ACADIA

Precision matters. It matters in every pound-foot of torque, every millimeter, every decibel and every stitch of leather. That’s what drives us to reimagine solutions and create rewarding driving experiences. It’s why the 2016 Acadia is the crossover engineered to help manage life’s ever-changing demands. With models accommodating up to eight passengers, it also offers ingenious technologies to keep you connected and safety innovations to help protect you.
ACADIA DENALI: THE HEIGHT OF STYLE.

Acadia Denali combines premium materials, signature styling and advanced technologies to make it the premier choice among crossovers. This distinctive design is the result of smooth, flowing lines running uninterrupted from front to rear. Chrome appointments and features leave little doubt it’s every inch a Denali.
ACADIA DENALI IN EBONY TWILIGHT METALLIC shown with available equipment.
ACADIA SLT IN EBONY TWILIGHT METALLIC
shown with available equipment.
ACADIA SLT: OUR SCULPTORS WORK IN SHEET METAL.

GMC designers formed the five-door exterior of Acadia SLT with a clear understanding of what you demand in a premium crossover without sacrificing an ounce of artful style. The low height of the rear bumper makes loading easier, while the low step-in door height allows people to enter with ease. You’ll quickly find SLT offers many details that combine art and function.
A REFLECTION OF PREMIUM.

Acadia’s sculpted surfaces are where form elegantly meets function, highlighted by chrome accents to create an overall premium appearance. Its design brings aerodynamics into play to help you achieve more in your daily travels without all the resistance.

**DENALI GRILLE** The distinctive pattern of its 3-D chrome grille is a signature detail unique to the top-of-the-line Denali series.

**PROJECTOR-BEAM HEADLAMPS** Available High-Intensity Discharge (HID) headlamps, LED daytime running lamps and LED taillamps increase visibility, giving Acadia a necklace of illumination.
**WRAPAROUND REAR GLASS** The seamless rear glass design provides a clean, streamlined look.

**HEATED POWER-RETRACTABLE MIRRORS** Helping remove snow, frost and fogging, these available power mirrors offer excellent visibility and extra clearance. Shown with optional Side Blind Zone Alert.

**POWER LIFTGATE** This available feature opens with a touch of your key fob for easy access to the cargo area. Close it the same way, or use the button on the liftgate or the center console.
Provides a warm welcome, and a cool one, too.

Acadia Denali is designed with an inviting level of comfort, thanks to refinements such as heated and cooled front seats, quiet surroundings and the craftsmanship expected from the height of GMC engineering. It combines premium materials such as perforated leather-appointed first- and second-row seats with the precise detailing of contrasting French seam stitching. Denali greets you with even more comforting amenities.

YOUR COMFORT. WELL ENGINEERED.

Every seat in Acadia SLT provides a premium ride. Up front, you’ll find leather-appointed seats in the first two rows as well as surrounding amenities that let you know you’re in for something unexpected. SLT also offers a second-row bench seat so altogether you can accommodate up to eight adults, or choose your second row with a pair of captain’s chairs to provide seating for seven. You’ll also find a host of additional comfort and convenience features.

INTERIOR | ERGONOMICS

DESIGNED SO YOU HAVE TO LOOK NO FURTHER.

We understand that you’re most comfortable when you’re informed and in full command. We engineered Acadia so that available driver-alert technologies, the available Navigation System, entertainment and climate controls are positioned in clear view and close at hand. Yet, of course, Acadia offers many more ways to help you stay in control.

---

1. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.  
2. Go to my.gmc.com/learn to find out which phones are compatible with the vehicle.  
To keep you connected, informed and entertained, Acadia offers available OnStar 4G LTE. Gain fast Internet speeds by adding an available Wi-Fi hotspot to turn Acadia into your mobile entertainment center.

**ONSTAR 4G LTE HOTSPOT** New available OnStar 4G LTE with built-in Wi-Fi capability (free trial for 3 months/3GB, whichever comes first) means an Internet connection for Web-enabled devices from up to 50 feet around Acadia. It’s reliably fast, easy to use and handles up to seven devices.

