¹Driving is serious business and requires your full attention. Do not operate any devices connected to the USB port or auxiliary audio input jack while driving. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® not included. ²Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. ³VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁴Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ⁵Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁶Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁷Required Sirius XM® Satellite Radio subscription sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change.
