LIFE, CONNECTED.

The 2017 Chevrolet Cruze and the first-ever Cruze Hatchback keep you connected when you're on the go. With support for Apple CarPlay™¹ and Android Auto,™² you can interact with select features on your smartphone through the standard 7-inch diagonal Chevrolet MyLink³ display. Available active safety features make the most of advanced technologies.

Both Cruze models are engineered to provide a roomy, nimble and efficient ride. Cruze Hatch also offers up to 47.2 cubic feet⁴ of versatile cargo capacity with 60/40 split-folding rear seats. Providing excellent fuel economy, Cruze keeps you moving by offering up to 40 MPG highway⁵ on LT Sedan and 39 MPG highway⁵ on Premier Sedan. And LT Sedan offers a maximum highway range of up to 540 miles per tank⁶. So you can go everywhere you want to go with fewer stops along the way.

EXTERIOR DESIGN

1. LEAVE THEM WANTING MORE.

Bold, sculpted taillamps contribute to the sporty rear view.

2. EXPLORE THE OPTIONS.

Available on Premier with the RS Package, 18-inch machined-face aluminum wheels provide panache, mile after mile.

3. LIGHT A NEW PATH. Dual-function projector-beam headlamps with signature LED daytime running lamps add refined capability. Standard on LT and Premier.

Cruze Premier in Kinetic Blue Metallic
(extra-cost color) with available
features including the RS Package.

BOLD STYLE GOES PLACES. Expressive exterior styling and a swept roofline give Cruze a fluid, dynamic feel. The vehicle's proportions provide both aero-efficiency and a sense of motion in the flowing lines.

A BRIGHT FUTURE. Available LED daytime running lamps light the way with dazzling efficiency. A roof panel-integrated center high-mounted LED stoplamp adds to the refined look of the vehicle.

FIRST IMPRESSIONS COUNT. A prominent chrome grille surround wraps into the headlamps, creating a wide front face. Body-color door handles flow into the shoulder line, contributing to the fluid design.

DETAILS MATTER. Take sporty design to the next level with the available RS Package, which includes front and rear sport fascias, a spoiler, rockers and foglamps. On Premier the RS Package includes 18-inch wheels that complement its strong styling statement.

**GIVE YOURSELF MORE ROOM
TO DO MORE.**

The first-ever Cruze Hatch offers sporty style and the versatility to get you through all of life's adventures. Whether hauling a pair of subwoofers to a show or carrying a carload of gear to the perfect campsite, you've got all the space you need without losing an inch of style.

THE HAPPENING HATCHBACK. Building on signature Chevrolet design DNA, Cruze Hatch has a modern look that's expressed in flowing, sculpted lines. The result is an aggressive, aerodynamic shape that takes you everywhere.

1. DESIGNED TO MOVE. An aerodynamic spoiler, featured in the RS Package, improves airflow and lends sleek style to every ride.

2. FUNCTIONAL FOR LIFE. A higher rear profile and 60/40 split-folding rear seats make loading and unloading large cargo a snap.

3. BIG PERSONALITY. Savvy and functional, Cruze Hatch offers style and versatility and additional utility with 47.2 cubic feet¹ of cargo space with the rear seats folded flat.

¹ Cargo and load capacity limited by weight and distribution.

¹ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn.

The sleek design story continues in an interior created to make every moment of the journey more rewarding. Cruze has good looks and great functionality with an intuitive layout and plenty of room for friends and all of life's other necessities.

FIRST-CLASS DETAILS. Cruze was crafted with the thought that what covers the seats is as important as how comfortable they are. Premium surfaces

abound, from meticulously stitched available leather-appointed seats to Galvano chrome accents.

MORE PERSONAL SPACE. With ample front and rear leg room, you can stretch out and enjoy the ride. Generous rear knee clearance allows for ease of entry and exit, which comes in handy on a night out with friends.

COMFORT AT YOUR COMMAND.

Cruze turns the most ordinary trip into an occasion. Chase the chill away with available heated front and rear seats for outboard passengers. A heated steering wheel, standard on Cruze Premier, is ideal for brisk days.

UNCOMMON EXTRAS. The signature dual cockpit interior provides ingenious storage for the important things, and wireless charging¹ is available on Cruze Premier. There's a slot to tuck away your smartphone in the center armrest, plus additional storage in the center console.

1. PREMIUM ACCOMMODATIONS.

Available heated leather-appointed seats offer welcome warmth to outboard rear-seat passengers.

2. DON'T FORGET YOUR LAPTOP. Or let lunches linger in the backseat. Rear Seat Reminder¹ activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn your car off, you will get a reminder to double-check for valuables left behind.

3. INSTANT GRATIFICATION. Handy door controls keep comfort within easy reach. The standard express-down feature rolls down the driver and front passenger windows with a flick of your finger.

4. PULLING IT ALL TOGETHER.

Included with available leather-appointed seating, stylish contrast stitching on the seats proves that details really do matter.

¹ Does not detect people or items. Always check rear seat before exiting.

Apple CarPlay COMPATIBILITY.

