Please note: It’s not possible to reproduce exact original shades in printed matter. Please ask your dealer to show you samples.
We’re Swedish. Scandinavian designers always start with the person who’s going to use an object and ask, “What can we do to make this person’s life better, easier or more comfortable?” We’ve always used this philosophy when we design our cars. So, while other manufacturers might start with technology and try to squeeze people in around it, we begin by designing our cars around you. We understand what you need, and then use our technical skills to make your life easier, better, safer and more beautiful. Form follows function, and when you design a car inside and out with people in mind, it looks naturally beautiful.

WE’RE VOLVO.
WE PUT PEOPLE FIRST.
Designing cars around people has led to many innovations over our 86-year history. The three-point safety belt in your current car? That was our invention from 1959. We’ve solved a few environmental issues, too – in 1976, we developed the catalytic converter and the lambda sensor, a sensor that monitors exhaust gas, reducing emissions and boosting performance as well as economy.

We think that the details are just as important, too. Take our seats. In the early 1960s, we consulted with a team of orthopedic surgeons at Chalmers University of Technology here in Gothenburg, Sweden. Nobody had thought to ask an orthopaedic surgeon’s advice when designing a car seat before. But the ergonomic seat designs we developed as a result have made our cars world famous for their outstanding long-distance comfort.

And we use natural, authentic materials inside our cars – not because they’re fashionable this season, but because they make you feel good.

Creating a beautiful experience for you is natural for us. Because in Sweden, great design is a way of life, not a luxury.
SOMETIMES IT PAYS TO LOOK IN THE REAR-VIEW MIRROR...

This is our P1800 sports coupe, launched in 1961. So, beautiful as it is, why are we talking about a five-decade-old car? Well, it embodies the design philosophy we still use today. It shows the confidence of our cars' styling backed up by the design authority that has made Scandinavia world-renowned. Significantly, our little two-seat grand tourer also shows the importance we place on making you feel good. And that isn’t just about ergonomic seats and beautifully designed cabins, but just as much about creating a shape that will make you feel special every time you look at it.
If you look closely at our latest models, such as our S60 R-Design sport sedan shown above, you’ll find that they continue to reference our proud design heritage. We still use a wide horizontal grille, and the P1800’s sporty soul and sweeping lines from the headlights along the sides live on in our S60. In true Volvo style, we’ve blended these subtle nods to our heritage with a clean, modern design language. The result is a shape that embodies the essence of Scandinavian design: Functional beauty that stands out in a crowd.
YOU WANT COMFORT, RESPONSE AND CONTROL. DONE.

“We’ve had a brilliant response to our chassis – it’s had fantastic reviews in the motoring press,” says Stefan Sällqvist, Volvo’s handling guru. He’s talking about the standard chassis on our cars – and being Swedish, he never boasts unless something is really, really good. “We’ve spent thousands of hours perfecting and tuning it in order to heighten your responsive, in-command driving experience.” We’ve worked hard on natural driving dynamics so that your Volvo’s actions immediately correspond to your desires. When you hit the accelerator out of a tight corner, your mind knows how you want the car to perform – and your car follows as if you both had a telepathic link. The secret? Corner Traction Control, our torque vectoring system that reduces understeer, making cornering safe and fun.

The S60 and V60 also includes an Advanced Stability Control that can quickly identify any tendency of skidding. This allows the anti-skid system to activate earlier and with greater precision which helps to improve handling and rapid lane change maneuvers. The Dynamic Stability and Traction Control System DSTC also has a Sport Mode that allows the car to be driven more actively by relaxing the sensitivity of the anti-spin system.
YOU’RE IN CONTROL, NATURALLY.

Since you’ll spend most of your time in the driver’s seat of your Volvo, we’ve designed a gorgeous space around you. All of your instruments and controls are as easy to use and intuitive as possible. We call this approach to connecting you and your car with the world around you “Sensus”. Our beautiful available Adaptive Digital (TFT) Display* is the latest expression of this philosophy. Not only does it give you all the information you need without overwhelming you with data, it also gives you three modes to choose from – Elegance, Eco and Performance. Your 7-inch Sensus screen is a connected multimedia hub, giving you access to navigation and music streaming.

