SAVANA

2015

WE ARE PROFESSIONAL GRADE
2015 GMC SAVANA. You put a lot of thought into your business. So do we. That’s why Savana is engineered to keep your operation organized, in control and moving forward. Whether you need to carry passengers or cargo, Savana produces its own brand of Professional Grade versatility and reliability that goes beyond mere utility. Incredible thinking results in the broadest V-8 engine lineup in its class, giving you all the tools you need to succeed.
IT’S MORE THAN A VAN—IT’S YOUR BUSINESS.

The Savana Cargo Van is designed to offer the versatility you demand to accomplish any job. When it comes to moving cargo of all shapes and sizes, it’s engineered in multiple configurations, with as much as 10,000 pounds of maximum trailering strength and 313.9 cu. ft. of maximum cargo volume. Here are a few more ways Savana Cargo Van can improve your business.

FULL-WIDTH REAR DOORS.
MULTIPLE WINDOW PACKAGES.
REAR PARK ASSIST (AVAILABLE).
REAR VISION CAMERA SYSTEM (AVAILABLE).

1 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.
2 Cargo and load capacity limited by weight and distribution.

Extended-wheelbase models with passenger seat removed.
SAVANA CARGO VAN IN SUMMIT WHITE

SAVANA PASSENGER VAN IN QUICKSILVER METALLIC
shown with available equipment.
BECAUSE EVERY PASSENGER IS PRECIOUS CARGO.

GMC engineers anticipated your needs and what your passengers want with Savana Passenger Vans. Featuring a range of models with configurations from eight to 12 to 15 passengers, Savana has the capacity to accommodate your business demands. Savana also provides an exceptional level of protection, including a reinforced safety cage and standard air bags.1 Here are other features of Passenger Vans.

- **Passenger-Side Sliding Door (Available).**
- **Rear Park Assist (Available).**
- **Rear Vision Camera System (Available).**
- **Enhanced Safety Glass Technology (12- and 15-Passenger Models Only).**

---

1Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your Owner’s Manual and child safety seat instructions for more safety information.
EASY DOES IT.

Savana Cargo and Passenger Vans are engineered to make them easy to load and unload with equipment or people. To reduce the effort necessary to access your tools and cargo, both vans offer several laborsaving door options. No matter which one you choose, you’ll gain the helping hand you and your crews deserve.

SAVANA PRO PACKAGE Side-access storage bins on the available Savana Pro Package maximize underused areas in standard vans. It provides plenty of cargo space and a flat load floor, so it easily adapts to your needs.
**REAR DOORS** Savana’s rear doors open 165 degrees and feature a low lift-over height, so it’s easy to load up its cargo space—up to a maximum of 313.9 cu. ft. on extended-wheelbase models.1

**PASSENGER-SIDE SLIDING DOOR** Open the available passenger-side sliding cargo door to access Savana’s vast cargo area. A wide variety of optional equipment is available that’s purpose-built for the tools and materials of practically every trade.

1Extended-wheelbase Cargo Van models with passenger seat removed. Cargo and load capacity limited by weight and distribution.
SAVANA INTERIOR IN MEDIUM PEWTER shown with available equipment.
When you’re moving from one job site to another, connectivity is vital. Fortunately, Savana offers a van-load worth of incredible thinking and technologies to keep you connected, including available dealer-installed Wi-Fi¹ and available Bluetooth® for phone.² Passenger Vans can accommodate up to 15 passengers with flexible and comfortable seating configurations. Savana also offers these creature comforts.

**POWER WINDOWS AND DOOR LOCKS.**

**ALL-DIGITAL RADIO LINEUP WITH AVAILABLE USB PORT.**³

**110-VOLT POWER OUTLET.**

**TOUCH-SCREEN NAVIGATION**⁴ (AVAILABLE).

¹Monthly rates apply. Visit autonetmobile.com for coverage map and details.
²Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.
³Not compatible with all devices.
⁴Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
BUSINESS CLASS ACCOMMODATIONS.

With two wheelbases and minimal rear wheel-well interference, Savana Cargo Vans take utility to a new level of functionality and comfort. There’s a maximum 313.9 cu. ft. of cargo volume on extended-wheelbase models, while Savana Passenger Van offers two wheelbase choices, two model series and three seating arrangements for up to 15 passengers.

TOUCH-SCREEN NAVIGATION The available integrated touch-screen Navigation System helps you locate your next job site and map the most efficient route.

