CTS Premium Luxury in Stellar Black Metallic. Shown with available equipment.

A VARIETY OF TECHNOLOGIES. A SINGLE FOCUS.

The CTS is equipped with advanced technologies that deliver you one powerful promise—masterful services and convenience. From the satisfying feel of controls to seamless digital interfaces, all meet your needs with the greatest elegance and efficiency.

OFFERED FEATURES: CADILLAC USER EXPERIENCE WITH PHONE INTEGRATION • BOSE® TECHNOLOGY • ONSTAR® 4G LTE AND AVAILABLE BUILT-IN WI-FI® HOTSPOT • HEAD-UP DISPLAY • WIRELESS CHARGING • VEHICLE 2 VEHICLE COMMUNICATION • ADAPTIVE REMOTE START

More than information at your fingertips

The Cadillac user experience puts a suite of information and entertainment offerings, including climate, audio, settings control and available 3-D GPS Navigation at your command. Plus, it offers the all-new Cadillac Collection, where you will be able to select and install a range of apps from music to audiobooks to weather. (Data plan rates apply.)

Your phone, even smarter

Phone Integration with Apple CarPlay™[1] compatibility allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen, shown below. You can also access Siri,® so features are easily accessible to you or your front-seat passenger. Phone Integration also offers Android™ Auto[1] compatibility.

Stay connected or engaged

OnStar 4G LTE and available built-in Wi-Fi hotspot[2] allows you to connect up to seven devices at the same time, up to 50 feet away from your CTS. And just as convenient, compatible devices can be powered with the Wireless Charging feature.[3]

1. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. **2.** Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. **3.** The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com.

CTS Light Platinum interior shown with Apple CarPlay and other available equipment.

A special venue deserves audio to match

A premium 11-speaker Bose sound system is standard equipment. And for a more immersive experience, an available 13-speaker Bose Surround system features Centerpoint® 2 surround technology.

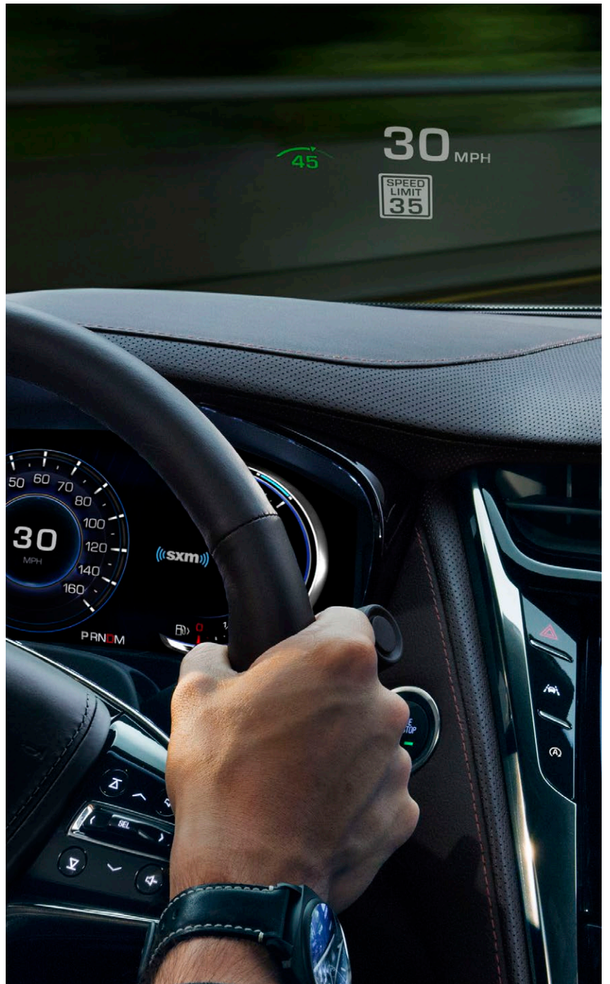
Vehicles communicating with other vehicles

With V2V communications, you are alerted when other V2V-enabled vehicles that may be out of your sight are braking hard, disabled, in a crash, or experiencing a slippery road. It communicates the traffic situation with cautions ranging from gauge cluster message alerts, sounds or (if equipped) rumbles from the Safety Alert Seat. This can allow you more time to react to hazardous situations.

Performance front and center

Available Head-Up Display (HUD) projects selected information onto the front windshield, so you can keep your eyes on the road.

1. Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service.



