1996 CORVETTE

1996 CORVETTE FEATURES AND SPECIFICATIONS

SAFETY AND SECURITY

- **DRIVER AND FRONT-PASSENGER AIR BAGS** — Help reduce chance of injury in certain moderate to severe frontal collisions. Always wear safety belts, even with air bags.
- **FOUR-WHEEL ANTI-LOCK DISC BRAKES** — Help maintain steering control and minimize wheel lockup on most slippery surfaces.
- **STANDARD ACCELERATION SLIP REGULATION (ASR)** — Helps provide acceleration and vehicle directional stability, even on low-traction surfaces.
- **PASS-KEY II THEFT-DETERRENT SYSTEM** — Key must match a circuit in steering column before engine starts.

PERFORMANCE

- **5.7 LITER LT1 V8 ENGINE WITH SEQUENTIAL FUEL INJECTION** — Horsepower is 300 @ 5000 rpm (requires automatic transmission).
- **NEW 5.7 LITER LT4 V8 WITH SFI** — Horsepower is 330 @ 5800 rpm (see below for details).
- **NEW AVAILABLE TUNED Z51 PERFORMANCE HANDLING PACKAGE** — Includes Bilstein shocks, stiffer springs, stabilizer bars, bushings, 17" x 9.5" wheels and P275/40ZR-17 tires, for excellent handling.
- **NEW AVAILABLE SELECTIVE REAL TIME DAMPING SYSTEM (RTD)** — With driver-adjustable shocks, designed for ultimate driver comfort and control.
- **Z-RATED TIRES** — Specifically designed for the high-speed capability of Corvette.

APPEARANCE

- **GILL PANELS** — Enhance sporty look.
- **BASE-COAT/CLEAR-COAT PAINT** — Resists fading, provides high-gloss shine.
- **TWO-SPOKE LEATHER-WRAPPED STEERING WHEEL**.
- **SOLAR-RAY GLASS** — Provides interior solar protection.
- **17" ALUMINUM WHEELS.**

The new LT4, required in Grand Sport, available in all Corvettes equipped with 6-speed manual transmission, takes an engine that was already "world-class" — the LT1 — and adds ample torque at the low end, and even more horsepower at a higher rpm level than ever before. LT4 delivers 330 horsepower at 5800 rpm, and 340 lb.-ft. of torque at 4500 rpm.

COMFORT AND CONVENIENCE

- **STANDARD BUCKET SEATS** — With leather seating surfaces.
- **REMOTE PASSIVE KEYLESS ENTRY** — Automatically locks/unlocks vehicle doors; unlocks hatch (Coupe only) at the touch of a button.
- **DUAL ELECTRICALLY ADJUSTABLE HEATED OUTSIDE REARVIEW MIRRORS.**
- **POWER WINDOWS WITH DRIVER'S EXPRESS-DOWN FEATURE.**
- **OPTIONAL DELCO/BOSE STEREO** — includes AM/FM radio with seek-scan, cassette tape player, CD player and digital clock.

