Perfect your adventures.

Capably outgoing. Technologically advanced. Beautifully refined. The new 2016 Explorer is outfitted to elevate your getaways. It’s more aerodynamic, more luxurious and even easier to park than its predecessor. Go further. In Ford Explorer – over 25 years, more than 7 million adventures and counting!
Get going. Your choice of 3 ways.

Go with the 3.5L Ti-VCT V6 for 290 hp – unsurpassed in its class¹ among standard V6 engines. Go with the 2.3L EcoBoost®² for an EPA-estimated rating of 28 hwy mpg, which even the hybrid competition in its class can’t beat.³ Or go for the spirited 365-hp³ 3.5L EcoBoost, standard on Sport and the all-new Platinum.

Tow up to 5,000 lbs.⁴ when you equip Explorer with the Class III Trailer Tow Package (standard on Sport and Platinum) and either its 3.5L Ti-VCT or 3.5L EcoBoost engine. You can also pair the new Class II Trailer Tow Package with the 2.3L EcoBoost for up to 3,000 lbs.⁵ of towing capability.

To help you maintain control of both the vehicle and your trailer, standard trailer sway control automatically reduces engine speed and selectively applies the brakes if trailer sway is detected.⁶

You can shift gears for yourself with the sport-inspired paddle shifters on the standard 6-speed SelectShift® automatic transmission. Or leave it to Explorer.

Substantially more powerful than the engine it replaces, the turbocharged, direct-injection 2.3L EcoBoost gives Explorer 280 hp⁴ and 310 lb.-ft. of torque.⁴ Just the get-up-and-go you need to get going on those adventures.

¹Class is Large Utilities. ²Available feature. ³EPA-estimated rating: 19 city/28 hwy/22 combined mpg. 2.3L EcoBoost, FWD. Actual mileage will vary. ⁴Tested with 93-octane fuel. ⁵When properly equipped. ⁶Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Go for top-of-the-line performance.

Explorer Sport and the all-new Platinum are powered exclusively by the twin-turbocharged, direct-injection 3.5L EcoBoost® engine. Producing 365 hp\(^1\) and 350 lb.-ft. of torque\(^1\) – best-in-class among V6 engines – the 3.5L EcoBoost is the most exhilarating way to go.

The powerful stance of Explorer Sport is accentuated by its 20" machined aluminum wheels with painted pockets, a unique blackout treatment on its headlamps and taillamps, “EXPLORER” lettering across its hood, and high-gloss black-painted exterior accents on its grille, door handles, liftgate appliqué, front and rear skid plate elements and more.

The signature Sport look carries indoors to a uniquely styled Ebony Black leather-trimmed interior with red accent stitching, satin chrome with Carbon Sport accents, and “SPORT” badging on the floor mats.

Riding on a responsive, fully independent sport-tuned suspension, Sport also features a rugged front strut tower support and wide wheels. For excellent driving dynamics, both Sport and Platinum include the Intelligent 4WD with Terrain Management System™. It’ll have you itching to flex those 3.5L EcoBoost muscles.

\(^1\)Tested with 93-octane fuel.
Dial up your capability.

Ready to go? Just choose a direction. As your adventures change, simply turn the dial to match. The Intelligent 4WD with Terrain Management System™ helps Explorer give you the seamless shift-on-the-fly confidence to keep right on going.

**Snow, Gravel, Grass** optimizes traction and control on a wide array of slippery surfaces.

**Sand** allows aggressive wheelspin to help you stay on top.

**Mud, Rut** lets the tires spin a bit if needed to help keep you on the go.

**Normal** is ideal for everyday driving on wet or dry paved roads.

**Hill Descent Control™** (center button) regulates your speed on steep declines, so you can concentrate on maneuvering.
Kick to open and close.

Loading cargo into Explorer has never been easier than with its hands-free foot-activated liftgate! Just kick your foot under the rear bumper with your Intelligent Access® key fob tucked in a pocket or purse. The liftgate detects the motion of your leg and the proximity of the fob, then opens or closes on its own. You can even program its fully opened height to the position that works best for you.

**Switching between cargo and people** is easy thanks to the versatility of the standard 2nd-row 60/40 split seat and 3rd-row 50/50 split seat.

**A class-exclusive PowerFold® 3rd-row seat** is standard on Limited this year, as well as on Sport and Platinum. You can also enjoy power-assist fold1 with the 2nd-row bucket seats1 on Limited, Sport and Platinum.

**Pack up to 81.7 cu. ft. of gear** in back when you fold the 2nd- and 3rd-row seats flat. Or stow up to 21.0 cu. ft.2 of cargo behind the 3rd row when all seats are occupied. Explorer easily adjusts as your adventures evolve.

---

1Available feature. 2Including rear seat well.
Transport up to 7 in all-new Platinum luxury.

From the premium Nirvana leather trim featured throughout the cabin to its industry-exclusive 500-watt Audio System from Sony® with Clear Phase™ and Live Acoustics™ technology, the all-new Explorer Platinum is designed to elevate the SUV experience well beyond your expectations.

Massage your lumbar region and upper leg area, and change your seat contour with the power 1st-row multicontour seats with class-exclusive Active Motion.® Exquisite details such as the real Brown Ash Swirl wood and aluminum accents, and precisely quilted stitching are unique to Platinum.

Recall your memory settings for the 10-way power driver’s seat, power-adjustable pedals, and power-folding sideview mirrors, with the touch of a button.

Charge your phones and tablets nearly 2 times faster than previous ports by using the smart-charging USB ports, new to Explorer this year.

With the most 2nd-row head room and 3rd-row leg room in its class, Explorer keeps guests happy. Riders in the 2nd row can also enjoy bucket seats with a pass-through to the 3rd row, or with a 2nd-row center console. It’s your call.
Command it with your voice.