A head start is a smart start

Integrated into your key fob, Adaptive Remote Start engages the engine from up to 100 yards away. It can also sense outside temperature to activate the appropriate cabin climate control, as well as heat your steering wheel when needed. Plus, with your myCadillac app,[1] you can lock and unlock, remote start and get select vehicle information from anywhere you have reception.

PROVEN POWER AND ENDURANCE

Tested on the famed Nürburgring track, the CTS is validated to perform for you. Experience authoritative acceleration and dynamic handling each and every moment. From remarkably powerful and efficient engines, to precise handling and a finely tuned suspension, driving the 2018 CTS is to enjoy the prerogatives of performance.

OFFERED FEATURES: 3.6L V6 TWIN TURBO, 3.6L V6 OR 2.0L I4 TURBO ENGINES AND 8-SPEED AUTOMATIC TRANSMISSION • MAGNESIUM PADDLE SHIFTERS AND DRIVER-SELECTABLE MODES • MAGNETIC RIDE CONTROL • ALL-WHEEL DRIVE WITH ACTIVE TORQUE TECHNOLOGY • ACTIVE FUEL MANAGEMENT • FRONT BREMBO® PERFORMANCE BRAKES • WEIGHT BALANCE

Innovation firing on all cylinders

Active Fuel Management imperceptibly activates or deactivates 2 of the 6 cylinders, found within the 3.6L engine, according to your driving needs.

Race-proven

Carved from lightweight aluminum alloy, Brembo front brakes bring a host of advantages including greater stopping power and wear resistance.

Fierce and efficient engine options

For maximum performance, the available 3.6L V6 Twin Turbo delivers a pulse-racing 420 hp and 430 lb-ft of torque. The available 3.6L V6 delivers 335 hp. The standard 2.0L Turbo 4-cylinder delivers a potent 268 hp and a Cadillac-estimated 30 highway mpg[1]. All engines are paired with an intelligent 8-speed automatic transmission for responsive shifting, and each features Auto Stop/Start technology for optimal efficiency.

Power controlled is power enjoyed

Magnesium Paddle Shifters allow you to move through the 8-speed automatic transmission manually. And driver-selectable modes (Tour, Sport, Snow/Ice and, with V-Sport models, Track) let you tune the steering, suspension and transmission depending on road conditions and your preference.

Reading the road 1000 times a second

Cadillac's available Magnetic Ride Control automatically adjusts the suspension to road quality and weather conditions. The system reads the road up to 1000 times a second, tuning the suspension for a highly responsive, smoother drive in otherwise shaky scenarios.

Precision balanced with 50/50 weight distribution

Advanced alloys and engineering create near-perfect 50/50 front-to-rear weight distribution for improved handling and cabin quiet. The Rear-Wheel Drive CTS is among the lightest in its class.

Sure footing

For additional control, available All-Wheel Drive with Active Torque Technology maximizes stability and handling, delivering impeccable control in less than perfect driving conditions.

1. Based on Cadillac testing. Official EPA estimates not yet available.

CTS V-Sport 3.6L V6 Twin Turbo engine shown with available dealer-installed equipment.

IN JUST 4.4 SECONDS, THE CTS V-SPORT REVEALS ITSELF

That's how long it takes the 420-hp, Twin Turbo V6 engine to propel this remarkable sedan from 0 to 60 mph. A variety of sophisticated handling and vehicle management features assure all this power remains firmly under your control.

OFFERED FEATURES: 8-SPEED AUTOMATIC TRANSMISSION • 18" WHEELS WITH SUMMER-ONLY PERFORMANCE TIRES • ELECTRONIC LIMITED-SLIP DIFFERENTIAL • HEAD-UP DISPLAY • V-SPORT GAUGE CLUSTER • PERFORMANCE DRIVER-SELECTABLE MODES • V-SPORT PREMIUM LUXURY

Partner in performance

Paired with the 420-hp, Twin Turbo V6 engine, the 8-speed automatic transmission features Performance Algorithm Shifting. This advanced technology maximizes performance by seamlessly selecting the best gear for quicker shifts and a more satisfying drive.

Style comes full circle

18" 10-spoke summer-only wheels with Ultrabright machined finish with After Midnight painted pockets[1] compliment the V-Sport's aggressive stance.

Conquer curves

The electronic Limited-Slip Differential (eLSD) automatically redirects power to the drive wheels with the best traction, for better corner exit acceleration and making driving well balanced throughout a turn in most road conditions.

1. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to https://my.cadillac.com/learnAbout/cadillactires/ or see your dealer. Lower profile tires damage more easily; especially on rough roads. Damage is not covered under warranty. For more details, go to https://my.cadillac.com/learnAbout/cadillactires/ or see your dealer.

CTS V-Sport Premium Luxury in Phantom Gray Metallic. Shown with available equipment.

Project the information that matters

The available Head-Up Display (HUD) projects speed, audio, navigation and other information onto the front windshield, so you can keep your eyes on the road.

Performance: a customized view

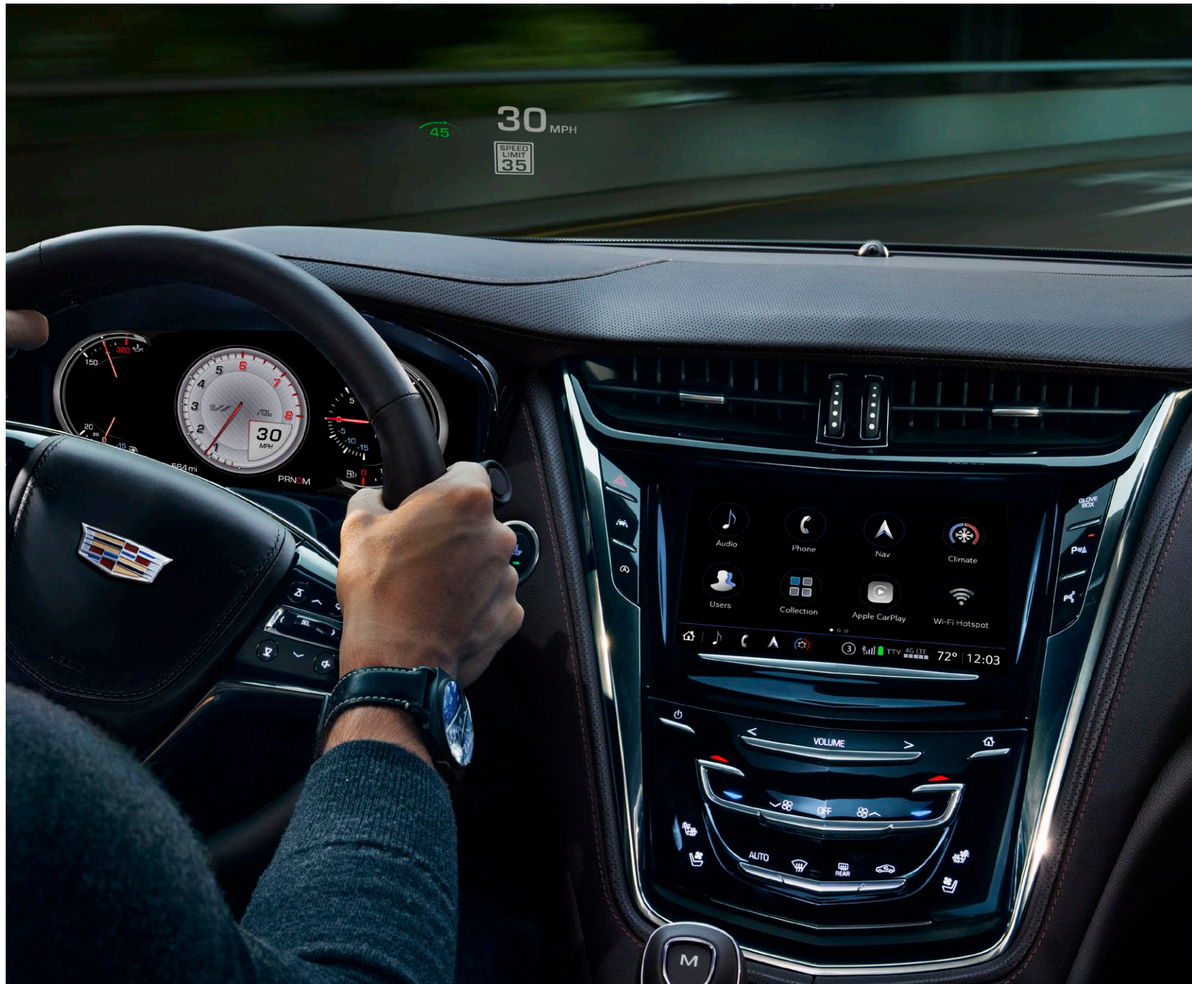
Use the available customizable V-Sport Gauge Cluster to emphasize your tachometer, mph or other information in three reconfigurable themes.

