Go further in the 2015 Ford Explorer. Powered by our state-of-the-art 2.0L EcoBoost® engine and 6-speed automatic transmission. Explorer has the best EPA-estimated highway mpg of any non-hybrid engine in its class.

**Best highway efficiency in the class.**

**Spirited and smart,** the 2.0L also features precisely tuned twin independent variable camshaft timing (Ti-VCT) technology, which contributes to its power output as well as its outstanding fuel efficiency.

**Lively acceleration and passing** are also yours to enjoy whenever you wish, courtesy of the impressive low-end torque produced by this turbocharged, direct-injection powerhouse.

**CLASS-BEST EPA-ESTIMATED RATING**

**28 HWY MPG**

**TURBOCHARGED**

**270 LB-FT.**

**240 HP**

Limited Tuxedo Black. Available equipment.

1EPA-estimated rating of 20 city/28 hwy/23 combined mpg. 2.0L EcoBoost, FWD. Actual mileage will vary. Class is Non-Hybrid Large Utilities. 2Available feature. 3Using 93-octane fuel.
Top-of-the-line performance.

Explorer Sport offers you an exhilarating ride courtesy of its 365 hp¹ and 350 lb.-ft. of torque¹ – best-in-class² among V6 engines. Powered by a twin-turbocharged, direct-injection 3.5L EcoBoost® engine, Sport also has an EPA-estimated rating of 22 hwy mpg.³

**For precise control.** Sport features our 6-speed SelectShift® automatic transmission with racing-inspired paddle shifters.

**Riding on a responsive.** fully independent sport-tuned suspension, Explorer Sport also gets an upgraded front strut tower support and wider wheels for enhanced driving dynamics.

**Its powerful stance** is accentuated by 20" machined aluminum wheels, blackout-treatment on the headlamps and taillamps, an Ebony Black-painted grille topped with “EXPLORER” lettering across the hood, and an Ebony Black-painted liftgate appliqué.

**The signature Sport look** also includes a uniquely styled leather-trimmed interior. From its heated, 10-way power driver’s seat to the Audio System from Sony® with 12 speakers and HD Radio™ Technology, Sport is equipped to deliver the ultimate Explorer experience.

¹Using 93-octane fuel. ²Class is Large Utilities. ³EPA-estimated rating: 16 city/22 hwy/18 combined mpg, 3.5L EcoBoost, 4WD. Actual mileage will vary.
Revel in its strength, stability and style.

High winds, steep grades and other common towing challenges are no match for Explorer.

The standard 3.5L Ti-VCT V6 engine can be paired with the Class III Trailer Tow Package (standard on Explorer Sport), empowering you to tow up to 5,000 lbs.²

To help you maintain control of both the vehicle and your trailer, standard trailer sway control automatically reduces engine speed and selectively applies the brakes if trailer sway is detected.³

On boat launch ramps and at traffic lights, you’ll find standard hill start assist particularly useful. It helps prevent Explorer from rolling downhill as you transition from the brake to the accelerator, whether you’re negotiating an incline in Drive or in Reverse.

A new look for 2015, the XLT Appearance Package gives your Explorer a Magnetic-painted grille, sideview mirror caps and liftgate appliqué, along with body-color door handles, unique 20" machined aluminum wheels with painted pockets, leather-trimmed seats with Miko® suede inserts, and more.

Available feature. ²When properly equipped. ³Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁴Driver-assist features are supplemental and do not replace the driver’s judgment.
Dial up your capability.

Ready to explore? Pick your path. Then simply turn the dial to match the conditions outside. Our Intelligent 4WD with Terrain Management System™ helps Explorer give you seamless shift-on-the-fly confidence.

**Snow, Gravel, Grass** optimizes traction and control on a wide array of slippery surfaces.

**Sand** allows aggressive wheel spin to help you stay on top.

**Mud, Rut** lets the tires spin a bit if needed to help keep you on the go.

**Normal** is ideal for everyday driving on wet or dry paved roads.

**Hill Descent Control™** (center button) regulates your speed on steep declines, so you can concentrate on maneuvering.

---

1 Available feature. 2 Driver-assist features are supplemental and do not replace the driver’s judgment.
Fill its spacious cabin with up to 7 people.

Or fold the standard 2nd-row 60/40 split seat and class-exclusive PowerFold® 3rd-row seat flat, and pack up to 80.7 cu. ft. of gear in back.

To help ease cargo loading, Explorer offers you a power liftgate. And even with all rows occupied, you can stow up to 21.0 cu. ft. of cargo behind its 3rd-row seat.