**COLOR TOUCH AUDIO SYSTEM** This standard system uses an intuitive 6.5” diagonal high-definition touch-screen, making it easy to find important information. It includes AM/FM/CD radio, customizable home page and USB and auxiliary inputs for your MP3 player. SiriusXM capabilities (standard 3-month trial period) are included on most models.

**INTELLILINK** Standard on most Color Touch Audio systems and included with available Color Touch Navigation, IntelliLink provides smartphone integration and voice-activated control of your communication and entertainment selections, including placing a call, changing stations, streaming Internet radio stations Pandora® and Stitcher™ SmartRadio or accessing your music library. It also converts text messages into voice messages.

**COLOR TOUCH NAVIGATION WITH INTELLILINK** The available NAV system, which includes IntelliLink, adds multiple map views. It also features 3 months of NavTraffic, so you’ll get continuously updated traffic information incorporated into the Navigation System.

---

*Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations.

*Not compatible with all devices.

*Standard for 3 months. If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel! See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM Satellite service is available only to those in the 48 contiguous USA and DC.

*Not available on SL trim. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply.

*Go to my.gmc.com/learn to find out which phones are compatible with the vehicle.

*Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
USB CONNECTIVITY Plug into the USB port and control most of your MP3 player’s functions, including playlists and song selection, with available steering-wheel-mounted radio controls.

SIRIUSXM SATELLITE RADIO Enjoy available SiriusXM Satellite Radio (includes a 3-month trial subscription to the XM Premier Package).

MP3 PLAYBACK Bring the music and entertainment you love to your Acadia from most MP3 devices, including many smartphones.

HEAD-UP DISPLAY This available system (standard on Denali) projects important driving information at eye level on your windshield, such as speedometer and rpm readings, outside air temperature and more.

REAR VISION CAMERA SYSTEM It displays a real-time image in the color touch-screen when Acadia is in reverse, making it easier to back up to a trailer or negotiate a tight space. Shown with available Rear Cross Traffic Alert. WATCH IT AT GMC.COM/VISION2016.

DENALI ACOUSTIC PACKAGE Denser sound-absorbing materials add to Acadia’s already quiet environment.

BLUETOOTH FOR PHONE Keep your eyes on the road by activating Bluetooth on your phone or portable device.

120-VOLT AC POWER OUTLET An available 150-watt/120-volt AC household-current grounded power outlet is included with the Rear-Seat Entertainment System.

IN-CONSOLE POWER PORT A 12-volt DC power outlet is located in the center console.

REAR-SEAT ENTERTAINMENT SYSTEM This available system offers gaming and DVD playback for rear-seat passengers. It includes a remote and two sets of wireless infrared headphones (batteries included).

10-SPEAKER BOSE AUDIO SYSTEM The available premium 10-speaker Bose system delivers the realism and presence of a live performance. Add available 5.1 Surround Sound when you choose the Rear-Seat Entertainment System.
TURNS PASSENGER ROOM INTO REC ROOM, AND VICE VERSA.

Acadia is designed to quickly and easily offer multiple seating and cargo configurations. Choose eight-passenger seating and get a sliding second-row bench seat that fits three adults comfortably. Select the available seven-passenger configuration, and the second row has two captain’s chairs. To make third-row entry and exit easier, Acadia features Smart Slide second-row seats that move forward with just one hand.

FOLO-FLAT FUNCTIONALITY FOR THE IMPRESSIVE CAPACITY OF A FULL-SIZE SUV; THE SECOND- AND THIRD-ROW SEATS FOLD FORWARD TO CREATE A FLAT LOAD FLOOR. THIS FLEXIBILITY GIVES YOU UP TO 116.1 CU. FT. OF CARGO CAPACITY.

Cargo and load capacity limited by weight and distribution.
ACADIA SLT INTERIOR IN EBONY shown with available equipment.
PUTS CONTROL IN YOUR HANDS.

