09 Saturn ASTRA

The philosophy of Rethink has been ours since day one. Rethink is treating customers like people. Rethink is buying made easy. Rethink is style made accessible. Rethink is a greener approach. Rethink is remarkably fuel-efficient vehicles. Rethink is always pushing yourself to come up with a better idea. Rethink is Saturn.

Saturn's commitment to helping the environment

Our devotion doesn't stop at building responsible transportation. We're also doing the little things, like printing this brochure on FSC-certified (Forest Stewardship Council) paper, which includes a minimum of 30% post-consumer recovered fiber. Additionally, electricity used in the manufacturing process is generated from renewable resources. Please help us out and recycle this brochure when you're done.

ASTRA 3-Door XR in Salsa Red with available 18-inch alloy wheels

EPA-estimated **24** mpg city, **32** mpg highway

ASTRA 3-Door XR and 5-Door XR in Black Sapphire

Rethink amusement. The ASTRA. The ridiculously fun-to-drive sport compact. We've rethought the sport compact by making it functional and stylish, with a 1.8-liter ECOTEC™ engine that offers an EPA-estimated 32 mpg highway. Available in two hatchback body styles, a 3-Door and a 5-Door, the ASTRA is a sleek, curve-hungry car that's big on connecting you to the road. Sure, it offers room for five, but it's the ASTRA's German-engineered performance that will really make your hands sweat and your foot twitch.

SATURN | 100,000 MILE 5-YEAR POWERTRAIN WARRANTY

Powertrain Warranty
Every 2009 Saturn gets the best coverage in America: the Saturn 100,000-mile/5-year¹ Transferable Powertrain Limited Warranty, plus Roadside Assistance and Courtesy Transportation.

¹ Whichever comes first. See retailer for details.

ASTRA 3-Door XR in Salsa Red

Rethink recreation. The ASTRA gets more “ahhs” per mile.

Sprint with stamina

We engineered the ASTRA's responsive engine to deliver sporty, exciting performance and still offer an EPA-estimated 32 mpg highway. The 1.8-liter ECOTEC™ engine is equipped with Variable Valve Timing (VVT) and is either mated to a five-speed manual transmission or an available four-speed automatic.

Rock steady

Built to provide firm, tight, responsive handling, the lowered sport-tuned suspension with front and rear stabilizers is standard on the 3-Door XR and is part of the Sport Handling Package available on the 5-Door XR. We designed the ASTRA for the narrow, twisty roads of Germany and it'll be just as much fun around your neighborhood.

Reliable response

The ASTRA is tuned to deliver a smooth, refined ride with tight handling and solid on-center feel. Four-wheel disc brakes, a MacPherson strut front suspension, torsion beam rear suspension, and a quick-reacting electro-hydraulic steering system give it a responsive and stable driving character that keeps you in command.

ASTRA 5-Door XR with available equipment

Techie fingers

Steering wheel controls are a standard feature on the ASTRA XR. Without taking your hands off the wheel, they allow you to access the Driver Information Center and scroll through the different functions, preset radio stations, CDs and CD tracks. You can also fast-forward/rewind CD tracks or simply adjust the volume.

Go from parked to goosebumps

We give you the option on the ASTRA of a sporty 5-speed manual or an available electronically controlled 4-speed automatic, including a neutral idle feature, winter mode, performance on demand, and downhill grade assist.

Our Advanced Audio Package is great for large music collections. Available on all the ASTRA models, it has an AM/FM stereo with a six-disc CD changer with MP3 disc-playing capability, an adjustable seven-band equalizer, seven premium speakers, and an enhanced 6.5-inch diagonal information display that even includes a stopwatch function.

OnStar® Every 2009 Saturn includes a one-year subscription to the OnStar Safe & Sound Plan.¹ Beyond our standard safety and security features, you get monthly vehicle diagnostic reports via e-mail, as well as Roadside Assistance. OnStar can even flash your lights and sound your horn if you can't find your vehicle. You can easily connect with an Advisor who can unlock your door or help authorities locate your vehicle if it is stolen.² With the available Directions & Connections Plan, you get OnStar Turn-by-Turn Navigation,³ which is the simplest and smartest navigation system. Simply push the blue OnStar button and tell the Advisor where you want to go to receive automated voice-guided directions.

