CANYON

Professional Grade. It’s an attention to detail you can see in the fit and finish of components. You can feel it in the premium materials. And you can hear it in the quiet cabin. It’s what makes Canyon your premium midsized pickup. Bringing all this together in one premium package makes Canyon everything you want in a smart-sized truck.

And, for 2016 we are proud to offer the efficiency and power of the all-new Duramax 2.8L Turbo Diesel engine.¹ See page 20 for more information.

¹Available fall 2015.
SLT: BEST OF ALL, THIS IS A TRUCK.

Trucks are built to be rough and tough. But there’s no rule that says they have to sound, feel and look that way on the inside. In Canyon SLT Crew and Extended Cabs, you’ll find an exceptionally quiet and roomy interior; supportive, comfortably sculpted dual-firmness foam seats; premium materials such as aluminum trim, a soft-wrapped instrument panel and hand-stitched leather-wrapped steering wheel, as well as additional premium features.
CANYON CREW CAB SLT INTERIOR IN JET BLACK
shown with available equipment.
CANYON EXTENDED CAB SLE INTERIOR IN JET BLACK shown with available equipment.
SLE: PLACES A PREMIUM ON MATERIALS.

At GMC, we believe in an inherent truth in materials. Not only must they look premium, they should feel good and provide durability. We made sure that Canyon SLE surrounds you with wear-resistant materials that are easy to maintain. You’ll also find hidden storage areas plus well-appointed features throughout the truck.

8” DIAGONAL COLOR TOUCH-SCREEN AUDIO SYSTEM WITH INTELLILINK1
ALARO \qum" ^)\it
ADINTER 12 INSTRUMENT PANEL WITH CONTRASTING STITCHING
TELESCOPIC STEERING COLUMN

1Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.
YOUR FOUR-WHEEL MOBILE DEVICE.

Your always-connected world shouldn’t stop because you’re on the go. In the GMC Canyon, technologies such as available OnStar 4G LTE with a built-in Wi-Fi hotspot allow you to stay in touch on the road.

ONSTAR 4G LTE WI-FI Available OnStar 4G LTE offers a built-in Wi-Fi hotspot (with 3-month/3GB trial, whichever comes first) for a speedy Internet connection for Web-enabled devices. It’s reliably fast, easy to use and handles up to seven devices.

POWER SUPPLY Depending on the model and options you choose, you will have a convenient power supply: up to four USB ports and two auxiliary 12-volt power outlets keep first- and second-row passengers connected and powered up.

INTEGRATED COMMUNICATION New for 2016 is available support for Apple CarPlay.™ It’s the smarter way to use your iPhone® inside your Canyon. Now many of the functions you use your phone for—entertainment, communication and directions—appear on the built-in audio system display. Also, Canyon’s available 8” diagonal LCD center touch-screen is the perfect display for the available Color Touch Sound System with IntelliLink. The system is also available with navigation. The screen provides instant information, dynamic response and predictive functionality. Both feature natural voice recognition.
REAR VISION CAMERA SYSTEM Standard on all models, its dynamic grid lines provide the perfect guide when backing up or hitching a trailer. Shown with the available 8” diagonal Color Touch Radio.

VOICE AND TOUCH-SCREEN NAVIGATION In response to your voice or touch, Canyon’s available Navigation System displays 2-D or 3-D map graphics on the 8” diagonal center-mounted screen. NavTraffic™ [3 trial months of SiriusXM] incorporates real-time traffic and road conditions, directing you toward the most efficient route.

CENTER PANEL INSTRUMENTATION Access to controls and power sources is centrally located. This array of switches puts Canyon’s important functions at your fingertips.

SAFETY ALERT TECHNOLOGIES Canyon offers an available Driver Alert Package, including Forward Collision Alert and Lane Departure Warning.

BOSE® PREMIUM SOUND The optional Bose Premium audio system is engineered to get you closer to the realism of a live performance with seven speakers to make sure you hear every note.

