

2010 Routan

Das Auto.

All around the world, it's

Did you know that a Volkswagen was named the 2009 World Car of the Year?^{*} Or that Volkswagen has ESP[®] standard on all 2010 vehicles? Or that we provide a Carefree Maintenance[™] Program^{**} on all our 2010 cars? Or that we were the first to make clean diesel available in all 50 states? Or that we have more autos with 25 highway mpg or better than any other brand?[†] And that we have more cars and SUVs named 2009 IIHS Top Safety Picks than Volvo?^{††} How about that right now, the VW forest is growing in Louisiana thanks to the Volkswagen Carbon Neutral Project—the first US carbon offsetting program initiated by a car manufacturer? There may be a lot you don't know about Volkswagen. In the pages to come, you'll learn about the minivan with a German accent—the Volkswagen Routan.

^{*}The 2009 Volkswagen Golf was awarded "2009 World Car of the Year" by World Car of the Year Awards. See www.wcooty.com for details. ^{**}The Volkswagen Carefree Maintenance Program covers the vehicle's scheduled maintenance for 3 years or 36,000 miles, whichever occurs first. Coverage is during the term of the new vehicle warranty at no additional charge. Some limitations apply. See dealer or vehicle maintenance program booklet for details. [†]Based on MY09 highway EPA estimates for all car brands. Your mileage will vary. ^{††}Top Safety Pick[®] based on 31mph side-impact crash test, 40mph frontal-offset crash test, 20mph rear-impact test, and the availability of ESC. Test performed by the Insurance Institute for Highway Safety. For details, visit www.iihs.org. See vw.com for more information on safety features.

what the people want.

SEL Premium, Calla Lilly White, 17" Soho Wheels

The only minivan in America with a German accent.

The people want the body of a minivan, with the heart and soul of a Volkswagen. They want sleek European design on the outside, and dynamic Autobahn-savvy engineering underneath. They want performance for their inner child, and all-wheel ABS brakes and traction control for their actual children. That's why we've created the Volkswagen Routan, the only European-inspired minivan in America. It's what the people want.

A minivan with a German accent?
Now I've seen everything.

SEL Premium, Pomegranate Red Metallic, 17" Soho Wheels

SEL Premium, Antigua Blue Metallic, 17" Soho Wheels

Hang on to your sippy cups.

The Routan handles like the quick and nimble German-inspired auto that it is. European handling from a Nivomat self-leveling, ZF Sachs rear suspension,* and an Electronic Stabilization Program (ESP) yield improved driving dynamics that make your Routan yield to you. Choose from 2 V6 engines: the 3.8L, 197hp, V6 engine, or the stout 4.0L, 251hp powertrain, with 259lbs-ft of torque.

*Included in Towing Prep Package, available on the SEL and SEL Premium.

Minivan.

Maxi interior.

The Routan's spacious interior seats 7 passengers with room to spare. It also boasts available snug, well-bolstered, 8-way power captain's chairs with either V-Tex leatherette or triple-stitched Nappa leather seating surfaces. And the Routan's interior easily accommodates every passenger's need, with features like standard fold-in-floor 3rd-row seating, 3-zone climate control, power adjustable pedals, power windows in all rows, available heated 1st and 2nd-row seats, a DVD player, and (2) 9" flat screen monitors capable of independent operation. Plus every control is within reach from your steering wheel, with an optional Electronic Vehicle Info Center (EVIC).

Getting in and out is maximized too, with optional dual-power sliding doors with power windows, optional power-folding 3rd row with tailgate function, and loads of seating configurations.

The concept of cargo gets maximized in the Routan. From 32.3 cubic feet behind the rear seats, to a colossal 144.4 cubic feet with all the rear seats removed, the Routan can carry it, whatever it might be. Underfoot storage bins, 13 cupholders, in-door compartments, and a glovebox that can handle boxing gloves finish out the 'Car-go' capacity of this family funster.

The people want the sun, moon, and stars. And satellites.

The sophisticated electronics and entertainment controls in the Routan seem to reach out to you, instead of vice versa. Enjoy an array of techie gadget controls at your fingertips—like the available DVD Navigation entertainment center that includes a 30GB hard disk drive with USB port, a 1-year trial subscription to SIRIUS® Satellite Radio, and an available 9-speaker, 506-watt Premium Sound System with MP3 compatibility.* This dynamic system integrates JoyBox™ technology, letting you upload your music and other data directly into the unit. Then pile into the back to enjoy the 2nd and 3rd-row 9" flat screen monitors with wireless headphones. And, in a gesture of ultimate family harmony, you'll find our engineers have created the flat screens so that one can be playing a movie, while the other plays a video game, or another movie (they have kids, too). You'll also stay connected to your mobile technology, courtesy of the optional Bluetooth® Hands-Free calling system.

