▼ Shown: Savana SLT with Neutral leather-trimmed seating with some optional equipment.

Sure Savana® looks sharp. But it's what's inside that counts. And that's where the Savana really shines. Take Savana SLT: It offers an integrated entertainment system, featuring two drop-down video screens, wireless infrared headsets and seating for 7. Also available are Savana models with seating for 8, 12 or even 15 passengers.
