PRECISION MATTERS

It matters in every pound-foot of torque, every millimeter of fit and finish and every decibel of quiet. That's what drives us to reimagine solutions and create rewarding driving experiences. A premium example is the 2017 Yukon. Its EcoTec3 engines offer proven V-8 power and efficiency, while its suspension is engineered for uncompromising ride and handling. Inside, a quiet cabin welcomes you with premium materials and ingenious technologies.

YUKON IN ALL ITS FORMS.

Precision means many things. One of them is having the right amount of room to fit your life. So, we've designed Yukon and Yukon XL to do just that. Both models offer the option of seating for up to nine. Need extra space? Choose Yukon XL and gain additional cargo room behind the first, second and third rows. Your second- and third-row passengers will also benefit from the comfort of generous leg room. Yukon is available in Denali, SLT and SLE trim levels so you can tailor the amenities to suit your style.

XL SLT

YUKON XL DENALI IN WHITE FROST TRICOAT
shown with available equipment.

DENALI

MAKES A STATEMENT.

The ultimate expression of Professional Grade arrives in the form of Yukon Denali. Signature Denali styling begins with its three-dimensional grille, projector-beam HID headlamps and chrome accents and continues with available 22" wheels and optional power-retractable assist steps with perimeter lighting.

+ DISTINCTIVE DENALI GRILLE

+ POWER-RETRACTABLE ASSIST STEPS WITH PERIMETER LIGHTING (AVAILABLE)

+ PROJECTOR-BEAM HIGH-INTENSITY DISCHARGE (HID) HEADLAMPS

+ FRONT AND REAR GMC LED SIGNATURE LIGHTING

WHISPERS PREMIUM.

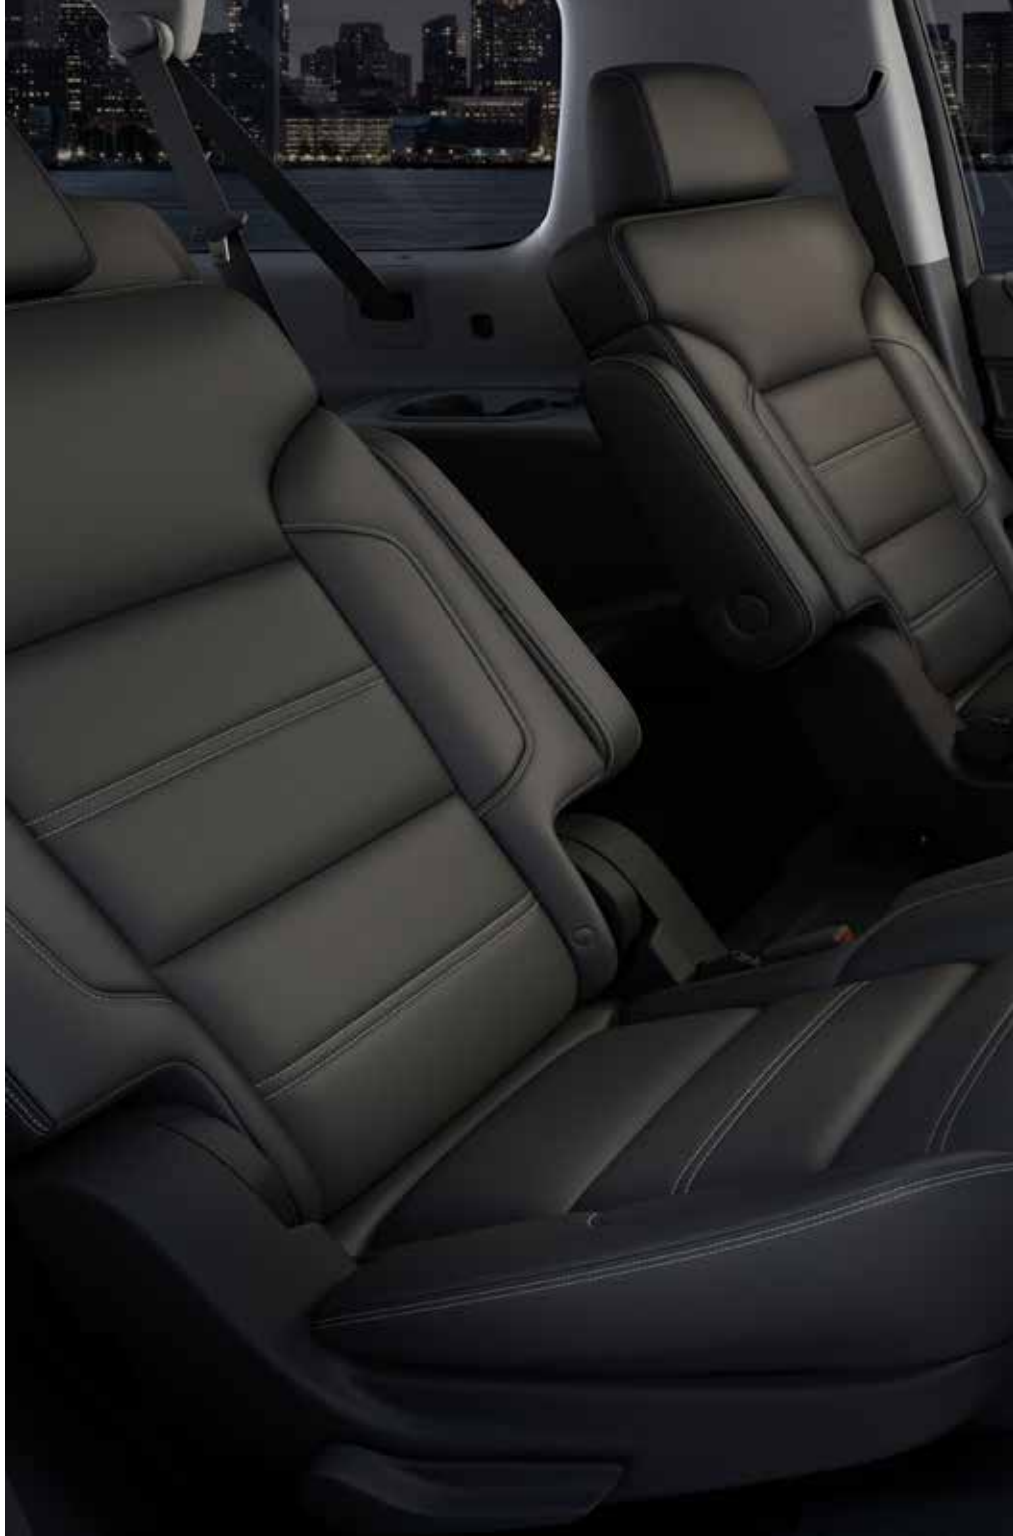
Yukon Denali raises the standard for quietness. Acoustic laminated windshield and front door glass, triple door seals, an engine compartment barrier and damping materials in the floor sheet metal all help keep noise from entering the cabin. Yukon Denali adds Bose® Active Noise Cancellation to help tune out additional engine noise. As a result, you'll enjoy the quietest Yukon ever. In Yukon Denali, premium surroundings abound thanks to authentic materials and exacting details.

