- 2017 Audi A8 L 3.0T shown in Florett Silver metallic with available equipment.
It all started with a vision for what Audi stands for, and it became a statement of what we believe. With the A8 L, we’ve crafted our flagship. The pinnacle of engineering and design—from the gleaming illumination of the full LED headlights, graceful proportions and Singleframe® grille to its powerfully assured performance and precision handling. Whether you are moved by its sophisticated technologies or the sculpted power of a standard 333-hp 3.0-liter TFSI® V6 or an available 450-hp 4.0-liter TFSI V8 engine, this is a vehicle propelled by the passion of distinguished drivers—and driven by the vision of passionate engineers.

Driven by distinction, engineered for the distinctive.

Driven by distinction, engineered for the distinctive.

It all started with a vision for what Audi stands for, and it became a statement of what we believe. With the A8 L, we’ve crafted our flagship. The pinnacle of engineering and design—from the gleaming illumination of the full LED headlights, graceful proportions and Singleframe® grille to its powerfully assured performance and precision handling. Whether you are moved by its sophisticated technologies or the sculpted power of a standard 333-hp 3.0-liter TFSI® V6 or an available 450-hp 4.0-liter TFSI V8 engine, this is a vehicle propelled by the passion of distinguished drivers—and driven by the vision of passionate engineers.
Always in our Sunday best.

Casual isn’t in our vocabulary. Audi designers are deliberate in making confident decisions to craft meticulous exterior designs. The Audi A8 L is a work of modern art, apparent in the sleek elegance of the strong lines that highlight the performance capabilities of this vehicle. Attention to detail is demonstrated in the shoulder line, which stretches the design language from the headlights to the taillights, conveying a sense of prestige and virtue in vehicle design that will help keep the A8 L and the driver looking and feeling on point.
Give peace of mind a chance.

We understand that you can’t control everything you experience on the road. That’s why the Audi A8 L was engineered with ten standard airbags¹ and advanced Electronic Stability Control (ESC) with a secondary collision brake assist feature. The A8 L offers ASF® aluminum construction that provides strength, resilience and crumple zones that help mitigate potential injuries.

¹ Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.
Because you know what success feels like.

High-caliber craftsmanship pays dividends in a sophisticated interior that was designed for comfort and feel. Thoughtful ingenuity in arrangement starts with the wraparound curve of the dashboard that spans the entire driving environment. Once seated, you will experience comfort from all sides with details such as dual-pane acoustic glass, which helps reduce outside noise and regulate desired interior temperature with the help of four-zone automatic climate control, and an available heated steering wheel. While you’re at it, feel free to relax, as the elegant yacht-inspired gear selector allows your hand to rest while you operate the MMI® system.
Room for the finer things.

Once you’ve basked in the absolute comfort of the Audi A8 L, niceties will soon turn into necessities. The ample interior includes thoughtful details, refined materials, and overall sophistication that define your driving experience. Lounge in a peaceful sanctuary provided by ambient LED lighting, and ease into available 22-way driver and front-passenger comfort seats with ventilation and massage function. And let your passengers equally enjoy the ride with the available Rear Seat Comfort package with power outboard rear seats with lumbar adjustment, ventilation and massage functions plus front-passenger power seat adjustment from the rear. Each time you enter the cabin of the A8 L, you will feel that you are in a true executive sedan.
Confidence is a draw—and a result. The sophisticated performance of the Audi A8 L is enhanced by either a supercharged 3.0-liter TFSI® V6 or an available turbocharged 4.0-liter TFSI V8 engine with cylinder on demand™ engine efficiency technology\(^1\) and an eight-speed Tiptronic® automatic transmission. With the road-gripping capability of the quattro® all-wheel drive system applying that power, driving the A8 L can feel as confident as its engineering.

### Engine
- **3.0-liter TFSI® supercharged V6 engine.**
  - 333 hp / 325 lb-ft.

### Drivetrain
- Eight-speed Tiptronic® automatic transmission with quattro® all-wheel drive.
- Available dynamic steering and sport differential.