Acadia surrounds you with a quiet environment, premium materials and convenience to elevate your traveling experience. The results of precision engineering are also found in how the surroundings are in your control.

**CENTER CONSOLE** The convenient and spacious center console gives you multiple storage compartments. The padded armrest is movable to keep you comfortable in any seating position.

**DRIVER INFORMATION CENTER** It includes the odometer and A/B trip odometers, as well as a message center to keep you informed about vital vehicle functions and driving conditions.

**CUPHOLDERS** There are two console-mounted cupholders and two in the front doors for driver and passenger. Additional holders are in the second row, with one in each door, plus two more molded into the third-row side panels.

**NOISE SUPPRESSION** To reduce road and wind noise, Acadia uses sound-blocking and -deadening materials to fill even the most minute gaps and sound paths.

**SILL PLATE** Step through the driver’s or front passenger’s door of Acadia Denali and its illuminated, satin-chrome sill plates let you know you’ve entered luxury.

**DENALI ACOUSTIC PACKAGE** Additional sound-absorbing materials add to the already quiet environment.
TILT AND TELESCOPIC STEERING WHEEL On Denali models, the power tilt and telescopic steering wheel moves up/down and in/out, making it easy to set a comfortable driving position.

HEATED STEERING WHEEL This heated wheel adds warmth to both the leather-wrapped and deluxe wood versions (standard on SLT-2 and Denali).

REMOTE KEYLESS ENTRY At a range of up to 195', one touch will lock or unlock your Acadia or flash its lights and sound the horn to help you find it in a parking lot.

TRI-ZONE CLIMATE CONTROL The available tri-zone climate control allows the driver and front-seat passenger to set separate temperatures.

STEERING-WHEEL-MOUNTED CONTROLS Access the audio system and your phone with your fingertips. Depending on the model, it controls most music search features of compatible MP3 players, as well as phone calls.

REMOTE VEHICLE START Warm up—or cool off—your Acadia for up to 10 minutes without leaving the house. This available feature can start Acadia up to 195' away. With tri-zone climate control, the system automatically heats or cools the cabin.

REAR CONTROLS Second-row passengers get their own controls included with the available tri-zone climate control system, so they’re able to set the temperature and fan speed to their liking.

REMOTE POWER LIFTGATE This available liftgate opens with a touch of your key fob for easier access to the cargo area. Close it the same way, or use the button on the liftgate or the center console.

DUAL-PANEL SUNROOF The available dual-panel sunroof lets people seated in the second and third rows enjoy the outdoors, too.
HANDLES THE ROAD LIKE A PRO.

Acadia’s powertrain and handling more than live up to their Professional Grade status. Its 3.6L V-6 engine is the ideal expression of what GMC engineering is all about—powerful yet efficient performance. The foundation of Acadia’s premium character is a strong chassis and sophisticated suspension.

ENGINE

3.6L V-6 VVT Engineered for responsiveness at all speeds, the 3.6L is the ideal blend of power and efficiency. With a direct-injected 24-valve, dual-overhead-cam design, it accelerates smoothly and quickly for confident highway passing and merging.

VARIABLE VALVE TIMING This provides the power of a high-performance engine with the low-speed response you need for situations such as trailering or climbing steep inclines.

OIL LIFE MONITOR For long life and durability, few things are more important than changing your oil at the right time. The Oil Life Monitor updates you with a message in the Driver Information Center.

ONSTAR VEHICLE DIAGNOSTICS1 Included with the OnStar Basic Plan for 5 years, every month, your vehicle can run a thorough check of its engine, transmission, antilock brakes and more, and e-mail you the results. And if you want to run a diagnostic check when you’re behind the wheel, just ask an Advisor to run one for you. You’ll have confidence knowing your car is checking up on itself and that you can check on it anytime.

TRANSMISSION

6-SPEED AUTOMATIC OVERDRIVE TRANSMISSION Designed to work seamlessly with the 3.6L, the transmission chooses the best gear for efficiency or power based on your driving style. It features Driver Shift Control, allowing you to manually shift gears for optimal control.