¹ Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com, and see inside back cover for details and system limitations. ² Remote Door Unlock and Stolen Vehicle Location Assistance success may vary with conditions. ³ Not available in certain areas. Visit onstar.com for coverage map.

ASTRA 5-Door XR in Star Silver

ASTRA 5-Door XR in Black Sapphire

Rethink tailored fit

The ASTRA does all the little things right to accommodate your gear and all your people. It has a large, illuminated glove box, overhead storage for sunglasses, an auxiliary power outlet, and front and rear cupholders.

33.4
cubic feet of cargo space¹
on 5-Door model

ASTRA 5-Door XR in Star Silver with available 17-inch alloy wheels

Breathing room

The ASTRA blends functionality with an efficient engine that offers an EPA-estimated 32 mpg highway and is designed to heighten your driving experience. The rear 60/40-split seatbacks fold nearly flat via a single touch of an easy-access lever to reveal major space. With the rear seats up, conceal your stuff with the standard rear cargo cover.

¹ Cargo and load capacity limited by weight and distribution.

ASTRA 5-Door XR with Premium Trim Package

Atmosphere enhancements

Look good, feel good, and watch the world go by through an available sunroof that's the largest in its class¹. If you upgrade to the available Premium Trim Package², you get leather seat surfaces, a leather-wrapped steering wheel, a driver's seat lumbar adjuster, heated front seats, and interior ambient LED lighting.

¹ Based on 5-Door model and 2008 GM Compact Car-Regular 5-door/wagon segment. ² Available on XR models only.

ASTRA 5-Door XR with Premium Trim Package

OnStar®

Included in the ASTRA's one-year subscription to the OnStar Safe & Sound Plan¹ is Automatic Air Bag Deployment Response. Should the air bags deploy, OnStar can automatically request emergency help to your vehicle. The red emergency button in the vehicle can also be used if you are in an emergency situation that does not involve air bag deployment. Connect your vehicle to OnStar and a live Advisor will contact emergency services for you. On call and ready when you need it most, OnStar helps make safety a standard feature in every ASTRA we build.

ABS, Traction Control and StabiliTrak®

The ASTRA is equipped with ABS to provide more precise anti-lock braking performance. Standard on the ASTRA 3-Door and available on the 5-Door is StabiliTrak-Stability Control—a system that works with ABS and Traction Control to enhance stability by helping control understeer and oversteer.

Play it safe

ASTRA boasts some really important safety features. It comes standard with six air bags;² including frontal air bags, front side-impact air bags that help protect your pelvis and thorax, head curtain side air bags for added head protection, active front head restraints that help reduce the chance of neck injuries during rear-end impacts, and a Pedal Release System that helps reduce the chance of lower-extremity injuries to the driver. The four-wheel disc brakes provide excellent stopping power.

¹ Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com, and see inside back cover for details and system limitations. OnStar acts as a link to existing emergency service providers. ² Air bag inflation can cause severe injury or death to anyone close to the bag when it deploys. Be sure every occupant is properly restrained. See inside back cover of this brochure for an important note about air bags and child safety.

ASTRA 5-DOOR XE

5-DOOR XE STANDARD EQUIPMENT:

- 138-hp, 1.8-liter, DOHC, 16-valve ECOTEC™ 4-cyl. engine with VVT
- 5-speed manual transmission
- 4-wheel disc brakes with ABS and Cornering Brake Control
- MacPherson strut front suspension with stabilizer bar and torsion beam rear with integrated stabilizer bar
- Electro-hydraulic power-assisted steering
- 16-inch steel wheels with full wheel cover and P205/55R16 all-season touring tires
- Cruise control
- Power-adjustable, manual-folding heated outside mirrors
- Front intermittent wipers with RainSense™ feature
- Rear wiper and washer
- Body-colored bodyside moldings, door handles, and outside mirrors
- Roof spoiler integrated into liftgate
- Charcoal metallic interior accent trim
- Driver Information Center including audio, time, and outside temperature display
- AM/FM stereo with CD player and 6 speakers
- Power door locks with central locking feature, folding key, and Remote Keyless Entry
- Cloth front bucket seats with driver's seat height adjuster
- Rear 60/40-split flat-folding seat with three adjustable and removable head restraints, plus retractable dual cupholders in seat cushion
- Three-spoke steering wheel with rake and telescoping steering column

