2016 Golf SportWagen
Go places. Do things. Get versatile. The Golf SportWagen is paving a new path for those who seek adventure across country or across town. With a turbocharged engine and impressive cargo space, it has room for plenty of excitement and friends. And it possesses the versatility, amenities, and style you’d expect from a Volkswagen. It’s the sportier utility vehicle.
The full-length, extended version of style.

Much more than versatile, the Golf SportWagen flaunts its stylish side with details designed to attract attention and keep it. With upscale features like a slick rear spoiler and available Bi-Xenon headlights, the Golf SportWagen is chalking up style points with every mile.

Rear spoiler. As if this car won’t spoil you enough, added touches like the rear spoiler help make it more appealing too.

Roof rails. Sleek versatility. With these roof rails, you can have plenty of extra storage up top. Not only do they look stylish, they also help make for a sturdy support for your outdoor equipment.

Roof rails. Sleek versatility. With these roof rails, you can have plenty of extra storage up top. Not only do they look stylish, they also help make for a sturdy support for your outdoor equipment.

LED Daytime Running Lights (DRL). Bright and stylish, these available LED lights have dual purposes.

Integrated front foglights. Designed right into the front bumper, these foglights not only add to the stylish look of the Golf SportWagen, but they also come in handy when it gets foggy.

STANDARD FEATURES

AVAILABLE FEATURES

Bi-Xenon headlights with Adaptive Front-lighting System (AFS). These headlights create bright beams of light to help improve visibility, lasting longer and using less energy than halogen bulbs. AFS allows the headlights to turn slightly at certain speeds with your steering’s direction. Lighting takes a brilliant turn.
It’s no small feat to bridge the gap between sportiness and utility, but the Golf SportWagen does it beautifully. It manages to offer the cargo space of an SUV with a 60/40-split folding rear seat while also having enviable maneuverability. Add upscale amenities and you’ll see how the Golf SportWagen is transforming the versatility experience.

**Sporty up front. Versatility in the back.**

**Driver-focused interior.** From the moment you get behind the wheel, you’ll see that your needs are within easy reach and angled toward the driver. The interior is ergonomically designed to help command in comfort.

- Folding rear seat with release levers in cargo area. Expand your space. Simply pull the levers conveniently located in the cargo area and easily drop the 60/40-split folding rear seat, practically laying it flat so you can load and go.
- Leather-wrapped multi-function steering wheel. Grab the multi-function steering wheel and control your tunes, and how you communicate. It feels nice in more ways than one, especially since it’s leather-wrapped.
- 12-way power driver’s seat including power-adjustable lumbar support. Get the comfort seat in the car by adjusting it to your liking. With just one finger, you can adjust your seat in not one, not two, but 12 possible ways.
- Power tilting/sliding panoramic sunroof. Enjoy a personal skylight with a large 12.7-sq.-ft. expansive sunroof that can let the sun in, while offering an exquisite view of nature’s canvas.
- V-Tex leatherette seating surfaces. They don’t just look great. They’re also comfortable and easy to keep clean.
- Climatronic® dual-zone climate control. Some like it hot. Some like it cold. Thankfully, with dual-zone automatic climate control, you and your passenger can sit in your own comfort zone.
- Auto-dimming rearview mirror. Fewer glaring lights from those traveling behind you. The auto-dimming rearview mirror handle that garish light by dimming when things get too bright.
- Interior ambient lighting. Bask in the glow of the finely crafted interior with the perfect amount of interior ambient lighting.

*Based on manufacturers’ published data comparing cargo space of compact SUVs with rear seats folded down.
It’s not just a SportWagen. It’s a smart wagon.

Transform your touchscreen into your smartphone. Your compatible smartphone makes a genius connection. The available Volkswagen Car-Net® connected car suite brings you many ways to connect to your Golf SportWagen. Take, for instance, VW Car-Net App-Connect, which can display select apps from your compatible smartphone onto your touchscreen. * Once you plug your smartphone into the USB port, App-Connect lets you use your apps on the dash, using either Apple CarPlay™, Android Auto™, or MirrorLink®.

Staying in touch has never been this easy.

When technology works in sync with the Golf SportWagen, it’s poetry in motion. Or, in this case, versatility in motion. Thanks to its advanced technology that includes available Autonomous Emergency Braking (Front Assist)** and VW Car-Net App-Connect, the Golf SportWagen offers innovative thinking at every turn. Style? Check. Substance? Check.

Composition Media touchscreen sound system.

The Golf SportWagen is now in touch. With its advanced touchscreen sound system you can control your media, settings, and the Volkswagen Car-Net® App-Connect feature, which can sync up compatible smartphones and display content on the dash. Be in command with one fingertip.

Volkswagen Car-Net App-Connect.

VW Car-Net App-Connect lets you link your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to use select apps on the touchscreen display of your Volkswagen. * From streaming music and mobile maps, it can be accessed on the touchscreen.

Volkswagen Car-Net Security & Service.

