

Full Line

2016 Pilot EX-L shown with Beige Leather.

Honda LANEWATCH™ (EX, EX-L, TOURING)

9-SPEED AUTOMATIC TRANSMISSION (TOURING, ELITE*)

PILOT

pilot.honda.com

2016 Pilot Elite shown in Crystal Black Pearl.

Everyone's invited.

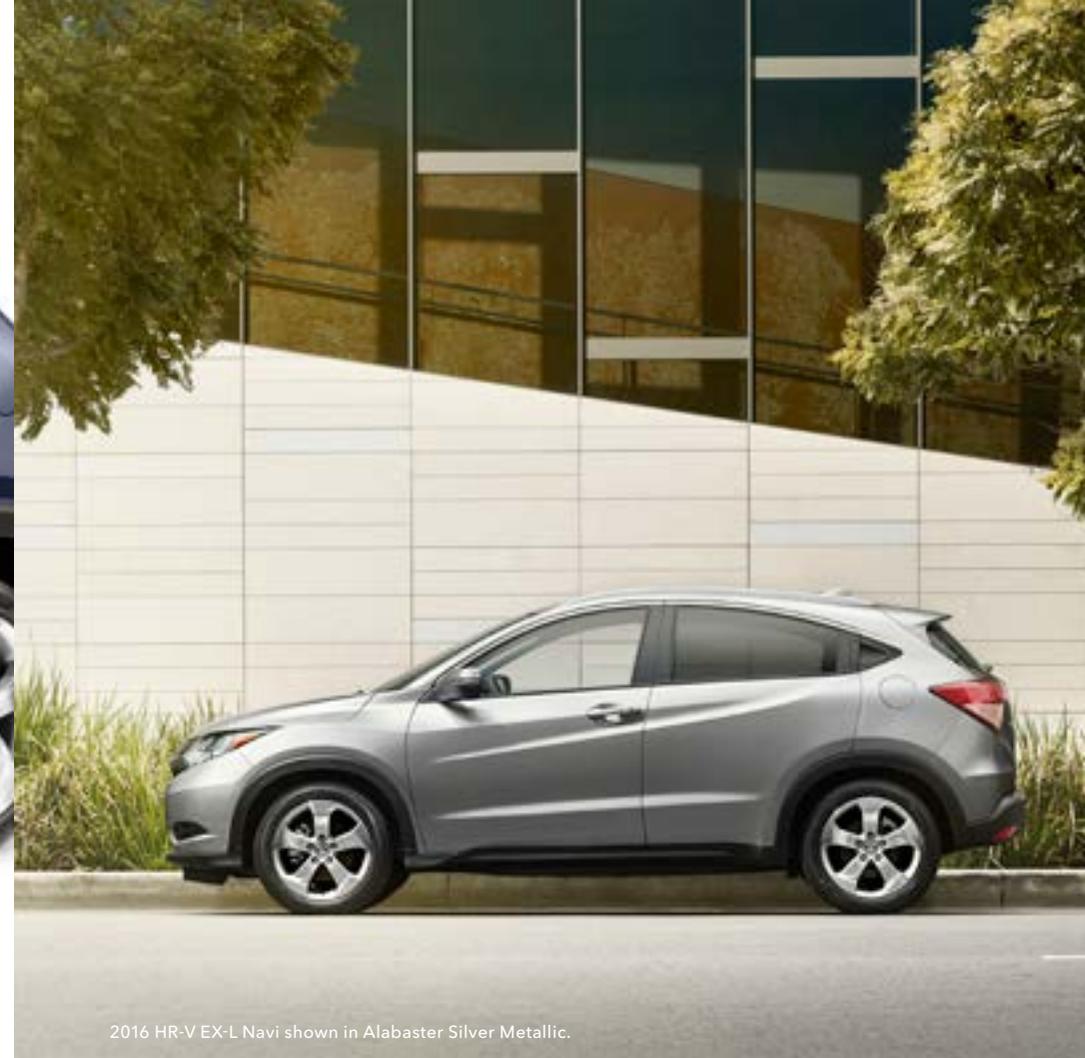

With ample seating and a powerful V-6 engine, the all-new Pilot is perfect for families and friends. Its stylish redesign and high-tech features will make them feel like traveling royalty. And the smooth handling of its available Intelligent Variable Torque Management™ (i-VTM4™) AWD system means fun for the driver, too.

HR-V

hrv.honda.com

2016 HR-V EX-L Navi shown in Deep Ocean Pearl.

2016 HR-V EX-L Navi shown in Alabaster Silver Metallic.

MULTI-ANGLE REARVIEW CAMERA³

ELECTRIC PARKING BRAKE

Wish list complete.

