

2016 BUICK

ENCLAVE

WHEN WILL YOUR EXPECTATIONS BE SHATTERED?

When you experience the 2016 Buick Enclave. With its sculpted lines flowing seamlessly from front to rear, it's clear that Enclave is no ordinary SUV. Signature LED-accented headlamps and taillamps hint at the powerful technology that awaits you within.

Vehicles shown may contain optional equipment.

WHEN YOU ENJOY A WARM WELCOME

Enter its spacious, richly appointed interior and let the Enclave's soft-touch materials, distinctive wood tones, chrome accents and ice-blue ambient lighting reward your senses. Enclave even offers you the warm touch of an available heated steering wheel. And both driver and front-passenger seats are available with heating and cooling functions.

CHOCCHACHINO LEATHER-APPOINTED SEATING

CHOCACHINO LEATHER-APPOINTED SEATING

WHEN ALL THREE ROWS ARE FIRST CLASS

The standard seven-passenger Enclave features three rows of premium seating. A pair of available leather-appointed captain's chairs in the second row is easy to access, with rear doors that open wide. The third row is easily accessible, thanks to a wide pass-through between the captain's chairs. The convenient Smart Slide feature makes moving the second-row seats gently forward simple, so passengers of all ages can maneuver easily into the third row.

WHEN 4G LTE WI-FI CONNECTS YOU

In the 2016 Enclave, OnStar¹ with 4G LTE and a built-in Wi-Fi[®] hotspot² turn your Enclave into a reliable mobile hub, with great signal quality and bandwidth. This available technology provides a fast way for your passengers to tap into available high-speed wireless Internet. They can connect up to seven mobile devices to browse websites, stream movies, send e-mails and more.

CONNECTIONS

OnStar with 4G LTE Connection³ With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command center that provides fast service delivery and lets you stay connected on the go.

Available Wi-Fi Hotspot² Now your car has its own Wi-Fi hotspot for connecting up to seven tablets, laptops or mobile devices at 4G LTE speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3GB trial period (whichever comes first).

Remote Services A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It's technology hard at work to get you back on the road.

Hands-Free Calling⁴ Your car has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

OnStar RemoteLink Mobile App⁵ You can remotely start your vehicle from virtually any distance, locate your vehicle on a map, lock or unlock your doors, send destinations to your car, honk your horn and flash your lights. With RemoteLink, you can control your car from anywhere you can get a signal.

OnStar Family Link⁶ Now you can have peace of mind when family members travel without you. You can view your car's location on a map, or receive e-mail or text alerts with your car's location at specific times. There's a small charge for this service.

AtYourService⁷ OnStar AtYourService is a new way to discover value in the places you go. You get special offers for better ways to eat, work, shop and play, delivered directly to your RemoteLink mobile app or through a simple press of the blue OnStar button. AtYourService makes where you go and what you do more rewarding.

¹Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. ²Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Visit onstar.com for details and system limitations. ³Visit onstar.com for vehicle availability, details and system limitations. Services and connectivity may vary by model and conditions. 4G LTE service available in select markets. Some services require data plan. ⁴OnStar Hands-Free Calling requires an existing OnStar service contract and available minutes. Not available in certain markets. Visit onstar.com for coverage map, details and system limitations. ⁵Available on select iOS, Android™, BlackBerry® and Windows® devices. Services vary by device, vehicle and conditions. Requires automatic locks and Tire Pressure Monitoring System. The OnStar Vehicle Locate Service can locate OnStar-equipped vehicles, not people. Currently available to U.S. subscribers only. Active OnStar service required. ⁶The OnStar Family Link service locates OnStar-equipped vehicles, not people. Available to active U.S. OnStar service plan subscribers only. Federal, state and local taxes and other service charges may apply. ⁷Third-party trademarks are the property of their respective third-party owners, used under agreement.

WHEN THE ROAD IS CALLING

Use your voice to control the Buick IntelliLink¹ interactive audio system or have the optional Navigation System² guide you to what you're looking for. Your compatible smartphone connects via Bluetooth^{®3} to Enclave's high-resolution, 6.5-inch diagonal LCD color touch-screen. You're doing all of this while keeping your hands on the wheel and eyes squarely on the road.