SUSPENSION

WIDE STANCE/LONG WHEELBASE Acadia’s long wheelbase produces a smooth ride at highway speeds, along with stability and sure-footed cornering.

FULLY INDEPENDENT SUSPENSION Engineered for precise control and premium refinement, even on poorly maintained roads, is a four-wheel independent suspension.

POWER RACK-AND-PINION STEERING Power steering provides accurate response and a positive on-center feel at highway speeds, as well as low-speed assist for maneuvering in tight spaces.

1Capabilities vary by model. Visit onstar.com for details and system limitations. 2Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
ADVANCED DUAL-FLOW VALVING This feature in Acadia Denali’s front suspension delivers a smoother ride and improved handling across a broad range of driving conditions.

ALL-WHEEL DRIVE (AWD) Get an extra measure of traction and control in wet or dry weather with an available fully automatic AWD system.

ANTILOCK BRAKING SYSTEM (ABS) Confident stopping in a variety of conditions comes from four-channel antilock brakes.

TRACTION CONTROL SYSTEM To make the most of available traction on many road surfaces, the system sends power to the wheels with the most grip, so you can move forward with better control.

POWER FOUR-WHEEL DISC BRAKES For outstanding braking performance in most conditions, power four-wheel disc brakes are standard on every model.

TRAILERING PACKAGE Acadia achieves a maximum trailer weight rating of up to 5200 lbs. This available package includes a heavy-duty cooling system, a factory-installed trailer hitch with a standard 2” receiver, attaching points for safety chains and a seven-pin trailer harness with a built-in universal adapter.
YOUR WELL-BEING IS FIRST AND FOREMOST.

The industry-first and GM-exclusive available Front Center Air Bag¹ is designed to help protect you in a collision. Acadia also offers the available Forward Collision Alert and Lane Departure Warning. For 2015, Acadia received a 5-Star Overall Vehicle Score² for safety.
DRIVER AWARENESS  Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Acadia Owner’s Manual for more important safety information.

REAR CROSS TRAFFIC ALERT  Monitoring your surroundings and working with the Rear Vision Camera System, it’s available to send audio and visual warnings, alerting you to cross traffic while backing up (available on SLT-1 and standard on SLT-2 and Denali).

DRIVER ALERT SYSTEMS  Forward Collision Alert produces audible and visual signals if you are rapidly approaching another vehicle and a collision may be imminent. Lane Departure Warning alerts you if you wander from your lane without using the turn signal. They’re standard on Denali and available on SLT-1 and SLT-2.

SIDE BLIND ZONE ALERT  Radar-equipped sensors monitor blind spots, alerting the driver via audio and visual warnings to help reduce the risk of collisions (available on SLT-1 and standard on SLT-2 and Denali).

LED DAYTIME RUNNING LAMPS  By operating the LED lamps in the daytime, you gain recognition by other drivers from a greater distance, providing an extra measure of security.

FRONT CENTER AIR BAG  The available Front Center Air Bag is designed to help protect drivers and front-seat passengers in far-side crashes where the affected occupant is on the opposite, non-struck side of the vehicle. SEE IT IN ACTION AT GMC.COM/REASSURING2016.

SIDE-IMPACT AIR BAGS  They are mounted on the driver and front-passenger seats to help protect the thorax and pelvic regions of the driver and front passenger in a side-impact collision.

HEAD CURTAIN SIDE-IMPACT AIR BAGS  They unfurl from the roof rail like a protective curtain for outboard passengers and can be activated by either rollover or side-impact sensors.

FRONTAL AND SIDE-IMPACT AIR BAGS  To help reduce the risk of injury to driver and front passengers, the dual-stage frontal air bags gauge crash severity, then employ one or two levels of inflation.

LATCH CHILD SEAT ANCHORING SYSTEM  Lower Anchors and Top tethers for Children (or LATCH) enables a child seat top tether strap to be attached to limit movement in a forward crash, helping reduce the chance of injury.

PASS-KEY III THEFT DETERRENT SYSTEM  A tiny chip found in your ignition key prevents unauthorized starting attempts.

