# EQUINOX 2018

CHEVROLET

Equinox Premier in Cajun Red Tintcoat (extra-cost color) with available features.

## *THE NEXT-GEN EQUINOX. YOUR INVITATION TO INDULGE.*

The all-new 2018 Equinox is nothing less than the perfect balance between design and technology.

The sculpted exterior makes a stunning statement from any angle. Within a wonderfully spacious and refined interior, intuitive technology keeps you seamlessly connected and entertained.

Equinox will offer a trio of turbocharged engines that deliver the performance and efficiency you need for the daily drive or a weekend getaway. And available advanced safety technologies can help enhance your confidence on any road.

The next-gen Equinox is here.
It's everything you need, to do everything you want.

**FIND NEW ROADS™**

# HAVE YOU EVER WONDERED WHAT IT'S LIKE TO HAVE IT ALL?

Equinox Premier in Cajun Red Tintcoat (extra-cost color) with available features.

Equinox Premier in Nightfall Gray Metallic with available 2.0L turbo engine (late availability) and other available features.

***MODERN ARCHITECTURE.*** With its assertive balance of sportiness and sophistication, Equinox will command attention on any road. The chrome-accented grille (with additional chrome bars on Premier) adds upscale distinction.

***HIGH-INTENSITY LED LIGHTING.*** Ultra-contemporary lighting — LED daytime running lamps on all models plus LED headlamps on Premier models — sets a bold tone.

***WINDSWEPT BEAUTY.*** Extensive aerodynamic testing in the wind tunnel influenced this exquisite, sculpted shape. The smoothly flowing proportions provide both aero efficiency and a striking sense of motion.

2

3

4

***1. FOR A BETTER VIEW.*** Power-adjustable, heated exterior mirrors with integrated turn signal indicators are available on LT and standard on Premier.

***2. WRAPAROUND LIGHTING.*** Equinox Premier features LED taillamps that offer crisp, ultra-bright illumination.

***3. ENJOY EVERY MOMENT.*** Capture the sky and put some wind in your hair. A panoramic power sunroof with power sunshade, available on LT and Premier, gives everyone a wide-open view.

***4. CHROMED DUAL-OUTLET EXHAUST.*** Premium details such as these chromed exhaust outlets set Equinox apart from the status quo. Included with the available 2.0L turbo engine on LT and Premier.

## SURROUND YOURSELF IN RICH, REFINED INTELLIGENCE.

Equinox Premier interior in Brandy with Jet Black accents and available features.

**Equinox Premier interior in Brandy with Jet Black accents and available features.**

*1 Does not detect people or items. Always check rear seat before exiting.*

***SIT BACK AND ENJOY.*** Equinox is one indulgent crossover, with ample room for five passengers. Rear seatbacks can be placed in two positions — fully upright or slightly reclined — via an easy-to-reach manual lever.

***ACCOMMODATING SPACIOUSNESS.*** The 2018 Chevrolet Equinox has an impressive 39.7 inches of rear-seat leg room. That's more than the 2017 Ford Escape and Toyota RAV4.

***DON'T FORGET YOUR LAPTOP.*** Rear Seat Reminder[1] activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine under certain conditions, you will get a reminder to double-check for valuables left behind.

***THE LOOK AND FEEL OF LUXURY.*** From bright finishes such as Galvano chrome to soft ambient lighting, Equinox Premier has the style you're seeking. And the Premium Cloth on L, LS and LT models, and perforated leather appointments on Premier, will make you feel like it's crafted just for you.

***IT'S QUIET IN HERE.*** Equinox is not only wonderfully spacious, it also offers the luxury of a quiet ride. A honed exterior shape and strategically placed sound-deadening materials help minimize noise.

***HEATED AND VENTILATED SEATS.*** With the touch of a button, Equinox Premier provides the customized comfort of standard heated driver and front passenger seats. The added luxury of ventilated driver and front passenger seats, as well as heated rear outboard seats, is available.

***PERSONALIZED SETTINGS.*** Memory settings on the driver door can be programmed to adjust the seat and mirror positions for two different drivers. Standard exclusively on Premier.

