MDX

INSPIRED BY THE STANDARDS OF MANKIND. DEFINED BY YOU.

Apply your own distinctive flair to your new Acura by choosing from a wide array of Acura Genuine Accessories. Add style, protection and convenience. Let your individual tastes and lifestyle be your inspiration.

Non-Acura parts and/or accessories are not warranted by American Honda and may not be serviceable at Acura Dealers. The purchaser should check with the Dealer Sales Representative to find out which warranties, if any, are available for non-Acura parts and/or accessories, where vehicles can be serviced and which company provides these warranties and/or services. Some Acura accessories may not comply with state laws for retail. Please check with your state law.

RUNNING BOARDS-ADVANCE

Designed to integrate seamlessly with your MDX, the Advance Running Boards add a premium appearance while providing the convenience of a more sure-footed entry.

- Tightly integrated, custom design ensures a factory-installed look
- Chrome trim with custom step plate provides added eye appeal
- Made with high-quality aluminum for lightweight superior strength and optimum durability
- Helps protect the side of your MDX from splashes and road debris
- Designed for use with service lift and emergency jack

RUNNING BOARDS-SPORT STEP

Sport Step Running Boards add an intermediate step not found on traditional running boards. This makes getting in and out easier and much more convenient.

- Helps protect the side of your MDX from splashes and road debris
- Made of heat-treated, aerospace-grade aluminum for lightweight strength and durability
- Can be used with service lift and emergency jack

SPLASH GUARD SET

Splash Guards give your MDX a finished, custom look while helping to protect paint from nicks and chips.

- High-quality constructed material remains durable at extreme temperatures
- No-drill installation helps protect against corrosion
- Front and rear Splash Guards offer excellent protection

FOG LIGHTS-LED

LED Fog Lights can be invaluable in navigating poor weather conditions when visibility is limited, such as dense fog, rain, and snow.

- Integrated design for a factory-installed appearance and fit
- LED Fog Lights provide a highly controlled light pattern that enhances visibility
- Provides a consistently bright, uniform light that's beneficial in almost all difficult weather conditions.
- Plug-in connectors eliminate wire splicing and cutting for greater reliability

REAR BUMPER APPLIQUE

The Rear Bumper Applique provides extra protection when loading and unloading the trunk.

- Clear urethane film helps protect the top surface of the rear bumper from marbling, scratches, and scrapes
- Specifically designed and developed to meet Acura standards
- Contains UV inhibitors to resist yellowing

This photo has been digitally enhanced to show the applique more clearly.

REAR BUMPER PROTECTOR

The Rear Bumper Protector enhances your exterior, while helping prevent scratches when loading and unloading.

- Constructed of brushed stainless steel
- Tested for extreme temperatures
- Easy installation

ROOF RAILS, CHROME

Chrome Roof Rails, along with accessory Black Crossbars, can securely haul items on top of your MDX depending on your choice of roof attachments.

- Premium chrome finish is tested to withstand the harshest environments
- Tightly integrated, custom design for a factory-installed look
- Made with high-quality aluminum and advanced plastics for lightweight, superior strength and durability

CROSSBARS, BLACK

The Black Crossbars attach to the Chrome Roof Rails and are integral in mounting Acura attachments that transport skis, snowboards, and other equipment.

- Aerodynamic profile helps minimize wind noise
- Made with high-quality aluminum and advanced plastics for lightweight, superior strength and durability
- Maximum load capacity: 165 lb (75 kg)

Designed to be used with the following attachments:

SKI ATTACHMENT

Your beautifully appointed interior is no place for wet, dirty skis. The Ski Attachment carries up to six pairs of skis and poles on the roof (if bindings offer enough clearance).

- Lock holds skis securely and deters theft, key included
- Oversized push button for easy operation when wearing gloves
- Made of aluminum construction with anodized coating

SNOWBOARD ATTACHMENT

There's no better, easier way to transport snowboards than with the fully adjustable Snowboard Attachment.

