

 **CHEVY** To us, it's pretty simple: Build vehicles that anyone would be proud to own, and put them within reach. We offer more models than Toyota or Honda with **30 MPG HIGHWAY OR BETTER!** We're backing our quality with the **BEST COVERAGE IN AMERICA**, which includes the 100,000 mile/5-year² transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy

Transportation Programs. We're filling our cars and trucks with the kind of thinking, features and craftsmanship you'd expect to pay a lot more for. This philosophy has earned us more *CONSUMERS DIGEST* "BEST BUY" awards for 2009 models³ than any other brand. So owning a Chevy isn't just a source of transportation. It's a source of pride. **CHEVY.COM**

A "BEST NEW FAMILY VEHICLE."

– KELLEY BLUE BOOK'S KBB.COM.

Even the critics have taken notice. The 2009 Traverse was named a **BEST NEW FAMILY VEHICLE**² by *Kelley Blue Book's* kbb.com and *Consumers Digest* named it

a "BEST BUY."³ The 2009 Traverse also earned recognition as a

"BEST BET" – Large SUV Category⁴ by *The Car Book*. And *AutoWeek*

pronounced, "Traverse...quite simply, is one of the best vehicles –

not just crossovers – on the market today." With **24 MPG HIGHWAY**,⁵ Traverse

offers the best fuel economy of any eight-passenger crossover. In fact, Traverse is

more fuel efficient and delivers **30% MORE CARGO SPACE THAN HONDA PILOT**.⁵

Traverse offers both beauty and capability for less than you'd expect.

MPG (FWD): Traverse 17 city, 24 hwy.; Honda Pilot 17 city, 23 hwy. Excludes other GM-manufactured vehicles.

Traverse LTZ in Silver Ice Metallic with available features. 1 Side-impact crash test rating is for a model tested with standard head-curtain side-impact air bags (SABs). Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). 2 The 2010 Toyota Highlander received five stars for the driver side and four stars for the passenger side in frontal crash tests and five stars in both the front and rear side-impact crash tests. 3 Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. 4 Call 1-888-4ONSTAR (1-888-466-7827), see page 18 and visit onstar.com for details and system limitations. 5 OnStar acts as a link to existing emergency service providers. NOW THE STARS CAN LOOK OUT FOR YOU.

FIVE-STAR FRONTAL AND SIDE-IMPACT CRASH TEST RATINGS¹

Safety is not something you have to wish for when it comes to Traverse.

In fact, Traverse received **FIVE-STAR FRONTAL AND SIDE-IMPACT**

CRASH TEST RATINGS¹. The 2010 Toyota Highlander can't say that?² It also includes six standard air bags³ with rollover sensors, as well as head-curtain side-impact air bags for all three rows. The standard **STABILITRAK** Electronic Stability Control System is designed to improve vehicle stability on most road surfaces, especially during emergency maneuvers. An available all-wheel-drive system also assists performance and adds traction when you need it. With all these safety features, you might just want to thank your lucky stars after all.

Blind spot mirrors, integrated into the outside mirrors, are standard on LT and LTZ. Designed to enhance visibility along the sides of the vehicle, this forward-thinking feature is just one more way Traverse helps surround you in safety.

OnStar⁴ with the Directions & Connections Plan – standard for the first year – includes Automatic Crash Response⁵, which has built-in vehicle sensors that can send an alert to OnStar. Even if you don't respond, an OnStar Advisor can request that emergency help be sent right away.

GET COMFORTABLE WITH EACH OTHER.

Loading and unloading is easy with 2LT and LTZ. Simply press and hold the power-release button on the key fob, and the power-remote liftgate will slowly open when the vehicle is in Park.

Traverse LTZ with leather-appointed **HEATED AND COOLED** front seats feels sumptuous and inviting. An eight-way power seat with memory function for both seat and mirror settings is also provided for the driver's comfort. **SMART SLIDE** second-row captain's chairs make for easy entrance to the third row, where passengers enjoy **MORE LEGROOM THAN HONDA PILOT** or **TOYOTA HIGHLANDER**. And the full-size split-bench rear seat can comfortably accommodate three adults.

Traverse LTZ interior in Cashmere color with available SkyScape sunroof that features a tilt-sliding power front sunroof and fixed rear skylight.

Traverse 2LT in Ebony with available features. ¹ Based on GM Mid-Utility Crossover segment. Cargo and load capacity limited by weight and distribution. ² Standard on LS and 1LT, available on 2LT.

BY ALL CALCULATIONS, IT FITS.

Whether you're carrying people or packages, you'll always have **MORE CARGO SPACE THAN ANY COMPETITOR!** In fact, Traverse has more space than you'll find in many full-size SUVs. The available split-folding seats² in the second and third rows give you the flexibility to adapt the vehicle on the fly. And even when you're using all three rows for passengers, Traverse still provides the **MOST SPACE BEHIND THE THIRD ROW¹** in its class – more than Honda Pilot and Toyota Highlander.

Traverse 2LT interior in Ebony with available features seats up to eight passengers.

A one-hand movement sends the Smart Slide second-row seat into motion, quickly sliding it out of the way and allowing passengers of all ages and sizes to easily enter or exit the third row.

BEAUTY, BRAINS AND BRAWN. IT'S NOT EASY BEING A CROSSOVER.

Good looks and a **3.6L V6 ENGINE** that offers efficiency and power? Traverse is the total package.

FUEL EFFICIENCY The standard six-speed automatic transmission provides quiet shifting and smooth acceleration while contributing to outstanding highway fuel economy – **24 MPG!** LS and LT models deliver 281 hp, while LTZ offers 288 horses. That's all the power you'll need to merge with highway traffic or tow up to 5,200 lbs². An available **ALL-WHEEL-DRIVE** system³ automatically engages when the front wheels slip, providing more traction when you need it. Traverse can't help it if it causes a little crossover envy.

THE BEST COVERAGE IN AMERICA.

100,000 MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2010 Chevy passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and the Courtesy Transportation Program and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Statement, and details and system limitations.

A NOTE ABOUT CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Utility Crossover segment and latest available competitive information. Excludes other GM-manufactured vehicles.

At Chevrolet, giving you a completely satisfying ownership experience is our top priority. That's why if you ever need assistance, feel free to contact us at these websites or phone numbers.

CHEVY.COM. Offers shopping tools such as Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools...and much more.
