*2017 Audi A5 2.0T Sport Cabriolet shown in Daytona Gray pearl with available equipment.*
2017 Audi A5 2.0T Sport Coupe shown in Florett Silver metallic with available equipment.

At first, it was only a sketch. Over time, those lines became a dynamic statement of form, creating the striking, unmistakable silhouette of the Audi A5. It’s a fluid look, framed by a signature Singleframe® grille, illuminated by standard LED daytime running lights and shaped by its iconic roofline. Standard enlarged S line® competition plus bumpers add a muscular look to the vehicle while paying homage to the spirit of Audi Sport® heritage, proving that you can make history off a single sketch on paper.

2017 Audi A5 2.0T Sport Coupe shown in Daytona Gray pearl with available equipment.
Getting inside your comfort zone.

As we see it, you can expand your horizons on the road, but on the inside, you should revel in modern luxury. Our interior design emphasizes form and functionality, with controls intuitively placed at your fingertips. The driver-centric cockpit with a flat-bottom three-spoke multifunction sport steering wheel with shift paddles is a way to help ensure you’re navigating the vehicle’s capabilities while finding the way to your comfort zone.
2017 Audi A5 2.0T Sport Coupe shown with Black leather and available equipment.
Indulge in a world seen and felt with the top down in your Audi A5 2.0T Sport Cabriolet. Day or night, with wind gliding past you, discover a thrilling connection to the world around you—while enjoying the finer things on the inside, like standard leather seating surfaces. With its design, precision and details like a power-retractable roof, the A5 2.0T Sport Cabriolet is bringing sleek style to the open road.

Active rollover protection system

In the event that your Audi A5 2.0T Sport Cabriolet rolls over, sensors deploy two pop-up roll bars from hidden compartments in the rear. Reinforced A-pillars up front and safety belt pretensioners also help protect passengers. It's another way we keep innovative design a priority.
Give peace of mind a chance.

We understand that you can’t control everything you experience on the road. That’s why we’ve engineered innovative solutions to help provide a safer road experience. This includes added strength and safety features in the vehicle, such as rigid occupant safety cell and advanced airbag technologies1 and an active rollover protection system in the Cabriolet model—setting your mind a little more at ease.

1. Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts, and seat children only in the rear, using restraint systems appropriate for their size and age.
Not reliant on
good looks alone.

The thrill of driving lies where power meets confidence. With standard quattro® all-wheel drive, you can experience the intensity of its precision handling. And with the added delivery of power through an available eight-speed Tiptronic® automatic transmission or six-speed manual transmission in the Coupe or standard Tiptronic® in the Cabriolet, you can have the engineering you need to unleash your vehicle’s true character.

// Engine
2.0-liter TFSI® turbocharged four-cylinder engine.
220 hp / 258 lb-ft.

// Drivetrain
Six-speed manual with quattro® all-wheel drive (Coupe only) or available Tiptronic® automatic transmission with quattro® all-wheel drive.

// Performance
Top track speed of 130 mph.¹
0–60 mph in 6.3 sec with manual transmission (Coupe).
0–60 mph in 6.1 sec with Tiptronic® transmission (Coupe).
0–60 mph in 6.6 sec with Tiptronic® transmission (Cabriolet).

2017 Audi A5 2.0T Sport Coupe shown in Suzuka Gray metallic with available equipment.

¹ Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.
While this vehicle may move fast, its design isn’t fleeting. Daring lines stretch the length of the vehicle’s body to give its muscular yet sensual character. Defining the sporty feel are details like quad exhaust tips, S bumpers and Aluminum-optic mirror housings and trim elements that look smart any season.

Dressed for the role it’s destined to play.

S5

2017 Audi S5 Coupe shown in Glacier White metallic with available equipment.

1 Always obey all speed and traffic laws.
In here, character isn’t built. It’s revealed. Sport-contoured seats with Alcantara® or available Fine Nappa leather seating surfaces signify our dedication to craftsmanship while helping hold you through turns. Performance integrity gets even more intriguing with features that help sharpen your control, like a flat-bottom three-spoke sport steering wheel with the S5 insignia emblazoned on it. Taken as a whole, this is an interior that isn’t shy about what it is.
High-performance art that moves you.

// Engine
3.0-liter TFSI® supercharged V6 engine.
333 hp / 325 lb-ft.

// Drivetrain
Six-speed manual with quattro® all-wheel drive (Coupe only) or available seven-speed S tronic® dual-clutch automatic transmission with quattro® all-wheel drive.
Available sport differential.

// Performance
Top track speed of 155 mph.
0-60 mph in 4.9 sec (Coupe).
0-60 mph in 5.3 sec (Cabriolet).

A supercharged 3.0-liter TFSI® V6 engine sits comfortably under the hood of the Audi S5, and can produce 333 horsepower and an exhilarating 325 lb-ft of torque, to propel the S5 Coupe to 60 mph in just 4.9 seconds. Experience the heart and soul of Audi Sport® performance cars through the sport-tuned suspension that is ready for the street or the track. We wanted to make sure the thrill you feel behind the wheel was as powerful as possible.2

1 Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws. 2 Always obey all speed and traffic laws.
Our vision of live sound.

