Undeniably athletic.

SE, SEL, Titanium, Sport. The all-new 2015 Edge lineup confidently asserts its presence with a striking new stance. Luxurious accommodations for 5 are paired with a smoother, quieter ride and more precise handling than the previous generation. Plus, innovative technologies\(^1\) help to enhance its prowess – and yours.

Enjoy better efficiency and more power than last year on Edge Sport, thanks to its new 2.7L EcoBoost® V6 engine. Equipped with the twin-turbocharged, direct-injection 2.7L, Edge has an EPA-estimated rating of up to 27 mpg hwy.\(^2\) It also revs you up with best-in-class\(^3\) gas V6 hp and torque.

Better road-holding capability than the previous generation is courtesy of suspension upgrades made across the lineup. Plus, Edge Sport backs its aggressive look with a uniquely sport-tuned suspension.

For ultimate control, racing-style paddle shifters are included with the 6-speed SelectShift® automatic transmission on every Edge.

Enhanced handling and maximized traction are yours with Intelligent all-wheel drive (AWD).\(^1\) Plus, every Edge now gets Curve Control, which helps reduce the vehicle's speed by up to 10 mph in approximately 1 second if it senses you're taking a curve too quickly.\(^4\)

---

\(^1\)Available feature. \(^2\)EPA-estimated rating of 18 city/27 hwy/21 combined mpg. 2.7L EcoBoost, FWD. Actual mileage will vary. \(^3\)Class is Midsize Utilities, non-diesel. \(^4\)Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. \(^5\)Using 93–octane fuel.
Openly driven.

Lively acceleration and passing performance comes from a new, twin-scroll turbocharged, direct-injection 2.0L EcoBoost® engine. This standard powerhouse produces 245 hp¹ and 275 lb.-ft. of low-end torque.

Get outstanding fuel efficiency with Auto Start-Stop.² It shuts off the engine when you stop and restarts it as you release the brake. With this new technology, Edge has an EPA-estimated rating of 21 city and 30 hwy mpg.³ To be more aerodynamic and fuel efficient, EcoBoost models also feature Active Grille Shutters.

Tow up to 3,500 lbs.⁴ with the 2.0L or the 280-hp 3.5L Ti-VCT V6² and the Class II Trailer Tow Package. Trailer sway control, included in the package, helps you maintain control of the vehicle and your trailer.⁵

Embrace curves and corners with the help of new electric power-assisted steering and Torque Vectoring Control. These technologies give Edge its responsive steering feel and enhance your hold on the road.

¹ Using 93-octane fuel.² Available feature. ³ EPA-estimated rating of 21 city/30 hwy/24 combined mpg, 2.0L EcoBoost with Auto Start-Stop, FWD. Actual mileage will vary. ⁴ When properly equipped. ⁵ Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Powerfully uplifting.

From its panoramic Vista Roof to its new foot-activated hands-free power liftgate, the all-new Edge is designed to brighten your day.

Quality, comfort and capability all come together inside Edge. Its finely crafted new interior design offers you a heated steering wheel, 10-way power heated and cooled front seats, and 73.4 cu. ft. of cargo space with the rear 60/40 split seat folded flat.

The quietest Edge yet benefits from standard acoustic windshield glass, better sealing of its body, sound insulation improvements and quieter powertrains than its previous generation.

Just kick your foot under the rear bumper with your Intelligent Access key fob tucked in a pocket or purse. The foot-activated hands-free power liftgate detects the motion of your leg and the proximity of the fob, then opens or closes on its own.

Available feature.
Confidently connected.

Voice-activated Ford SYNC®1 with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: James at home” or “Play playlist: Weekend.” SYNC AppLink™2 lets you control Pandora® iHeartAuto™, the SiriusXM® App and other select apps by voice, too. SYNC with MyFord Touch®1,3 adds an 8" color LCD touch screen and much more. SYNC. Say the word.

For amazing sound, the 12-speaker Audio System from Sony®3 is teamed with HD Radio™ Technology. Easy iTunes® tagging2 means you just touch the TAG shopping cart icon while a song is on to mark it for purchase later.

SiriusXM® Satellite Radio®1 lets you enjoy commercial-free music, plus live sports play-by-play, news, talk, exclusive entertainment, and every premium channel with your 6-month All Access trial subscription.4 The voice-activated Navigation System4 also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services. These features provide detailed traffic information on accidents, construction and road closures, plus local and national weather forecasts, fuel prices and more.

1Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. 3Available feature. 4Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.
Busy city streets. Long trips on the highway. High-speed cruising and passing. Crowded parking lots. The all-new Edge offers advanced driver-assist technologies to help you master these real-world challenges and many more.