Provides a seamless link from your compatible devices — your smartphone, computer, or tablet — to your Volkswagen. VW Car-Net Security & Service can call for help in an emergency, monitor speed and boundary alerts, check the status of your VW when you’re away, and much more!†

Rearview Camera System.

Hindsight is now foresight. The rearview camera helps you see and avoid obstacles when backing up, and it can make parallel parking easier.

STANDARD FEATURES AVAILABLE FEATURES

*Always pay careful attention to the road, and do not drive while distracted. App-Connect features require compatible smartphones, Volkswagen Car-Net® App-Connect, Menu, and an available USB port. Your smartphone must be compatible with Car-Net App-Connect. Third-party systems can vary in maps, traffic, data, and other features. For terms and privacy. Apple CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google Inc. **Driver Assistance features are not a substitute for attentive driving. See Owner’s Manual for further details and important safety information.†† Trial or paid subscription required. These services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. See Terms of Service, Privacy Policy, and other details at www.siriusxm.com/infotainment for details; 4-year trial subscription for SiriusXM Traffic applies to original owner only.† Volkswagen Car-Net Guide & Inform. With easy access to gas prices, weather, sports scores, and more through SiriusXM Travel Link™ services with 3-month trial subscription, and a 4-year trial subscription to SiriusXM Traffic, which offers real-time traffic information, you get your info front and center.

Blind Spot Monitor.

Sensors can help detect if another vehicle is coming up from behind or alongside you. Which means your VW can alert you if a car is in your blind spot. **

Forward-Collision Warning and Autonomous Emergency Braking (Front Assist).** Sensors in the front can help detect if you are approaching another vehicle too quickly. If you fail to brake enough, the system can boost the braking pressure and if you don’t brake at all, Front Assist automatically steps in and applies the brakes to help reduce the severity of a potential impact. **

Volkswagen Car-Net Guide & Inform. With easy access to gas prices, weather, sports scores, and more through SiriusXM Travel Link™ services with 3-month trial subscription, and a 4-year trial subscription to SiriusXM Traffic™, which offers real-time traffic information, you get your info front and center.**
When it comes to performance, the Golf SportWagen has it big where it counts. Its standard 170-hp* turbocharged engine is ready for nearly any adventure you can conjure up. It’s performance that’s a pretty big deal.

Large. And in turbocharge.

When it comes to performance, the Golf SportWagen has it big where it counts. Its standard 170-hp* turbocharged engine is ready for nearly any adventure you can conjure up. It’s performance that’s a pretty big deal.

170 horsepower
199 lb-ft of torque

1.8L TSI® engine
With the turbocharged 1.8L TSI engine, performance comes standard along with practicality. It’s fast. It’s fun. And it can get an EPA-estimated 36 hwy mpg.† In short, it’s a turbocharged win-win.

*Achieved with premium fuel. **Always obey local speed and traffic laws. †25 city/36 highway mpg (2016 Golf SportWagen TSI). Your mileage may vary depending on driving conditions and how you drive and maintain your vehicle. 

SEL shown in Reflex Silver Metallic with Driver Assistance and Lighting Packages with Base Carrier Bars and Bike Holder Attachments.
The Golf SportWagen is as versatile as it is easy on the eyes. Part of that versatility is hidden where you never see it—and hopefully never have to—on its safety features. With smart, adaptive airbags* and an Intelligent Crash Response System (ICRS)**—to name a few—the Golf SportWagen has got your back. And your hatchback. And a 2015 IIHS Top Safety Pick+,† when equipped with the optional Forward Collision Warning and Autonomous Emergency Braking (Front Assist) system.††

Adaptive airbags.* Our airbags have been engineered to adapt to crash severity, and special door sensors will deploy Side Curtain Protection® airbags in the event of a side impact.

Intelligent Crash Response System (ICRS).** In the event of a collision that activates the vehicle’s airbags,* the Intelligent Crash Response System can automatically disable the fuel pump, unlock all the doors, and turn on the hazard lights.

Safety cage. The safety cage for the Golf SportWagen has been designed to help protect you during front, rear, or side impacts. In addition, advanced thermoformed steel B-pillars offer strong reinforcements on top.

Automatic Post-Collision Braking System. Not every collision brings a car to an immediate stop. That’s why we engineered the Automatic Post-Collision Braking System. By automatically slowing down your Golf SportWagen after a collision, you have a better opportunity to take control and help reduce the chance of any additional impacts.

Seven stability-enhancing systems. From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during a hard-braking situation, to Electronic Stability Control (ESC), which adjusts engine throttle and applies corrective forces to the wheels that need them most, there are seven systems in total to help you stay in control.

Tire Pressure Monitoring System (TPMS). The right amount of tire pressure is essential to help maintain your riding comfort. Thanks to this feature, you’ll be alerted when your tire pressure is low and air needs to be added.

It’s got your hatchback.
**Front-lighting System (AFS)***
Bi-Xenon high-intensity headlights with LED Daytime Running Lights (DRL) and Adaptive Lighting System

- 17" alloy wheels

**Power windows with pinch protection and automatic 1-touch feature, operable on all doors**