But it’s not just our displays and connectivity technologies that are things of functional beauty. We’ve put the same amount of care into the steering wheel, as well as our iconic floating center stack with our trademark ‘manikin’ climate control buttons. And at night, our illuminated gear shift knob not only makes it easy for you to see which gear you’re in, it’s a piece of beautiful design in its own right.

*Not available on XC90.

FULL SONIC IMMERSION
At Volvo, we believe you should enjoy the very best audio experience. That’s why we’ve designed our available state-of-the-art Premium Sound Multi Media System with Audyssey Laboratories. Using twelve high-fidelity loudspeakers and MultEQ sound processor technology, this 5x130 W system provides an unparalleled aural experience for every passenger and connects easily with external media players.

READ MORE ON VOLVOCARS.US

Our beautifully designed, high-res color display allows you to choose between three driving modes – Elegance, Eco and Performance.
We’ve further improved our optional Blind Spot Information System (BLIS). It now uses radar technology** to alert you to vehicles closing up in your blind spot. There’s also Cross Traffic Alert, which watches out for vehicles you can’t see when you’re reversing out of tight parking spaces.

Because we care about other road-users just as much as you, Pedestrian Detection with Full Auto-Brake (included in the optional Technology Package*) watches out for people walking into your path and applies the brakes if you’re unable to react in time.

*Not available on XC90  **S60, V60 and XC60 only

City Safety* functions at speeds up to 30 mph. This system can help prevent a collision if the difference in speed between your vehicle and the vehicle ahead is less than 9 mph.
Safety has become a Volvo by word – so much so that sometimes we forget to talk about it. Still, keeping people safe has always been at the heart of what we do. We call this philosophy IntelliSafe. It’s a commitment that goes back to 1927, the year Assar Gabrielsson and Gustaf Larson started our company with a simple idea: that people and their safety should be the guiding principle behind everything we do. As a result, Volvo has a 86-year history of pioneering safety advances. For example, we’ve been fitting all our cars with safety cages and laminated windscreens since 1944.

Today, we’re building cars that actively scan the area around you, looking out for the unexpected. We invented City Safety, which helps to prevent rear-end collisions at speeds of up to 30 mph. And we developed Pedestrian Detection, a system that detects pedestrians and brakes the car when necessary. But we won’t stop there. In the future, our aim is to design cars that will prevent collisions with other road users altogether.

**IntelliSafe**

**OH YES – DID WE MENTION SAFETY?**
WE THINK SUSTAINABLE DRIVING IS EXCITING.
SO WILL YOU.
At the heart of every Volvo we make is our all-encompassing approach to sustainable driving, our innovative thinking behind a whole range of technologies that give you more efficiency – and lower running costs – without compromising on a pleasurable drive.

Our technological advances include reducing the friction within our engines and a host of aerodynamic improvements to help you get the maximum benefit from your engine and the fuel you put into your car. We always strive to make our manufacturing processes more sustainable – all of the electricity for our factory in Sweden comes from clean, hydroelectric power. Environmentally-aware mobility is central to our philosophy of intelligent, thoughtful luxury.

And while fuel efficiency and low emissions will always be priorities for us, we think it is important to emphasize that we will not sacrifice a great driving experience for these goals. Because we know how important this is to you.
Drive-E is for Volvo’s innovative thinking behind a whole range of technologies that provide more power, more efficiency and greater driving pleasure, while also respecting the environment.

Efficient power relates to all technologies aiming to improve the driving experience while still reducing CO₂ emissions and improving fuel economy. This includes: optimized aerodynamics, efficient engine and energy management, reduced friction and fuel-efficient gear ratios, start/stop engine technologies, brake energy recuperation.

Environment incorporates both our environmental thinking in the cars and the materials, like the ‘clean’ compartments and interior air quality, and our sustainability efforts in production and recycling.