Select the most satisfying ride

Four driving modes—Tour, Sport, Track and Snow/Ice—calibrate steering, suspension and transmission depending on your preference and road conditions.

The extraordinary made even more so

V-Sport Premium Luxury enhancements include 20-way performance front seats, Tri-Zone Climate Control, a reconfigurable gauge cluster, as well as a full-color Head-Up Display (HUD).



CTS V-Sport Premium Luxury interior in Kona Brown. Shown with available equipment.

CURATED TO COMPLEMENT. EACH AND EVERY DRIVE.

The tailored CTS interior will delight you. Surround yourself with striking materials, such as real wood trim and supple, yet strong available Semi-Aniline leather. Every option is curated to work together beautifully, so no matter which you choose, the cabin will be a stunning expression of your personal style.

OFFERED FEATURES: 20-WAY PERFORMANCE FRONT SEATS • TRI-ZONE CLIMATE CONTROL • ADAPTIVE REMOTE START • AMBIENT INTERIOR LIGHTING • CUSTOMIZABLE 12.3" LCD DISPLAY • REAR VISION CAMERA • SURROUND VISION • REAR CAMERA MIRROR

Preferred seating

20-way performance front seats are available in Semi-Aniline leather and offer you power-adjustable seatback bolsters and manual thigh support.

Very personal comfort

Available Tri-Zone Climate Control allows driver, front and rear passengers to adjust temperatures individually.

Lighting so ingeniously hidden, it's revealing

Ambient Interior Lighting employs LED spotlights and light pipes to subtly highlight the craftsmanship within your cabin.

Determine your data

An available, customizable 12.3" diagonal LCD Gauge Cluster allows you to choose how to display vehicle data, entertainment, communications and navigation information in full color.

A forward-looking rear view

When in Reverse, the standard Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac user experience screen. Guidelines plot your intended trajectory, helping you see objects that might be in your path.

A higher look at what surrounds

With available Surround Vision, you have a bird's-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected on the Cadillac user experience screen, helps increase your awareness when parking or in Reverse.

A brilliant look back

With just a touch, the available Rear Camera Mirror streams HD video to the rearview mirror. This view (A) offers a wider, less obstructed view than an ordinary mirror. And a simple toggle instantly reverts it back to a traditional mirror (B).

(A) ENHANCED VIEW WITH STREAMING HD DIGITAL MIRROR

(B) TRADITIONAL VIEW WITH REARVIEW MIRROR

CTS V-Sport Premium Luxury in Crystal White Tricoat. Shown with available Morello Red Special Edition and other available equipment. Available fall 2017.

METAL RICH WITH MEANING

Cutting-edge aerodynamics, innovative lighting, advanced metal work. These, and the belief that a vehicle should move you even when standing still, are all hallmarks of CTS exterior design.

OFFERED FEATURES: CRYSTALLINE LED LIGHTS • INTELLIBEAM HEADLAMPS • INLAID HOOD • ILLUMINATING DOOR HANDLES • INTEGRATED REAR SPOILER • MORELLO RED SPECIAL EDITION

Illuminating innovation

The hundreds of crystalline LED lights that accentuate the exterior are also more energy efficient than traditional technologies. Available High-Intensity Discharge (HID) headlamps feature Adaptive Forward Lighting. That technology automatically turns the headlamps according to your steering wheel and provides you with improved road illumination.

A grand entrance is all but guaranteed

The powerful lines, curves and planes of the inlaid hood are the metalcrafter's work at its most sophisticated.

Innovation you can see

Available Intellibeam headlamps automatically turn high beams on or off according to outside conditions. The system also disengages high beams when approaching headlamps or taillamps are within range.

A concealed advantage

Hidden behind the grille, the Active Aero Grille Shutters automatically close to maximize aerodynamics when additional cooling is not required.

A smart finish

The integrated rear spoiler features a 48-LED center brake lamp to help manage airflow and create downward force.

Improved visibility with impressive style

Available Illuminating Door Handles deliver both.

CTS Premium Luxury in Radiant Silver Metallic. Shown with available equipment.

CTS in Radiant Silver Metallic. Shown with available equipment.

A HEALTHY OBSESSION WITH SAFETY

A true focus on driver and passenger well-being is never done. In the CTS, this focus manifests itself in innovations and advances that deliver nothing less than confidence.

