

CRUZE LIMITED 2016

CHEVROLET

Cruze Limited LTZ in Blue Ray Metallic
with available features.

SIZED TO FIT YOUR LIFE.

When it comes to tackling the demands of everyday life, the 2016 Cruze Limited delivers. Ingenious technology, remarkable fuel efficiency,¹ surprising space and available advanced safety features make this one highly accomplished multi-tasker.

From Cruze Eco to LTZ, you've got options that provide responsive handling and quiet refinement.

With everything this smartly designed sedan has to offer, Cruze is way beyond the everyday drive.

FIND NEW ROADS™

¹ EPA-estimated MPG city/highway: Cruze LS with 1.8L 4-cylinder engine and manual transmission 25/36; Cruze LS with 1.8L 4-cylinder engine and automatic transmission 22/35; Cruze with 1.4L 4-cylinder engine 26/38; Cruze Eco with 1.4L 4-cylinder engine and manual transmission 28/42; Cruze Eco with 1.4L 4-cylinder engine and automatic transmission 26/39.

EXTERIOR DESIGN

Cruze Limited LTZ in Blue Ray Metallic
with available features.

IN THE 2016 CRUZE LIMITED, SLEEK STYLE GOES ALONG FOR THE RIDE.

- 1. The bold dual-tier grille sparkles with available chrome highlights.*
- 2. Available LED daytime running lamps are illuminatingly beautiful.*
- 3. The available RS Appearance Package on LT and LTZ includes unique front and rear fascias and rocker moldings.*

INTERIOR DESIGN

**THERE'S A LOT
TO GET INTO.**

Cruze Limited LTZ interior in Cocoa/
Light Neutral with leather-appointed
seats and available features.

IT'S BIG INSIDE. It's called a compact, but you'd never know it. Cruze offers more passenger room than Ford Focus Sedan and Honda Civic EX. It also surpasses them with more cargo space.

BONUS ROOM. Your rear-seat passengers will appreciate the extra-spacious

accommodations. The available folding rear-seat armrest is another unexpected luxury in Cruze LTZ.

A SPLIT PERSONALITY. Thanks to the standard 60/40 split-folding rear seats, you'll have the additional cargo space for transporting larger – or even longer – items, whenever you need.

UNEXPECTED EXTRAS. Cruze has it all: a comfortable ride, a hushed interior, and the upscale appointments of a larger and more expensive sedan – without the expensive price tag.

IT'S ALL IN THE DETAILS. Soft touch interiors, rich colors and available heated leather-appointed front seats – they're

the thoughtful features and attention to detail that give Cruze an exceptional feel.

PIONEER PREMIUM SOUND. The 9-speaker, 250-watt Pioneer® premium sound system with high-frequency tweeters is available on most Cruze models.

Cruze Limited LTZ in Blue Ray Metallic
with available features.

EVERYTHING YOU COULD WANT. AND THEN SOME.

1. With smartly designed cargo space and 60/40 split-folding rear seats, the remarkably accommodating Cruze is designed to fit your needs.
2. The OnStar RemoteLink® mobile app¹ lets you start your car from your smartphone (requires available factory-installed and enabled remote vehicle starter system).
3. Get comfortable. Cruze has more passenger room than Ford Focus Sedan or Honda Civic EX.

¹ Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations.

TECHNOLOGY

THE INSIDE STORY: CRUZE TECHNOLOGY.

1. Access your favorite music and media with available Chevrolet MyLink¹ and a 7-inch diagonal color touch-screen.
2. Available Chevrolet MyLink¹ Radio with Navigation lets you choose map view or activate turn-by-turn directions using voice and touch controls.
3. Connect your smartphone to the USB port² to charge it or listen to your playlists.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ² Not compatible with all devices. ³ Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ⁴ Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later.

TOTALLY CONNECTED. Available Chevrolet MyLink¹ with Bluetooth[®] audio streaming³ makes it easy to connect to calls, music and contacts. Siri Eyes Free⁴ allows compatible iPhone[®] users limited hands-free interaction for times when you want to read or compose a text message, make phone calls or play your favorite music.

A photograph of two women standing next to a white car. The woman on the left, with curly hair, is holding a tablet and showing it to the woman on the right, who has straight hair. They are both smiling. The woman on the left is wearing a colorful patterned shirt and green pants. The woman on the right is wearing a light blue button-down shirt and white shorts. The car is a white SUV, and its side mirror and window are visible. The background is a blurred outdoor setting.

**AVAILABLE HIGH-SPEED INTERNET
ACCESS ON THE ROAD.**

AVAILABLE INTERNET IN YOUR CRUZE.

Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi® to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet.¹

THE ULTIMATE BUILT-IN WI-FI HOTSPOT.