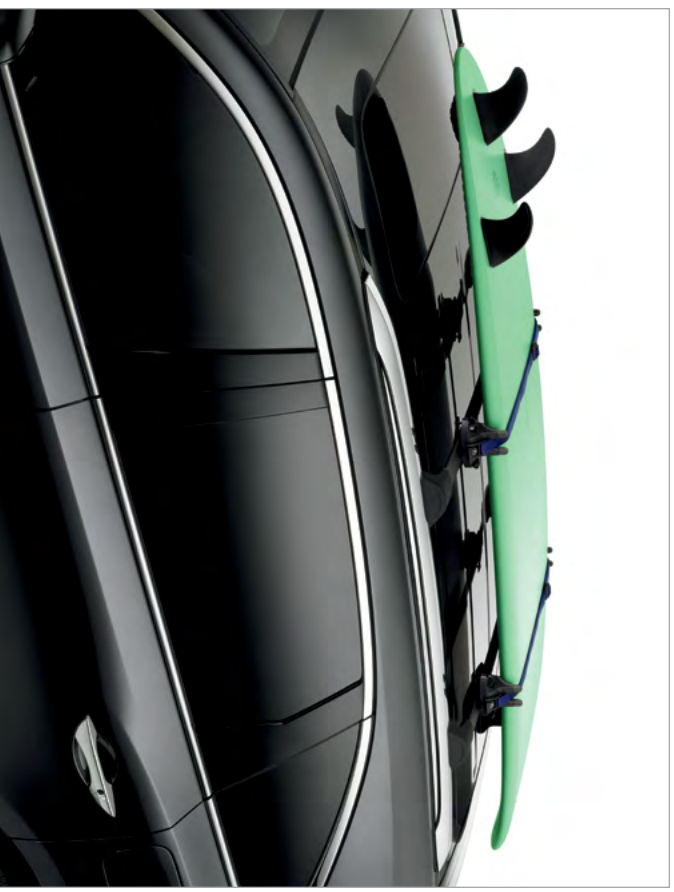

- Accommodates all board sizes and widths
- Two snowboards can be carried by each attachment
- Angled design raises bindings to prevent contact with the roof
- Lockable for added security

KAYAK ATTACHMENT

The Kayak Attachment provides a safe, secure way to transport your kayak.

- Maximum protection and stability provided by soft, adjustable saddles
- Attaches quickly and easily to the MDX Roof Rails and Crossbars
- Includes bow and stern tie-down straps

SURFBOARD ATTACHMENT

The Surfboard Attachment's cradle design provides lateral stability to hold your board snugly and securely during transport.

- Soft thermoplastic lined cradle
- Adjustable padded straps
- Carries two surfboards when used with the additional surf strap

ROOF BOX-SHORT

The Short Roof Box frees up valuable space inside by adding additional, weatherprotected storage.

- Mounts easily to the MDX Roof Rails and Crossbars
- Adds 13 cu ft of enclosed storage
- length: 55 in, width: 35 in, height: 18 in (138 cm x 90 cm x 46 cm); maximum load capacity: 80 lb (36 kg)

BIKE ATTACHMENT-ROOF MOUNT

The Bike Attachment offers the convenience of transporting your bicycle without having to disassemble it.

- Two Bike Attachments can be mounted to the MDX Roof Rails and Crossbars
- Holds most adult bicycles
- A lockable attachment holds one bike each

BIKE ATTACHMENT-TRAILER HITCH MOUNT

Attaches to the Trailer Hitch receiver to conveniently transport up to two adult bikes.

- A convenient fold-down feature allows easy access to the rear of the MDX

TRAILER HITCH, TRAILER HITCH BALL

When the need arises, put your MDX to work by adding the Trailer Hitch with accessory Trailer Hitch Ball.

- Receiver-style hitch accommodates a variety of trailer coupler designs
- Trailer Hitch Kit includes draw bar, retaining pin, clip, and grille
- Wiring harness with 7-pin round-style connector available separately
- Towing over 3,500 lbs will require a Trailer Hitch ATF Cooler Kit which will allow towing up to 5,000 lbs
- 1 7/8-in or 2-in balls available separately

Applies to AWD MDX only.

See Owner's Manual "Trailer Towing Section" for more details.

SPORT BUMPER TRIM—FRONT

Front Sport Bumper Trim provides an exclamation point to the rugged character of your MDX.

- Factory components provide flawless fit and finish

SPORT BUMPER TRIM—REAR

Designed to match the Front Sport Bumper Trim, the Rear Sport Bumper Trim adds a distinct aura of ruggedness to the MDX.

- Utilizes factory components for flawless fit and finish
- Fixed installation points for consistent and trouble-free application

Does not apply with Trailer Hitch.