And finally, you'll get 1 complimentary year of SIRIUS Traffic™ that delivers real-time traffic data into the available navigation system. SIRIUS Satellite Radio brings you 100% commercial-free music, plus all your favorite sports, news, talk, and entertainment. Convenient, techie, and very Volkswagen.

SIRIUS
SATELLITE RADIO

*Requires optional cables.

**You know where you've been.
The touchscreen navigation
knows where you're going.**

ESP

The National Highway Traffic Safety Administration mandates that electronic stability control be included on all vehicles by 2012. So we figured we'd get a head start by making ESP (Electronic Stabilization Program) standard on every 2010 Volkswagen. It helps the driver stay the intended course by detecting slick and slippery road conditions, and kicking in corrective forces. ESP is most effective when the driver is taking evasive action during sudden maneuvers, like when avoiding an accident. Incidentally, ESP also stands for Extra-Sensory Perception. Coincidence?

SEL Premium, Antigua Blue Metallic, 17" Soho Wheels

Safe happens.

Every Volkswagen comes standard with a comprehensive set of safety features. The features work in harmony to both help you avoid a crash, and protect you if a crash is unavoidable. And we are constantly updating them, because when it comes to safety, there's always room for improvement.

Electronic Stabilization Program (ESP)

Designed to keep drivers on their intended course, using a series of sensors and corrective devices.

Dual Front and Side Airbags*

Deploy almost instantly in the event of a crash. The sensors and layout of the bags help protect passengers, no matter where they're sitting.

Side Curtain Protection*

From the front seats to behind the last row, side curtain airbags deploy to help reduce head and upper torso injury in the event of side impact.

Lower Anchors and Tethers for CHildren (LATCH)

A standardized child-safety seat system.

5-Star Front and Side Crash Rating

Highest crash test rating awarded by the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov).

High Intensity Discharge (HID) Lights

Optional brighter, more concentrated beams that keep the road ahead more illuminated.

SEL Premium, Nocturne Black Metallic, 17" Soho Wheels

It's what's on the inside that counts.

Inside the 144.4 cubic feet* of cabin space in the Routan, you'll find the highest level of European finish, with controls and accessories crafted from the finest materials. You'll also find available passenger seating with triple-stitched leather seating surfaces, durable cloth fabric, or kid-proof, supple-strong V-Tex leatherette.

"The lap of luxury." Whose "lap" is that referring to? I've always wondered that.

*144.4 cubic feet with the rear seats removed.

Cloth

V-Tex

Nappa Leather

Accessories and factory options.

Connect WiFi

Now your Routan is a hot spot. Remarkable technology provides on-the-road wireless internet for games, phones, computers, and more.

Rear Mount Bike Carrier

Integrated with the tow hitch, this rack carries up to 2 bikes. Fold-away feature allows access to the rear lift gate.

Running Boards

These running boards have a sturdy skid-resistant stepping surface. So you can hit the boards running if you're trying to outrun the rain.

Integrated Camp Tent

The great outdoors just got greater with this camper-friendly add-on. Integrated with your Routan, this waterproof, 10x10-foot tent sleeps 6 people, offers 7 feet of headroom, and endless nights around the campfire.

Splash Guards

These keep your VW clean when your tires kick up water, gravel, sand, and salt. Think of them as underbodyguards.

Fog Light Kit

The halogen reflector lens fog lights are integrated into the front bumper. They help light the way for you, so the road ahead won't get lost in the fog.

VW gear for VW gearheads: drivergear.vw.com

Seating configurations.

The Routan comfortably seats 7 passengers. Folding 3rd-row seats give you 83 cubic feet of cargo space, just in case you decide to pack 1 or 5 extra suitcases. Those same seats can be turned to face the back and provide comfy seating for any tailgating adventure. Available 2nd-row captain's seats can each be moved with ease. In total, you get up to 144 different seating configurations to accommodate any road trip, field trip, shopping trip, or trip to be determined.

Standard Features

S

Includes: 3.8L, 197hp, V6 engine; 16" wheels; 3-zone manual air conditioning system; Cloth seats; 4-way manual front seats; 2nd-row removable bench seat; 3rd-row fold-in-floor 60/40 split bench seat; Power windows in all rows; Conversation mirror; Heatable exterior rearview mirrors; Leather-wrapped steering wheel and shift knob; 6-speaker sound system with MP3 compatible CD player and AUX-in; Driver and front passenger front airbags;* Side curtain airbags* for all outward seating positions; ESP; ABS with front and rear disc brakes; Tire Pressure Monitoring System (TPMS).