**Heated and cooled, 10-way power** 1st-row seats' help comfort you. While 2nd-row riders can enjoy bucket seats' with a 2nd-row center console,' or with a pass-through to the 3rd row.

With the most 2nd-row head room in its class, unsurpassed 3rd-row leg room, and a dual-panel moonroof, this thoughtfully crafted space is sure to please one and all.

---

1Available feature. 2Including rear seat well.
Take command with voice-activated simplicity.

Ford SYNC® with 911 Assist® delivers hands-free calls, Bluetooth®—streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod.® SYNC AppLink™ lets you control Pandora®, iHeartAuto™, SiriusXM® and select other apps by voice too. SYNC with MyFord Touch® adds an 8” color LCD touch screen and much more.

SYNC. Say the word.

SiriusXM® lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.® The voice-activated Navigation System® also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services.® These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

1Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.® SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.® Available feature.® Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.
Explore the many ways it assists.

Using ultrasonic sensors and sophisticated radar, advanced driver-assist technologies on Explorer can help you parallel park, avoid collisions and more.

**Take the stress out of parallel parking** with class-exclusive active park assist. This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

**Stay alert to traffic detected in blind spots** thanks to BLIS® (Blind Spot Information System) with cross-traffic alert. It helps warn you using lights embedded in the sideview mirrors.

**Get a heads-up** from adaptive cruise control and collision warning with brake support. This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to help.

**Maintain your lane** with help from our Lane-Keeping System. It can detect lane markings with a forward-facing camera, and can send vibration pulses to the steering wheel and apply steering torque if needed, prompting you to steer back toward center. There’s also a Driver Alert System that displays a coffee cup icon if it detects you could use a break.

---

1 Available feature. Driver-assist features are supplemental and do not replace the driver’s judgment.
2 BLIS replaces standard integrated blind spot mirrors.
3 Lane-Keeping System does not control steering.
Venture out with confidence.

In addition to its 7 standard airbags, Explorer also offers inflatable rear safety belts¹ in its 2nd-row outboard seating positions – the first of their kind in automotive production.

Parents of teens can encourage smart driving habits with our exclusive MyKey®, which lets you block calls and text messages while driving.

If it senses you’re taking a curve too quickly, Curve Control helps reduce the vehicle’s speed by up to 10 mph in approximately 1 second². It’s standard as part of AdvanceTrac® with RSC® (Roll Stability Control™).

For a comprehensive list of Safety & Security features on every Explorer, please turn the page.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

- 4WD: 17 city/23 hwy/19 combined mpg

Standard Features

**Mechanical**
- 4-wheel disc Anti-Lock Brake System (ABS)
- Cruise control
- Easy Fuel® capless fuel filler
- Electric power-assisted steering
- Hill start assist
- Independent front and rear suspension
- Trailer sway control

**Seating**
- 1st-row bucket seats
- 2nd-row 60/40 split fold-flat seat
- 3rd-row 50/50 split fold-flat seat

**Interior**
- 1st-, 2nd- and 3rd-row dome/map lights
- 1st-row center console with armrest and storage
- 12-volt powerpoints (2 in 1st row, 1 in 2nd row and 1 in rear cargo area)
- Adjustable tilt/telescoping steering column

**Exterior**
- Automatic headlamps
- Bi-functional projector-beam halogen headlamps
- Dual chrome exhaust tips
- LED taillamps
- Power sideview mirrors with integrated blind spot mirrors
- Privacy glass (rear doors, rear quarter windows and liftgate window)
- Rear spoiler
- Roof-mounted antenna
- Windshield wipers – Front: speed-sensitive, variable-intermittent with washer; rear: 2-speed with washer

**Safety & Security**
- Personal Safety System™ for driver and front passenger includes dual-stage front airbags; safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control
- AutoLock
- Belt-Minder® front safety belt reminder
- Belt-saver with headlamps-off delay
- Child-safety rear door locks
- Child-safety rear door locks
- Deadbolt locks
- Front-passenger knee airbag
- Front-seat side airbags
- Illuminated Entry System
- LATCH – Lower Anchors and Tether Anchors for Children (2nd-row outboard and 3rd-row passenger-side seating positions)
- MyKey®
- Personal Safety System ™ for driver and front passenger includes dual-stage front airbags;
- Passive Anti-Theft System
- RSC® (Roll Stability Control™)
- SOS Post-Crash Alert System ™ unlocks doors, flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions
- Tire Pressure Monitoring System (excludes spare)

**Dimensions**

¹Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Genuine Ford Accessories will be warrantied for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warrantied by the accessory manufacturer’s warranty. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