### Performance
- Top track speed of 130 mph.\(^2\)
- 0-60 mph in 5.5 sec.

### Engine
- **4.0-liter TFSI® turbocharged V8 engine.**
  - 450 hp / 444 lb-ft.

### Drivetrain
- Eight-speed Tiptronic® automatic transmission with quattro® all-wheel drive.
- Available dynamic steering and sport differential.

### Performance
- Top track speed of 130 mph.\(^2\)
- 0-60 mph in 4.4 sec.

2017 Audi A8 L 4.0T Sport shown in Monsoon Gray metallic with available equipment.

\(^1\) 2017 EPA estimates not available at time of publication. See www.fueleconomy.gov for 2017 EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.  
\(^2\) Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.
In the case of the propulsive Audi S8 plus, the plus means we’ve packed more than 151 horsepower per liter into this singular vehicle. Outperforming even our own lofty expectations of what sport performance can be, the S8 plus boasts an incredible 605 hp and up to 553 lb-ft of torque with overboost in its 4.0-liter TFSI® V8 engine, getting you from 0–60 mph in a mere 3.7 seconds. Adding to its impressive credentials, Audi adaptive air suspension and dynamic steering have been retuned to expertly fit its capabilities.

Even at the top, some feel the need to go higher.

It’s understandable to become seduced by the Audi S8 plus. A sleek exterior design is accentuated with an available Florett Silver matte paint effect and three Audi Sport® 21” 5-double-arm design wheel finish options in titanium, silver or high-gloss black. Available gloss black elements such as window surrounds, rear diffuser and the Singleframe® grille add to the allure and draw of going past where you felt sport could go.

### Engine
- 4.0-liter TFSI® turbocharged V8 engine.
- 605 hp / up to 553 lb-ft with overboost.

### Drivetrain
- Eight-speed Tiptronic® automatic transmission with quattro® all-wheel drive.
- Dynamic steering, sport differential and available sport exhaust.

### Performance
- Top track speed of 155 mph (optionally increased to 190 mph when equipped with the available Dynamic package).1
- 0–60 mph in 3.7 sec.

2017 Audi S8 plus shown in Florett Silver matte with available equipment.

1. Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.
With great power, comes great prestige.

And when it comes to gaining prestige, you have to be judicious in your decisions. Exclusive to the Audi S8 plus, an available Audi design selection includes Black Valcona leather seats with Arras Red contrast stitching and seat piping as well as a standard Black Alcantara® headliner. Not-so-subtle details like Carbon Twill, Red inlays and a Piano Black gear selector add to the jaw-dropping points you will see every time you get behind the wheel.
No need to suspend your confidence.

Unleash your S8 plus to its top performance potential with the available Dynamic package. Embrace design elements such as a carbon fiber rear lip spoiler and a sport exhaust system with black outlets, plus performance enhancers like front and rear Audi ceramic brakes and a top speed-limit of 190 mph.

S8 plus

Un engineered sport-tuned Audi adaptive air suspension allows for speed-dependent lowering of the body, resulting in a lower center of gravity that helps improve your directional stability. Speed or driver-selectable control logic adjusts the air suspension springs at all four wheels, adjusting the suspension in milliseconds.

2017 Audi S8 plus shown in Florett Silver matte with available equipment.

1 Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.
On our radar, off your nerves.

Knowing that you can process only so much information at once, we set out to provide you with driving technologies that can lighten the sensory load. With available advanced technologies like night vision assistant, which uses infrared technology, or Audi side assist, which utilizes radar sensors to help inform you of vehicles approaching from the side, our innovations help keep you aware of your surroundings.

Audi uses extra sensors for better perception.

1. The features discussed are not substitutes for attentive driving. Please see your owner’s manual for further details and important limitations. 2. Standard text and data usage rates apply.
Our focus is your focus.