TILT-ADJUSTABLE STEERING WHEEL This available feature allows you to position it to your liking. A leather-wrapped steering wheel with integrated radio controls is also available.

BLUETOOTH It’s available and uses voice recognition to dial phone numbers and name tags.

POWER SUPPLY New standard 110-volt household-style outlet keeps your devices powered up.

STEERING-WHEEL-MOUNTED RADIO CONTROLS These available controls adjust audio functions and, when Savana is equipped with the available USB port, they also control many of the features of compatible devices.

SIRIUSXM SATELLITE RADIO Enjoy SiriusXM Satellite Radio with a 3-month trial subscription to the XMPremier Package. Available on WT, LS and LT models.

ULTRASONIC REAR PARK ASSIST This available system alerts you to objects up to 8 feet behind the vehicle at speeds of less than 5 mph.

WI-FI CAPABILITY Savana is available with dealer-installed Wi-Fi, so you and your crew can stay connected via laptops and other wireless devices. Various applications are also available.

SAVANA PASSENGER INTERIOR

CLIMATE CONTROL All models include front air conditioning, while rear air conditioning is available on 2500 Series models and standard on 3500 Series extended-wheelbase models. A rear auxiliary heater is available with LS trim, included with rear air conditioning and standard on 3500 Series extended-wheelbase models.

POWER WINDOWS AND DOOR LOCKS Standard on all Savana models are convenient power windows and door locks.

SAVANA CARGO INTERIOR

PERSONALIZATION Ask your GMC dealer about the purpose-built applications designed to transform Savana Cargo Van’s interior into a workshop on wheels.

DESIGNED FOR DISABILITIES ACT (ADA) COMPLIANCE To comply with ADA, Savana is designed to be fitted with ADA-compliant wheelchair and seating configurations, without compromising interior comfort or convenience. (Vehicles contain equipment from an independent supplier. See the Important Words page for information about alterations and warranty.)

*With passenger seat removed. Cargo and load capacity limited by weight and distribution. *Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. *Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. *Not compatible with all devices. *If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. *Monthly rates apply. Visit autonetmobile.com for coverage map and details.
REAR VISION CAMERA SYSTEM  This available system (shown in the available navigation radio screen) makes it easier to back up to a trailer or negotiate a tight space. The Rear Vision Camera System does not replace driver vision. Please use proper care when backing up.

COMMAND CENTER  In the 2015 Savana, all instrumentation and controls are positioned to maximize your efficiency, including the new 110-volt power outlet.

INTERIOR SEATING  Savana Passenger Vans offer seating for eight (shown), 12 or 15 passengers. The 2500 and 3500 Cargo Vans offer an available five-passenger configuration.
IN COMMAND AND UNDER CONTROL.

We know performance drives your business. That’s why Savana offers the widest choice of Professional Grade V-8s in its class, the most powerful heavy-duty diesel¹ and fuel options such as E85,² biofuels and Compressed Natural Gas (CNG).

**ENGINES**

**VORTEC**

**VORTEC ENGINES** These technologically advanced gas-powered engines in the Vortec family range from a 4.8L V-8 to a 6.0L V-8. Each is designed to deliver power, torque and efficiency to meet your needs for confident daily driving, passing and trailering.

**VORTEC 4.8L V-8 VVT (L20)**
- HORSEPOWER: 285 hp @ 5400 rpm
- TORQUE: 295 lb-ft @ 4600 rpm

**VORTEC 6.0L V-8 VVT (L96) FlexFuel Capable**
- HORSEPOWER: 342 hp @ 5400 rpm
- TORQUE: 373 lb-ft @ 4400 rpm

**VORTEC 6.0L V-8 VVT CNG (LC8)**
- HORSEPOWER: 282 hp @ 4800 rpm
- TORQUE: 320 lb-ft @ 4400 rpm

**CNG TECHNOLOGY** GMC supports the goal of reducing CO₂ emissions by offering CNG technology that significantly reduces vehicle emissions. Check gmfleet.com for availability.

**E85 FLEXFUEL CAPABILITY**² To give you more choices at the pump, the Vortec 6.0L [L96] V-8 engine is capable of running on E85 ethanol.

**VARIABLE VALVE TIMING (VVT)** All Vortec V-8 engines use this technology to monitor and adjust valve opening and closing points, giving you near-peak levels of torque across the range of engine speeds.