MOONROOF VISOR

Though decidedly sporty and good looking, the Moonroof Visor has practical applications as well, helping reduce glare, turbulence, and interior wind noise when the moonroof is open.

- Tinted acrylic material provides a sunscreen effect
- Made with high-quality material for durability and a perfect fit

BODY SIDE MOLDING

The Body Side Molding is ideally positioned where the side panel extends out the farthest, in order to help protect your finish against door nicks and chips. Its unique shape also adds a custom element that reflects and accentuates your MDX's body style.

- Made with high-quality material for durability and a perfect fit
- Color-matched to original factory specifications

DOOR EDGE FILM

Transparent, urethane Door Edge Film helps protect the paint around door edges.

- Includes adhesive protection film for all four doors
- Contains UV inhibitors to resist yellowing
- Specifically designed and developed to meet Acura standards

BACK-UP SENSORS

Back-Up Sensors can provide invaluable assistance in difficult parking situations and can alert you to obstacles behind you or out of your line-of-sight.

- While backing up, two rear and two corner sensors emit audible beeps inside the MDX to signal as objects are approached
- Beeps quicken as objects become closer

19-in Chrome-Look

19-IN CHROME-LOOK ALLOY WHEELS

Acura precision-cast 19-in Chrome-Look Alloy Wheels give your MDX a stylish touch and provide an added level of elegance.

- Hub-centric design ensures an exact fit for wheel balance, and less vibration to ensure a smooth ride
- Designed to be used with the factory Tire Pressure Monitoring System
- 19-in tires required

Check with your Acura dealer for specific tire requirements.

Some components and colors may vary. Please see your Acura dealer for details.

WHEEL LOCKS

Your Acura Alloy Wheels are an extremely valuable part of the overall look and performance of your MDX. Steel Wheel Locks will help protect them and keep them right where they belong.

- Hardened steel construction provides excellent durability and theft resistance
- Corrosion-resistant hard-chrome finish maintains the like-new look for years, even in harsh climates
- Functions like a regular lug nut, but requires a special key tool for installation and removal
- Includes a handy storage pouch to keep the key socket from being misplaced

SPARE TIRE KIT

The Spare Tire Kit provides everything you need to change a flat tire.

- Includes a wheel disk, tire, spare tire adapter, tool box assembly, spare tire pan, wheel wrench, jack assembly, and jack bar

2016

MDX

ROOF RAILS, CROSSBARS

Allow you to mount a variety of attachments for bikes, skis, snowboards, and more outside the vehicle.

REAR BUMPER PROTECTOR

Enhances your exterior while helping prevent scratches when loading and unloading.

REAR SPORT BUMPER TRIM

Adds a distinct aura of ruggedness to the MDX.

BACK-UP SENSORS

Provide invaluable assistance in difficult parking situations.

**ADVANCE RUNNING
BOARDS**

Provide the added convenience of easier, more sure-footed entry and exit.

**19-IN-CHROME-LOOK
ALLOY WHEELS**

Give your MDX a stylish touch and provide an added level of elegance.

BODY SIDE MOLDING

Helps protect your paint finish against door nicks and chips.

STEERING WHEEL-WOODGRAIN-LOOK

As elegant as your interior is, the Woodgrain-Look Steering Wheel provides the final wow factor. Sitting behind this wheel is pure indulgence.

- The Woodgrain-Look matches the standard interior Woodgrain-Look trim
- All surfaces have been tested to withstand repeated cleaning

STEERING WHEEL-HEATED

Enjoy a more comfortable drive when the weather turns cold. With the push of a button, your heated steering wheel takes the chill out of cold winter commutes.

- Located on the left side of the steering wheel, the heating button can be activated when the ignition is switched on
- Steering wheel heating is cancelled each time you start the engine
- Steering wheel heating integrates with the Remote Engine Start System III for automatic heating

DOOR SILL TRIM-ILLUMINATED

Serving a twofold purpose, the Illuminated Door Sill Trim both enhances the interior's ambience while protecting the lower door sill from scuff marks.

- White LED lights brighten the Acura logo when the door is open
- Made of 0.5-mm-thick stainless steel and injection-molded plastic for durability

ALL-SEASON FLOOR MATS-1ST- & 2ND-ROW

An ideal way to save wear and tear on your original carpets, the All-Season Floor Mats are designed to trap and hold dirt, sand, mud, and water.

