Shown: Sierra Denali Extended Cab, in Pewter Metallic with all-wheel drive and QuadraSteer.

The Sierra® Denali® is a superb example of GMC® innovation in action. It offers a combination of technical features that work in concert to provide you with exceptional driving control: A specially engineered Vortec™ 6000 V8 engine, heavy-duty transmission, full-time all-wheel drive, 17-inch wheels with Michelin® tires, and the breakthrough technology of QuadraSteer.™

Shown: Sierra Denali Extended Cab interior with two-tone leather seating surfaces, in Stone Grey.