Let’s face it—in our modern lives, we are constantly pulled into different directions. To help combat this, the MMI® system offers a wealth of accessible information with a simple touch. A natural extension of your hand, MMI touch with handwriting recognition offers the ability to give commands and retrieve media with just a few simple strokes on the pad. You’ll quickly have access to information such as music files, contact information and destinations. And the possibilities are even bigger as you engage with the functions and features of Audi connect®.

1. Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details.
The orchestra rises for your applause.

When we set out to compose the most precise sound system we’ve ever assembled, we didn’t want you to just hear every note. We wanted you to experience them. From sculpted high notes to a crystal-clear mid-range to deep-diving lows, the available Bang & Olufsen® Advanced Sound System delivers a stunning recreation of sound that you can feel as much as hear. Innovative sound engineering can also be found in the BOSE® Surround Sound System, which effortlessly brings a performance to life. So whether you’re in the mood to be soothed, engaged or inspired, you can expect an immersive experience that can only be matched by the precision driving of your Audi.

1. Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Available on selected models. Certain services collect location information. See Terms of Service for information about how to disable and for other details. 2. Always pay careful attention to the road, and do not drive while distracted. The Wi-Fi® hotspot feature is intended for passenger use only. The materials provided by wireless carriers for terms, privacy, and data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings.
A. Available panoramic sunroof | Connecting with your surroundings has never been easier.

B. Standard 18-way front seats | Find the contour that suits you, including comfort front and rear head restraints.

C. Gear selector design | The yacht-style gear selector provides a point to rest your wrist while engaging the MMI® system.¹

D. Four-zone automatic climate control

E. Available Valcona leather with diamond stitching

F. Exterior LED lighting technology | Full LED headlights and LED taillights form a distinctive look and provide long-lasting illumination.

G. Available rear seat entertainment | Rear seat occupants can control and display a wealth of media choices.

H. Available Audi Sport® 21" 10-V-spoke design wheel

I. Integrated twin-trapezoidal exhaust outlets

J. Available Rear Seat Comfort package | Passengers can enjoy power rear outboard seats with lumbar adjustment, ventilation and massage functions.

¹ Before exiting the vehicle, always make sure the vehicle is shifted into Park, and the parking brake is set. See owner’s manual for important details.
You're a try-anything-once, never-sit-still, give-it-your-all kind of person. Life doesn't just string you along; you live to take life further. Audi Genuine Accessories can help you do just that. For personalizing, help in protecting and showing your Audi pride, our accessories were made for your lifestyle.

A. 20" 5-arm parabolic wheel and tire package
An elegant, open design with five parabolic arms, each described by one thin and one medium blade. The blades and rim edge are machined to a bright finish, and the remaining surfaces are graced by a rich anthracite tone. Every Audi alloy wheel design is engineered, manufactured and tested to meet rigorous factory standards.

B. Cleaning technologies
Our Cockpit Care, Plastic Cleaner, Active Foam Cleaner, Wash & Wax Shampoo, Insect Remover and Wheel Rim Cleaning Gel are specially formulated for use with Audi interior and exterior materials.

C. Indoor car cover
A lightweight, easy-to-use cover helps protect the finish of your A8 L. Intended for indoor use only. Storage bag included.

D. Audi beam
Show your Audi pride with this lens that replaces the original entry light under your vehicle’s door. When the door is open, the lens projects the four rings logo on the ground. Also available with the quattro® logo.

1 Not available in all states. Check with your authorized Audi dealer for product availability.
Audi Genuine Sport and Design Accessories
For a bolder appearance or a finishing touch, we have a solution that helps make every mile more enjoyable—and more yours.
- Stylish wheel designs
- Audi beam

- Leather care
- Detailing tools
- Winter protection

Visit parts.audiusa.com for more.