## *TECHNOLOGY*

***1. myChevrolet Mobile App.*** This mobile app[1] gives you access to some features of your vehicle even when you're nowhere near it. Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you'll be able to remotely start or stop the engine, lock/unlock the doors, send destinations to your available navigation system, view key vehicle diagnostic information, set parking reminders and more.

***2. Apple CarPlay COMPATIBILITY.*** With Apple CarPlay,™[2] you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your Equinox display.

***3. BETTER DRIVING HABITS.*** Perfect for new drivers, Teen Driver technology helps encourage better driving habits in a number of ways, like providing an in-vehicle report that monitors the frequency of select available safety tech features when they are activated, muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

***4. INSIDE INFORMATION.*** The available multi-color Driver Information Center provides a ton of info you need like speed and trip/fuel information. And if you opt for Chevrolet MyLink[3] with Navigation, it can even note the posted speed limit of the highway you're traveling.

Equinox Premier interior in Brandy with Jet Black accents and available features.

*1 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. 2 Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. 3 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. 4 Visit onstar.com for coverage map, details and system limitations. 5 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. 6 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.*

*Android, Android Auto, Google, Google Play and other marks are trademarks of Google Inc.*

***ON-COMMAND CONNECTIVITY.***
With standard Chevrolet MyLink,[1] you can easily handle calls, play music and access contacts from your compatible smartphone simply by touching the color touch-screen display or through voice commands.

***Wi-Fi IN YOUR EQUINOX.*** Chevrolet offers OnStar® 4G LTE plus an available built-in Wi-Fi® hotspot,[2] providing a more powerful connection than your smartphone, with bandwidth for up to seven devices.

***EASY SMARTPHONE CONNECTION.***
With Android Auto™[3] connectivity, you can interact with select smartphone apps. This system takes some of your compatible Android phone's features and puts them on the Chevrolet MyLink[1] display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

***THE WORLD AT YOUR FINGERTIPS.***
The OnStar Guidance Plan[4] is standard on all models for three months. SiriusXM,[5] standard on LT and Premier for three months, lets you choose from over 150 channels of commercial-free music, live sports, news, talk and entertainment. An available wireless charging[6] station lets you conveniently keep your cell phone powered up.

***SAFETY STARTS WITH YOU.*** Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important feature limitations and information.

# AVAILABLE ADVANCED SAFETY TECHNOLOGY HELPS YOU COVER ALL THE ANGLES.

***LOW SPEED FORWARD AUTOMATIC BRAKING.*** Available on Premier, camera-based Low Speed Forward Automatic Braking can help mitigate front-end collisions with detected vehicles at speeds below 50 mph. The system may even help avoid a collision at very low speeds.

***FORWARD COLLISION ALERT.*** This available feature helps identify vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Equinox is following a detected vehicle much too closely.

***LANE KEEP ASSIST.*** At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

***SIDE BLIND ZONE ALERT.*** With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

***LANE CHANGE ALERT.*** Working with Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear corners of the vehicle to help detect and warn the driver of fast-approaching vehicles in the adjacent lanes from up to 82 feet away, not just in the side view mirror blind zones.

***REAR CROSS TRAFFIC ALERT.*** Using the same radar sensors as Lane Change Alert, this available feature alerts you to crossing traffic behind your Equinox when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected from either side.

***REAR VISION CAMERA.*** Standard on all models, the rear vision camera displays a view of the area immediately behind the vehicle on the touch-screen — making it easier to see what's behind you while backing up.

***REAR PARK ASSIST.*** Ideal when pulling into a parking spot at low speeds, this available system senses stationary objects and warns you if an object is too close. The rear vision camera automatically displays a live image of the area behind the vehicle on the available Chevrolet MyLink screen after you shift into Reverse.

***INTELLIBEAM HEADLAMPS.*** When oncoming headlamps are sensed or when taillamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

Equinox Premier in Cajun Red Tintcoat (extra-cost color) with available features.

