfolio of original Alfa Romeo approved accessories and merchandise. It’s all that’s needed to make the 4C a true Alfista.”
Alfa Romeo Racing Wheels

Designed specifically for the 4C, these wheels provide maximum grip and stability and are ideal on all types of roads. Wheels are available in the following sizes and designs:

- 17- and 18-inch Matte Black alloy
- 18- and 19-inch Matte Black alloy
- 18- and 19-inch Gray alloy
- 17- and 18-inch 10-spoke Black alloy with chrome accents

Mirror Covers

Reflect your personal sense of style with these custom covers. Available in carbon fiber, polished chrome and satin chrome.

Driving pleasure is the result of carefully balanced design. Rear-wheel drive and a centrally mounted engine: the architecture of the Alfa Romeo 4C is typical of competition cars in which perfect weight distribution is the primary objective.

The Alfa Romeo 4C is rear-wheel driven to make full use of the dynamic advantages afforded by this configuration. Rear-wheel drive allows better grip under acceleration when engine power throws weight toward the rear of the car. Rear-wheel drive also lets you enter curves at higher speeds, delivering an intense driving experience.
Body-Color Rear Spoiler

For those looking for sportiness and grit, even in the tiniest detail.

Racing Double-Exhaust System

This free-flow system produces a distinctive, deep tone—even at idle.

Performance Suspension Kit

The suspension kit adopts race-derived technical solutions to optimize performance and deliver unparalleled driving pleasure. At the front, the Alfa Romeo 4C features a double-wishbone configuration that gives each wheel independent camber and castor. This reduces understeer and oversteer, and increases high-speed stability and traction. At the rear, the advanced MacPherson suspension ensures superb road holding and driving fun, even in the most extreme maneuvers. Both front and rear suspension systems are made from aluminum and high strength steel.
Carbon Fiber Instrument-Panel Bezel

Its race-inspired design provides an aggressive look.

The spirit of the Alfa Romeo winning race history comes to life in the 4C Coupe cockpit—its driver-centric design ensures there’s easy access to all essential data and controls.

To further highlight the character of the 4C, opt for enhanced designs and accents that are as at home on the track as they are on boulevards during your commute.

Sport Leather-Wrapped Steering Wheel

Performance leather-wrapped steering wheel features a race-inspired, ergonomic design.
With its seductive lines and pleasing aesthetics, Alfa Romeo 4C Coupe continues the carmaker’s design genius. Perhaps it’s no surprise that Alfa Romeo traces its roots to Milan, Italy—the fashion capital of the world. Exciting accessories add to the possibilities for unique personalization.

- **Upper Bodyside Graphic**
  Adds a dynamic and highly personalized look to your 4C.

- **Italian Flag Badge**
  This aluminum logo represents the “tricolor” of the Italian flag.

- **Carbon Fiber Spoiler**
  Add this race-inspired detail for an even more dynamic look.
Wheel Lock Kit

Each kit includes four new lug bolts and a special-fitting key to offer maximum wheel protection without affecting wheel balance.