REINFORCED STEEL SAFETY CAGE DESIGN  A robust body-frame-integral structure is engineered to help maintain the integrity of the passenger compartment in the event of a collision.

STABILITRAK STABILITY CONTROL SYSTEM  To help you stay in control when road surfaces are loose, snowy, icy, wet or uneven, StabiliTrak monitors how Acadia is responding to your steering and braking commands.

1 Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained. See Owner’s Manual for more information. Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your Owner’s Manual and child safety seat instructions for more safety information.

2 Government 5-Star Safety ratings are part of the National Highway Traffic Safety Administration’s (NHTSA) New Car Assessment Program (www.SaferCar.gov).
PROFESSIONAL GRADE PROTECTION.

Pro Grade Protection is standard on every 2016 Acadia. From scheduled maintenance to protecting your entire vehicle, you can drive with confidence.

INCLUDES 2 SCHEDULED MAINTENANCE VISITS DURING THE FIRST 2 YEARS/24,000 MILES¹
3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²
5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY²

ACADIA DENALI IN EBONY TWILIGHT METALLIC
shown with available equipment.
ONSTAR WITH 4G LTE CONNECTION\(^3\) With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

ONSTAR REMOTELINK\(^6\) MOBILE APP\(^2\) You can remotely start your vehicle, locate your vehicle on a map, look or unlock your doors, honk your horn and flash your lights. You can also send directions to your vehicle through your smartphone.

REMOTE SERVICES A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It’s technology hard at work to get you back on the road.

HANDS-FREE CALLING\(^3\) Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn’t available. Choose from minute bundles or a minutes-per-month plan.

ATYOURSERVICE\(^8\) Life just got easier and more affordable with the personalized connection of AtYourService. Our trusted Advisors can deliver offers for everyday savings from restaurants and retailers on your route, help you locate hotels and even book your room.

ONSTAR VEHICLE DIAGNOSTICS As part of the Basic Plan, every month, your vehicle runs a thorough check of your engine, transmission, antilock brakes and more, and e-mails you the results.

DEALER MAINTENANCE NOTIFICATION Is it time for a tire rotation? An oil change? Or a new air filter? You’ll always know because your car can e-mail your Vehicle Diagnostics report to the dealer when it’s time, and the dealer will contact you to set up a service appointment.

ONSTAR FEATURES

WE’RE AS CLOSE AS THE BLUE BUTTON.

Standard for 6 months, the OnStar Guidance Plan\(^2\) (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pressing the blue OnStar button in your Acadia.

ONSTAR WITH 4G LTE AND BUILT-IN WI-FI\(^6\) HOTSPOT\(^*\) Now your Acadia has an available built-in Wi-Fi hotspot for connecting up to seven tablets, laptops or mobile devices at 4G LTE speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month trial period (3 months of data or 3GB, whichever comes first).

ONSTAR BASIC PLAN\(^1\) With the Basic Plan, you’ve got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You’ll have access to select services, which include limited features of the OnStar RemoteLink mobile app that lets you remote-start your car (if equipped), pinpoint your vehicle on a map on your smartphone and manage your vehicle's Wi-Fi hotspot (if equipped). Plus, send a destination to your in-vehicle navigation screen and lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by e-mail.

AUTOMATIC CRASH RESPONSE In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can’t ask for it.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

ROADSIDE ASSISTANCE If you’re stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

STOLEN VEHICLE ASSISTANCE\(^7\) If your vehicle is stolen, OnStar can use GPS to pinpoint and work with authorities to quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from restarting.