+ BURNISHED ALUMINUM TRIM

+ CONTRASTING FRENCH SEAM STITCHING

+ JAVA BURL POPLAR WOOD GRAINS

+ PERFORATED FIRST- AND SECOND-ROW LEATHER-APPOINTED SEATING



YUKON DENALI INTERIOR IN JET BLACK
shown with available equipment.

SLT

STANDS OUT. EXCEPT TO THE WIND.

Yukon SLT was designed for efficient aerodynamics. The goal was to make it feel smaller to the wind for reduced noise and improved efficiency. Bold, sculpted lines glide from the three-dimensional grille and over the inlaid doors for smooth, uninterrupted airflow.

+ INLAID DOORS REDUCE WIND NOISE

+ LIFTGATE SPOILER CONCEALS WIPER TO REDUCE DRAG FOR IMPROVED EFFICIENCY

+ ACOUSTICALLY LAMINATED WINDSHIELD AND FRONT DOOR GLASS ENHANCES QUIETNESS

+ NEW ACTIVE AERO GRILLE SHUTTERS

+ SLT PREMIUM EDITION INCLUDES ALL OF THE ABOVE PLUS 22" CHROME WHEELS, BRIGHT BODYSIDE MOLDINGS, CHROME GRILLE AND POLISHED EXHAUST TIP

YUKON SLT PREMIUM EDITION IN CRIMSON RED TINTCOAT (left)
YUKON XL SLT IN QUICKSILVER METALLIC (right)
shown with available equipment.

THE COMFORTS OF HOME. AND THEN SOME.

Premium is measured in many ways. In Yukon SLT, it's all about the abundance of authentic materials and ergonomically designed gauges and controls, as well as seating that keeps you and your passengers comfortable every mile of your journey.

+ PUSH-BUTTON KEYLESS START

+ TRI-ZONE AUTOMATIC CLIMATE CONTROLS

+ POWER-ADJUSTABLE PEDALS

+ FRONT HEATED AND VENTILATED PERFORATED LEATHER-APPOINTED SEATING AND SECOND-ROW HEATED SEATS (OUTBOARD ONLY)

+ 12-WAY POWER DRIVER AND FRONT-PASSENGER SEAT ADJUSTER

YUKON SLT INTERIOR IN COCOA/DUNE

MAINTAIN STRONG CONNECTIONS.

Yukon offers a 4G Wi-Fi® hotspot[1] to keep you connected, informed and entertained—on the go. There's also the Color Touch Audio System with IntelliLink,[2] featuring an 8" diagonal display and seamless hands-free integration of digital devices. Yukon Denali adds a Customizable Driver Display so you can choose the information you see and how you see it. Denali also offers a Bose Centerpoint® surround sound system and a four-color Head-Up Display to help keep your eyes focused on the road.