DRIVER INFORMATION CENTER To make information easy to view at a glance, GMC designers created an available 4.2” diagonal multicolor Driver Information Center (DIC). The DIC’s menu can be navigated with steering-wheel controls.

AUTOMATIC CLIMATE CONTROL Canyon offers an available heating and air-conditioning system that allows you to simply set a desired temperature that is maintained automatically.

---

1 Devices must be WPA2®-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2® security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations. 2 Not compatible with all devices. 3 Vehicle user interface is a product of Apple® and Apple®’s terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. 4 Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity. 5 Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. 6 If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM satellite service is available only to those in the 48 contiguous USA and D.C.
PRECISION ENGINEERING RUNS IN THE FAMILY.

SIERRA 3500 DENALI HD CREW CAB IN ONYX BLACK (left)
CANYON CREW CAB SLT IN BRONZE ALLOY METALLIC (center)
SIERRA 1500 ALL-TERRAIN CREW CAB SLT IN IRIDIUM METALLIC (right)
All vehicles shown with available equipment.
CANYON CREW CAB SLT IN EMERALD GREEN METALLIC shown with available equipment.
SLT: THE PEAK.

To complement its well-appointed cabin, Canyon displays distinctive halogen projector-beam headlamps and signature GMC lighting as well as purposefully designed bodylines sculpted to help deliver efficiency and create a quiet interior. To personalize your Canyon to fit your life, a long list of accessories is available to help enhance its function and appearance. Choose Canyon SLT, and both Crew and Extended Cabs feature additional appointments.
CANYON CREW CAB SLE IN COPPER RED METALLIC
shown with available equipment.
SLE: LOAD IT UP. WE DID.

Before you even load it up, Canyon SLE packs a lot. It contains a long list of standard features in one smart-sized premium package. Those design elements include a chrome grille surround and 17" aluminum wheels, as well as body-color door handles and mirror caps. It also provides functional equipment such as power mirrors and a driver-side spotter mirror. Like its cargo capacity, the list of Canyon SLE features is robust.
ALL-TERRAIN: THE TRUCK FOR ALL SURFACES.

Living life to its fullest means not letting unpaved terrain stop you. That’s why Canyon, with its available All-Terrain Package, gives you the ability to make your own path. Add a unique interior and you get a truck designed and engineered to meet your high standard of capability.
5" RECTANGULAR ASSIST STEPS  
are available dealer-installed accessories.

EXCLUSIVE ALL-TERRAIN CABIN DESIGN  
You’ll find carbon-fiber-inspired accents, unique All-Terrain seating with All-Terrain logo and contrasting red stitching, special dark aluminum IP material and other All-Terrain appointments.

Z71 OFF-ROAD SUSPENSION  
The legendary Z71 suspension allows you to go beyond mere sightseeing to truly explore the great outdoors.

AUTOMATIC LOCKING REAR DIFFERENTIAL  
It directs power to the wheel with the most traction on loose gravel or slippery surfaces.

TRANSFER CASE SHIELD  
Venturing off-pavement means encountering just about anything. The 4WD models have the added protection to help safeguard vital components under the truck.

ALL-TERRAIN WHEELS  
Dark Argent metallic cast-aluminum wheels with painted accents are shown.

BODY-COLOR ACCENTS  
Front and rear bumpers, as well as the grille surround, match the vehicle body color.

HILL DESCENT CONTROL  
This feature uses antilock braking for a smooth and controlled hill descent in rough terrain without you having to touch the brake pedal.
NIGHTFALL: PROFESSIONAL GRADE ATTITUDE.

The Canyon Nightfall Edition offers a striking combination of black and bright exterior styling elements. Available with the SLE Crew Cab, it tells the world something unique is coming their way.