Standard for 5 years from the date of delivery of eligible 2015 model year and newer vehicles and is transferable, including Vehicle Diagnostics, Dealership Maintenance Notification and access to limited OnStar RemoteLink mobile app features. The OnStar Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan. Visit onstar.com for vehicle availability, coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Mobile app available on select iOS, Android,\(^*\) BlackBerry\(^*\) and Windows\(^*\) devices. Services vary by device, vehicle and conditions. The OnStar Vehicle Locate Service can locate OnStar-equipped vehicles, not people. Requires an active OnStar subscription. OnStar Hands-Free Calling requires an existing OnStar service contract and available minutes. Not available in certain markets. Visit onstar.com for coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Plus tax. Credit card payment required for monthly subscriptions. \(^*\)Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. PPE 20" CHROME-CLAD ALUMINUM AVAILABLE ON DENALI
YOURS SHOULD BE ONE OF A KIND.

GMC Accessories are designed so you can personalize your Acadia to fit your style as well as your needs. They’re also engineered and tested to meet Professional Grade standards.

ROOF RACK CROSS RAIL PACKAGE: Carry up to a 200-lb load on the roof of your Acadia.

ASSIST STEPS: They make it easier to get into and out of your Acadia. Constructed of high-strength aluminum, these 6” chrome steps are topped with full-length black traction pads.

DUAL-SCREEN REAR-SEAT ENTERTAINMENT SYSTEM: Rear-seat passengers will enjoy dual LCD screens and a DVD player built into the back of the front-seat head restraints. Includes wireless headphones and a remote control.

SIDE-WINDOW WEATHER DEFLECTORS: Let fresh air in and keep rain, sleet and snow out. Available in Smoke.

INTEGRATED CARGO LINER: To protect the back of the third-row seats when they’re folded flat, this new cargo-area liner attaches to the seatback and folds with the seat. And to save time and effort, you don’t have to remove it to carry passengers.

CARGO SHADE: Keep the cargo area hidden with this Ebony fabric cargo shade. It easily attaches and folds or rolls for easy storage.

CARGO NET: Enhance the efficiency of your Acadia with this black cargo net. It attaches easily to the sides of your cargo area to secure small, light items while in transit.

CARGO ORGANIZER: This durable, flexible, collapsible organizer has multiple compartments, allowing you to carry lightweight items of various sizes. Can be folded flat and is black with GMC logo.

PREMIUM ALL-WEATHER FLOOR MATS: Fitted to the floor configuration with a deep-ribbed pattern to collect debris. Nibs on the back keep them in place. Available in Ebony, Light Titanium and Dune to match your interior.

*Cargo and load capacity limited by weight and distribution.

Welcome to the world of satellite radio. Visit siriusxm.com for details.

SiriusXM Satellite Radio is standard on most Acadia models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment, genre, artist-dedicated channels, live performances and more.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 60,000 miles (whichever comes first).

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

NEW-VEHICLE LIMITED WARRANTY All GMC light-duty vehicles come with a fully transferable, no-deductible 5-year/60,000-mile [whichever comes first] Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles [whichever comes first]. Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles [whichever comes first]. Acadia also comes with two maintenance visits within the first 2 years/24,000 miles [whichever comes first]. See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors. Its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to procure GM vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM [1-800-323-9935] GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

Certified Service To help your Acadia live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Acadia, GM-trained technicians have the expertise to care for all of it.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GM.COM See more of Acadia on our Web site: gmc.com/acadia. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

BuyPower Card® Now it’s even easier to get into the GMC of your dreams. Every purchase gives you Earnings redeemable toward part or even all of a new GMC, Chevrolet, Buick or Cadillac. Every year, enjoy 5 percent Earnings on your first $5,000 in purchases and 2 percent unlimited Earnings after that. No expiration on Earnings and no limit on how much you can earn or redeem. Learn more at gmcbuyerpowercard.com/catalogs. YOUR CARD IS THE KEY.®

IMPORTANT WORDS

ONSTAR Your Acadia includes the OnStar Guidance Plan [trial does not include Hands-Free Calling minutes] for 6 months. OnStar services require vehicle electrical system [including battery], wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar service required. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations. Services vary by model and conditions.

SIRIUSXM SATELLITE RADIO SiriusXM Satellite Radio® is standard on most Acadia models. It includes 3 trial months of service. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE To help your Acadia live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Acadia, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontial air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Mid Utility segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations or [any effect of the alterations] to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