**ECO+ FUNCTIONALITY**

The new ECO+ is a fuel saving technology that supports an economical driving style and features a Start/Stop function which can help improve fuel economy.

ECO+ has 3 distinct functions controlled by a switch on the center console:

- Start/Stop feature will stop the engine when the vehicle comes to a standstill and immediately restarts the engine when the vehicle is ready to go.
- ECO-coast helps the driver to conserve the kinetic energy of the vehicle by enabling the vehicle to coast while driving.
- ECO-climate changes climate control settings to maximize fuel efficiency.

THE NEW DRIVE-E T5 AND T6 ENGINES ARE AVAILABLE ON CERTAIN MODEL YEAR 2015 FWD VOLVO MODELS.
The amount of power you get from a gasoline engine is not determined by its size, but by the amount of air you flow through it. Also, by making an engine smaller, you can make it more efficient; therefore, if you can flow more air through a smaller engine, you can make it both powerful and efficient.

The new T5 240 horsepower 2.0Liter, 4-cylinder, turbo-charged and direct injected engine uses state-of-the-art technology to provide outstanding fuel efficiency and driving characteristics. While Volvo’s 302 horsepower 2.0Liter T6 engine makes combined use of both a supercharger and a turbocharger with direct injection, providing power at all engine speeds. Both of these engines feature an all-new 8-speed automatic gearbox making this new engine family more efficient than ever.
If you’re the kind of driver who takes the long way home across twisty roads just for the fun of it, we designed our S60 for you. Our dynamic sedan not only offers a spirited, engaging ride – its contemporary Scandinavian design will also appeal to your sense of style. And as you’d expect from us, you’ll get to enjoy all of this in legendary Volvo comfort.
YOUR S60 ENGINES:

- T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T5 AWD, five-cylinder turbocharged engine, 250 hp
- T6, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp
- T6 AWD R-Design, six-cylinder turbocharged engine, 325 hp

On the S60, beautifully crafted integrated tailpipes remain perfectly in place, even though the pipe system expands by 0.98 in as the engine reaches its operating temperature. This is true Scandinavian precision engineering.

TO SEE MORE OF THE S60’S COOL DESIGN FEATURES, GO TO VOLVOCARS.US
The S60 is designed around you, the driver – and nowhere is this more apparent than in your car’s cabin. Not only have we given the S60 a sporty three-spoke steering wheel with available Paddle Shifters.* We’ve also angled the dashboard towards you. And our Adapative Digital (TFT) Display* not only gives you beautifully bright, clear graphics: it also lets you flick between Elegance, Eco and Performance – three modes to suit your mood and driving style.

IT’S NOT YOUR USUAL WAGON.
THE NEW VOLVO V60.
The new V60 is designed to fit in with your life, whatever you’re doing. It’s for people who need the versatility of an estate but want the advanced handling of a modern sports car. That’s why we call it a sportswagon. So, as well as having all the comfort and space you’d expect from a Volvo wagon, this is a true driver’s car – and you’ll know what we mean if you’re the kind of person who prefers to take the long way home from work to put a smile on your face at the end of the day.

Scandinavian design is about attention to detail and craftsmanship: Inside, the optional sport seats have great side support all the way from your thighs to your shoulders, so they keep you firmly in position – even when you’re cornering fast. (R-Design interior shown)

TO SEE MORE OF THE V60’S COOL DESIGN FEATURES, GO TO VOLVOCARS.US
We know that your busy life requires flexibility and space. But we also know that you don’t want to sacrifice driving pleasure. So we came up with the V60 – a sportswagon that is as dynamic as it is versatile. Now, for MY15, our V60 looks and handles even better. With its clever 40/20/40 split rear seat, you can carry everything you need. And you just might reach your destination a little bit quicker…