EXTERIOR | NIGHTFALL EDITION

MONOCHROMATIC ONYX BLACK APPEARANCE, INCLUDING GRILLE

BODY-COLOR FRONT BUMPER

CHROME CORNERSTEP REAR BUMPER

BLACK 5" RECTANGULAR ASSIST STEPS

18" MACHINED-ALUMINUM WHEELS
BODY-COLOR DESIGN Its monochromatic appearance is created with a body-color front bumper, grille, door handles and mirror caps.

BLACK ASSIST STEPS Stylish steps with textured step pads make it easier to get into and out of your Canyon. They’re 5” rectangular, with a black powder-coat finish. The finish adds great style as well as excellent corrosion protection.

EXCLUSIVE MACHINED-ALUMINUM WHEELS These 18” bright machined wheels have Dark Argent painted inserts with matching caps and raised GMC logos.

RUGGED SPRAY-IN BEDLINER It provides a durable nonskid surface. The black liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down loops.

POLISHED EXHAUST TIP This dual-walled, angle-cut exhaust tip complements the chrome CornerStep rear bumper.

REMOTE START A bold attitude doesn’t mean having to give up the convenience of starting your Canyon from up to 197’ away.

AUTOMATIC CLIMATE CONTROL This heating and air-conditioning system allows you to set your desired temperature and have it maintained automatically.
A LOT OF THINKING WENT IN HERE.

The thought was, “How can a cargo box do more than just carry your gear?” That’s how we arrived at innovations that help you get into the bed easily as well as organize and secure cargo. In addition, Canyon is engineered to deliver exceptional payload capability, thanks to its large cargo box.

**EZ-LIFT AND LOWER TAILGATE** Loading the cargo box takes less effort thanks to an available EZ-Lift and Lower Tailgate.

**REMOVABLE AND LOCKING TAILGATE** Allows the tailgate to be removed easily when you need a wide-open cargo box. It locks to secure cargo and help prevent tailgate theft.

**ROLL-FORMED STEEL** Unlike the stamped-steel approach, a roll-formed process is used in Canyon’s cargo bed, which allows for a higher-grade steel that’s stronger, lighter and more durable.
**CORNERSTEP REAR BUMPER** Integrated into the corners, the bumper steps make it easy to access the cargo box. The deep tread of the step accommodates large boots, and hand assists on the top of the side rails help give you a boost into the bed.

**RAIL PROTECTORS** Box rail protectors at the top of the box and across the top of the tailgate improve damage resistance.

**SPRAY-IN BEDLINER** To provide a permanent, nonskid surface, the available black liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down loops.

**TWO-TIER LOADING** Standard two-tier loading allows a platform to split the load into upper and lower sections, making it easier to haul and store items.

**MOVABLE TIE-DOWN HOOKS** Four patented, load-bearing upper tie-down hooks are available. They can be repositioned in 13 locations around the box depending on the cargo being secured.
A NEW LEGEND IS BORN.

Like the legendary Duramax V-8, Canyon’s available all-new Duramax 2.8L I-4 Turbo Diesel engine delivers abundant torque and horsepower—doing it all with stingy efficiency. In fact, no other midsize pickup competitor offers an available diesel engine. So when it comes to moving Canyon down the road or trail, all three of its engine options boast efficiency without sacrificing power, torque or a smooth ride. Learn more about Canyon’s efficient technologies and specifications at gmc.com.

ENGINES

**DURAMAX 2.8L I-4 TURBO DIESEL** The Duramax 2.8L I-4 Turbo Diesel packs the power—with 181 horsepower at 3400 rpm and 369 lb-ft of torque at 2000 rpm—to tackle the toughest trails. The Duramax is B20 Biodiesel capable. It features a variable-geometry turbocharger for optimal power and efficiency across the rpm band and a balance shaft for greater smoothness. It also includes an exhaust brake that uses engine compression to slow the truck down. The engine is mated to a 6-speed automatic transmission.

**3.6L V-6 VVT** Engineered for responsiveness at all speeds, the 3.6L is the ideal blend of horsepower, torque and efficiency. With a direct-injected 24-valve, dual-overhead-cam design, it accelerates smoothly and quickly for confident highway passing and merging.