OFFERED FEATURES: SAFETY CAGE • INTELLIGENT SAFETY SYSTEMS (INCLUDES LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT AND FORWARD COLLISION ALERT) • REAR CROSS TRAFFIC ALERT • RAINSENSE WIPERS • LANE KEEP ASSIST WITH LANE DEPARTURE WARNING • ADAPTIVE CRUISE CONTROL • AUTOMATIC SAFETY BELT TIGHTENING • FORWARD AND REVERSE AUTOMATIC BRAKING • SAFETY ALERT SEAT

Surrounded by safety innovation

FRONT

Maintain an intelligent space

Available Adaptive Cruise Control employs both radar and cameras to maintain a set selected distance between you and the detected vehicle ahead.

Truly forward thinking

Available Forward Collision Alert monitors traffic ahead, alerting you if a potential collision is imminent, while available Following Distance Indicator shows the following time to the detected vehicle ahead (in seconds) in the Driver Information Center (DIC).

An intelligent wiper

Available Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain's intensity. Whenever wipers are activated, Auto-Dry brakes automatically positions the brake pads closer to the rotors to sweep away moisture and improve performance.

SIDE

Travel the straight and smart

Using a camera to sense lane boundaries, available Lane Keep Assist gently turns the steering wheel if the system anticipates the vehicle is leaving the lane unintentionally or without using your turn signal. Working in conjunction with the available Safety Alert Seat, Lane Departure Warning sends a visual alert in the cluster and a warning pulse through the seat cushion if your vehicle crosses the lane marking.

All clear

Available Lane Change Alert surveys the area well beyond the side blind zone, and illuminates the side mirror warning icon to alert you of a rapidly approaching vehicle. Available Side Blind Zone Alert monitors your blind spots, so if a vehicle is in the adjacent lane it also illuminates the side mirror icon. In both features, if you've activated your turn signal, the icon on the side mirror will flash to alert you.

INSIDE

Strong enough to crumple

The ultra-high-strength steel safety cage features strategically placed crumple zones that help absorb and manage crash energy. The safety cage is also equipped with 10 standard air bags, including knee air bags for the driver and front passenger, and side-impact air bags for front and rear passengers.

Firmly reassuring

During emergency braking or sudden maneuvers, available Automatic Safety Belt Tightening activates. When conditions revert to normal, they ease automatically.

Grabs your attention. Subtly.

Cadillac's available patented Safety Alert Seat sends a discreet pulse to the left, right or both sides of the driver's seat, indicating the direction of the threat — left, right, front or rear.