Efficient yet spacious. Attractive yet functional. Your dream of a midsize car with major perks comes to life in the all-new HR-V Crossover. It can transport a surfboard or ladder up to eight feet long or objects almost four feet high,² perfect for a surfing or camping trip. And with an impressive 35-mpg highway rating,* you'll always make a clean getaway.

*28 city/35 highway/31 combined mpg rating for 2WD CVT models. Based on 2016 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.

CR-V

crv.honda.com

2016 CR-V Touring shown in Urban Titanium Metallic.

Conquer the wild.

How do you tame an unbridled SUV? Under the hood, the CR-V still packs muscular horsepower and torque. But it also comes with plenty of modern conveniences, like a multi-angle rearview camera³ and available features like power tailgate and Collision Mitigation Braking System.^{TM4} It's the vehicle that makes adventure a luxury sport.

ODYSSEY

odyssey.honda.com

2016 Odyssey Touring Elite[®] shown in White Diamond Pearl.

Family style.

With a spacious interior that seats up to eight, the Odyssey can easily fit your kids' teammates, castmates or bandmates. Traveling families will love its economical 248-hp* V-6 engine. And movie lovers can enjoy the 16.2-inch Ultrawide Rear Entertainment System (Touring Elite). There are many different kinds of families, and this is one fun and comfortable way to take them places.

2016 Civic Touring Sedan shown in Rallye Red.

DRIVER INFORMATION INTERFACE (EX and above)

LED HEADLIGHTS (TOURING)

CIVIC SEDAN

civicsedan.honda.com

2016 Civic Touring Sedan shown in Cosmic Blue Metallic.

Style upgrade.

When you drive the all-new Civic Sedan, you might start to feel all-new yourself. The car America loves has a sporty new look, from its stunning sheet metal to its futuristic taillights. Plus, there are tons of new available features, like LED headlights, remote engine start and a Driver Information Interface, which displays notifications behind your steering wheel.

ACCORD SEDAN

accordsedan.honda.com

2016 Accord Touring Sedan shown in Lunar Silver Metallic.

An icon. Reimagined.

Classic. Authentic. More beautiful than ever. With a muscular grille and stylish taillights, the Accord Sedan features its boldest look yet. You'll love its spacious, updated cabin. Add features like dual-zone automatic climate control and a multi-angle rearview camera,³ and you have an industry leader that's also a thoroughly modern machine.

ACCORD COUPE

accordcoupe.honda.com

2016 Accord EX-L V-6 Coupe shown in Modern Steel Metallic.

Thrill ride.

The newly restyled Accord Coupe has an athletic body and clean lines, and its handling is as good as its look. With available features like a 278-hp* V-6 engine and paddle shifters, it's everything you'd expect from a company with racing in its DNA.

*SAE net.

FIT

fit.honda.com

2016 Fit EX-L shown in Mystic Yellow Pearl.

Everyday extraordinary.

Do your eyes deceive you? Or does this sub-compact Honda Fit include a class-leading 52.7 cu ft of maximum cargo space?² Its 2nd-row Magic Seat[®] folds down to accommodate large items.² It's small enough to be agile, yet roomy enough for all kinds of things. Plus, it has cool features like a multi-angle rearview camera³ and *Bluetooth*^{®5} connectivity. There's no trick. It's just Magic.

CR-Z

crz.honda.com

2016 CR-Z EX-L shown in Polished Metal Metallic.

Modern marvel.

The body of a sports car. The mind of a high-tech machine. The redesigned CR-Z has a 3-mode driving system that balances performance and efficiency. With the 7-inch Display Audio, you'll have full command of the interior. And with impressive horsepower and torque, you'll rule the road.

CIVIC COUPE

civiccoupe.honda.com

2015 Civic EX-L Coupe shown in Rallye Red.

Fan favorite.

You'll see why people love the Civic Coupe when you're powering through a winding stretch of road on 17-inch alloy wheels (EX-L). Its cutting-edge style is matched on the inside by the latest tech, including HondaLink^{®6} Next Generation (EX, EX-L), which can help you access news, music, social media, restaurant searches and more.

CIVIC Si SEDAN/COUPE

civicsi.honda.com

2015 Civic Si Coupe shown in Modern Steel Metallic.

Street chic.

If you love to drive, then you probably know the Civic Si. It's a high-performance legend that reflects our distinguished racing heritage. Features like a limited-slip differential and 18-inch wheels and tires help make the most of its 205 horsepower.* Jump into its race-inspired, black-and-red two-tone seats and hang on tight.

2016 CR-V Touring shown in Modern Steel Metallic.

Honda Sensing™ has your back.

And your front and sides, too. Available safety and driver-assistive features help you stay aware of your surroundings. They can even help you avoid or mitigate a collision. It's just another way Honda technology supports drivers, and the people they love.