***DRIVER CONFIDENCE AND CONVENIENCE PACKAGE.*** This combination of confidence and convenience features is designed to make every drive more enjoyable. It includes Rear Park Assist, Rear Cross Traffic Alert and Lane Change Alert with Side Blind Zone Alert. It also includes outside heated power-adjustable mirrors with turn signal indicators, remote start, dual-zone automatic climate control, heated front seats, a leather-wrapped steering wheel and Universal Home Remote. The Driver Confidence and Convenience Package is available on LT and standard on Premier. It includes a power liftgate on 1.5L and 2.0L models and a hands-free power liftgate on all Premier models.

***DRIVER CONFIDENCE AND CONVENIENCE II PACKAGE.*** This option includes all Driver Confidence Package features plus the Safety Alert Seat, Forward Collision Alert, Low Speed Forward Automatic Braking with Following Distance Indicator, Lane Keep Assist with Lane Departure Warning, IntelliBeam high beam assist and Surround Vision. Other convenience features include a heated steering wheel, 8-way power passenger seat, ventilated front seats and heated rear outboard seats. Available exclusively on Premier.

1

2

3

***1. SURROUND VISION.*** This new available feature helps make parallel parking and maneuvering at low speeds into tight garage spaces easier. Surround Vision gives you a virtual bird's-eye view of your Equinox on the available 8-inch diagonal color touch-screen. The system is made up of four cameras — the standard rear vision camera, a forward-looking camera in the front grille and one under each side mirror of the vehicle. All camera viewpoints simultaneously merge to transmit a clear side-by-side digital image to the display screen, helping you to see the areas behind and around you. You'll get the full view with one look.

***2. SAFETY ALERT SEAT.*** This available seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other available onboard crash avoidance systems.

***3. CORE STRENGTH.*** The all-new body structure is both lightweight and robust. The use of high-strength steel and optimized joint architecture for increased torsional strength contributes to the quiet, confident driving experience.

*TURBOCHARGED PERFORMANCE*

# 1.6L TURBO-DIESEL

AVAILABLE SUMMER 2017

**40**

GM-ESTIMATED MPG HIGHWAY[1]

A MAXIMUM HIGHWAY RANGE OF

**UP TO 588**

MILES PER TANK[2]

***A TRIO OF TURBOS.*** The exhilaration for Equinox comes with the power of three. For 2018, we're introducing a trifecta of turbos designed to bring you all the power and torque you need for your daily drive or a weekend getaway.

***ALL-NEW 1.6L TURBO-DIESEL ENGINE.*** This engine is efficient, fun to drive and quiet. Advanced features include stop/start technology, and the turbocharger helps provide excellent low-end torque for smooth merging and passing power.

***6-SPEED AUTOMATIC TRANSMISSION.*** Tuned for quick launch feel and fuel-efficient[1] cruising, the 6-speed automatic perfectly complements the turbo-diesel engine. Adaptive Shift Control with auto grade braking can help reduce the need to brake during a hill descent.