When we set out to compose an incredibly precise sound system, we didn’t want you to just hear every note. We wanted you to experience them. From perfectly sculpted high notes to a crystal-clear mid-range to deep-diving lows, the available 505-watt Bang & Olufsen® Sound System delivers a stunning recreation of sound that you can feel as much as hear. So whether you’re in the mood to be soothed, engaged or inspired, you can expect an immersive experience that can only be matched by the precision driving of your Audi.

1 Voice control system not available for Cabriolet models. 2 Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect® services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. 3 Always pay careful attention to the road, and do not drive while distracted. The Wi-Fi® hotspot feature is intended for passenger use only. Audi connect® features and technologies are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. See materials provided by wireless carrier for terms, privacy, data security details. Returnig devices connect automatically and use plan data unless hotspot is removed from device settings.

The soul of a new machine.

Stay connected even when you’re on-the-go with the power of the available Audi connect®. Looking for interesting events in your area? Hoping to avoid heavy traffic? Want to keep passengers entertained with an in-vehicle Wi-Fi® hotspot? Audi connect has you covered with a robust portfolio of services with the means to inform, entertain and get you to where you want to go.
A. Rear lip spoiler | Not just for visual appeal, it also delivers a true performance benefit.

B. Flat-bottom three-spoke multifunction sport steering wheel | Stay in charge of the entertainment as you access your MMI system while keeping both hands on the wheel.

C. Retractable acoustic power-folding soft top (Cabriolet) | Take advantage of clear skies for as long as the sun is out.

D. Available Audi connect® with Google Earth™ mapping service1

E. Available Audi side assist | Helping you stay informed about what is approaching from the side or the rear.2

F. Three-zone automatic climate control | Helping keep your passengers cozy with climate-control function keys.

G. Available adaptive xenon plus headlights

H. LED taillights

I. Split folding rear seatbacks

J. Panoramic tilting sunroof (Coupe) | Get a nearly unimpeded view of the sky and a feeling of infinite headroom.

1 Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect® services and features are optional, provided with the support of affiliated affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details.

2 The features discussed are not substitutes for attentive driving. Always check surrounding traffic and use turn signals. Please see your owner’s manual for further details and important limitations.
Audi Genuine Accessories

You're a try-anything-once, never-sit-still, give-it-your-all kind of person. Life doesn't just string you along; you strive to take life further. Audi Genuine Accessories can help you do just that. For personalizing, help in protecting and showing your Audi pride, our accessories were designed with you in mind.

Now for the finishing touches.

A. Ski and snowboard racks
   These racks help transport your equipment to the slopes. The standard attachment (shown) holds two sets of skis or two snowboards. A deluxe attachment, sold separately, holds up to three sets of skis or four snowboards.

B. Aluminum bike rack
   Help protect your other ride. This locking holder fits 20- to 80-mm bike frames with both wheels on the bike and helps keep the bike upright as you secure it in place.

C. Compact cargo carrier
   Extra gear won't take up valuable cargo space with our aerodynamic carrier that offers a generous 10.5-cu-ft capacity. Size: 76" long, 26" wide, 15" high.

1 All roof-rack system attachments require the base carrier bars. All attachments sold separately. Recreational equipment, sporting equipment and luggage not included.
When driving during cold, snowy, or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Even with appropriate tires, you must always drive in a manner appropriate for the weather, visibility and road conditions.
You could call it a classic, or a power color. Whatever you choose to call it, it's undeniable that the Audi A5 2.0T Sport Coupe with the available Black optic package or Audi S5 Coupe with the available Black optic or Black optic plus package creates an indelible impression. Gloss Black elements enhance the bold exterior from its Singleframe® grille to window trim surrounds to either special 19” or 20” Audi Sport® design wheels with either Gloss Black or Matte Titanium finish. No matter the trend of the moment, you can engage in a sporty look that will always keep you looking on point.

Dive deeper into the technical specifications, trim levels and technologies of the Audi A5 2.0T Sport through the Audi library app or web viewer. Download the Audi library app on the App Store® or Google Play™ store, or visit Audiusa.com/brochures to explore a repository containing Audi informational materials—including a look at the 2017 Audi A5 2.0T Sport.
A5 2.0T Sport Coupe/Cabriolet

Featured highlights

Exterior
- 18" Audi Sport® 10-spoke design wheels with 245/40 all-season tires
- Xenon plus headlights with LED daytime running lights
- Headlight washing system
- LED taillights
- Power-adjustable heated exterior side mirrors
- S line® competition plus bumpers with enlarged air intakes, Gloss Black S line® side sills, S line® emblems and rear diffuser
- Rear lip spoiler
- Dual exhaust outlets

Infotainment/Technology
- Driver information system
- Audi concert radio with ten speakers and single CD player with MP3 playback capability
- SiriusXM® Satellite Radio with 90-day trial subscription
- SD card slot with 32GB operating capacity (dual slots if equipped with MMI® navigation plus)
- Audi music interface with iPod® integration
- BLUETOOTH® wireless technology preparation for compatible devices
- Garage door opener (HomeLink®)
- Three 12-volt power outlets
- Cruise control with coast, resume and accelerate features
- Parking system plus (front and rear acoustic sensors)
- Rain/light sensor for automatic windshield wipers and headlights