YOUR V60 ENGINES:
• T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
• T5 AWD, five-cylinder turbocharged engine, 250 hp
• T6 AWD R-Design, six-cylinder turbocharged engine, 325 hp
MEET THE SUV THAT’S GREAT TO DRIVE.
THE VOLVO XC60.
Your lifestyle says you need an SUV; your heart says you want a stylish, driver-focused car. If this is your dilemma, we've designed our Volvo XC60 for you. It's the perfect car for those who want a commanding driving position as well as car-like agility – making the XC60 as much at home on city boulevards, as it is on highways and country roads. And now, thanks to a raft of improvements both inside and outside the car, our dynamic, refined SUV just got even better.
Thanks to its well balanced chassis, the XC60 doesn’t drive like a towering, top-heavy SUV. Instead, it’s every bit as nimble and agile as a ground-hugging sedan – while its ride height gives you a commanding driving position and added confidence when negotiating busy city traffic. The headlamps are focused and determined, while intense vertical LED daytime running lights are positioned out to the corners of the car to give it a striking appearance, in both height and stature.

Inside, our sport seats* give you all the comfort you expect from Volvo while also gripping you from thigh to shoulder through tight corners. Your every interaction with the car is more intuitive, expressive and customizable – select the red Performance mode on your Adaptive Digital (TFT) Display**, and get ready for another great day behind the wheel.

*Standard T6 R-Design, included in Sport Package on T5, T6 and AWD.
**Standard T6 and T6 R-Design, optional T5 and AWD.

If you like to make driving your Volvo even more exhilarating, our XC60 R-Design with Polestar Performance tuning software is the ideal solution. This standard R-Design upgrade boosts engine horsepower to 325 and increases torque to 354 lb/ft for a truly thrilling ride.

LEARN MORE ABOUT POLESTAR AT VOLVOCARS.US

YOUR XC60 ENGINES:
- T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- AWD, six-cylinder engine, 240 hp (230 hp – PZEV)
- T6, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp
- T6 AWD, six-cylinder turbocharged engine, 300 hp
- T6 AWD R-Design, six-cylinder turbocharged engine, 325 hp
Our optional Inscription Package give your S80 a true sense of Scandinavian luxury. Our full Sovereign Hide soft-leather upholstery with ventilated seats, the Inscription stitched Leather Instrument Panel and Inscription Leather/Dark Walnut Steering Wheel all make your drive a truly sensual experience. Best-in-class rear seat space, ample legroom and a smooth, comfortable ride combine to create a serene environment that lets you focus your thoughts. Ambient Light – our interior lighting option – bathes you in a warm white glow and illuminates any controls and storage spaces you may need to find at night. You’ll arrive fresh at your destination, ready for business or pleasure, thanks to our ergonomic seats.

YOUR S80 ENGINES:

• T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
• T6 AWD, six-cylinder turbocharged engine, 300 hp
AND YOU THOUGHT TRUE SOPHISTICATION HAD GONE OUT OF STYLE.

THE VOLVO S80.

When you fly, you travel business class – so why settle for anything less when you drive? The Volvo S80 is our benchmark when it comes to luxury, comfort and interior space. Now, thanks to a number of updates, our flagship sedan is able to offer even more of what it does so well. Its tastefully restrained Scandinavian design is complemented by advanced technology, exquisite materials and superior craftsmanship. Every well-crafted detail of your S80 will make you feel rewarded – whether you're in the driver's seat or stretching your legs out to enjoy a little thinking time in the rear.
FOR ADVENTURERS WHO MAKE THEIR OWN RULES (AND THEIR OWN ROADS).
THE VOLVO XC70.
You've got a true adventurer’s spirit and you need a wagon with total all-round capability, both on and off road. With its high ground clearance and superb chassis, our XC70 is the answer. You'll drive confidently in the knowledge that your car has the refined strength to take you anywhere, in any weather.

The XC70 comes with a power-operated tailgate* which you can open with your keyfob before you even get to your car. And parents will love the XC70’s two-stage integrated booster cushions** for children, which with one simple movement, fold out of the seat cushions with one or two simple movements.

*Included in the optional Premier Plus trim level.
**Optional.