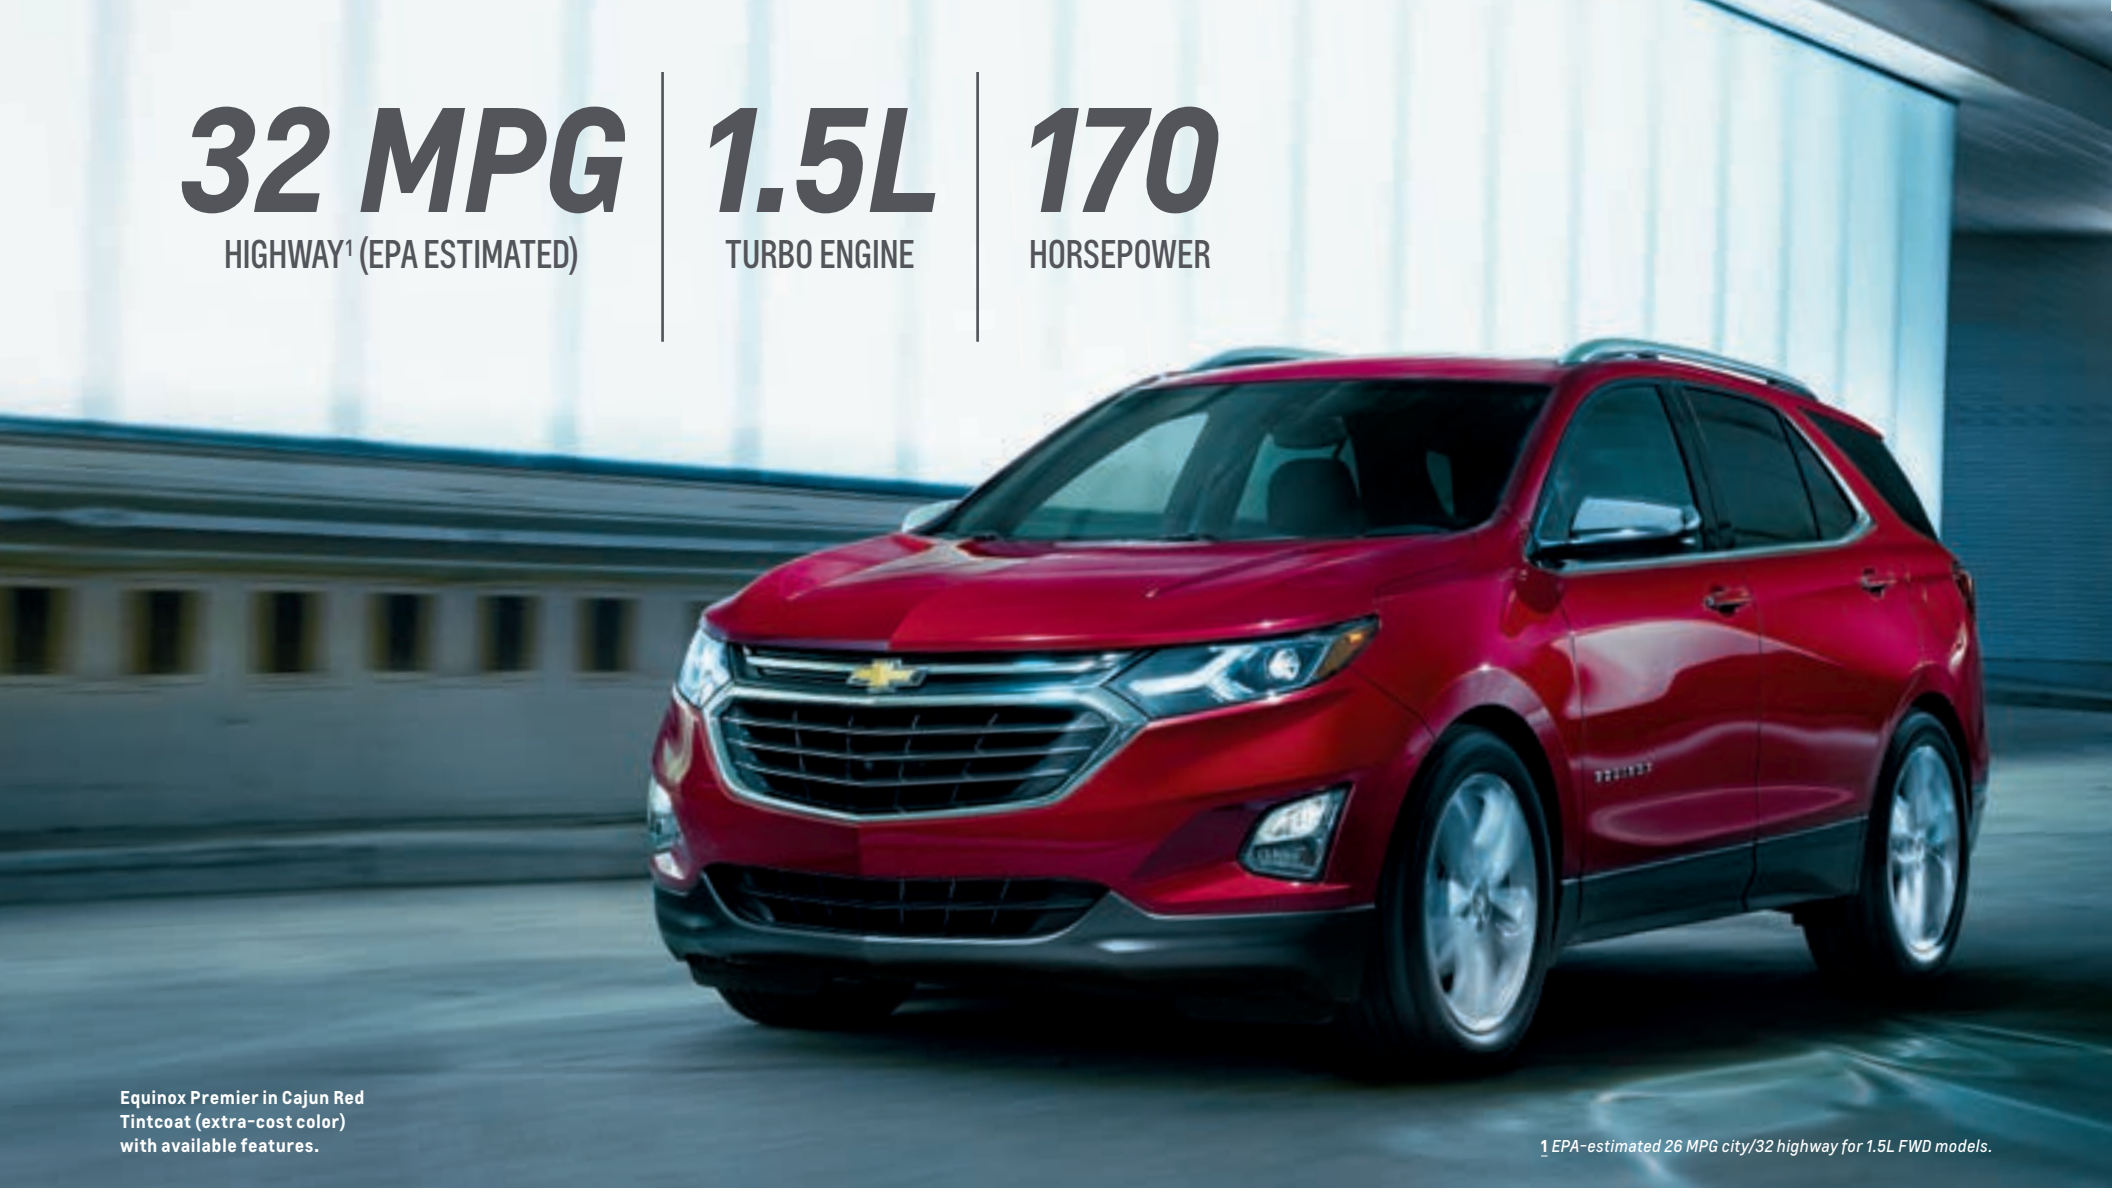
**Equinox Premier in Summit White with available 1.6L Turbo-Diesel engine (late availability) and other available features.**