+ DENALI INCLUDES AN 8" DIAGONAL CUSTOMIZABLE DRIVER DISPLAY

+ WIRELESS CHARGING MAT[3] KEEPS YOU POWERED UP (AVAILABLE)

+ BLUETOOTH®[4] HANDS-FREE AUDIO STREAMING

+ NEW TEEN DRIVER MODE HELPS SUPPORT SAFE DRIVING HABITS

[1]Requires a compatible mobile device, active OnStar service and data plan. 4G service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plan provided by AT&T.® [2]Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. [3]The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adapter or back cover. To check for phone or other device compatibility, visit my.gmc.com/learn for details. [4]Go to my.gmc.com/learn to find out which phones are compatible with the vehicle.

YOU ONLY HAVE TWO HANDS.

To help you load it up while your hands are full, Yukon Denali and SLT include a hands-free, foot-activated power liftgate. Once the liftgate is open, Yukon makes it easy to lower the second and third rows to create a flat cargo floor. And since we all travel with plenty of things we just can't leave behind, you'll find generous storage compartments, including an expansive center console as well as power outlets, integrated throughout Yukon.

+ THREE-PRONG 110-VOLT OUTLET PROVIDES A CONVENIENT CHARGE

+ UNDER-FLOOR CARGO MANAGEMENT SYSTEM AND CARGO NET KEEP GEAR ORGANIZED AND SECURE

+ HIDDEN STORAGE BEHIND THE CENTER-MOUNTED DISPLAY; INCLUDES USB[1] OUTLET

[1]Not compatible with all devices.

YUKON XL SLT INTERIOR IN COCOA/DUNE
shown with available equipment.

GOES FROM PEOPLE TO CARGO IN UNDER 5 SECONDS. FLAT.

With the touch of a button, Yukon's available third-row power fold-flat seats turn generous passenger room into an equally generous cargo area. For even more flexibility, second-row seats offer an easy-to-use, power-release fold-and-tumble feature. It's a luxury combination no other competitor offers. To provide second-row passengers with easier access, Yukon is designed with large second-row doors.

+ SEAT UP TO EIGHT WITH A SECOND-ROW BENCH SEAT OR UP TO NINE IN SLE WITH FIRST-ROW BENCH SEAT

+ LOWER THE SECOND AND THIRD ROWS FOR A FLAT CARGO AREA

+ HEIGHT-ADJUSTABLE POWER LIFTGATE IS AVAILABLE FOR ACCESS TO THE CARGO AREA

TECHNOLOGY AT YOUR FINGERTIPS, YOUR EYES, YOUR EARS AND ESPECIALLY YOUR VOICE.

The idea behind the design and engineering of Yukon is to help you focus solely on the road. That means offering technologies that allow you to keep your eyes on the road while keeping you connected, informed and entertained at the same time.

CUSTOMIZABLE DRIVER DISPLAY Yukon Denali features a reconfigurable gauge cluster with three selectable themes—Standard, Technology and Media. Personalize the 8" diagonal Customizable Driver Display for optimized information placement.

NAVIGATION[1] In response to your voice or touch, Yukon's available Navigation System displays 2-D or 3-D map graphics on the 8" diagonal center-mounted screen. NavTraffic[2] (3 trial months of SiriusXM) incorporates real-time traffic and road conditions, directing you toward the most efficient route.

INTELLILINK[3] Yukon features a standard full-color 8" diagonal screen for easy viewing and hands-free, voice-activated control of your smartphone. Stream music, sync MP3 music, receive vocalized text messages, benefit from Siri® Eyes Free[4] assistance, connect libraries from multiple devices and store phone contacts.

BOSE CENTERPOINT SURROUND SOUND
For the sensation of a live performance, Denali includes a 10-speaker surround sound system with SurroundStage® signal processing. SLT and SLE feature nine premium speakers and a center-mounted subwoofer for rich bass tones and an enhanced listening experience.

FOUR-COLOR HEAD-UP DISPLAY (HUD)
This standard Denali feature projects essential driving information at eye level so your eyes stay on the road.

REAR-SEAT ENTERTAINMENT SYSTEM
This available system includes Blu-ray/DVD player, 9.2" diagonal display, digital headphones, HDMI-hardwired connector as well as the ability to project devices wirelessly. Yukon XL and XL Denali models feature two screens, one specifically for third-row passengers.

WIRELESS CHARGING MAT[5] With available wireless charging conveniently located on the center console, you can power up your compatible phone or device anytime the vehicle is running.

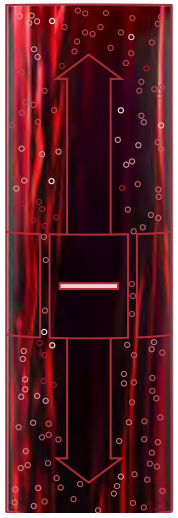
[1]Map coverage available in the United States, Puerto Rico and Canada. [2]If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. Sirius, XM, SiriusXM and all related marks and logos are trademarks of SiriusXM Radio, Inc. [3]Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. [4]Requires IntelliLink and compatible iPhone® running iOS 6 or newer. [5]The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adapter or back cover. To check for phone or other device compatibility, visit my.gmc.com/learn for details.