YOUR XC70 ENGINES:
• T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
• AWD, six-cylinder engine, 240 hp (230 hp – PZEV)
• T6 AWD, six-cylinder turbocharged engine, 300 hp

LED Daytime Running Lights, a bold honeycomb grille and matte silver touches give the XC70 a sophisticated, contemporary feel.
XC90 – Volvo’s family SUV, an innovator in safety technology, is the ultimate expression of refined design and robust functionality providing comfort for 7 passengers and the ability to enjoy all of life’s rewards.

YOUR XC90 ENGINE:
• 3.2 FWD, six cylinder engine, 240 hp (230 hp – PZEV)
• 3.2 FWD R-Design, six-cylinder engine, 240 hp (230 hp – PZEV)
• 3.2 AWD, six-cylinder engine, 240 hp (230 hp – PZEV)
• 3.2 AWD R-Design, six-cylinder engine, 240 hp (230 hp – PZEV)

Some cars are equal to any situation no matter what you throw at them. With its seven seat capacity, commanding looks and off-road capability, the Volvo XC90 firmly belongs in this class, making it perfectly suited to the school run, your summer holidays or a weekend in the country.
For an even more sporty look choose the XC90 R-Design version.

CONFIGURE YOUR XC90 AT VOLVOCARS.US

SPACE, AND THE LUXURY TO ENJOY IT – THAT’S FREEDOM.
THE 2014 VOLVO XC90.
Would you like to enhance the dynamic personality of your S60, V60, XC60 or XC90 even further? Well then, R-Design is for you, with a range of features to give your Volvo a sporty, unique profile.

But R-Design is so much more than a cosmetic exercise – as with all the best Scandinavian design, form follows function. So, for example, our R-Design sport chassis has been stiffened for even better cornering – meaning you’ll enjoy the thrill of driving your Volvo even more.
For an exterior with a more individual, sporty look, R-Design offers gorgeously sculpted alloy wheels and unique door mirror covers with Silk Metal finish. At the back, a motorsport-style diffuser enhances your car’s dynamic presence, while the R-Design’s chrome dual exhaust pipes add the perfect finishing touch to your car’s exterior.

The R-Design story continues in the interior, starting with supportive sport seats with R-Design logos. Also included is an exclusive R-Design steering wheel, as well as sport pedals. A soft-touch gear shifter and our unique blue instrument cluster all add to the R-Design experience.
Volvo Car Financial Services provides premium financing and leasing options to place you into the driver seat. When you purchase or lease a Volvo, expect an exceptional experience from the moment of the first test drive and all the way until the time you trade in your keys for your next Volvo. Volvo Car Financial Services offers both low finance rates and flexible lease offers and our quality service elevates your ownership experience.

LEASING OPTIONS

FLEXIBLE TERMS
Leasing is available for terms as short as 24 months or up to 48 months. You can drive a new Volvo every few years while within the manufacturer warranty and maintenance plans and without the burden of negotiating trade-in values.

CHOICE OF MILEAGE PLANS
The standard mileage option allows up to 15,000 miles per year, however, several other mileage plans are available to tailor to your commuting needs. Under the low mileage plan, options are available as low as 10,000 miles per year and we also offer a high mileage plan with options as high as 30,000 miles per year.

SINGLE PAYMENT LEASE
A Single Payment Lease provides convenience and savings. You make only one payment, one time, freeing you from monthly payments. It permits you to prepay all monthly payments in a single payment at lease signing. This single total lease payment is less than the amount you would pay over the term of a conventional lease.

MULTIPLE SECURITY DEPOSIT LEASE
A Multiple Security Deposit lease allows you to place a lump sum refundable security deposit at lease inception, which reduces your monthly rent charge resulting in substantial savings over the term of the lease. The additional security deposits are refunded to you at the end of the lease term.

BUSINESS LEASE
Under our Business Lease Option, owners have the flexibility to lease the vehicle as the business.

GUARANTEED AUTO PROTECTION (GAP) WAIVER
Our GAP Waiver is included in your lease agreement at no additional cost to you. It is provided to give you peace of mind. If your leased Volvo is declared a total loss due to theft, accident, or natural disaster, we will cover the difference between the insurance proceeds and the balance owed to Volvo Car Financial Services less any deductible.