A. 19” A8 L/S8 plus winter wheel and tire package
Adding style and performance, this winter wheel and tire package features Audi Original winter tires specifically engineered to help improve traction and handling in a variety of winter weather conditions. See your authorized Audi dealer for details.

B. All-weather floor mats
The all-weather floor mats feature a deep-ribbed, channeled design that helps protect your vehicle’s floor and carpeting from the elements. Black mats are available in sets of two for front or rear. Front mats feature the A8 logo.

C. All-weather cargo mat
Custom fit for your A8 L, the raised outside edge of the cargo mat helps contain spills and protect cargo-area carpeting from stains. The textured material helps control load shifting.

D. First aid kit
In the event of an emergency, you may want these essentials close at hand. Includes an emergency blanket, burn/wound dressings and much more.

E. Paint protection film
This custom-fit transparent film helps protect the rear bumper from scratches while loading and unloading. It can also be applied to the front of the vehicle to help prevent damage from rocks and other road debris.

F. Men’s leather chronograph watch
Add a little extra style to your everyday attire. This watch has a black leather band, a gray dial, a chronograph function and the Audi rings logo.

G. Oakley® Tech Sport Duffle
This duffle fits the bill for a long weekend or forgetting your gear to the gym. Fabric handles and a padded shoulder strap offer versatile and comfortable carrying options, while an ample main compartment and multiple specialized pockets inside and out offer accessibility and organization. 26.25” W x 11.25” D x 12.5” H.

H. Ladies’ half-zip mock neck by Spyder®
Moisture-wicking, quick-drying, slim-fit material provides plenty of comfort. Features the Spyder® and Audi Sport® logos and is available in black, red, gray or white.

Visit audicollectionusa.com for more.
Black optic package

Black is still the new black.

You could call it a classic—or a power color. Whatever you choose to call it, it’s undeniable that the Audi A8 L with the available Black optic package creates an indelible impression. Bold gloss-black elements enhance the striking exterior from its Singleframe® grille to window trim surrounds to the Audi Sport® 20" 5-double-spoke design wheel with titanium finish. No matter the trend of the moment, you can engage in a distinguished look that will always keep you looking stylish.

- Dynamic steering

---

1 Tires are supplied and warranted by their manufacturer. High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tire specified for your car or its equivalent. It is important that the inflation pressure is regularly checked and maintained at optimum levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. 2 MMI® navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® navigation plus route. For mapping updates please see your Audi dealer or call 1-800-333-4Audi for details.
3 Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect® services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details.
4 See Owner’s Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. 5 The features discussed are not substitutes for attentive driving. Please see your owner’s manual for further details and important limitations. © 2017 EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

- Rear-seat pass-through

**Driver Assistance package**
- Audi adaptive cruise control with stop & go
- Audi active lane assist
- Audi pre sense® plus

**Black optic Exterior package**
- Gloss black Singleframe® grille, side window trim and rear diffuser
- Carbon front and rear blade fins
- Carbon exterior side mirror housings
- LED taillights with darkened taillight lenses

**Audi design selection, Black with Arras Red stitching**
- Black Valcona leather seating with contrasting Arras Red diamond stitching and piping
- Full Leather package
- Piano Black shift lever
- Carbon Twill, Red upper inlays

**Audi design selection, Vermont Brown**
- Vermont Brown Valcona leather seating with contrasting Granite Gray diamond stitching and piping
- Full Leather package
- Piano Black shift lever
- Carbon Twill, Copper upper inlays

**Dynamic package**
- Audi ceramic brakes, front and rear
- Carbon fiber rear lip spoiler
- Sport exhaust system with black outlets
- Top track speed of 190 mph

---

1 2017 EPA estimates not available at time of publication. See www.fueleconomy.gov for 2017 EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. 2 Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws. 3 Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.
Wheels
Wheel options will vary based on model, trim level and package and may increase price. See your dealer for details.

20" 10-spoke-star design
Audi Sport® 21" 10-V-spoke design