**DURAMAX DIESEL**

**DURAMAX POWER** The most powerful available diesel in its class uses high-pressure direct-injection technology to run at peak efficiency and to start easily in cold temperatures—as quickly as 3.0 seconds at -40° F. The available Duramax 6.6L V-8 Turbo Diesel is coupled to an automatic 6-speed transmission. Together, they form a heavy-duty powertrain producing a remarkable 525 lb-ft of torque at just 1600 rpm.

**DURAMAX 6.6L V-8 TURBO DIESEL (LGH)**
- HORSEPOWER: 260 hp @ 3100 rpm
- TORQUE: 525 lb-ft @ 1600 rpm
- TRANSMISSION: 6-Speed Automatic

**DURAMAX B20 BIODIESEL CAPABILITY** The Duramax Diesel is engineered to operate on B20 biodiesel, a mixture of 20 percent biodiesel produced from domestic, renewable resources and 80 percent petroleum diesel.
1 With Duramax 6.6L V-8 Turbo Diesel.  
2 E85 is 85% ethanol and 15% gasoline. Go to afdc.energy.gov/afdc/fuels to find an E85 station near you.  
3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for details.
SAFE. SOUND.

While you’re focused on your business, GMC engineers focused on designing Savana to surround you and your passengers with Professional Grade protection. It starts with a reinforced steel safety cage and continues with frontal and head curtain side-impact air bags.¹

**REINFORCED STEEL SAFETY CAGE DESIGN**
The high-strength steel frame is connected to the main body structure with reinforced body sills, roof pillars and a reinforced floor. This design creates a safety cage that surrounds passengers, helping maintain passenger compartment integrity in the event of a collision.

**HEAD CURTAIN SIDE-IMPACT AIR BAGS**¹
Standard on Passenger Vans and available on Cargo Vans, these air bags unfurl from the roof rail like a protective curtain for the first-, second- and third-row outboard passengers, and can be activated by either rollover sensors or side-impact sensors.

**FRONTAL AIR BAGS**¹
To help reduce the risk of injury, all models feature driver and front-passenger frontal air bags.

**TIRE PRESSURE MONITORING SYSTEM**
The system communicates tire pressure to your vehicle² to alert you to the tires’ inflation level through the Driver Information Center. If you subscribe to OnStar Vehicle Diagnostics, this information is part of its monthly e-mail update,³ or if you have the OnStar RemoteLink App,⁴ you can check the status instantly.

¹Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your Owner’s Manual and child safety seat instructions for more safety information.

²Does not monitor spare tire. ³Visit onstar.com for coverage map, details and system limitations. ⁴OnStar acts as a link to existing emergency providers. Services vary by model and conditions. Available on select Apple® Android™, BlackBerry®, and Windows® devices. Services vary by phone, vehicle and conditions. Requires an active OnStar subscription.
GMC PRO GRADE PROTECTION. PROFESSIONAL GRADE COVERAGE.

Pro Grade Protection is now standard on every 2015 Savana model. From scheduled maintenance to protecting the entire vehicle, you can drive with the knowledge that your operating costs have been reduced.

- **2-YEAR/24,000-MILE RECOMMENDED SCHEDULED MAINTENANCE**
- **3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY**
- **5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY**

THERE WHEN YOU NEED US.

OnStar is standard on Savana Passenger Vans and available on Savana Cargo Vans. When equipped, OnStar comes with the 5-year Basic Plan and 6 months of the OnStar Directions & Connections Plan. Connect to a live OnStar Advisor just by pressing the blue OnStar button on your rearview mirror.

**BASIC PLAN** Stay connected to everyone and everything that matters with the OnStar Basic Plan on 2015 vehicles, including RemoteLink Key Fob Services, to remotely start (if factory equipped with remote start) and lock/unlock your car (requires power door locks) and activate your horn and lights. Plus you can get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple. For Emergency and Advisor-based services, check out our additional plans.

**AUTOMATIC CRASH RESPONSE** In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can’t respond.

**CRISIS ASSIST** During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

**EMERGENCY SERVICES** One push of the red emergency button gives you a priority connection to an Advisor who can direct emergency service providers to your exact location.

**ROADSIDE ASSISTANCE** If you need an emergency tow, lockout service or help with a flat tire, just push the blue OnStar button and an Advisor can direct help to your exact location—it’s all a part of your OnStar subscription.

**SECURITY FEATURES** Remote Door Unlock, Remote Horn and Lights and Stolen Vehicle Assistance provide help when you need it.