- Power windows with Express-Down on all four windows
- Front console with cupholder, 12-volt power outlet, and open storage bin
- Carpeted front and rear floor mats
- Lighted front visor vanity mirrors and front and rear dual reading lamps
- Touchpad liftgate release, cargo light, and removable cargo cover
- Dual-stage driver and front passenger air bags¹ with Passenger Sensing System
- Side-impact air bags¹ for driver and front passenger with thorax and pelvic protection
- Front and rear outboard head curtain side air bags¹
- Active front seat head restraints
- Passenger safety belt reminder
- Halogen headlamps, with automatic exterior lamp control, and daytime running lamps
- Side repeater lights
- Turn signal indicator with lane change signaling feature
- Pedal Release System
- Tire Pressure Monitor
- Theft-deterrent system
- Child security locks
- OnStar® with one-year Safe & Sound Plan²

ASTRA 5-DOOR XR

5-DOOR XR ADDS:

- Variable-effort, electro-hydraulic power-assisted steering
- 16-inch alloy twin-spoke wheels and P205/55R16 all-season touring tires
- Front projector beam foglamps
- Air conditioning with particle filter

IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings, and other numbers in this catalog and other printed materials provided at the retailer or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacturer and equipment. Certain vehicle features may lose their usefulness over time due to obsolescence from technical changes. Because some information may have been updated since the time of printing, please check with your Saturn retailer for complete details. Saturn reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

A NOTE ABOUT AIR BAGS AND CHILD SAFETY

Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with air bags and the Passenger Sensing System, children are safer when properly secured in a rear seat in an appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. See your vehicle owner's manual and child-safety seat instructions for more information.

ONSTAR® INFORMATION

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) and visit onstar.com for OnStar's Terms and Conditions, Privacy Policy, details and system limitations.

SATURN'S VEHICLE EXCHANGE PROGRAM

Within the first 30 days or 1,500 miles of delivery, whichever comes first, the original purchaser may exchange his or her Saturn vehicle if not completely satisfied. In the event that an owner returns his or her vehicle, he or she will exchange it for another new 2008 or 2009 Saturn vehicle. See retailer for limitations and restrictions. The vehicle must be returned in the condition in which it was delivered, without damage or excessive wear and tear. If non-warranty repairs equal to or greater than \$300 have been performed or are necessary, the vehicle is not eligible to be returned; if less than \$300, the damage must be repaired or the estimate deducted from the credit toward the exchange vehicle.

NEW VEHICLE LIMITED WARRANTY

This warranty is for Saturn vehicles registered in the United States. See your Saturn retailer for terms and conditions. Covered by the best coverage in America: the Saturn 100,000-mile/5-year (whichever comes first) Transferable Powertrain Limited Warranty, plus Roadside Assistance and Courtesy Transportation. Covered for 3 years/36,000 miles (whichever comes first): the complete vehicle, tires, towing to your nearest Saturn retailer, cosmetic corrosion resulting from defects, repairs made to correct any vehicle defect, with no charge for most warranty repairs. See retailer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by GM are not covered by the Saturn New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. GM is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

ASSEMBLY

Saturn vehicles and their components are assembled or produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Saturn vehicles with different or differently sourced components than originally scheduled. Because some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

ENGINES

Saturn products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Saturn products may also be used in other GM makes and models.

GM CARD

What you spend each day can help toward the purchase or lease of a new Saturn. With three different reward cards to choose from and over 50 eligible new GM vehicles, there are plenty of reasons to get excited about what your reward could be. Apply for a GM Reward MasterCard and start saving for your new ride today. Visit gmcardmemberservices.com for more details.

©2008 Saturn Corporation. Saturn and its logo are registered trademarks of Saturn Corporation. ASTRA is a registered trademark of Saturn Corporation.

¹ See inside panel on left for important information about air bags, including a note about child safety. ² Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com, and see inside panel on left for details and system limitations. ³ Cargo and load capacity limited by weight and distribution. ⁴ Requires available Air Conditioning. ⁵ Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. You may want to get different tires if you expect to drive in winter conditions. See your retailer for proper tire selection.

Saturn's commitment to helping the environment

Our devotion doesn't stop at building responsible transportation. We're also doing the little things, like printing this brochure on FSC-certified (Forest Stewardship Council) paper, which includes a minimum of 30% post-consumer recovered fiber. Additionally, electricity used in the manufacturing process is generated from renewable resources. Please help us out and recycle this brochure when you're done.