YUKON DENALI IN MINERAL METALLIC
shown with available equipment.

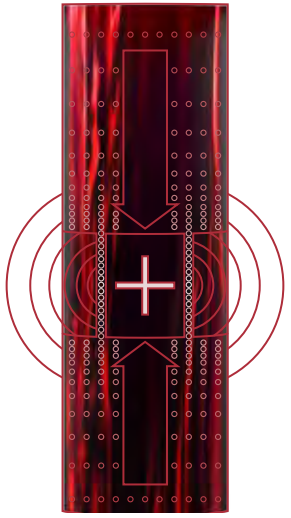
HANDLES THE STRAIGHT AND NARROW. AND THE TWISTS AND TURNS.

Behind the wheel of Yukon, you'll feel confident and in command of the renowned EcoTec3 engine technologies while you and your passengers enjoy a comfortable ride. Yukon Denali goes a step further by adding Magnetic Ride Control (illustrated below), a suspension that speed-reads the road up to 1000 times a second, thinks and responds to road changes before you ever could.

CRUISING
On smooth roads, the iron particles in the patented magnetorheological fluid align to allow for a smooth ride.



CONTROLLED
During cornering or on uneven surfaces, a magnetic field realigns the particles for a more secure, precise driving experience.



PERFORMS FROM A POSITION OF STRENGTH.

From Yukon's fully boxed frame to its EcoTec3 engine family, it is engineered to put you in a constant position of strength, power and efficiency.

ECOTEC3 ENGINES They use Direct Injection (DI), Active Fuel Management (AFM) and continuously Variable Valve Timing (VVT) to deliver exceptional power, efficiency and durability. At 23 mpg highway, the 5.3L V-8 scores the best highway fuel efficiency[1] in a full-size SUV. For more performance, Yukon Denali's 6.2L V-8 produces a class-leading 420 hp and 460 lb-ft of torque.

ACTIVE AERO GRILLE SHUTTERS Grille shutters automatically close to maximize aerodynamic efficiency when conditions are right. The shutters are designed to remain open in situations where maximum airflow is needed.

TRANSMISSIONS The 5.3L V-8 features a Hydra-Matic 6-speed and the 6.2L V-8 is paired with an 8-speed automatic transmission. They both offer the control of a manual and the ease of an automatic with Driver Shift Control.

MAGNETIC RIDE CONTROL On Yukon Denali, it senses changes in the road up to 1000 times a second, instantly adjusting each shock absorber for maximum comfort, control and agility.

CORROSION-RESISTANT DURALIFE BRAKE ROTORS GMC engineers used patented Ferritic Nitro-Carburizing (FNC) technology that can help double rotor life.

FOUR-WHEEL DRIVE Yukon's available four-wheel-drive system allows you to switch between two-wheel drive for optimum fuel efficiency[1] and four-wheel drive for additional traction and control.

FOUR-WHEEL DISC BRAKES The stopping system improves pedal feel for a stronger, more confident braking performance.

FULLY BOXED FRAME Yukon's frame is constructed with 75 percent high-strength steel for maximum people- and cargo-carrying capability.

ELECTRIC VARIABLE-ASSIST POWER STEERING The electric variable-assist power rack-and-pinion steering system improves fuel efficiency[1] versus engine-powered systems.

SHEAR-STYLE BODY MOUNTS Connecting the body to the frame are high lateral-rate and hydraulic body mounts. They provide additional comfort and a smoother, quieter ride.

[1]EPA-estimated mpg: 16 city/23 hwy (2WD), 16 city/22 hwy (4WD), 15 city/22 hwy (XL 4WD) with 5.3L V-8 engine and 15 city/22 hwy (2WD), 15 city/20 hwy (4WD), 14 city/20 hwy (XL 4WD) with 6.2L V-8 engine. Based on GM Large SUV segment.

BECAUSE SOME HOBBIES REQUIRE BIGGER EQUIPMENT.

Everything about Yukon is designed and engineered for ease of travel, including pulling your recreational equipment. Yukon offers a maximum trailer weight rating of up to 8500 lbs.[1]

YUKON SLT IN QUICKSILVER METALLIC
shown with available equipment.

AUTOMATIC LOCKING DIFFERENTIAL This feature directs power to the rear wheel with the most traction on loose gravel or slippery surfaces.

AUTO GRADE BRAKING It automatically senses when you want to slow your Yukon and engages a Grade Braking shift pattern within the transmission to help maintain your desired speed.