**2.5L I-4 ENGINE** Canyon benefits from the next generation of large-displacement four-cylinder engines engineered to generate surprising horsepower and torque to produce greater capability. The engine is also tuned to deliver more torque at a lower rpm for strong acceleration.
**ACTIVE GRILLE SHUTTERS** Included on SLE and SLT models with a gas engine, grille shutters automatically close to maximize aerodynamic efficiency when conditions are right. The shutters are designed to remain open in situations where max airflow is needed.

**DIRECT INJECTION** By injecting fuel directly into the combustion chamber at high pressure, fast and efficient combustion is achieved. DI enables higher torque and power and improved vehicle performance while improving efficiency.

**VARIABLE VALVE TIMING** For responsiveness in low-speed city driving and bold power for open-road passing or trailering, Canyon gas engines feature continuously VVT. It monitors and adjusts valve open and close points for near-peak levels of torque across the entire range of engine speeds.

**ELECTRONIC THROTTLE CONTROL** Delivers outstanding response and allows tailoring of the throttle progression to the requirements of the vehicle and your driving needs. A sensor measures pedal position, signaling the throttle to open at the precise rate and angle.

**CHASSIS**

**HYDRAULIC ENGINE MOUNTS** These mounts reduce engine vibrations for a smoother, quieter ride.

**CORROSION-RESISTANT DURALIFE BRAKE ROTORS** Engineers invented a patented, GM-exclusive corrosion protection process designed to help double rotor life—which, of course, reduces maintenance costs—by hardening rotor surfaces. It protects against rust to help prevent steering-wheel shudder during braking.

**AUTOMATIC LOCKING REAR DIFFERENTIAL** Canyon offers this available feature that can lock both rear wheels so they can gain traction on loose gravel or slippery surfaces.

**AUTOTRAC 4WD TRANSFER CASE** This available 4WD system is ideal when traction conditions are variable. When driving in AUTO, the front axle is engaged and power is sent to the front and rear wheels automatically based on the driving situation.

**ELECTRIC POWER STEERING** This feature helps improve fuel efficiency versus engine-powered systems. The variable assist is tuned to provide less assist at highway speeds for a solid on-center feel, and more assist for less steering effort when you’re maneuvering in tight spaces.
PUSHED FURTHER SO YOU CAN PULL MORE.

Canyon once again defies its size by being strong enough to trailer up to 7700 lbs\(^1\) when equipped with the all-new Duramax 2.8L I-4 Turbo Diesel and up to 7000 lbs with the V-6 engine and the Trailering Package. The gas I-4 and V-6 models can trailer up to 3500 lbs\(^1\) with the bumper-mounted ball hitch. Choose the Duramax engine, and an integrated Trailer Brake Controller and Diesel Exhaust Brake are included to make Canyon the first in its class to offer these important control features.

\(^1\)Canyon’s 7700-lb rating requires 2WD Crew Cab model, available Trailering Package and Duramax 2.8L I-4 Turbo Diesel engine. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

FULLY BOXED FRAME Canyon’s frame is constructed with at least 70 percent high-strength steel for maximum people- and cargo-carrying capability.

AUTO GRADE BRAKING Included with the available automatic transmission, it senses when you want to slow your Canyon and engages a Grade Braking shift pattern to help maintain your desired speed.

TRAILERING PACKAGE On V-6 and Duramax Diesel models, achieve max trailering capacity with this available feature. Includes trailer hitch and 7-pin and 4-pin connectors.
**Hill Start Assist**
Sensors automatically detect when Canyon is on a 5 percent grade or more. The system holds the brakes momentarily or until the accelerator is pressed, preventing rollback.

**Tow/Haul Mode**
To give you even more power to accelerate when trailering or hauling heavy loads, Tow/Haul mode on V-6 and Duramax Diesel models raises automatic-transmission upshift points.