REAR

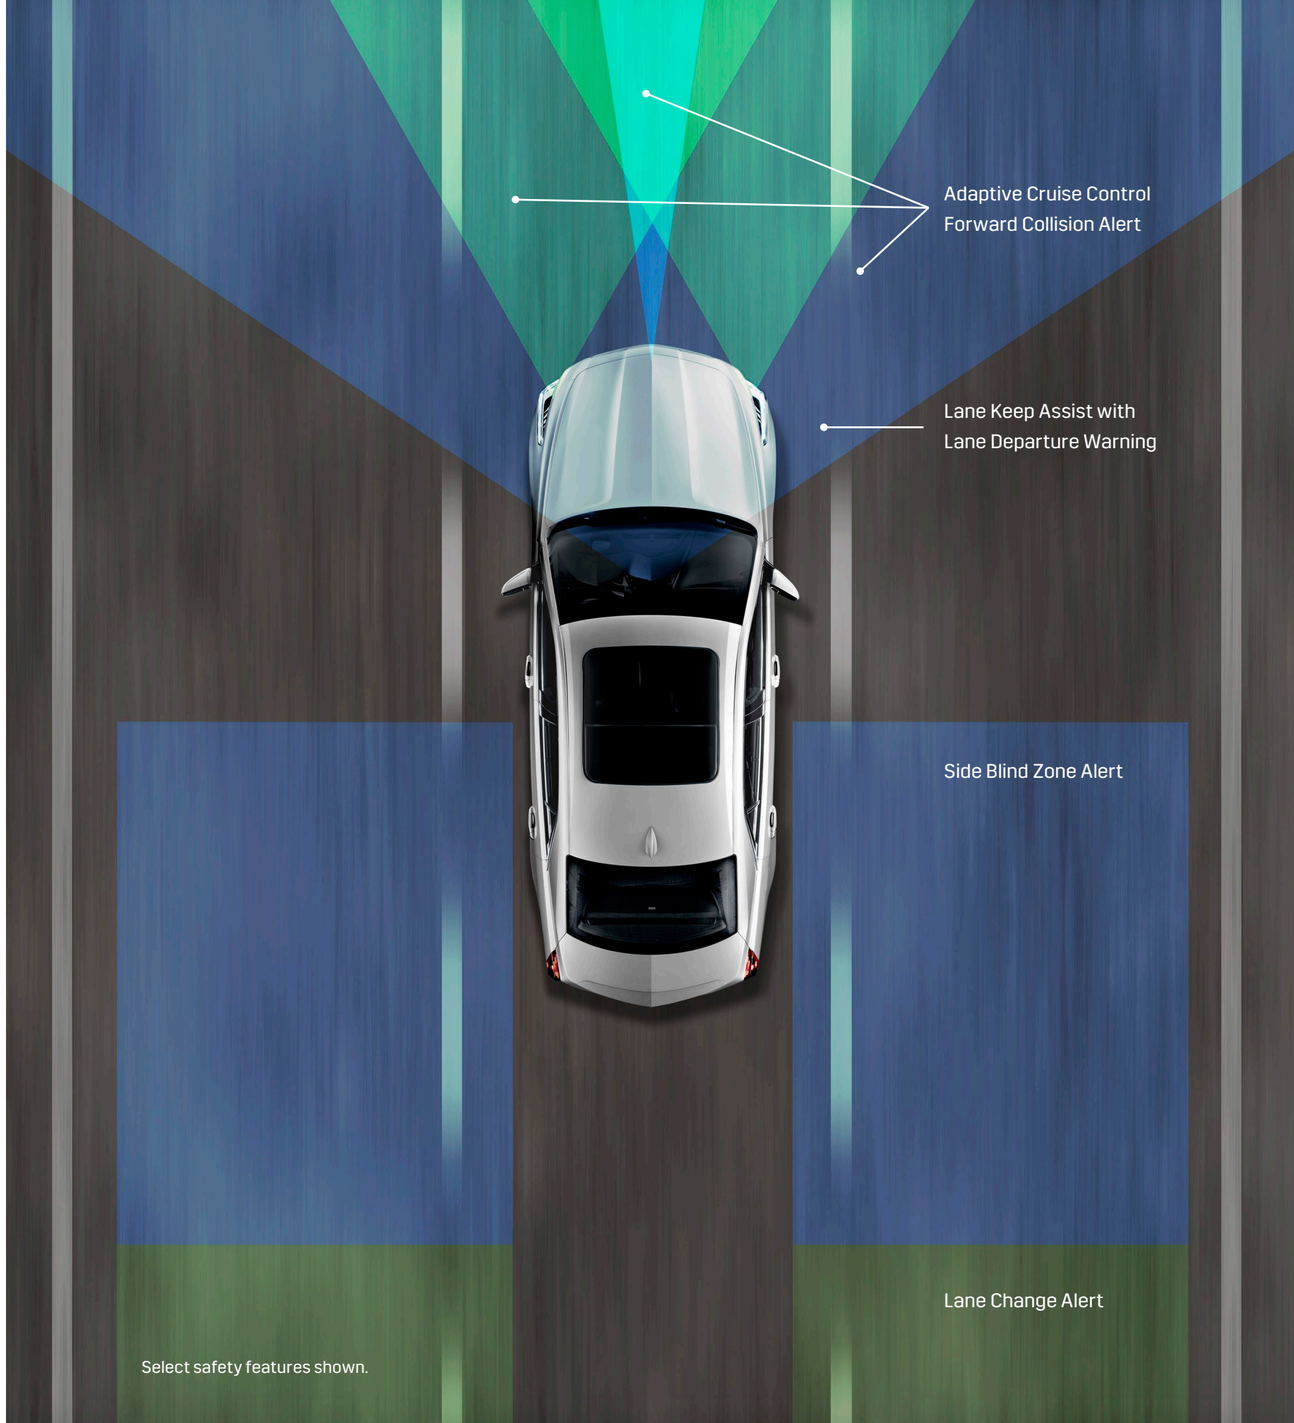
Brighter backing out

When backing out of a parking space, available Rear Cross Traffic Alert warns of oncoming traffic to either side of your vehicle and provides an audible warning or a pulse to the Safety Alert Seat.

Gain precious time

Up to certain speeds, available Forward and Reverse Automatic Braking can sense imminent forward and reverse collisions and automatically engage the brakes, helping you reduce crash impacts.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.



Select safety features shown.

