

# 01 HIGHLANDER

Highlander shown in Sundown Red Pearl with available Appearance Package and roof rack.

AN UNEXPECTED BIT OF COMFORT IN THE RUGGED WORLD OF THE SUV.

No one can deny the popularity of the SUV. They're great for getting away, handling weather of any type, and they can pretty much carry anything. The thing is, many sacrifice comfort for capability. Which is what makes the new Highlander so different. It's designed for those of us who live in the real world—combining SUV utility with an amazingly smooth, comfortable ride. Call it refined or revolutionary. Just don't call it a typical SUV.

**STANDARD FEATURES**
**STANDARD FEATURES**

- Multi-reflector halogen headlamps with auto-off feature
- Washer-linked variable intermittent windshield wipers
- Rear window with electric defogger and intermittent window wiper
- UV reduction glass windshield

<sup>7</sup>Requires aluminum alloy wheels, Appearance Package or Limited Package.

<sup>8</sup>4WD models only. Not available with Vehicle Skid Control + TRAC.

<sup>9</sup>Not available with limited-slip differential.

<sup>10</sup>Requires Towing Prep Package.

<sup>11</sup>The Toyota driver, front passenger and front seat-mounted side-impact air bags are Supplemental Restraint Systems (SRS). The driver and front passenger air bags are designed to inflate in a severe frontal collision. The side-impact air bags are designed to inflate in severe side-impact collisions. In all other accidents, the air bags will not inflate. To decrease the risk of injury from a deploying air bag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the

air bag modules and do not lean against the door. Do not put objects in front of an air bag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying air bag SRS may cause serious injury or death.

<sup>12</sup>Please see your Owner's Manual for further instructions.

<sup>12</sup>Requires Leather Package.

Toyota Highlanders are designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitches/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. Specifications, standard features and available equipment are based upon information available at the time of printing, are subject to change without notice, are for mainland U.S.A. vehicles only and may differ in the state of Hawaii and in other regions.