MUSIC ON DEMAND

With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to available audio apps⁴ on your phone such as Pandora[®] internet radio or Stitcher[™] SmartRadio.

SIRIUSXM

Enclave comes with a 3-month trial of SiriusXM Satellite Radio.⁵ You'll hear with digital clarity 175+ channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk and the hottest entertainment at your fingertips, 24/7.

STAY IN CONTACT

IntelliLink¹ automatically stores your phone contacts for quick access. Simply tell it which of your contacts you want to call, and it dials the number.

USB PORT

Enclave comes standard with three USB ports⁶ and offers an available 120-volt outlet to connect your other electronic devices. So your digital home life moves seamlessly with you on the road.

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. ²Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ³Go to my.buick.com/learn to find out which phones are compatible with the vehicle. ⁴Data plan rates apply. ⁵If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. ⁶Not compatible with all devices.

WHEN IT'S MUSIC TO YOUR EARS

With Bluetooth¹ and USB connectivity,² Enclave lets you use your smartphone to access your favorite available music apps³ like Pandora and play music you've downloaded and stored on your phone. You can hear it all through an available Bose® 10-speaker sound system. Engineered specifically for the Enclave cabin, music sounds full and detailed, speech sounds natural and the system even approaches live performance levels without distortion.

¹Go to my.buick.com/learn to find out which phones are compatible with the vehicle. ²Not compatible with all devices. ³Data plan rates apply.

WHEN POWER IS IN YOUR GRIP

Enclave's available All-Wheel Drive (AWD) constantly monitors traction at all four wheels. If it detects slip, power is delivered to the wheel(s) with the best grip. In low-traction situations—such as rain, sleet or snow—it can send up to 50 percent of engine torque to either front wheel and up to 85 percent to either rear wheel. On dry roads, performance and handling benefits such as enhanced acceleration and torque reach all four wheels.

ENCLAVE SHOWN IN WHITE FROST TINTCOAT

WHEN PROTECTION HAS YOU SURROUNDED

Enclave has its priorities in the right place: everywhere. In the center-mounted information screen, the standard Rear Vision Camera helps you see what's behind your Enclave, and available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. In the High-Intensity Discharge xenon headlamps, where an available articulating feature helps you see around corners. And on the opposite page, you can read about available safety features such as Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert. These safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

FORWARD COLLISION ALERT

When you're approaching a vehicle ahead of you too quickly, Forward Collision Alert lets you know with both an audio and visual warning. Consider it a high-tech way of reminding you to slow down and enjoy the ride.

FRONT CENTER AIR BAG

Among Enclave's seven standard air bags¹ is the industry's first front center air bag. It offers a new level of confidence to both you and your front passenger alike.

SIDE BLIND ZONE ALERT

Using radar technology to help you avoid a collision, Side Blind Zone Alert warns you when vehicles entering your blind zone are detected by sensors on either side of your Enclave. A warning icon appears in your outside rearview mirror.

LANE DEPARTURE WARNING

Lane Departure Warning provides both an audio and visual alert should your Enclave drift out of its lane without you first having activated your turn signal.

¹Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

WHEN YOU'RE FEELING SPONTANEOUS

Enclave offers the space and versatility to adapt to whatever's next. The standard power liftgate makes it easy to load Enclave's cargo area. Simply flip the third row down, lower the second row and you've created a cavernous 115.2 cubic feet of level storage capacity.¹

Need to carry more? Enclave offers a 4,500-lb towing² capacity with an optional trailering package that includes a heavy-duty cooling system and a 2" receiver hitch for mounting a bike rack or towing a trailer.

¹Cargo and load capacity limited by weight and distribution. ²Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

2016 ENCLAVE TUSCAN EDITION

Introducing the Enclave Tuscan Edition. While every Enclave is designed to make you feel special, the Enclave Tuscan Edition creates a sense of premium luxury that's as unique—and colorful—as the region it's named for. Available exclusively with premium paint choices White Frost Tricoat, Dark Chocolate Metallic or Ebony Twilight Metallic, the Enclave Tuscan Edition includes 20" chrome-clad wheels with bronze pockets, a waterfall grille clad in bronze and an available power moonroof with rear fixed skylight. So you'll always be under the Tuscan sun.