**Diesel Exhaust Brake System**
The available Diesel Exhaust Brake System works with Tow/Haul mode and Automatic Grade Braking to reduce the amount of braking needed while towing or traveling downhill.

**Trailer Sway Control**
This feature helps keep both you and your trailer heading in the same direction, automatically. It detects a swaying trailer and applies both Canyon’s and the trailer’s brakes (if properly equipped) to help bring it back in line.

**Trailer Brake Controller**
For control and easy monitoring of your trailer brakes, Canyon with the available Duramax engine features an integrated Trailer Brake Controller. It’s located within easy reach of the steering wheel for quick adjustments.

**Hill Descent Control**
Activated by pushing a button within easy reach, it uses antilock braking for a smooth and controlled hill descent in rough terrain without you having to touch the brake pedal. (All-Terrain models only.)

**TapShift**
For command over Canyon’s shifting, TapShift puts controls on the shift lever. It’s available only on automatic models.
AVOID TROUBLE DOWN THE ROAD, AND RIGHT IN FRONT OF YOU.

Canyon is the first in its class to offer collision-avoidance technologies often found in luxury vehicles—Forward Collision Alert and Lane Departure Warning. They are engineered to help enhance your awareness of the road and surrounding vehicles.

**DRIVER AWARENESS** Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Canyon Owner’s Manual for more important safety information.

**FORWARD COLLISION ALERT** The available Forward Collision Alert helps warn you when you’re rapidly approaching another vehicle and it appears a collision is imminent.

**STABILITRAK** Canyon’s electronic stability control system helps improve stability by detecting and reducing traction loss.

**CHILD SEAT ACCOMMODATION** On Extended Cab models, the passenger-side rear-seat head restraint can be removed and inserted to extend the seat bottom to provide support for a variety of forward-facing child seats.

**THEFT DETERRENCE** To help ensure that it remains in your possession, Canyon offers theft-deterrence technologies to keep potential thieves at bay.

**TIRE PRESSURE MONITORING SYSTEM** It uses sensors inside the wheels to alert you to the tires’ status and inflation level through the Driver Information Center.

**LANE DEPARTURE WARNING** This available technology alerts you if you wander from your lane without signaling while traveling over 35 mph.

**AIR BAGS** Six standard bags provide protection, including dual-stage frontal, head-curtain side with rollover protection, seat-mounted side-impact and a 360-degree sensor system to ensure proper bag deployment.

PROFESSIONAL GRADE PROTECTION.

Pro Grade Protection is standard on every Canyon. From maintenance to protecting your entire vehicle, you can drive with confidence.

2 INCLUDED MAINTENANCE VISITS WITHIN 2 YEARS/24,000 MILES

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY
WE’RE AS CLOSE AS THE BLUE BUTTON.

Standard for 6 months, the OnStar Guidance Plan² (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pressing the blue OnStar button in your Canyon.

ONSTAR WITH 4G LTE AND BUILT-IN WI-FI® HOTSPOT² Now your Canyon has an available built-in Wi-Fi hotspot, for connecting up to seven tablets, laptops or mobile devices at 4G LTE speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month trial period (3 months of data or 3GB, whichever comes first).

ONSTAR BASIC PLAN¹ With the Basic Plan, you’ve got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You’ll have access to select services, which include limited features of the OnStar RemoteLink mobile app that lets you remote-start your car [if equipped], pinpoint your vehicle on a map on your smartphone and manage your vehicle’s Wi-Fi hotspot [if equipped]. Plus, send a destination to your in-vehicle navigation screen and lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by e-mail.

AUTOMATIC CRASH RESPONSE In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can’t ask for it.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of immediate connectedness into your vehicle to see if you need help—even if you can’t ask for it.