EASY-TO-OWN

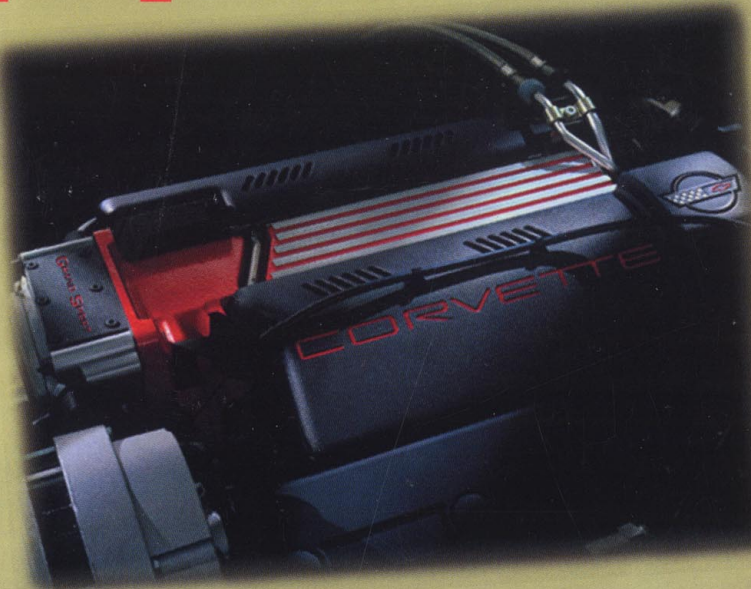

- **PLATINUM-TIP SPARK PLUGS** — Last up to 100,000 miles.
- **100,000-MILE COOLANT** — Recommended change interval is 5 years or 100,000 miles, whichever comes first.*
- **LOW-OIL-LEVEL INDICATOR.**
- **AVAILABLE EXTENDED MOBILITY TIRES** — Travel up to 200 miles at 50 mph without sustaining damage (require low-tire-pressure warning; not available on Grand Sport Coupe or with Z51 Handling Package).
- **SCOTCHGARD™ FABRIC PROTECTOR** — On carpeting and floor mats; resists stains, makes cleanup easy.
- **CHANGE-OIL INDICATOR.**
- **GENUINE CUSTOMER CARE** — No-deductible, 3-year/36,000-mile limited warranty†, 24-Hour Roadside Assistance via toll-free hot line, and Courtesy Transportation,** if vehicle ever needs warranty work (at participating dealers).

* Maintenance needs vary with different uses and driving conditions.
† See dealer for full terms of this limited warranty.
** See dealer for details.

1996 Corvette

SPECIAL EDITIONS

Grand Sport Corvette

There is a special significance to the "Grand Sport" nameplate. This newest Corvette is a tribute to the most famous competition Corvettes ever — the five 1963 Grand Sport lightweight racers. Dual color-coded hash marks, standard on the new Grand Sport, symbolize the proud relationship between new and old, where different color hash marks were used to differentiate each of the original Grand Sport racers. The 1996 Grand Sport is the highest-performance regular-production Corvette you can buy. It showcases the new 330-hp, LT4 V8 engine, 6-speed manual transmission, and Acceleration Slip Regulation (traction control). Standard Grand Sport features include:

- Paint treatment: Admiral Blue Metallic only, with white center stripe and red hash marks on left front fender (Admiral Blue Metallic is exclusive to Grand Sport)
- 17" 5-spoke aluminum wheels, painted black
- Brake calipers, painted black with "Corvette" in bright aluminum on front calipers
- Interior in Black or Red/Black combination
- Perforated sport seats with "Grand Sport" embroidery
- Black floor mats and carpeting
- Tires: P275/40ZR-17 (front); P315/35R-17 (rear) on Coupe only. Convertible model tires are standard size
- Rear-wheel flares (Coupe only)
- Chrome emblems: front, rear and sides
- Unique serial number
- Requires LT4 engine with 6-speed manual transmission
- Convertible top comes in white only
- No Convertible hardtop option or Coupe transparent top is available.

Corvette Collector Edition

Sebring Silver. To a Corvette aficionado, it's a color that will forever be linked with such classics as the first Sting Ray racer of 1959 and the legendary 1963 split-window coupe. Now Sebring Silver is back, adding a special brilliance to the 1996 Corvette Collector Edition. This is the final season for the fourth-generation Corvette, and we invite you to celebrate with Silver. Standard Collector Edition features include:

- Sebring Silver Metallic (color is exclusive to Collector Edition)
- Chrome "Collector Edition" emblems on hood, fuel door, bottom of hood sides and in the center of each aluminum wheel

- 17" 5-spoke aluminum wheels, painted silver
- Brake calipers, painted black with raised bright aluminum "Corvette" lettering on front calipers
- Interior in Torch Red, Black or Light Gray
- Perforated Sport seats with "Collector Edition" embroidery
- Tires: front — P255/45ZR-17, rear — P285/40ZR-17
- Standard LT1 engine with 4-speed electronically controlled automatic transmission
- Available LT4 with 6-speed manual transmission
- Black convertible top
- A transparent top is available for Coupe
- A hardtop is available for Convertible.