**HANDS-FREE CALLING WITH VOICE COMMAND** Available OnStar Hands-Free Calling is a built-in service in case your cell phone is unavailable, out of range or has a low battery. Just push a button and say the number to make a call.

**TURN-BY-TURN NAVIGATION** Push your blue OnStar button and tell the Advisor where you want to go, and directions will be downloaded to your Savana.

**ONSTAR eNAV WITH MAPQUEST.COM** Get a head start on a trip by checking out your destination on mapquest.com and then clicking the “Send” link. Directions will be sent to your Savana.

**DESTINATION DOWNLOAD** With the optional Navigation System, an Advisor can download directions to your Savana’s navigation screen.

---

*Covers only scheduled oil changes with filter, tire rotations and 27-point inspections, according to your new vehicle’s recommended maintenance schedule, for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. *Whichever comes first. See dealer for limited warranty details. *Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar Services. To cancel RemoteLink Key Fob Services or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details. *Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Services vary by model and conditions. Not all vehicles may transmit all crash data. *Roadside service provided by Allstate Roadside Services. *Services vary by model and conditions. *OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only. Visit onstar.com for coverage map, details and system limitations.

GMC Business Choice is an incentive program designed for business owners like you who rely on their vehicles for their day-to-day operations. It’s available when you purchase or lease an eligible, new GMC vehicle, and it offers several options including the GM Accessory or Upfit Cash Allowance. For complete program requirements, including information regarding offers, vehicles, equipment, options, warranties and ordering information, consult with your GMC dealer, or visit gmbusinesschoice.com.

Business Elite dealers provide you with a team of expert sales account specialists to help you select the right vehicles for the job. They stock a diverse lineup of vehicles that are ready for sale at a moment’s notice. Plus, every Business Elite service department has the facilities, tools, equipment and certified technicians to help maintain your vehicle fleet. Learn more about both of these programs at gmfleet.com.

1 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for details.  
2 When properly equipped, includes weight of vehicle, passengers, cargo and equipment.  
3 Cargo and load capacity limited by weight and distribution.
PRO GRADE PROTECTION

For 2015, Savana comes with the Pro Grade Protection Plan, which includes 2-year/24,000-mile recommended scheduled maintenance,1 3-year/36,000-mile bumper-to-bumper limited warranty2 and 5-year/100,000-mile powertrain limited warranty3 Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation—and full gas—you receive when you take possession of your Savana to the 24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits. You receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 100,000 miles [whichever comes first].

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It’s easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR

OnStar is a core asset of your Savana. Benefiting from more than a decade of innovative development, it is both a highly advanced technology—fully integrated within the vehicle—and a warm human service. Available on most Savana models are 6 months of the OnStar Directions & Connections Plan, including the convenience of available Hands-Free Calling.4 It also includes Automatic Crash Response, Stolen Vehicle Assistance, link to Emergency Services, Roadside Assistance, Remote Door Unlock, OnStar Vehicle Diagnostics, Crisis Assist and Remote Horn and Lights. OnStar services require vehicle electrical system [including battery], wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations. Services vary with conditions.

SIRIUSXM SATELLITE RADIO

SiriusXM Satellite Radio® is available on all Savana models. It includes 3 trials of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

To help your Savana live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Savana, GMC-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Savana on our Web site: gmc.com/savana. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

BUYPOWERCARD® Now it’s even easier to get into the GMC of your dreams. Every purchase gives you Earnings redeemable toward part or even all of a new GMC, Chevrolet, Buick or Cadillac. Every year, enjoy 5 percent Earnings on your first $5,000 in purchases and 2 percent unlimited Earnings after that. No expiration on Earnings and no limit on how much you can earn or redeem. Learn more at buypowercard.com. YOUR CARD IS THE KEY.®

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and dimensions and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximated based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to limit the selection of available color to any number of year and grade and, where applicable, to omit that color from vehicles built in the model year for any product for any reason to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Large Van segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original vehicle [or chassis] as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations [or any effect of the alterations] to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY All GMC light-duty vehicles come with a fully transferable, non-deductible 5-year/100,000-mile [whichever comes first] Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles [whichever comes first]. Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 8 years or 100,000 miles [whichever comes first]. Savana also comes with a 2-year/24,000-mile [whichever comes first] recommended scheduled maintenance plan. See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled by or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if different, that changes are acceptable to you.

GMMOBILITY.COM [1-800-323-9335] GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

GET THE INFORMATION YOU NEED

To help your Savana live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Savana, GMC-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Savana on our Web site: gmc.com/savana. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.