Voice-activated SYNC<sup>1</sup> technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.

- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.

- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth<sup>®</sup> audio” to stream content from your phone.

- **SYNC AppLink<sup>TM</sup>** lets you control some of your favorite compatible mobile apps with your voice.

- **911 Assist<sup>®</sup>** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can’t.

**Upgrade to SYNC with MyFord Touch<sup>®</sup>**

- **An LCD screen** lets you easily read and control the things you want.

- **Voice-activated navigation**<sup>®</sup> features voice-recognition technology that lets you say commands as conversational as “find a restaurant.” The system then helps guide you to your destination with audible turn-by-turn directions.

- **Voice control climate** lets you use your voice to adjust the climate, so you can stay comfortable without having to lift a finger.

---

*Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. *Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. *The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. *Available feature.
Connect with your world.

SiriusXM® Satellite Radio welcomes you to the World of SiriusXM! Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You'll hear every channel available, plus you can listen online and on the SiriusXM app.¹

Navigation² with SiriusXM Traffic and Travel Link® includes a 5-year complimentary SiriusXM Traffic and Travel Link¹ trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you'll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

¹SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com. ²Available feature.
Maneuver it easier than before.

Perpendicular. Parallel. Backing in. Heading out. The new Explorer offers advanced technologies\(^1\) to ease you through all sorts of challenging situations. Class-exclusive, enhanced active park assist\(^1\) uses side parking sensors to help you find a spot and steers into place, while you control the gear shifter, and the brake and accelerator pedals. It can steer out of tight parallel spots too. And alert you to obstacles near the sides of the vehicle as you go.

Get a heads-up from adaptive cruise control and collision warning with brake support\(^1\). This system helps maintain your choice of 4 preset gaps from the vehicle in front of you. It can also alert you to a potential collision and help by pre-charging the brake system if one is detected. Our Lane-Keeping System\(^1\) can detect lane markings and send vibration pulses to the steering wheel, and apply steering torque if needed, prompting you to steer toward center.\(^3\)

Stay alert to traffic detected in blind spots thanks to BLIS\(^2\) (Blind Spot Information System) with cross-traffic alert\(^1\). It helps warn you using LED lights embedded in the sideview mirrors.\(^2\)

See around corners with the class-exclusive new front 180° camera with washer.\(^1\) It can see 60° to the left and right, displaying a view around corners, down alleys and out of parking spots while you drive slowly forward.

\(^1\)Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
\(^2\)BLIS replaces standard integrated blind spot mirrors. Lane-Keeping System does not control steering.
Venture out with confidence.

In addition to its standard full-color rear view camera with washer and 7 standard airbags, you can now equip Explorer with class-exclusive inflatable rear safety belts\(^1\) in its 2nd-row outboard seating positions.

**Parents of teens** can encourage smart driving habits with our class-exclusive MyKey\(^\circledast\), which lets you block their calls and text messages while they’re driving.

**If it senses you’re taking a curve too quickly**, Curve Control helps reduce the vehicle’s speed by up to 10 mph in approximately 1 second\(^2\). It’s standard as part of AdvanceTrac\(^\circledR\) with RSC\(^\circledR\) (Roll Stability Control\(^\circledR\)).

**For a comprehensive list** of Safety & Security features on every Explorer, please turn the page.

---

\(^1\)Available feature. \(^2\)Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

- Passenger volume: 151.6
- Cargo volume behind 1st row: 81.7
- Cargo volume behind 2nd row: 43.9
- Cargo volume behind 3rd row: 21.0
- Fuel tank (gal.): 18.6
- Max. towing (lbs.): 5,000

**Standard Features**

**Mechanical**

- 4-wheel disc Anti-Lock Brake System (ABS)
- 6-speed SelectShift automatic transmission with paddle shifters
- 18.6-gallon fuel tank
- Compact spare
- Cruise control
- Easy Fuel® capless fuel filler
- Electric power-assisted steering
- Hill start assist
- Independent front and rear suspensions
- Trailer sway control

**Seating**

- 1st-row bucket seats
- 2nd-row 60/40 split fold-flat seat with fore/aft adjustable 40 section
- 3rd-row 50/50 split fold-flat seat
- 4-way driver and front-passenger head restraints

**Exterior**

- Automatic headlamps
- Daytime running lamps (on/off controllable)
- Dual bright exhaust tips
- LED headlamps with halogen reflector high beams
- LED taillamps
- Power sideview mirrors with integrated blind spot mirrors
- Privacy glass (rear doors, rear quarter windows and liftgate window)
- Rear spoiler
- Roof-mounted antenna
- Windshield wipers – Front: speed-sensitive, variable-intermittent with washer; rear: 2-speed with washer

**Safety & Security**

- Personal Safety System® for driver and front passenger includes dual-stage front airbags; safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control
- Belt-Minder®
- Battery saver with headlamps-off delay
- Child-safety rear door locks
- Front height-adjustable shoulder safety belts
- Front-passenger knee airbag
- Front-seat side airbags
- Illuminated Entry System
- Individual Tire Pressure Monitoring System (excludes spare)
- LATCH – Lower Anchors and Tether Anchors for Children (2nd-row outboard and 3rd-row passenger-side seating positions)
- MyKey®
- Rear view camera with 180° view and washer
- Safety Canopy® System with side-curtain airbags and rollover sensor
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™ unlocks doors, flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions

**Dimensions may vary by trim level.**

1. Actual mileage will vary. 
2. Tested with 93-octane fuel. 
3. Including rear seat well. 
4. Maximum weight shown is for properly equipped vehicle with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. 
5. Always wear your safety belt and secure children in the rear seat. 
6. SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

1Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at FordCredit.com. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP—the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Large Utilities), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