ROADSIDE ASSISTANCE² If you’re stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor who is trained to direct emergency services to your exact location and offer critical assistance. One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

STOLEN VEHICLE ASSISTANCE² If your vehicle is stolen, OnStar can use GPS to pinpoint and work with authorities to quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from restarting.

ONSTAR VEHICLE DIAGNOSTICS With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

REMOTE SERVICES A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It’s technology hard at work to get you back on the road.

HANDS-FREE CALLING Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn’t available. Choose from minute bundles or a minutes-per-month plan.

ONSTAR HANDS-FREE CALLING With the Basic Plan, you've got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You’ll have access to select services, which include limited features of the OnStar RemoteLink mobile app that lets you remote-start your car [if equipped], pinpoint your vehicle on a map on your smartphone and manage your vehicle’s Wi-Fi hotspot [if equipped]. Plus, send a destination to your in-vehicle navigation screen and lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by e-mail.

AUTOMATIC CRASH RESPONSE In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can’t ask for it.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

ROADSIDE ASSISTANCE² If you’re stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

STOLEN VEHICLE ASSISTANCE² If your vehicle is stolen, OnStar can use GPS to pinpoint and work with authorities to quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from restarting.

¹Does not monitor spare tire. ²A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active front air bag. See your Owner’s Manual and child safety seat instructions for more safety information. ³Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ⁴Which service comes first: See dealer for limited warranty details. ⁵Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. Driftar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Mobile app available on select iOS, Android,’ blackberry® and Windows® devices. Services vary by device, vehicle and conditions. The Driftar Vehicle Locate Service can locate Driftar-equipped vehicles, not people. Requires an active OnStar subscription. Driftar Hands-Free Calling requires an existing OnStar service contract and available minutes. Not available in certain markets. Visit onstar.com for coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Plus tax. Credit card payment required for monthly subscriptions. ⁶Phones must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2008 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations. ⁷The OnStar Basic Plan is available for 5 years from the date of delivery of eligible 2015 model year and newer vehicles and is transferable, including Vehicle Diagnostics, Dealer Maintenance Notification and access to limited Driftar RemoteLink mobile app features. The Driftar Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan. Visit onstar.com for vehicle availability, coverage map, details and system limitations. Requires factory-installed remote start. Available 4G LTE Wi-Fi requires compatible mobile device, active Driftar subscription and data plan. Requires factory-equipped vehicle navigation screen. Ability to send a destination to a vehicle’s navigation screen through a smartphone is only available on 2016 model year and newer vehicles. Currently available to OnStar Guidance Plan subscribers in the U.S. only. ⁸Roadside service provided by Allstate Roadside Services. ⁹Services vary by model and conditions. Visit onstar.com for vehicle availability, details and system limitations. **Third-party trademarks are the property of their respective third-party owners, used under agreement.

IT’S NOT ONLY HOW MUCH GEAR YOU CARRY. IT’S HOW YOU CARRY YOUR GEAR.

To help you customize your Canyon, GMC Accessories are engineered and tested to meet our Professional Grade standards.

**BED-MOUNTED BICYCLE CARRIER** This is the upright bike carrier that sets the standard for bike-carrying flexibility and ease of use. It accommodates bike frames up to 3¼” in diameter. Requires GearOn™ Cross Rails. Non-GM warranty. Warranty by Thule.

**ASSIST STEPS** Stylish steps with textured step pads make it easier to get into and out of your Canyon. They’re available in 3” round step bar in black finish or 5” rectangular, with either chrome or black powder-coat finish. Both finishes add great style and excellent corrosion protection.

**GearOn PACKAGES** Canyon is all about helping carry more of your gear with you, so GearOn combines individual accessories into comprehensive packages. For enhanced cargo versatility, the new GearOn Rack System features interchangeable parts to meet your lifestyle and work needs. Your dealer can provide the specifics for the following packages:

- **GearOn Divider Package**—Cargo tie-down rings and a bed cargo divider allow you to divide gear into compartments. Shown top left on page 28.
- **GearOn Bars Package**—Cargo tie-down rings and tiered storage cross rails help you secure cargo of varying shapes and sizes.
- **GearOn Utility Rack Package**—Utility rack stanchions and tiered storage cross rails allow you to haul oversized items.
**BEDLINER** Protect the bed of your Canyon with this durable bedliner. It’s fully ribbed, with a skid-resistant floor to help minimize load shifting. Black with GMC logo.