EXCESS WEAR AND USE PROTECTION PLAN
As a part of everyday driving, normal wear and use can be expected. However, when turning in your leased vehicle, you may be responsible for any excess wear and use damage, therefore, Volvo Car Financial Services offers an optional plan to protect you and your car from unexpected occurrences that happen from nature and chance.

Volvo Car Financial Services (VCFS) offers affordable and competitive financing on new and Volvo Certified Pre-Owned Cars. Our low rates and flexible terms can get you behind the wheel of the Volvo you want to drive with finance terms up to 75 months. Volvo Car Financial Services also offers financing on vehicles purchased under the Overseas Delivery Program.

Please contact your local Volvo retailer for detailed information on Volvo Car Financial Services Programs. Security Deposit Program is not available in NY. Excess Wear and Use Protection Plan is optional and not available in all states.

**SERVICE AND WARRANTY**

**ON-CALL ROADSIDE ASSISTANCE**

You will receive your new Volvo shortly after you arrive in Europe. For assistance or maps and routing information for your next trip, in your country, contact the nearest retailer or dial 1-800-63-VOLVO (1-800-638-6586). Whenever you need us, we're just a phone call away. Our nationwide network of roadside assistance provides you with the peace of mind you deserve. If you need assistance, simply contact the nearest retailer or dial 1-800-63-VOLVO (1-800-638-6586) for assistance. Where your warranty ends, Volvo Increased Protection (VIP) plans begin. To purchase the additional coverage, please contact your retailer.

**POSSIBLE ADDITIONAL BENEFITS**

- **Personal Shopper**: Free assistance in selecting your new Volvo. The Volvo Personal Shopper is dedicated to providing you with all the information you need to make the right decision. Whether it’s help finding the Volvo model that best fits your lifestyle, detailed information on any Volvo model, or a comparison against the competition, Volvo is here to help. For more information about the Volvo Personal Shopper, please contact the Personal Shopper at 1-800-550-5658 (U.S. only).
- **Complimentary Factory Scheduled Maintenance**: This program provides scheduled maintenance coverage for the first 30,000 miles or 2 years, whichever occurs first. The program covers the scheduled maintenance services at intervals of 10,000, 20,000 and 30,000 miles. Your new car warranty provides comprehensive coverage for your first 4 years or 50,000 miles, whichever occurs first. Additional coverage beyond the 4 years or 50,000 miles, whichever occurs first, is available for purchase. For additional information on this program, please contact your retailer.

**FINANCIAL OPTIONS**

- **Leasing**: Flexible and competitive leasing options available for graduates. Volvo Car Financial Services can help provide you with a hassle-free experience.
- **Finance**: Attractive financing options available for graduates. Volvo Car Financial Services can help provide you with a hassle-free experience.

**MAINTENANCE**

**COMPLIMENTARY FACTORY SCHEDULED MAINTENANCE**

Your new Volvo warranty provides comprehensive coverage for 4 years or 50,000 miles, whichever occurs first. Additional coverage beyond the 4 years or 50,000 miles, whichever occurs first, is available for purchase. For additional information, please contact your authorized Volvo retailer. In the event of an accident, your Volvo warranty protects your Volvo. If you need protection beyond the coverage provided by your warranty, contact your Volvo retailer. For additional information, please contact your authorized Volvo retailer.

**VOLVO OVERSEAS DELIVERY**

Volvo Overseas Delivery of your new Volvo is a very easy way to buy your new car. You can take advantage of a unique opportunity to own a Volvo while you’re here in the United States. Whether you’re looking to own a Volvo or just want to test drive one, we can help you find the perfect vehicle. For more information, please contact your authorized Volvo retailer.

**VOLVO MOBILITY PROGRAM**

The goal of the Volvo Mobility Program is to assist persons with exceptional transportation needs, such as those with physical disabilities or hearing impairment. For those with exceptional transportation needs, this can be facilitated by the Volvo Mobility Program. This program is designed for those who can’t easily travel to a Volvo retailer. For additional information, please contact your authorized Volvo retailer.