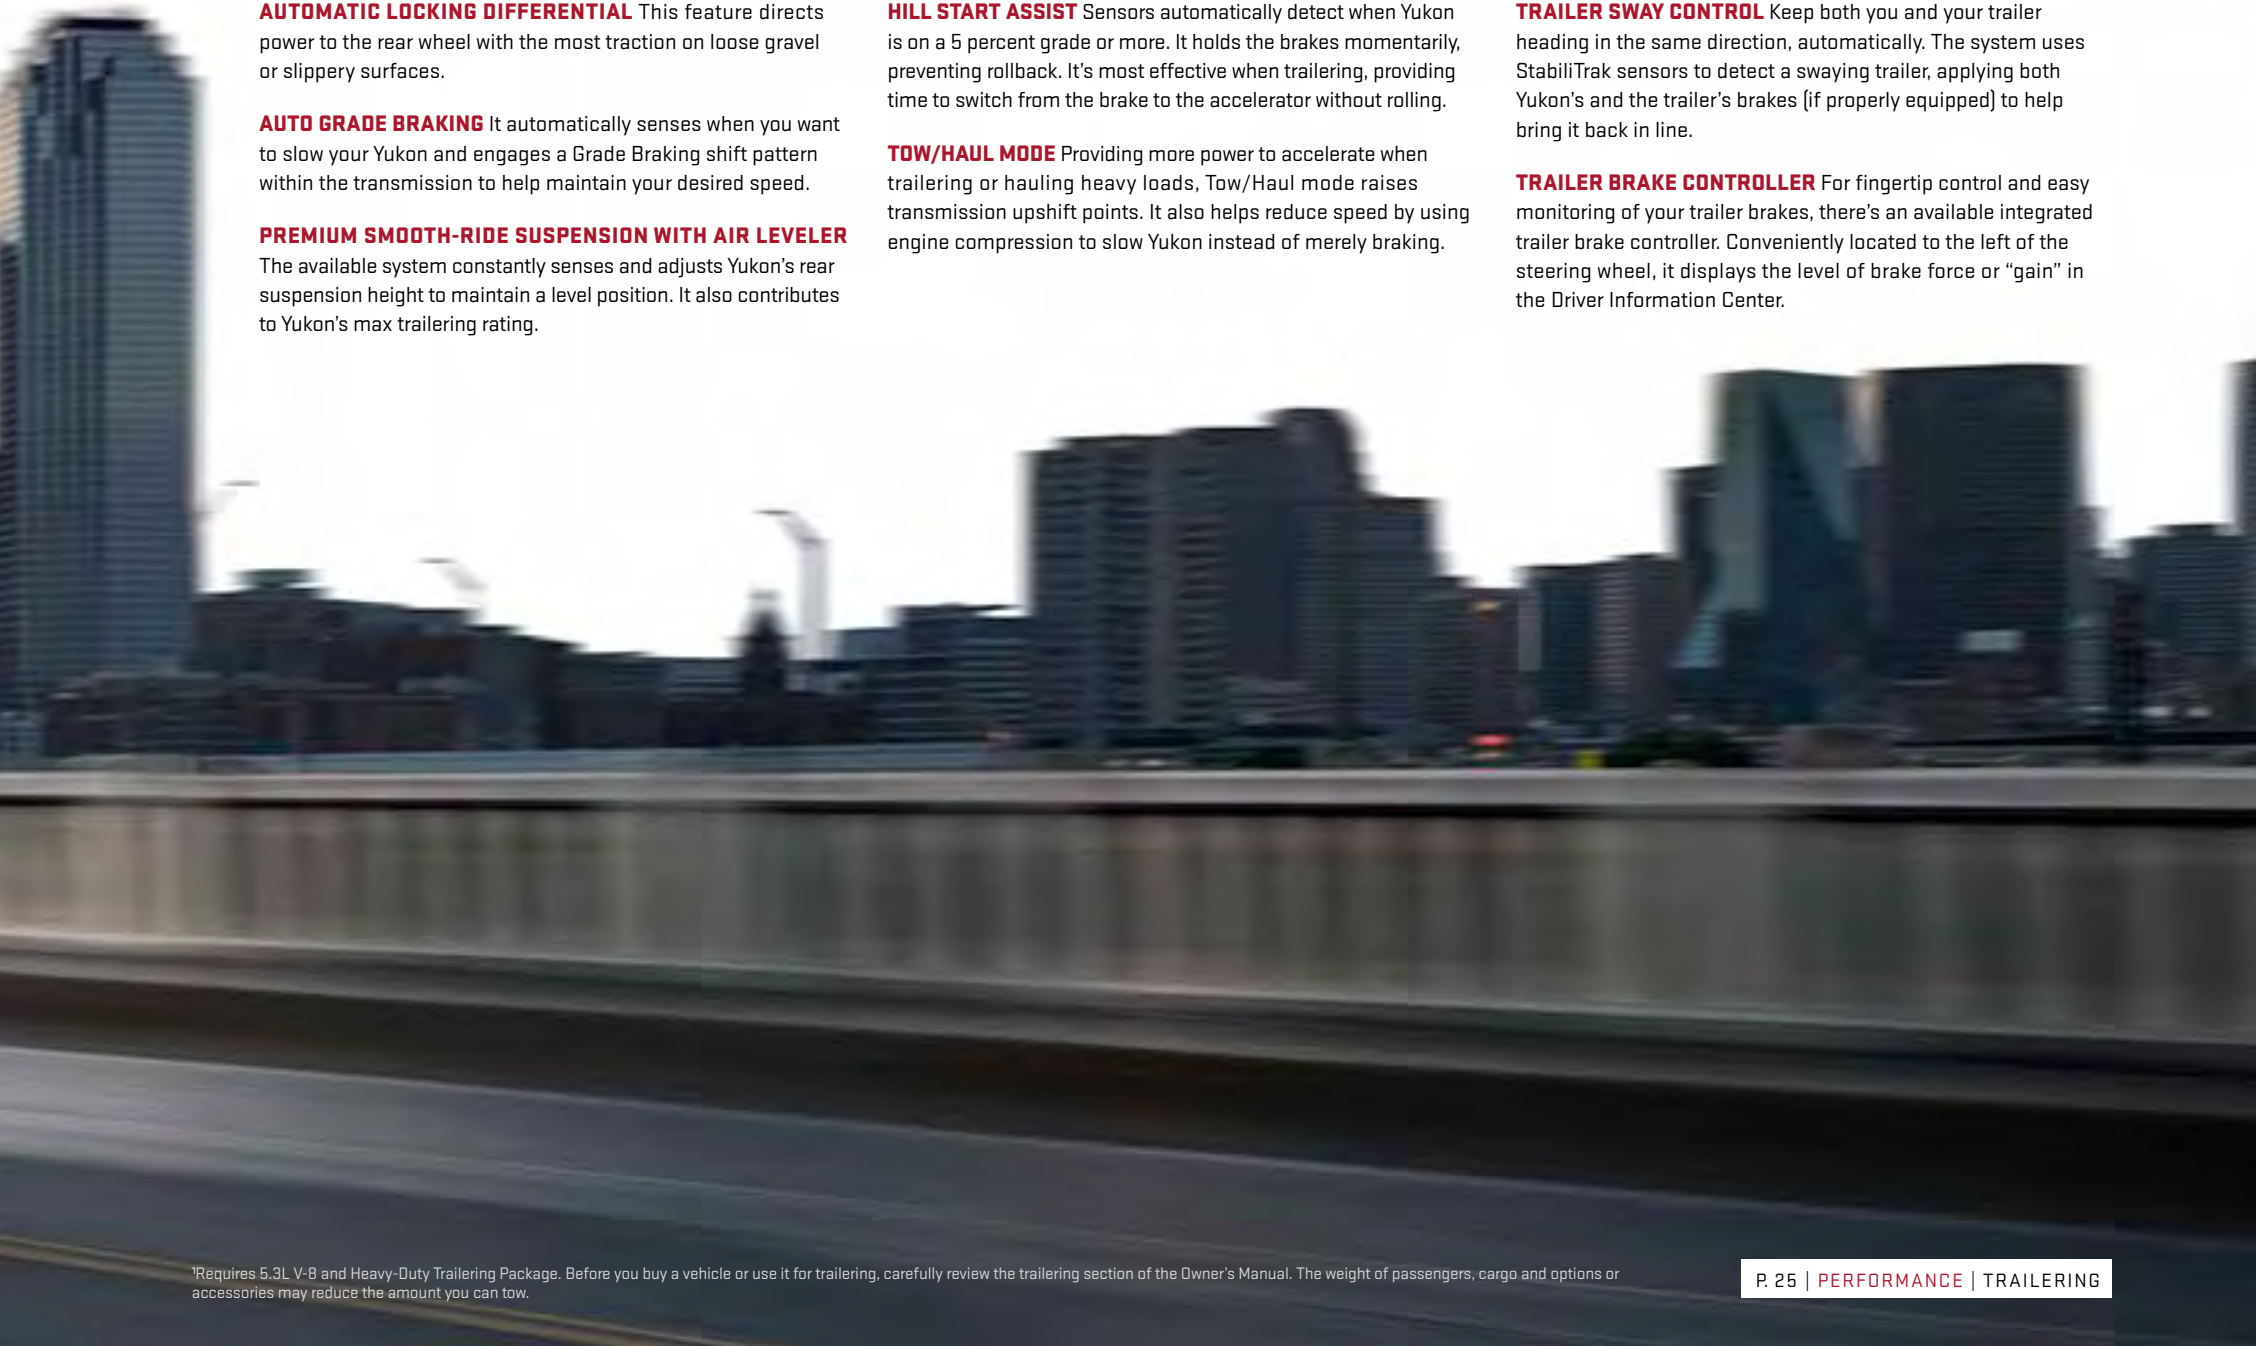
PREMIUM SMOOTH-RIDE SUSPENSION WITH AIR LEVELER The available system constantly senses and adjusts Yukon's rear suspension height to maintain a level position. It also contributes to Yukon's max trailering rating.

