

↗ 03 ECHO

4-Door shown in Silver Streak Mica with available 15" wheels and dual remote outside mirrors.

WHEN THEY TALK ABOUT THE PURSUIT OF HAPPINESS, THEY DON'T MEAN ON FOOT.

Time waits for no one, so why delay going after the things that matter to you? And no matter what those might be, it's good to know the restyled 2003 Toyota ECHO can help. It's available with either two or four doors, because it's nice to have options. It's got a truly energetic 108-hp 16-valve VVT-i engine. And a spacious cabin, wrapped in some of the freshest sheet metal around, with a redesigned front end and available fog lamps. There's also the Toyota family name—reassurance that you're making some sound decisions. And a sticker price that puts all sorts of things within reach: grad school, travel, maybe your own business. The ECHO. It gets you there.