*1 GM-estimated 40 MPG highway for FWD models. Official EPA estimates not yet available. Fuel economy estimate based on GM testing. 2 Based on GM-estimated 40 MPG highway and fuel tank capacity. Official EPA estimates not yet available. Your range may be less.*

# 32 MPG
HIGHWAY[1] (EPA ESTIMATED)

# 1.5L
TURBO ENGINE

# 170
HORSEPOWER



**Equinox Premier in Cajun Red Tintcoat (extra-cost color) with available features.**

1 *EPA-estimated 26 MPG city/32 highway for 1.5L FWD models.*

***1.5L TURBO ENGINE.*** This new turbocharged 4-cylinder engine uses the technologies of Continuously Variable Valve Timing and Direct Injection to deliver responsive performance with unexpected efficiency. It puts 170 horsepower at your command, along with 203 lb.-ft. of torque. EPA-estimated fuel economy is 26 MPG city/32 highway (FWD) and 24 MPG city/30 highway (AWD).

***2.0L TURBO ENGINE.*** The available 252-horsepower 2.0L turbocharged engine takes performance to an even higher level. The turbo generates up to 20 pounds of boost for the torque you'd normally expect from a larger-displacement engine. Available Summer 2017.

***9-SPEED AUTOMATIC TRANSMISSION.*** Available exclusively with the 2.0L turbocharged engine, the highly advanced 9-speed automatic is designed to help keep the engine operating at near peak efficiency. Shifts are ultra-smooth since ratio steps are smaller. It's a world-class combination.

***MORE MANEUVERABILITY.*** The next-gen Equinox has a smaller turning radius than the previous model, providing greater maneuverability while making it easier to get in and out of parking spots.

***NEW CAPLESS FUEL SYSTEM.*** An ingenious capless fuel system is something you'll appreciate every time you fill up. Behind the fuel-filler door, a small spring-loaded door replaces the traditional screw-on gas cap. Included on models with 1.5L and 2.0L engines only.

**Equinox Premier in Nightfall Gray Metallic with available 2.0L turbo engine (late availability) and other available features.**

*1 EPA-estimated 26 MPG city/32 highway for 1.5L FWD models, 24 MPG city/30 highway for 1.5L AWD models. 2 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.*

***A QUIET, CONFIDENT RIDE.*** This premium driving experience begins with a solid foundation that helps tune out and isolate powertrain, road and wind noise. The robust body structure complements a suspension precisely tuned for comfort and agile handling.

***SWITCHABLE ALL-WHEEL DRIVE.*** This all-new system, available on LS, LT and Premier models, helps enhance traction and control on slippery or snow-covered roads. Switchable AWD lets you change between FWD and AWD operation while you're on the go. When the AWD components are disengaged, Equinox travels in the more fuel-efficient[1] FWD mode.

***TOW UP TO 3,500 LBS.[2]*** Bring on the jet skis, small camper or boat. Trailer Sway Control, Hill Start Assist with Automatic Vehicle Hold and a factory-installed towing package are all included with the available 2.0L turbocharged engine.

***UP TO 63.5 CU. FT. OF CARGO SPACE.*** When you need to transport larger items, Equinox excels. With the rear seats folded, a virtually flat load floor is created with up to 63.5 cubic feet of cargo capacity.[1]

***PLACES FOR EVERYTHING.*** You've got stuff and Equinox has places to put it. In addition to the LED-lit center console compartment, you'll find dedicated storage for a mobile phone, four cup holders, map pockets and a flip-down compartment for sunglasses.

***EVEN THE UMBRELLA.*** Weather the storm with umbrella storage in both front door pockets. There's also water bottle storage in all four doors.

***KEEP YOUR CARGO IN PLACE.*** Conveniently placed cargo hooks, standard on all models, elevate Equinox functionality even further.

1 *Cargo and load capacity limited by weight and distribution.*

1

2

3

4

***1. HANDS-FREE GESTURE LIFTGATE.*** Open and close the liftgate simply by using a kicking motion under the rear bumper. It's so nice to have when you've got your hands full. Standard on Premier.

***2. PROGRAMMABLE LIFTGATE.*** The power liftgate features a programmable memory height that can be set for easy reach or to accommodate areas with low ceilings. Available on LT and standard on Premier.

***3. REAR-SEAT CONTROLS.*** Rear-seat passengers can select open or closed settings for ventilation, with the temperature and fan speed synced to the driver settings. For added comfort, a trio of power plugs is available on LT and standard on Premier.

***4. SECRET STORAGE.*** An easy-to-access compartment beneath the rear load floor is a great place to keep valuables such as laptops or purses out of sight.

## *SELECT VEHICLE FEATURES*

### EQUINOX L

- Driver and front passenger dual-stage frontal air bags[1] with passenger sensing system, seat-mounted thorax side-impact air bags for driver and front passenger, and head-curtain side-impact air bags for front and rear outboard seating positions
- 4-wheel antilock disc brakes
- Tire Pressure Monitoring System[2] with Tire Fill alert
- Power door locks with lockout protection and rear manual child security
- OnStar Guidance Plan[3] with limited service trial, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling Minutes)
- Teen Driver technology
- Rear vision camera
- LED daytime running lamps
- Halogen composite headlamps
- Electronic parking brake
- 17" painted-aluminum wheels
- Tire inflator kit
- Active aero shutters
- Outside heated power-adjustable manual-folding mirrors with Black caps
- Body-color door handles
- Manual rear liftgate
- Active Noise Cancellation
- Chevrolet MyLink Radio[4] with 7-inch diagonal color touch-screen
- 6-speaker audio system, USB port[5] and auxiliary input jack
- Bluetooth® wireless technology[6]
- Electronic cruise control with Set and Resume Speed
- Single-zone manual climate control
- Driver Information Center with enhanced monochromatic display
- Remote Keyless Entry with extended range
- Keyless Open and Start
- Power windows with driver express-up/-down and passenger express-down