Interior/Seating
- Three-zone automatic climate control
- Flat-bottom three-spoke multifunction sport steering wheel
- Shift paddles (automatic transmission)
- Tilt and telescopic manually adjustable steering column
- Illuminated locking glove box
- Leather-wrapped shift knob (automatic transmission)
- Folding and sliding front center armrest with height adjustment
- Aluminum Trigon interior inlays
- Aluminum door sill inlays
- Front and rear floor mats
- Power windows with one-touch up/down operation and pinch protection
- Wind deflector (Cabriolet)
- Acoustic folding roof—folds at speeds up to 31 mph (Cabriolet)
- Panoramic tilting sunroof (Coupe)
- Leather seating surfaces
- Ten-way power front seats and four-way power lumbar adjustment for driver
- Split folding rear seatbacks

Safety
- Driver and front passenger dual-stage airbags, front thorax side airbags, knee airbags, and Sideguard® head curtain airbags (Coupe)
- Driver and front passenger dual-stage airbags, knee airbags, and front head/thorax side airbags (Cabriolet)
- Front passenger occupant detection—for airbags
- Active rollover protection system (Cabriolet)
- Lower Anchors and Tethers for Children (LATCH) in rear seats (Lower Anchors only on Cabriolet)
- Electronic Stability Control (ESC) with traction control (ASR)
- Anti-lock Brake System (ABS) with Electronic Brake-pressure Distribution (EBD) and brake assist
- Tire-pressure monitoring system
- Electromechanical parking brake

Stand-alone options

- Dark Brown Walnut Wood interior inlays
- Fine Grain Ash Natural Brown Wood interior inlays

Available packages

Technology package
- Adaptive xenon plus headlights with LED daytime running lights and static cornering lights
- MMI® navigation plus with voice control system (voice control system not available on Cabriolet)
- Audi connect® with six-month trial subscription
- Color driver information system
- Bang & Olufsen® Sound System with 14 speakers and 505 watts (12 speakers on Cabriolet)
- HD Radio™ Technology
- SiriusXM® Traffic with four-year subscription
- BLUETOOTH® streaming audio for compatible devices
- Audi side assist
- Rear view camera

Convenience package
- Power-adjustable, auto-dimming, heated exterior side mirrors with memory
- Audi advanced key—keyless start, stop and entry
- Auto-dimming interior rear view mirror with digital compass
- Driver seat memory
- Heated front seats

Sport package
- Sport suspension
- Audi drive select
- Ten-way power front sport seats and four-way power lumbar adjustment for driver and passenger
- Black cloth headliner

Black optic package (Coupe)
- 19" Audi Sport® 10-Y-spoke design Glass Black-finish wheels with 255/35 summer performance tires
- Gloss Black Singleframe® grille
- Gloss Black trim around exterior windows
- Gloss Black exterior side mirror housing

19" Wheel package (Cabriolet)
- 19" Audi Sport® 10-Y-spoke design Glass Black-finish wheels with 255/35 summer performance tires

1-7 See S5 build page for important information regarding low-profile and summer performance tires, SiriusXM® Satellite Radio subscription, MMI® navigation plus, airbags, Audi connect®, Audi side assist and Audi advanced key.

- Gloss Black Singleframe® grille
- Gloss Black trim around exterior windows
- Gloss Black exterior side mirror housings

---

1. Tires are supplied and warranted by their manufacturer. High-performance tires are designed for better performance and handling in warm climates. When driving in cold, snowy or icy weather, you should equip your vehicle with four all-season or winter tires, which offer better traction under those conditions. We suggest you use the Audi-recommended winter or all-season tire specified for your Audi. High-performance tires also have a lower aspect ratio that aids performance and handling. Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles, can cause serious damage to wheels, tires, vehicle body and suspension parts. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires. Please also remember when making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than others. Finally, these tires may wear more quickly than other choices. It is important that the inflation pressure is regularly checked and maintained at recommended levels. 2. SiriusXM® Satellite Radio and SiriusXM® Traffic subscriptions are sold separately or as a package after trial period and are continued until you call SiriusXM® to cancel. See Customer Agreement for complete terms and more information at www.siriusxm.com. SiriusXM® traffic service available in select markets. SiriusXM® U.S. Satellite Service available only to those in the 48 contiguous U.S.A., D.C. and Puerto Rico (with coverage limitations). 3. MMI® navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® navigation plus route. Mapping updates are available at no charge for the first five map updates and are subsequently available on a subscription basis. 4. Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. 5. Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect® services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. 6. The features discussed are not substitutes for attentive driving. Please see your owner’s manual for further details and important limitations. 7. Some Audi models are equipped with a keyless ignition feature. The details as to how the system works can vary, and Audi owners should consult their owner’s literature or an authorized Audi dealer if they have further questions about the operation of this feature. Please note that Audi warns against leaving the vehicle unattended with the engine running, particularly in enclosed spaces. 8. Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.