COLLISION MITIGATION BRAKING SYSTEM⁴

LANE DEPARTURE WARNING⁸

ADAPTIVE CRUISE CONTROL⁷

ROAD DEPARTURE MITIGATION SYSTEM⁹

COLLISION MITIGATION BRAKING SYSTEM (CMBS)⁴

CMBS can sense the proximity of the vehicle in front of your Honda. If a collision is imminent, it sounds an alarm and automatically applies brake pressure to help you stop.

ADAPTIVE CRUISE CONTROL (ACC)⁷

With ACC, you can set a desired speed and following interval. When a detected vehicle ahead of you changes speed, ACC adapts to help maintain the set interval.

LANE DEPARTURE WARNING (LDW)⁸

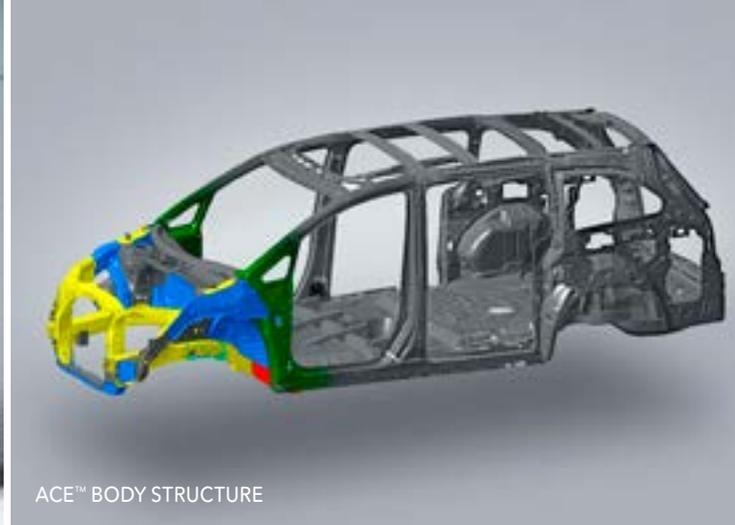

A small camera searches for lane markings on the road. If it detects the driver making an unindicated lane departure, visual and audible alerts will signify the departure.

ROAD DEPARTURE MITIGATION SYSTEM (RDM)⁹

This technology can sense if your vehicle is leaving a detected roadway and alerts you with rapid vibrations on the steering wheel. It can also apply steering torque and braking to help keep you in your lane.

REARVIEW CAMERA³

ACE™ BODY STRUCTURE

DAYTIME RUNNING LIGHTS

VEHICLE STABILITY ASSIST™

Safety first. Safety second.

Honda goes beyond legal safety requirements to develop cutting-edge safety technology for drivers and passengers. Each Honda vehicle comes with features that reflect our painstaking research in this vital area.

REARVIEW CAMERA³

All models feature a rearview camera to assist you when backing up. Select models offer a multi-angle version.

DAYTIME RUNNING LIGHTS

These front-situated lights enhance your vehicle's visibility to other drivers and add a stylistic touch to its appearance.

ACE BODY STRUCTURE

By distributing frontal impact energy more evenly throughout the vehicle, the Advanced Compatibility Engineering™ body structure helps protect passengers.

VEHICLE STABILITY ASSIST WITH TRACTION CONTROL

VSA® helps you stay on course in the event of an understeer or oversteer condition by braking individual wheels and/or reducing engine power to help restore your intended course.*

*VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

All Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by a 3-year/36,000-mile limited warranty.¹⁰ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,¹⁰ too. The Battery-Pack Limited Warranty¹¹ is 8 years/100,000 miles (ULEV rating) (non-CARB states). For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

automobiles.honda.com

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care[®] is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Honda Roadside Assistance

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term, starting with 2015 vehicles. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.^{®12}

Join the millions of other Honda fans and connect with us socially.¹³

¹Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ²Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Follow applicable load limits and loading guidelines. ³Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. ⁴Depending on the circumstances, CMBS may not go through all the alert stages before initiating the last stage (of collision mitigation). CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by high interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁵The Bluetooth[®] word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. ⁶Depending on use, HondaLink[™] can transmit to Honda and its providers a vehicle's location, speed and other operating conditions, information that may be tied to the vehicle identification number (VIN) and can be combined to create a track of a vehicle. For a full explanation of HondaLink[™] functionality and Honda's data use and privacy policy, see <http://owners.honda.com/hondalink>. ⁷Adaptive Cruise Control (ACC) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function; driver remains responsible for slowing or stopping the vehicle to avoid a collision. ⁸Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper and/or brake pressure to slow the vehicle's departure from a detected lane. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁹Road Departure Mitigation (RDM) only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁰3-Year/36,000-Mile Limited Warranty, 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. ¹¹Battery-pack limited warranty may vary. Please see your Honda dealer for details. ¹²NHL and the NHL Shield are registered trademarks of the National Hockey League. ©NHL 2015.