STANDARD FEATURES

2018 CTS Features

DRIVETRAIN

2.0L Turbo Direct-Injection, VVT 4-Cylinder Engine With 268 hp and 295 lb-ft of torque with Auto Stop/Start
Transmission 8-speed automatic with performance algorithm shifting
Driving Modes Driver-selectable
Exhaust Dual outlets with chrome tips
Rear-Wheel Drive

CHASSIS AND SUSPENSION

Brakes Brembo® front, four-wheel vented disc with antilock braking system, DuraLife rotors featuring Auto-Dry and intelligent Brake Assist
Steering ZF premium, speed-sensitive, variable-effort power rack-and-pinion, electric system
Suspension, 4-wheel Independent Front MacPherson-type with dual lower ball joints, twin-tube struts and direct-acting stabilizer bar; rear five-link with twin-tube shocks

EXTERIOR

Active Aero Grille Shutters
Grille With Galvano satin-chrome accents
Lighting
Projector halogen headlamps with LED vertical light signatures
Adaptive forward lighting
Daytime running lamps
Mirrors Body color, power, heated, with integrated turn signal indicators
Solar-Absorbing Windshield
Spoiler Rear decklid integrated with LED Center High-Mounted Stop Lamp (CHMSL)
Windshield Wipers Driver-selectable variable speed
Wheels 17" aluminum wheels with painted finish (see page 45 for more details)

INTERIOR

Adaptive Remote Start Activates heated/ventilated seats, heated steering wheel (if equipped), climate control system and rear defroster
Air Filtration System Automatic air circulation and air quality
Armrest Center front and rear with hidden storage
Audio System Bose® premium 11-speaker sound system
Bluetooth[#1] Hands-Free Calling and data-service streaming with Natural Voice Recognition
Cadillac User Experience[2] Information and media control system with 8" diagonal full-color LCD capacitive multi-touch screen with personalization for multiple users, Phone Integration compatibility with Apple CarPlay™ and Android™ Auto, Siri® Eyes Free, SMS text message alerts, Collection and Teen Driver with torque reduction
Console Center Front with integrated shifter, covered storage and two cupholders with motorized cover
Console, overhead includes OnStar® control and reading lamps; also includes universal home remote, UltraView Sunroof and power rear-window sunshade controls (if equipped)
Cruise Control Electronic, with set and resume speed
Cruise Control and Driver Information Center (DIC) Controls
Door Locks Power programmable with lockout protection
Dual-Zone Automatic Climate Control With individual settings for driver and front passenger and Automatic Moisture Detection and Defogging
Electronic Parking Brake
Floor Mats Carpeted front and rear
Gauge Cluster With full-color reconfigurable Driver Information Center display
Glove Box Electronic push-button opening
HD Radio
Keyless Access EZ Key full Keyless Access offers keyless entry to all doors and trunk
Keyless Ignition With Push-Button Start
Lighting LED lighting for glove box, front cupholders, overhead console, front and rear passenger footwell, map pockets, rear assist handles and cargo area with stealth mode interior lighting setting
Magnesium Paddle-Shift Controls On steering wheel
Memory Package Two presets for driver's seat position and outside mirrors, and vehicle exit preset function
Mirror Automatic-dimming rearview
OnStar Basic Plan[3] For 5 years, includes select features of the myCadillac mobile app;[4] including Remote Start, Door Lock and Unlock, honk your horn and flash your lights. Limited OnStar services include Advanced Diagnostics[5] and Dealer Maintenance Notification.
OnStar 4G LTE And available built-in Wi-Fi® hotspot[6] for up to seven devices, connect to the internet at 4G LTE speed, includes a three-month or three-gigabyte data trial (whichever comes first)
Power Outlets Three auxiliary
Rear Vision Camera Includes guidelines indicating the vehicle's projected path when vehicle is put in Reverse
Rear Window Defroster
Retained Accessory Power Power windows, audio system and sunroof (if equipped) remain operational after ignition is switched off for 10 minutes or until driver's door is opened
Seating
5-passenger
Front bucket
Rear, fixed seatback includes fold-down center armrest, integrated storage, dual cupholders and trunk access door
Head restraints, 4-way adjustable front and 2-way adjustable outboard rear
Driver and front-passenger 12-way power adjustments, plus 2-way power lumbar adjustments
SiriusXM Satellite Radio[7] With three-month trial
Steering Wheel Leather-wrapped rim, with Audio, Driver Information Center and cruise controls and Manual-Adjustable Tilt and Telescope
Universal Home Remote 3-channel
USB ports[8] Two with auxiliary audio connectivity
Visors Driver and front passenger illuminating vanity mirrors
Windows Power, with front and rear express-up/-down; includes rear passenger lockout
Wireless Charging[9] Inductive charging system for portable devices