With Apple CarPlay,¹ you can simply and smartly connect with some of your most used iPhone[®] features, including Maps, Music, Messages and Phone, right on your Cruze display. You can even interact with some of your favorite audio apps, such as iHeartRadio² and Spotify²

TECHNOLOGICAL ZEN. The available 8-inch or standard 7-inch diagonal full-color Chevrolet MyLink³ Radio display lets you stay in tune with your Cruze. Connect your compatible smartphone via Bluetooth[®] wireless technology⁴ and listen to music, get directions or make phone calls.

Wi-Fi IN YOUR CRUZE. Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi^{®5} to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet.⁵ It offers great signal quality and bandwidth for up to seven devices.

ENJOY MUSIC AND MORE. Standard on Cruze LT and Premier, you get 3 months of SiriusXM^{®6}, allowing you to listen to over 150 channels of commercial-free music, live sports, news, talk and entertainment, all at your fingertips 24/7. You can listen everywhere – in your vehicle, at home, on your computer, or on your smartphone.

1. EASY ACCESS TO YOUR SMARTPHONE.

With Android Auto™ compatibility,^{1,2} you can interact with select smartphone apps. This system takes some of your Android phone's features and puts them on the Chevrolet MyLink³ display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

2. BE IN TUNE WITH YOUR CRUZE.

Simply download the myChevrolet Mobile App⁴ to your compatible smartphone to start/turn off your Cruze (requires available remote vehicle starter system), lock/unlock your vehicle's doors, send destinations to your available navigation² system, and view key vehicle diagnostic information, set parking reminders and more.

3. TECH AT YOUR FINGERTIPS.

Use available steering wheel-mounted controls and voice recognition capabilities to take calls, receive text messages or play your favorite tunes hands-free.

4. INSIDE INFORMATION. The available 4.2-inch diagonal color Driver Information Center allows you to monitor speed and set an audible speed warning, provides turn-by-turn navigation² (if equipped) and so much more.

EPA-estimated 47 MPG highway with automatic transmission. ² Based on EPA-estimated 52 MPG highway with 1.6L Turbo-Diesel engine and manual transmission. ³ EPA estimate for Cruze LS/LT Sedan with available 6-speed automatic transmission. ⁴ Based on EPA-estimated 40 MPG highway for Cruze LT Sedan with 1.4L 4-cylinder engine and automatic transmission and fuel tank capacity. Your range may be less. ⁵ Cruze LS/LT Sedan with available 6-speed automatic transmission.

THIS DIESEL MAKES A DIFFERENCE.

Ready to take things up a notch? Meet the 2017 Cruze Diesel Sedan, featuring a 1.6L turbocharged engine that offers up to an incredible 52 MPG highway.¹ That's the highest highway fuel economy of any non-hybrid/non-electric vehicle in America,² so you'll always be ready to go the extra mile. See your dealer for availability.

40 MPG ON THE HIGHWAY.³ Cruze offers a combination of power and efficiency that can keep you going longer between fill-ups. The ECOTEC® 1.4L turbocharged engine paired with the available 6-speed automatic transmission offers a premium driving experience and 40 MPG highway³ and a maximum highway range of up to 540 miles per tank⁴

STOPPING POWER. Control is important in a vehicle that can take you from 0 to 60 mph in 7.7 seconds⁵ Standard Duralife™ brake rotors feature corrosion-resistant technology that provides protection against rust to help prevent steering wheel shudder during braking.

SMOOTH IN THE TURN. Cruze steering, suspension and braking systems are designed to deliver tight handling that makes it a blast to drive. Advanced chassis systems provide nimble, agile handling and comfort, whatever scenic route you choose to take.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

ACTIVE SAFETY IN 360 DEGREES.

FORWARD COLLISION ALERT WITH FOLLOWING DISTANCE INDICATOR. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Cruze is following a detected vehicle too closely.

LANE KEEP ASSIST. At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

LANE CHANGE ALERT. Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear corners of the vehicle to help detect and warn the driver of fast-approaching vehicles in the adjacent lanes from up to 82 feet away, not just in the side view mirror blind zones.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as the available Side Blind Zone Alert feature, available Rear Cross Traffic Alert helps warn drivers of approaching traffic when backing up. If an approaching vehicle is detected, the driver is warned with visual and audible alerts.

REAR VISION CAMERA. When traveling in reverse at low speeds, the rear vision camera allows you to see stationary objects behind you.

REAR PARK ASSIST. This available feature helps you back up by sounding an audible alert when it detects certain stationary objects in close proximity behind the vehicle.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when taillamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

1. LEARN SMARTER DRIVING HABITS.

Perfect for new drivers and those who want to improve their skills, Teen Driver technology helps to encourage safer driving habits in a number of ways, like muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

2. AUTOMATIC HELP. In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Cruze to see if you need help — even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. (Automatic Crash Response¹ is included in the OnStar Guidance Plan;² standard for the first three months.)

3. THINK OF IT AS A STEEL SHELL.

Front and rear “crush zones” are designed to compress in a controlled manner, helping absorb and channel energy away from the cabin.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog

and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Compact Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.
