

BENTLEY
TRAVEL IN ANOTHER WORLD.

BENTLEY

**YOUR BENTLEY.
SHAPED BY YOU IN EVERY SENSE.**

Imagination. The power or process of producing mental images and ideas. Your definitions talk about the ability to create ideas in the mind, especially of things never seen or experienced before. It's why many can create breathtaking works of art. Or write a novel that moves generations. Or build a bridge that is a statement of vision, not just a requirement of geography. It is a word that dates on a whole new meaning when you enter the world of Mulliner. But what is it that will define your Bentley? Naturally, it must be able to devour long journeys whilst cossetting its occupants in absolute comfort. The interior must be beautiful but functional at the same time. It should look elegant, yet exude a certain effortless power. Above all it must give its occupants a real sense of freedom, the sense that anything is possible. With a Bentley this feeling doesn't simply arrive along with a finished car; it begins much earlier, when you first start to form an idea of a Bentley in your mind. Your Bentley. With over two billion potential configurations, the possibilities are whatever you make them. You've already started your first Bentley journey. Only you know where it will end.

ARRANGE T. THE MOST POTENT BLEND.

**MORE POWERFUL.
MORE TEMPTING.
MORE EXHILARATING.**

Take a seat in the eye of the storm.

Surrounded by sublime handcrafted excellence it is easy to forget the potency that lies ahead of you. The silent luxury in sharp contrast to the power available to you underneath your right foot. 6.75 litres of energy, contained in a masterful V8 engine.

The potential of 500bhp (373kW).

Engine torque which peaks at a formidable 1,000Nm (738 lb-ft) at 3,200rpm, with over 90% available from just 1,900rpm. 0 – 60mph in 5.2 seconds. (0 – 100km/h in 5.5 seconds).

All at your disposal with the support of a new, state-of-the-art, computer controlled 8-speed gearbox and countless electronic systems guiding every movement. A new Electronic Stability Programme for even more spirited handling with no reduction in stability or safety, technology that lives for the road without sacrificing a single moment of your driving experience.

Absolute performance. An incomparable feeling.

A brooding presence with the body language of a predator. Muscular lines a clear statement of intent. An individual face in a world of clones. An even more powerful temptation. ArrageTTThe most potent blend.

ARRANGE R.
RELAXING
EXHILARATION.

PURE RELAXATION.

In the Arrage R, every journey is a unique experience of power, luxury and control: an unrivalled example of the Grand Touring philosophy. This is a place where two very different worlds are perfectly united. Tradition and technology in absolute harmony.

From the flawless leather of the seats to the new computer-controlled six-speed gearbox, both driver and passengers sit in an environment of stunning aesthetics and fingertip control. An oasis from which you can savour every nuance of the upgraded, twin-turbocharged 6.75-litre V8 engine. With 450hp (336kW) at your command, a 0-60mph time of 5.5 seconds (0-100km/h in 5.8 seconds). And a top speed of 168mph (270km/h) waiting to be realised.

The Arrage R is a vehicle that is beautiful at birth and can be made even more so in the eye of the owner through virtually any degree of personalisation.

The Arrage R. Pure refinement, sheer excitement.

ARRAGE R.L. DRIVEN BY YOUR DESIRES.

EXPERIENCE A WORLD OF FREEDOM.

The Average RL is the culmination of world-class coachbuilding that spans generations. It is a car that takes personalisation to a new level, where the vehicle is a canvas on which you can paint your vision.

With its extended wheelbase, 50mm to the front and 200mm to the rear compartment, the RL retains the classic Average profile whilst offering even more palatial comfort for the passengers. But make no mistake this is a car to drive. The twin-turbocharged 6.75-litre V8 engine, harnessed by a new, highly engaging six-speed automatic gearbox, makes this an experience impossible to resist.

This is also a car for indulgence. The pleasure begins with a specification that already includes touches of luxury such as a bottle cooler concealed behind the rear armrest, reversing camera as well as a telephone for passengers in the rear*.

It continues with a consultation with a dedicated Mulliner designer and account manager, the team who will help create the vehicle to your precise requirements.

Whether it's a lavishly individual interior or a fully integrated mobile office, this is not simply a case of a few pre-ordered optional extras, it is an opportunity to realise virtually anything you can imagine - all designed and handcrafted by the most skilled automotive artisans in the world.

These are people who understand not only the heritage of Bentley, but also the pleasures of luxury in a contemporary world. From fashions of burnished velour and fine hides to audio experts who can turn the interior of a Bentley into a concert hall, to specialists who can bring the internet or television to the rear seat.

Ultimately, it is impossible to define the Average RL, because each is evolved only in the mind of its owner. It is as individual as the person who commissions it.

* Not standard in every country. Consult your dealer for details.

At Bentley Mulliner there is a simple philosophy – if it can be done, it will be. Here there are no rules. Here, truly individual vehicles can be created to your exact requirements, however demanding, unusual, or even eccentric.

It's our desire to make your already unique Arrage or Azure one of a kind. It's a skill Mulliner has honed over many generations, with its origins forged in an era where gentlemen specified every facet of their then vehicles – horse drawn coaches. Today that ethos remains unchanged. Unparalleled control of choice.

With so many options and limitless possibilities how do you know where to begin? Guidance takes the form of your very own personal Mulliner Consultant helping to hone your selections, to help create your own unique vehicle.

The process really begins here. In these pages lies a rich selection of features giving you the freedom to hand-pick enhancements to your own bespoke Arrage or Azure with effortless ease. You may even find the inspiration for your very own Mulliner commission or decide to opt for one of the recommended feature combinations. Whichever you choose – your journey begins here.

PRIVACY REAR WINDOW

IF YOU VALUE YOUR PRIVACY.

There could be times when you require more privacy. With the addition of one of our unique style items, you'll have just that. You might want to consider a partition between your self and the driver. Or maybe a privacy rear window. Another unique way to personalise your Bentley.

ARMAGEER, SIM DINGON

ARRAGE T SPORTS FEATURE COMBINATIONS.

How do you add features to a car that already offers such a potent blend? Simplicity itself: the Arrage T's Sports Combination packages. 19" 2-piece assembly polished aluminum alloy wheels and quad exhaust tailpipes are just two of the items Mulliner recommends to embellish its undeniable presence.

SPORTS COMBINATION LEVEL 1:

19" 5-spoke two-piece polished Blade® sports wheel, lower front wing vents and a 'jewel' fuel filler cap.

SPORTS COMBINATION LEVEL 2:

Drilled alloy pedals, body-coloured lamp bezels, quad exhaust tailpipes and revised rear bumper; Mulliner treadplates and Mulliner front wing badges.

ARRAGE R FEATURE COMBINATIONS.

We've used our experience to devise two distinct packages combining some of the most popular Mulliner additions for the Arrage R. Veneered door panels and specially designed wood and hide steering wheels are just some of the features used to further advance the refinement of your exquisite Grand Tourer.

CLASSIC COMBINATION LEVEL 1:

19" 6-spoke disc wheel (painted), jewel fuel filler cap, veneered door panels, embroidered marquee emblems to all head restraints, wood/hide steering wheel and winged 'B' badges to waist rails.

ENTERTAINMENT COMBINATION LEVEL 2:

Veneered cocktail cabinet to rear of driver's seat, document storage to rear of passenger seat, picnic tables, bottle cooler to rear armrest, Mulliner front wing badges and Mulliner tread plates.