Maintain your lane with help from our Lane-Keeping System. It can detect lane markings with a forward-facing camera, and can send vibration pulses to the steering wheel and apply steering torque if needed, prompting you to steer back toward center. There’s also a Driver Alert System that displays a coffee cup icon if it detects you could use a break.

Get a heads-up from adaptive cruise control and collision warning with brake support. This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and helps by pre-charging the brake system.

Stay alert to traffic detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS® (Blind Spot Information System) with cross-traffic alert. BLIS helps warn you using lights embedded in the sideview mirrors. Cross-traffic alert uses the same lights, plus an audio warning and a message center notice. Edge technology is all about empowering you.

Titanium, Ruby Red Tinted Clearcoat Metallic. Available equipment.

1 Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

2 Lane-Keeping System does not control steering. Late availability. BLIS replaces standard integrated blind spot mirrors.
Easily maneuvered.

Perpendicular. Parallel. Backing in. Heading out. The all-new Edge offers advanced technologies\(^1\) to ease you through all sorts of challenging situations. Enhanced active park assist with side parking sensors\(^1\) helps you find a spot and steers the vehicle into place, while you control the gear shifter, and the brake and accelerator pedals. It can steer Edge out of tight parallel spots too. And alert you to obstacles near the sides of the vehicle along the way.

**Make an informed approach** using the new front 180° camera with washer\(^1\). Just press a button on the instrument panel to engage the front grille-mounted camera, and get a full-color look at what’s happening in front and to the front sides of your vehicle.

\(^1\)Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

Standard Features

Mechanical
6-speed SelectShift automatic transmission with paddle activation
4-wheel independent suspension
Electric power-assisted steering
Front-wheel drive (FWD)
Hill start assist
Power disc brakes with Anti-Lock Brake System (ABS)
Torque Vectoring Control

Seating
Front bucket seats with 4-way adjustable head restraints
Rear 60/40 split fold-flat seat with manually reclining seat backs and folding center armrest with 2 cupholders

Interior
12-volt powerpoints
(2 in 1st row, 1 in 2nd row and 1 in rear cargo area)
Adjustable driver and front-passenger sun visors with illuminated vanity mirrors
Air conditioning with rear-seat vents
Below-floor Cargo Management System
Cargo area tie-downs and hooks
Cargo net
Center console with storage tray, armrest, powerpoint and 2 cupholders
Coat hooks (2)
Compass and outside temperature displays
Cupholders/beverage holders (8)
Front-passenger (1) and B-pillar (2) assist handles
Leather-wrapped shift knob
Manual tilt/telescoping steering column
Map pockets in driver and front-passenger seat backs
Overhead console with sunglasses holder
Power door locks
Power windows with one-touch-up/-down feature for driver and front-passenger windows
Push-button start
Rear-window defroster
Steering wheel-mounted cruise, audio and 5-way MyFord® controls (2)

Exterior
Automatic headlamps with wiper activation
Body-color rear spoiler
Configurable LED daytime running lamps
Dual bright exhaust tips
Easy Fuel® capless fuel filler
LED taillamps
Power sideview mirrors with integrated blind spot mirrors and manual fold-away design
Privacy glass (rear doors, rear quarter windows and liftgate window)
Quad-beam halogen headlamps
Windshield wipers – Front: speed-sensitive, variable-intermittent with washer; rear: 2-speed with washer

Safety & Security
Personal Safety System™ for driver and front passenger includes dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
Active Knee-Airbag® Glovebox
AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control
Battery saver with headlamps-off delay
Belt-Minder® front safety belt reminder
Child-safety rear door locks
Driver’s knee airbag®
Front height-adjustable shoulder safety belts
Front-seat side airbags®
LATCH – Lower Anchors and Tether Anchors for Children (2 in rear outboard seating positions)
MyKey®
Rear view camera
Safety Canopy® System with side-curtain airbags® and rollover sensor
SecuriLock® Passive Anti-Theft System
SOS Post-Crash Alert System™
Tire Pressure Monitoring System (excludes spare)

Dimensions may vary by trim level.
1 Using 93-octane fuel.
2 Always wear your safety belt and secure children in the rear seat.
SE

¹Ford Licensed Accessory. ²Factory option. See dealer for details.
New Vehicle Limited Warranty. We want your Ford Edge ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Midsize Utilities), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles. After trial period expires, SiriusXM Satellite Radio, SiriusXM Traffic and Travel Link subscriptions are sold separately or as a package and are continuous until you call SiriusXM to cancel.