- Raised perimeter wall design helps provide more coverage and additional protection
- Includes 1st- and 2nd-row mats
- Durable rubber material cleans easily with mild soap and water
- Custom-colored MDX logo is molded in for a premium look

Not intended for use with the standard

Carpet Floor Mats.

ALL-SEASON FLOOR MATS-3RD-ROW

An ideal way to save wear and tear on your original carpets, the All-Season Floor Mats are designed to trap and hold dirt, sand, mud, and water.

- Raised perimeter wall design helps provide more coverage and additional protection
- Durable rubber material cleans easily with mild soap and water

Not intended for use with the standard

Carpet Floor Mats.

CARGO TRAY

The Cargo Tray helps protect the cargo-area carpet from spills and everyday wear and tear.

- Custom-molded to fit into the MDX cargo area
- Molded pattern matches All-Season Floor Mats
- MDX logo is molded in for a custom appearance

CARGO TRAY-LIVING HINGE

Spills and wear are inevitable. That's why the molded, living Hinge Cargo Tray is a must. It protects the cargo-area carpet while its unique flexible hinge design accommodates 3rd-row seating.

- Custom-molded to fit into the MDX cargo area
- Folds to allow easy access to cargo while providing clearance for under storage compartments
- Provides access to cargo tie-down points
- Molded pattern matches All-Season Floor Mats
- Designed for use with Cargo Net accessory

CARGO COVER

The retractable Cargo Cover keeps items in the back out of view, which provides peace-of-mind when your MDX is parked or otherwise unattended.

- Mounts behind the 2nd-row seats for maximum coverage (with 3rd-row stowed)
- Tested to ensure it will not deform, crack, or blister when subjected to extreme temperatures
- Installs easily by removing the factory covers in the side lining

CARGO LINER

The Cargo Liner protects your original cargo area, including the floor, sides, and backs of the 2nd-row seats, from the wear and tear of normal, everyday use.

- Each side of the 2nd-row seats can be operated independently in all positions with the Cargo Liner installed
- Storage bag included

CARGO MAT

The Cargo Mat gives your interior cargo area a finished look while adding an important extra layer of protection.

- Thick, heavy-duty carpet backed with resilient rubber
- Continuous dyed 16-oz nylon provides excellent wear and colorfast characteristics

CARGO NET

The Cargo Net keeps your grocery bags upright and holds most loose items securely in place.

- Hammock-style design provides versatility and ease-of-use
- Flexible cord construction stretches to hold odd-shaped items

SUNSHADE

The custom-designed Sunshade helps reduce temperatures inside your vehicle when parked.

- Silver reflective surface has soft felt inner lining
- Foam core center provides optimal insulation
- Accordion design for easy use
- Storage bag included

As shown in the ILX.

SEAT COVERS-2ND-ROW

2nd-Row Seat Covers offer a bit of style, and a great deal of protection from food spills and other messes.

- Covers the entire 2nd-row and headrests
- Designed with access to the center armrest bolster and child anchor latch
- Durable wet-suit-like material is water-resistant and machine washable

Always follow the child seat Owner's Manual or the vehicle Owner's Manual when installing a child seat in the vehicle.

FIRST-AID KIT

Something no car should be without, the First-Aid Kit provides a first-aid manual and basic first-aid supplies to manage minor injuries.

- Custom-designed ballistic, zippered case for convenient storage
- Double-sided hook and loop strips for attachment to any surface

ENGINE BLOCK HEATER

If you live or travel in areas that experience freezing temperatures, you know how vital an Engine Block Heater can be. It'll start your MDX faster in freezing weather and greatly reduce wear and tear on your battery and engine.

- Solid brass-encased heating element is reliable and durable
- Faster engine warm-up time allows the heater and defroster to warm up faster, too
- Simple to use. Just plug the heater's cord into a normal household outlet

REMOTE ENGINE START SYSTEM III

It's all about comfort and convenience. With the Remote Engine Start System III, you can start your car from up to 328 ft away, before going outside in the cold or heat.

- Integrated two-way remote with LED indicators let you know your vehicle's status
- Integrates with your vehicle's security and immobilizer systems to ensure protection
- Activates the Auto Climate Control setting to warm or cool your interior, depending on the temperature outside
- Runtime of 10 minutes with the option to extend another 10 minutes
- Includes two transmitters

Caution: *Never start your Acura in an enclosed area, as this may cause carbon monoxide build-up. Not available for manual transmission vehicles.*