After initial setup, whenever your Cruze is on, available 4G LTE Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices¹

FAST, EASY, RELIABLE. OnStar with 4G LTE provides a better in-vehicle experience than you'll get with your smartphone. Our stronger signal means you have a reliable connection¹

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.

PERFORMANCE

Cruze Limited LTZ in Blue Ray Metallic
with available features.

**GO TURBO OR ECO.
EITHER WAY, YOU HAVE THE POWER.**

¹ EPA estimated for Cruze Eco with 6-speed manual transmission with Eco overdrive gearset. ² EPA-estimated MPG city/highway: Cruze Eco with 1.4L 4-cylinder and automatic transmission 26/39; Cruze Eco with 1.4L 4-cylinder and manual transmission 28/42.

EFFICIENCY MAXIMIZED. Mileage rules, but you don't have to sacrifice power to save a buck. Cruze LT and LTZ with an available 6-speed automatic transmission offer up to an EPA-estimated 38 MPG highway. Cruze Eco can take efficiency even further by offering up to 42 MPG highway.¹

138-HP ECOTEC TURBO. The available ECOTEC® 1.4L turbocharged engine delivers a gutsy 148 lb.-ft. of torque. The turbo increases engine power, allowing for a robust, immediate driving experience. Engine features include dual overhead camshafts and Continuously Variable Valve Timing.

DRIVER SHIFT CONTROL. With the available 6-speed automatic transmission, Driver Shift Control lets you switch from automatic to manual operation. Just move the gearshift into Driver Shift Control mode and a quick tap is all that's required for smooth, crisp shifts.

MORE WAYS TO POUNCE. With rack-mounted Electric Power Steering, an available race-proven Z-link rear suspension and the fuel-maximizing choice of Eco², the 2016 Cruze Limited has the poise and confidence of a carefully tuned sport sedan.

IN CRUZE ECO, LITTLE THINGS ADD UP TO BIG MPG.

INGENIOUS DESIGN. The advanced technology of Cruze Eco contributes to outstanding fuel efficiency.¹ By incorporating smooth underbody panels, a rear spoiler and a lower front grille air shutter that closes at high speeds, air resistance decreases so there's nothing standing between you and your destination.

ENHANCED EFFICIENCY. We've also chosen lightweight wheels and ultra-low rolling resistance tires. These innovative features help Cruze Eco offer 42 MPG highway,² better than Honda Civic and Hyundai Elantra.³

¹ EPA-estimated MPG city/highway: Cruze Eco with 1.4L 4-cylinder and automatic transmission 26/39; Cruze Eco with 1.4L 4-cylinder and manual transmission 28/42. ² EPA estimated for Cruze Eco with 6-speed manual transmission with Eco overdrive gearset. ³ EPA-estimated MPG highway: 2015 Honda Civic HF 41 and 2016 Hyundai Elantra 38.

Cruze Limited Eco in Silver Ice Metallic
with available features.

SAFETY

SAFETY THAT SENSES AND SHIELDS.

**AVAILABLE
REAR VISION
CAMERA**
Displays a view
of the area
immediately
behind you.

**AVAILABLE SIDE BLIND ZONE ALERT
AND REAR CROSS TRAFFIC ALERT**
Use radar sensors to identify vehicles in
your side mirror blind zones and to signal
you of crossing traffic behind your Cruze
when backing up.

HIGH-STRENGTH STEEL SAFETY CAGE
Increases overall vehicle strength and integrity.

10 AIR BAGS¹ That's more than
Toyota Corolla, Ford Focus and
Hyundai Elantra.

AUTOMATIC CRASH RESPONSE²
Built-in sensors can automatically
alert an OnStar Advisor.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

HIGH-TECH PROTECTION. A high-strength steel cage helps maintain occupant space. Our safety system includes 10 standard air bags¹, along with driver and front passenger knee air bags. Rear seat-mounted thorax air bags also come standard.

ONSTAR. Standard for six months with the Guidance Plan, OnStar[®] services include Automatic Crash Response². In a crash, built-in sensors can alert a specially trained OnStar Advisor, who can be connected into your vehicle. Even if you can't respond, OnStar can send whatever help you need, based on GPS coordinates and crash data.

SIDE BLIND ZONE ALERT. With available Rear Cross Traffic Alert, this feature uses radar sensors to help alert you to other vehicles in adjacent lanes or when backing up.

AVAILABLE REAR VISION CAMERA. This system displays a view of the area immediately behind you on the 7-inch diagonal color touch-screen. Audible alerts, as well as visual alerts, are triggered if approaching vehicles are detected.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Cruze Owner's Manual for more important safety information.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

SPECIAL FEATURES

MAKE YOUR CRUZE EXTRAORDINARY.

Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Compact Car segment and latest available competitive information. Excludes other GM vehicles.

SPARE TIRE INFORMATION There is no standard jack or spare tire in the 2016 Chevrolet Cruze Limited Eco with 6-speed manual transmission. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.