**TOOLBOX** Canyon’s hardworking toolbox can handle up to 250 lbs of storage. It mounts securely to the bed of your Canyon without drilling. It features a removable sliding tray and an integrated handle that make it easy to remove and carry.

**HOOD PROTECTOR** Canyon’s custom-designed and -molded hood protector deflects road debris while helping to shield the hood of your Canyon. It provides a precise fit by following the contour of the hood.

**TONNEAU COVER** The soft folding tonneau cover is constructed of durable, lightweight black-grained vinyl to help protect truck bed cargo from the elements. The tri-folding design allows for quick and easy installation and removal.

**BODY-COLOR GRILLE** Choose this stylish grille to give your Canyon a monochromatic appearance. The dealer-installed accessory is durable and adds a stylish flair to your Canyon.

**18” WHEELS** Personalize your Canyon with 18” wheels. Stand out from the crowd with accessory wheels (shown on page 27) designed, engineered, tested and approved by GMC Accessories. All wheels feature a brilliant, durable finish and GMC logo center caps.

**PREMIUM FLOOR LINERS** Canyon’s all-new floor liners take all-weather floor-mat coverage further with raised edges to protect floor and trim contours. They provide better carpet protection than other liners and superior fit-and-finish, while their stay-put anchoring system keeps them in place during heavy use. The rear liners feature an easy-to-install and -remove two-piece design.

**POLISHED EXHAUST TIP** Add a sporty appearance to your Canyon with a dual-walled, angle-cut exhaust tip. Available for gas engine models only.

**BED MAT** Reduce cargo shifting with this easy-to-install, nonskid, nylon-reinforced rubber bed mat designed to fit the contours of your Canyon. Fully ribbed construction helps protect your cargo and the truck bed and simplifies cleaning. Withstands extreme temperatures. Tailgate liner available separately.

---

1 Cargo and load capacity limited by weight and distribution. Go to gmcaccessories.com or see your dealer for details.

2 Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For approved tire and wheel combinations and other important information, go to gmcaccessories.com or see your dealer for details.

### Entertainment/Communication/Navigation

- **4.2" Diagonal Color Display**: Includes AM/FM stereo with USB port and auxiliary jack
- **4.2" Diagonal Color Display with IntelliLink**: Includes AM/FM stereo with USB port, auxiliary jack, Bluetooth streaming audio for music and most phones, hands-free smartphone integration, Pandora internet audio and voice-activated technology for radio and phone. Includes available OnStar 4G LTE.
- **8" Diagonal Touch-Screen with IntelliLink**: Includes AM/FM/SiriusXM with 3-month trial with USB port, auxiliary jack, text-message alerts, Siri Eyes Free functionality through voice command, Bluetooth streaming audio for music and most phones, hands-free smartphone integration, Apple CarPlay, Pandora internet radio and voice-activated technology for radio and phone. Requires Siri Eyes Free-enabled device.
- **8" Diagonal Touch-Screen Navigation with IntelliLink**: Includes AM/FM/SiriusXM with a 3-month trial with USB port, auxiliary jack, text-message alerts, Siri Eyes Free functionality through voice command, Bluetooth streaming audio for music and most phones, hands-free smartphone integration, Apple CarPlay, Pandora internet radio and voice-activated technology for radio and phone. Requires Siri Eyes Free-enabled device.

### Audio System USB Port

Audio system USB port located inside center console

### USB Charging Ports

2 located on rear of center console

### OnStar 4G LTE

5-year Basic Plan and 6 months of Guidance Plan. On Canyon models, included and only available with 4.2" diagonal color display with IntelliLink.