ENCLAVE TUSCAN EDITION SHOWN IN DARK CHOCOLATE METALLIC

WHEN CONVERSATION IS AN ART

AND QUIET IS A SCIENCE

Close the doors of Enclave behind you and enter a hushed sanctuary that helps keep the noisy world outside at bay. Buick engineered Enclave using QuietTuning, a technology that helps reduce, block and absorb noise and vibration in the cabin, so it's the ideal environment for good conversation. Prefer to enjoy music, instead? The available Bose 10-speaker sound system was tuned to the acoustics of the Enclave interior. You'll feel like you're seated in a concert hall.

WHEN DAYS ARE SEIZED

Enclave delivers a powerfully moving performance, thanks to a 3.6L V-6 engine with direct fuel injection, Variable Valve Timing, 288 hp and 270 lb-ft of torque. It's paired with a smooth-shifting electronic 6-speed automatic transmission designed to optimize power and efficiency.

Your power to tame rough roads comes from dual-flow dampers in the suspension system that create a smooth, quiet ride while preserving a precise handling feel. Enclave engages its advanced StabiliTrak technology to help reduce wheel spin and control traction.

WHEN ONSTAR IS ON YOUR SIDE

With the Basic Plan,¹ you'll enjoy the powerful connection that comes standard with your vehicle for 5 years at no additional cost to you. You'll have access to limited OnStar services,² which include select features of the OnStar RemoteLink mobile app³—to remote-start your car (if factory-installed), manage your available Wi-Fi hotspot,⁴ locate your vehicle on a map and lock/unlock your doors from your mobile device. Your car can even run its own diagnostic checks. And with OnStar with available 4G LTE, you have a high-speed Internet connection and your own built-in Wi-Fi hotspot.

EMERGENCY

Automatic Crash Response⁵ If you're in a crash, built-in sensors can automatically alert an OnStar Advisor. An Advisor is immediately connected into your vehicle to see if you need help, even if you can't ask for it.

Emergency Services One push of the red emergency button gives you a priority connection to an OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

Crisis Assist In severe weather conditions or a crisis, Advisors can provide a fast, knowledgeable resource if you need emergency assistance, evacuation routes and other resources. OnStar can also contact family members for you.

Roadside Assistance⁶ If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

SECURITY

Stolen Vehicle Assistance⁷ If your car is stolen, once it's been reported, OnStar can use GPS technology to locate it and work with local police to help recover it. One simple call puts a team into action, giving you the power and confidence to help recover your vehicle quickly and safely. And with new Theft Alarm Notification, if your car alarm sounds, we can notify you.

NAVIGATION

Turn-by-Turn Navigation⁸ Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your car, and a voice calls out every turn. An Advisor can also help you with a database of over 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the RemoteLink mobile app.

DIAGNOSTICS

Advanced Diagnostics⁹ Feel confident and safe knowing you have a self-diagnosing vehicle with Advanced Diagnostics. Now your vehicle can easily run a check on its key systems and send you Diagnostic Alerts in real time. And the new Proactive Alerts feature can predict and alert you to potential issues before they become a problem. You'll also receive scheduled maintenance alerts. With Advanced Diagnostics, you'll know more and worry less.