HILL START ASSIST Sensors automatically detect when Yukon is on a 5 percent grade or more. It holds the brakes momentarily, preventing rollback. It's most effective when trailering, providing time to switch from the brake to the accelerator without rolling.

TOW/HAUL MODE Providing more power to accelerate when trailering or hauling heavy loads, Tow/Haul mode raises transmission upshift points. It also helps reduce speed by using engine compression to slow Yukon instead of merely braking.

TRAILER SWAY CONTROL Keep both you and your trailer heading in the same direction, automatically. The system uses StabiliTrak sensors to detect a swaying trailer, applying both Yukon's and the trailer's brakes (if properly equipped) to help bring it back in line.

TRAILER BRAKE CONTROLLER For fingertip control and easy monitoring of your trailer brakes, there's an available integrated trailer brake controller. Conveniently located to the left of the steering wheel, it displays the level of brake force or "gain" in the Driver Information Center.



[1]Requires 5.3L V-8 and Heavy-Duty Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

PROTECTION

SURROUNDED BY CONFIDENCE.

Yukon offers a comprehensive array of driver-alert technologies, engineered with the idea that the best way to handle a collision is to avoid it. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

FORWARD COLLISION ALERT The available feature warns you when you're rapidly approaching another vehicle and it appears a collision is imminent. It also provides an alert if you're following a detected vehicle too closely.

LOW SPEED FORWARD AUTOMATIC BRAKING If the vehicle is traveling at a low speed and the available system detects that a front-end collision situation is imminent while following a detected vehicle, and you haven't applied the brakes, the system automatically applies the brakes to help reduce the collision's severity. The system may even help to avoid the collision at very low speeds.

FRONT PARK ASSIST This feature alerts you to objects in front of the vehicle while parking.

ADAPTIVE CRUISE CONTROL This available feature enhances regular Cruise Control to allow the vehicle to automatically follow a detected vehicle ahead at the driver-selected following gap while you steer, reducing the need to frequently brake and accelerate.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING This available technology provides gentle steering wheel turns (and Lane Departure Warning alerts if necessary) to help you avoid crashes due to unintentionally drifting out of your lane when you are not actively steering and your turn signal is not activated.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT This available innovation provides side-mirror alerts to help you avoid crashing into a moving vehicle detected in your side blind spot (or zone) or a vehicle that is rapidly approaching your side blind spot during a lane-change maneuver.

REAR PARK ASSIST This feature alerts you to objects behind the vehicle.

REAR CROSS TRAFFIC ALERT When in Reverse, the available system provides alerts to help you avoid crashing into approaching cross traffic detected from the left or the right (e.g., out of a crowded parking space or driveway with side obstructions).

ENHANCED SECURITY PACKAGE To help ensure that it remains in your possession, Yukon surrounds itself with this available package that includes glass breakage sensors, vertical movement sensors, interior motion detectors, door and liftgate lock shields and numerous other theft-deterrent technologies to keep potential thieves at bay.

SAFETY ALERT DRIVER SEAT The available GM-patented Safety Alert Driver Seat provides you with the option of getting haptic seat-bottom vibration pulses instead of audible crash-avoidance alerts.

PROFESSIONAL GRADE PROTECTION.

GMC Pro Grade Protection is standard on every 2017 Yukon. From maintenance to protecting your entire vehicle, you can drive with confidence.

INCLUDES 2 MAINTENANCE VISITS DURING THE FIRST 2 YEARS/24,000 MILES[1]

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY[2]

5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY[2]

5-YEAR/60,000-MILE ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION[2]

[1]Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. [2]Whichever comes first. See dealer for limited-warranty details.

WE'RE AS CLOSE AS THE BLUE BUTTON.

Connected by On

Included for a limited trial period, the OnStar Guidance Plan[3] (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pushing the blue OnStar button in your Yukon.

4G WI-FI HOTSPOT[4] Yukon has an available built-in 4G Wi-Fi hotspot for connecting up to seven tablets, laptops or devices at 4G speed, so the content you crave is always headed where you are. Requires a data plan[5] after the 3-month or 3GB data trial (whichever comes first).

ONSTAR BASIC PLAN[6] With the Basic Plan, you've got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You'll have access to select services, which include limited features of the myGMC mobile app[7] that lets you remote-start your vehicle (if equipped), pinpoint your vehicle on a map on your device and manage your vehicle's Wi-Fi hotspot (if equipped). Plus, send a destination to your in-vehicle navigation screen and lock or unlock your doors—all from your mobile device. Advanced Diagnostics can help you monitor your vehicle's key operating systems and simplify maintenance scheduling.

AUTOMATIC CRASH RESPONSE In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

ROADSIDE ASSISTANCE[8] If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

STOLEN VEHICLE ASSISTANCE[9] If your vehicle is stolen, once reported, OnStar can use GPS technology to pinpoint it and work with authorities to quickly help recover it. On many models, an Advisor can send a Stolen Vehicle Slowdown signal to slow the vehicle or a Remote Ignition Block signal to prevent it from being started. And with the new Theft Alarm Notification (if equipped), once locked, if your car alarm sounds, we can notify you.