### EQUINOX L (CONTINUED)

- Illuminated visor vanity mirrors for driver and front passenger, covered
- Overhead storage for sunglasses
- Deluxe 3-spoke tilt and telescoping steering wheel with controls for audio, phone interface and Driver Information Center
- Carpeted front floor mats
- Rear Seat Reminder[8]

### EQUINOX LS In addition to or replacing L features, LS includes:

- Mechanical jack with tools
- Carpeted rear floor mats

### EQUINOX LT In addition to or replacing LS features, LT includes:

- Outside heated power-adjustable manual-folding mirrors with body-color caps
- Deep-tinted rear glass
- SiriusXM Satellite Radio[9] All Access Package with 3-month trial subscription
- Second-row mechanical seat release levers in cargo area

### EQUINOX PREMIER In addition to or replacing LT features, Premier includes:

- Rear Cross Traffic Alert and Side Blind Zone Alert
- Rear Park Assist with audible warning
- 18" machined-face aluminum wheels with painted pockets
- Hands-free power rear liftgate
- Front foglamps
- LED headlamps and taillamps
- Body-color door handles with chrome strip
- Roof-mounted luggage rack side rails
- Outside heated power-adjustable manual-folding mirrors with chrome caps, turn signal indicators and auto-dimming feature
- Remote vehicle starter system
- Chevrolet MyLink[4] Radio with 8-inch diagonal color touch-screen
- 2 USB ports[5] and auxiliary input jack in front storage bin, 2 USB ports[5] in center console bin, and 2 charge-only USB ports[5] on rear of center console
- Driver Information Center with enhanced multi-color display
- Wireless charging for devices[10]
- Perforated leather-appointed seats
- Enhanced interior ambient lighting
- Memory presets for seat adjuster, outside rearview mirror and driver personalization settings
- Inside rearview auto-dimming mirror
- 120-volt power outlet on rear of center console
- Leather-wrapped 3-spoke steering wheel
- Dual-zone automatic climate control with individual climate settings for driver and front passenger
- Universal Home Remote programmable transmitter, includes garage door opener

*1 A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. 2 Excludes spare tire. 3 Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. 4 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. 5 Not compatible with all devices. 6 Visit my.chevrolet.com/learn for vehicle and smartphone compatibility. 7 Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. 8 Does not detect people or items. Always check rear seat before exiting. 9 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. 10 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.*

## *NEW VEHICLE LIMITED WARRANTY*

***5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY*** Every 2018 Chevrolet Equinox comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

***3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY*** Chevrolet will warrant each 2018 Equinox from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

*1 Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. 2 Whichever comes first. See dealer for details. 3 Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. 4 Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for details and system limitations. 5 Visit onstar.com for coverage map, details and system limitations. 6 Cargo and load capacity limited by weight and distribution.*

## *IMPORTANT INFORMATION*

***CHEVROLET OWNER CENTER (MY.CHEVROLET.COM)*** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

***ENGINES*** Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

***ASSEMBLY*** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

***ONSTAR*** OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

***A NOTE ON CHILD SAFETY*** Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

***IMPORTANT WORDS ABOUT THIS CATALOG*** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Compact Crossover segment and latest available competitive information. Excludes other GM vehicles.

***FLEET ORDERS*** Some standard content may be deleted on fleet orders. See dealer for details.

***CHEVROLET OWNERSHIP EXPERIENCE*** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

***CHEVROLET.COM/SAFETY*** Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

***GMMOBILITY.COM (1-800-323-9935)*** GM Mobility℠ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

***THE BUYPOWER CARD*** The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