¹The OnStar Basic Plan is available for 5 years from the date of delivery of eligible 2015 model year and newer vehicles and is transferable, including Advanced Diagnostics, Dealer Maintenance Notifications and access to limited RemoteLink mobile app features. The OnStar Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan. Visit onstar.com for vehicle availability, coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. ²Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. ³Available on select iOS, Android™, BlackBerry® and Windows® devices. Services vary by device, vehicle and conditions. Requires automatic locks and Tire Pressure Monitoring System. The OnStar Vehicle Locate Service can locate OnStar-equipped vehicles, not people. Currently available to U.S. subscribers only. Active OnStar service required. ⁴Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Visit onstar.com for details and system limitations. ⁵Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁶Roadside service provided by Allstate Roadside Services. Visit onstar.com for details and system limitations. Services vary by model and conditions. ⁷Services vary by model and conditions. Visit onstar.com for vehicle availability, details and system limitations. Theft Alarm Notification features vary by make and model. Requires factory-installed theft deterrent system, Security or Guidance Plan and selection of notification communication preference(s). Vehicles must be locked electronically to arm the factory-installed theft-deterrent system. Messaging and data rates apply. ⁸Requires ABS and Guidance Plan. Visit onstar.com for coverage map. Services vary by model. Ability to send a destination to a vehicle's navigation screen through a smartphone or an OnStar Advisor is only available on 2016 model year and newer vehicles. ⁹Capabilities vary by model. Visit onstar.com for details and system limitations. Message and data rates may apply. Requires an active OnStar service, e-mail address on file and enrollment in Advanced Diagnostics. Proactive Alerts are designed to predict specific types of issues based on information collected from the vehicle. Other factors may affect vehicle performance. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Proactive Alerts.

WHEN YOU MAKE ENCLAVE YOURS

Order your Enclave with Buick Accessories designed and crafted to meet Buick's high standards—and yours. Be sure to consider the Roof Rack Cross Rail Package. The cross rails—available in Black or Bright Anodized Aluminum, each with chrome end caps—are an essential component for many of the accessories featured below. Visit buickaccessories.com for more Buick Accessories information.

ACCESSORIES:

CARGO CARRIERS

A stylish well-equipped cargo box with premium features such as dual side openings and Quick-Grip mounting, the Ascent is available in two sizes to carry all your gear in style. Requires crossbars or Thule® Rack Solution. Non-GM warranty. Warranty by Thule. A hitch-mounted cargo box accessory is also available.

BICYCLE CARRIERS

This is the upright bike carrier that sets the standard for bike-carrying flexibility and ease of use. It accommodates bike frames up to 3 1/8 inches in diameter. Requires roof rack cross rails. Non-GM warranty. Warranty by Thule. A hitch-mounted bicycle carrier accessory is also available.

KAYAK CARRIER

Transport your kayak on the roof of your vehicle by attaching a Folding J Kayak Carrier or Kayak Saddles. These carriers provide maximum stability and protection during transportation. Requires roof rack cross rails. Non-GM warranty. Warranty by Thule.

SKI CARRIERS

The Universal Flat Top™ Ski/Snowboard Carrier by Thule is fully locking and installs quickly and easily on roof rack cross rails. It carries up to six pairs of skis or four snowboards. Non-GM warranty. Warranty by Thule. A hitch-mounted ski carrier accessory is also available.

IMPORTANT WORDS

Since some information may have been updated since the time of printing (July 2015), please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

NEW-VEHICLE LIMITED WARRANTY This warranty is for GM vehicles registered in the USA. See your Buick dealer for terms and conditions.

4 years/50,000 miles (whichever comes first): Bumper-to-Bumper Limited Warranty. The entire vehicle is warranted for repairs, including parts and labor, to correct defects in materials or workmanship. The warranty covers towing to the nearest Buick dealership, and there is no deductible for warranty repairs during the warranty period. The warranty transfers automatically with vehicle ownership during the warranty period.

6 years/70,000 miles (whichever comes first): Transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation.

6 years/100,000 miles (whichever comes first): Body and sheet metal components are warranted against rust-through corrosion.

EXPERIENCE BUICK PROTECTION Every 2016 Buick model includes a maintenance program that covers the first two visits of oil and filter changes, tire rotations and 27-point inspections for up to 2 years or 24,000 miles, whichever comes first (does not include air filters). The program is fully transferable to subsequent owners. See participating dealer for other restrictions and complete details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

ASSEMBLY Buick vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Buick products may also be used in other GM makes and models.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to buick.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

TAKE OWNERSHIP TO THE NEXT LEVEL Create an Owner Center account to gain unrestricted access to everything you need to get the most out of your new vehicle. Receive alerts and service offers, schedule service, view vehicle-specific how-to videos and check service records. All online, anytime. Go to my.buick.com to take a tour or register your Buick today.