TURN-BY-TURN NAVIGATION[10] Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your vehicle, and a voice calls out every turn. An Advisor can also help you with a database of more than 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myGMC mobile app.[7]

ONSTAR 4G CONNECTION[4] With powerful 4G connectivity built right into your Yukon, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

myGMC MOBILE APP[7] If properly equipped you can remotely start your vehicle, locate your vehicle on a map, lock or unlock your doors, honk your horn and flash your lights. You can also send destinations to your vehicle through your smartphone.

myGMC mobile app[7]

REMOTE ACCESS[11] A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights, or to remote-start/-stop your vehicle (requires factory-installed remote start). It's technology hard at work to get you back on the road.

HANDS-FREE CALLING[12] Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

ONSTAR ATYOURSERVICE[13] This feature helps you discover value on everyday purchases along your daily routes. When you push your blue OnStar button, a friendly Advisor can send you offers to your favorite stores or restaurants, or find a hotel and book a room. You can also use the myGMC mobile app[7] to find deals near you.

ADVANCED DIAGNOSTICS[14] Your vehicle can run a check on key vehicle systems and send you a monthly diagnostics report or a real-time Diagnostic Alert available by email or text. You'll know more and worry less with Advanced Diagnostics.

DEALER MAINTENANCE NOTIFICATION[14] Is it time for a tire rotation? An oil change? Or a new air filter? You'll always know because your vehicle can email your diagnostics report to the dealer when it's time, and the dealer will contact you to set up a service appointment.

ONSTAR SMART DRIVER[15] Now your vehicle can help make you a smarter driver. OnStar Smart Driver provides information about your driving behavior to help maximize your vehicle's overall performance, reduce wear and tear, enhance fuel efficiency and help you become a better driver. You can review your assessment and share it with participating insurance carriers for potential discounts.

[1]Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. ACCESSORIES

FINE-TUNING.

Available individually or as part of a package, GMC Accessories are the best way to customize your Yukon while still keeping it Professional Grade. They're engineered and tested to meet the standards of your Yukon.

[1]Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For approved tire and wheel combinations and other important information, go to gmcaccessories.com or see your dealer for details.

EXHAUST TIP This stainless-steel dual-wall, angle-cut exhaust tip adds a sporty appearance to the exterior of your Yukon. Use only on GM's Original Equipment exhaust system.

FLOOR LINERS—PREMIUM ALL-WEATHER Help keep the front floor of your Yukon clean with these premium all-weather floor liners in Black with GMC logo.

FLOOR MATS—CARGO-AREA PREMIUM ALL-WEATHER Help protect the carpet in the cargo area of your Yukon from rain, snow, mud and other debris with this precision-designed premium all-weather cargo-area mat.

CHROME MIRROR COVERS Help your Yukon make even more of a fashion statement with these chrome outside rearview mirror covers. Set of two.

CARGO SECURITY SHADE Conceal your possessions in the cargo area of your Yukon with this retractable cargo shade. Tension rod extensions allow for easy installation and removal.

CHROME ASSIST STEPS Customize your Yukon with these stylish 6" rectangular chrome assist steps. Crafted from rust-resistant stainless steel with black textured step pads.

IMPORTANT WORDS

PRO GRADE PROTECTION

For 2017, Yukon comes with the Pro Grade Protection Plan, which includes two maintenance visits,[1] 3-year/36,000-mile Bumper-to-Bumper Limited Warranty[2] and 5-year/60,000-mile Powertrain Limited Warranty,[2] Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Yukon, to the **24-Hour Roadside Assistance, Courtesy Transportation** and **Travel Benefits**, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 60,000 miles (whichever comes first).

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It's easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar service required. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions.

SIRIUSXM SATELLITE RADIO

SiriusXM Satellite Radio[3] is standard on all Yukon models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

GMC Certified Service To help your Yukon live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Yukon, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Yukon on our website: gmc.com/yukon. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

BUYPOWER CARD™ Now it's even easier to get into the GMC of your dreams. Every purchase gives you Earnings redeemable toward part or even all of a new GMC, Chevrolet, Buick or Cadillac. Every year, enjoy 5 percent Earnings on your first $5,000 in purchases and 2 percent unlimited Earnings after that. No expiration on Earnings and no limit on how much you can earn or redeem. Learn more at buypowercard.com/catalog. YOUR CARD IS THE KEY.™

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Large SUV segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY All GMC Yukon models come with a fully transferable, no-deductible 5-year/60,000-mile (whichever comes first) Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles (whichever comes first). Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles (whichever comes first). Yukon also comes with two maintenance visits within the first 2 years/24,000 miles (whichever comes first).[1] See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

[1]Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. [2]Whichever comes first. See dealer for limited-warranty details. [3]If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.