### OnStar 4G LTE Wi-Fi hotspot capability

With 3-month/3GB trial, whichever comes first. On Canyon models, included and only available with 4.2" diagonal color display with IntelliLink.

### SiriusXM Satellite Radio

Includes 3 trial months of service

### Key

- **Standard**: Available
- **Not Available**: Not available

1) 2WD Extended Cab only. 
2) Not compatible with all devices.
4) Go to my.gmc.com/learn to find out which phones are compatible with the vehicle. 
5) Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations. 
6) You subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM satellite service is available only to those in the 48 contiguous USA and D.C. 
7) Vehicle user interface is a product of Apple Inc. and Apple's terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. 
8) Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. 
9) SiriusXM Basic Plan is available for 5 years from the date of delivery of eligible 2015 model year and newer vehicles and is transferable, including Vehicle Diagnostics, Dealer Maintenance Notification and access to limited OnStar Remoteld, link mobile app features. The OnStar Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan. Visit onstar.com for vehicle availability, coverage map, details and system limitations. Requires factory-installed remote start. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Requires factory-equipped vehicle navigation screen. Ability to send a destination to a vehicle’s navigation screen through a smartphone is only available on 2016 model year and newer vehicles. Currently available to OnStar Guidance Plan subscribers in the U.S. only. 
10) Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. 
12) In the event of a crash, your vehicle may transmit an emergency signal to OnStar. OnStar may contact you to verify whether you need emergency services. This feature is available on 2016 model year and newer vehicles. Requirements include: active OnStar service plan, active OnStar subscription, and data plan. 
13) The OnStar 4G LTE Wi-Fi hotspot includes a 3-month/3GB data trial, whichever comes first, on Canyon models, included and only available with 4.2" diagonal color display with IntelliLink. 
14) The OnStar Basic Plan is available for 5 years from the date of delivery of eligible 2015 model year and newer vehicles and is transferable, including Vehicle Diagnostics, Dealer Maintenance Notification and access to limited OnStar Remoteld, link mobile app features. The OnStar Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan. Visit onstar.com for vehicle availability, coverage map, details and system limitations. Requires factory-installed remote start. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Requires factory-equipped vehicle navigation screen. Ability to send a destination to a vehicle’s navigation screen through a smartphone is only available on 2016 model year and newer vehicles. Currently available to OnStar Guidance Plan subscribers in the U.S. only. 
15) Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. 
17) In the event of a crash, your vehicle may transmit an emergency signal to OnStar. OnStar may contact you to verify whether you need emergency services. This feature is available on 2016 model year and newer vehicles. Requirements include: active OnStar service plan, active OnStar subscription, and data plan. 
18) In the event of a crash, your vehicle may transmit an emergency signal to OnStar. OnStar may contact you to verify whether you need emergency services. This feature is available on 2016 model year and newer vehicles. Requirements include: active OnStar service plan, active OnStar subscription, and data plan. 

### Exterior Styling and Functionality

- **Bumper**: Rear chrome with integrated corner steps
- **Door Handles**: Black
- **Body-color**: Chrome
- **Fog Lamps**: Front

- **Theft-Deterrent System**: Unauthorized entry. On Canyon models, included and only available with Canyon Convenience Package.
IMPORTANT WORDS

GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines used in GMC products may also be used in other GM makes and models. We sometimes find it necessary to produce GMC vehicles with different or differently sourced engines. Some standard content may be deleted with fleet orders. See dealer for details.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the world of satellite radio. Visit siriusxm.com for details.

SiriusXM Satellite Radio3 is standard on select Canyon models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar service required. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It’s easy to sign up. Just go to gm.com/gmownercenter/gmc.

ADDITIONAL NOTES A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines used in GMC products may also be used in other GM makes and models.

GMC.COM See more of Canyon on our website: gmc.com/canyon. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-888-GMC-8782.