SAFETY AND SECURITY

Air Bags[10] Driver and front-passenger frontal, front-seat thorax and pelvic, rear thorax for outboard seating positions, side-curtain and driver and front-passenger knee
Audible Alert Theft-Deterrent System
Electronic Stability Control System StabiliTrak®
OnStar Guidance Plan[11] Standard for one year, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation and more (trial excludes Hands-Free Calling minutes)
Rear Park Assist
Safety Belts Lap and shoulder belts for all positions with belt-to-seat mounting and pretensioners for driver and front passenger, rear outboard comfort guides
Traction Control All-speed with brake and engine intervention
Vehicle 2 Vehicle Communication (V2V)

AVAILABLE FEATURES

All-Wheel Drive
OnStar Connected Navigation[12] Integrated with Cadillac user experience includes real-time traffic, points-of-interest search, voice and text guidance; includes Bose 13-speaker Centerpoint® Surround Sound system (requires leather seating package)
Seating Package Includes leather seating surfaces, heated/ventilated driver and front passenger seats, split-fold rear seats, outside, heated, power-adjustable, driver-side auto-dimming, body-color, manual folding mirrors with integrated turn signal indicators and puddle lamps, ambient lighting on instrument panel and door, heated power Tilt and Telescopic steering wheel
UltraView Sunroof Power, tilt-sliding, electric with express-open/-close over front-row seating and power sunshade

LUXURY

Enjoy 2018 CTS Features + these enhancements:

Bose 13-speaker Centerpoint Surround Sound System (requires Navigation)
Driver Awareness Package Forward Collision Alert, Following Distance Indicator, Lane Change Alert with Side Blind Zone Alert,[13] Rear Cross Traffic Alert, Lane Keep Assist with Lane Departure Warning, IntelliBeam headlamps, Safety Alert Seat and Rainsense Wipers. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Seating Semi-Aniline full-leather

1. Go to my.cadillac.com/learn to find out which phones are compatible with the vehicle. **2.** Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. **3.** Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. **4.** Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service. **5.** Capabilities vary by model. Visit onstar.com for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address and enrollment in Advanced Diagnostics. **6.** Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. **7.** If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. XM satellite service is available only to those in the 48 contiguous U.S.A. and D.C. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. **8.** Not compatible with all devices. **9.** The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com.

10. Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information. **11.** Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. **12.** Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. **13.** Before making a lane change, always check the Side Blind Zone Alert display and the side and inside rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal. **14.** Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information go to https://my.cadillac.com/learnAbout/cadillactires/ or see your dealer. **15.** Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. **16.** Vehicles equipped with these linings will experience faster accumulation of brake dust on wheel surfaces and may produce more noise than with standard linings.

OWNER BENEFITS

Our owners deserve it all. That's why 2018 vehicles are backed by a comprehensive suite of owner benefits. To learn more, visit:
cadillac.com/CTSownerbenefits

ONSTAR

With available OnStar,[1] you can get immediate help, outsmart and avoid vehicle theft, reach destinations, stay connected, even manage your vehicle's health. To learn more, visit:
cadillac.com/onstar

ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

TIRE SEALANT AND COMPRESSOR KIT

If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼-inch or a tire that has unseated from the wheel. The sealant can only be used on one tire, one time before its expiration date.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-782-4356 or by visiting www.helminc.com.

NEW VEHICLE LIMITED WARRANTY

World-class coverage comes standard on every 2018 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible, Roadside Assistance Program[2] and Courtesy Transportation Program[2]

COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires—defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion—resulting from stone chips or scratches in the paint, for example—is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.

1. Visit onstar.com for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.
2. Roadside Assistance Program and Courtesy Transportation Program are not part of the New Vehicle Limited Warranty. A separate booklet titled, "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.

Shoulder Room, Rear	54.8

SELECT CTS CAPACITIES	
Fuel (gal., approx.)	19.0
Cargo Volume (cu. ft.)	13.7
Seating Capacity	5

1. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to https://my.cadillac.com/learnAbout/cadillactires/ or see your dealer. Lower profile tires damage more easily; especially on rough roads. Damage is not covered under warranty. For more details, go to https://my.cadillac.com/learnAbout/cadillactires/ or see your dealer.