SE

Includes all S features, plus: 17" alloy wheels; Power sliding doors; V-Tex leatherette seating surfaces; 8-way power driver's seat with manual driver's-side lumbar adjust; Power adjustable pedals; Color-matched side mirrors and door handles; Alarm system; Heatable front seats; Removable 2nd-row captain's chairs; 2nd and 3rd-row sunshades; Universal garage door opener; Audio controls on steering wheel; 6-disc CD/DVD changer; Bluetooth Hands-Free phone system; Trip computer.

*Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

SE with RSE

Includes all SE features, plus: Touchscreen radio with AM/FM radio, CD/DVD/MP3/USB playback and 30GB hard drive; 2nd and 3rd-row overhead 9" LCD screens; Secondary DVD player; Wireless headphones; Remote control; Rearview camera; SIRIUS Satellite Radio with 1-year trial subscription; Power lift gate.

SE with RSE and Navigation

Includes all SE with RSE features, plus: Real-time Navigation System with SIRIUS Traffic information, with 1-year trial subscription.

SEL with Navigation

Includes: 4.0L, 251hp, V6 engine; All SE features, plus: Power sunroof; Leather seating surfaces in 1st and 2nd rows; Single-DVD touchscreen navigation with 30GB music storage, rearview camera, and SIRIUS Satellite Radio and SIRIUS Traffic with 1-year trial service; USB connection; 3-zone automatic climate control system; Heatable 1st and 2nd-row seating; Power 3rd-row seats; Remote start; Towing Preparation Package with Nivomat load-leveling suspension and 3,500lb towing capacity; Adjustable highline floor console with cupholders; Power lift gate; Automatic headlamps.

SEL with RSE and Navigation

Includes all SEL with Navigation features, plus: 2nd and 3rd-row overhead 9" LCD screens; secondary DVD player; Wireless headphones; Remote control; USB connection; Rearview camera.

SEL Premium with RSE and Navigation

Includes all SEL with RSE and Navigation features, plus: HID headlamps; Premium 9-speaker sound system with 506-watt amplifier; Power-folding 3rd-row seats; Bright-finish roof rack; 8-way power driver and passenger seats; Premium Driver Information Center with up level instrument cluster; Memory feature for driver's seat and pedals; Chrome exterior mirrors and door handles; Self-dimming exterior rearview mirrors with turn signal indication; Chrome door handles; Fog lamps; Direct Tire Pressure Monitoring System; Power adjustable pedals with memory; 115V AC power outlet.

With over 130 channels, SIRIUS Satellite Radio brings you more of what you love. Get 69 channels of 100% commercial-free music, plus all your favorite sports, news, talk, and entertainment. Everything worth listening to is now on SIRIUS.

*Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. †Roadside assistance provided by Cross Country Automotive Services.

The Volkswagen Carefree Maintenance Program.*

Volkswagen is proud to offer 3 years or 36,000 miles of no-charge scheduled maintenance on the 2010 Routan. The program includes oil and filter changes, brake checks, fluid checks, tire rotation, and airbag checks, just to name a few.

*The Volkswagen Carefree Maintenance Program covers the Routan's 6K, 12K, 18K, 24K, 30K, and 36K scheduled maintenance intervals for 3 years or 36,000 miles, whichever occurs first. Coverage is during the term of the new vehicle limited warranty, at no additional charge. Some limitations apply. Does not include routine wear and tear on parts such as brakes, tires, wiper blades, light bulbs, etc. See dealer or vehicle maintenance program booklet for details.

SEL Premium, Pomegranate Red Metallic, 17" Soho Wheels

The Carbon Neutral Project is a partnership with Carbonfund.org, designed to start addressing the issue of carbon emissions. With their help, we'll be making it easy for anyone who owns a Volkswagen to determine their vehicle's carbon output and take action towards offsetting it. So far, the VW community has planted over 300,000 trees and offset 419,343 tons of carbon. And that's just the beginning. Learn more at vw.com.

The ideas in this book are new. The paper, however, is recycled. Please remember to recycle. The book. Not the ideas in it. Thanks.

©2009 Volkswagen of America, Inc. Printed in the U.S.A. Volkswagen of America, Inc. believes the information and specifications in this brochure to be correct at the time of printing. Specifications, standard features, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about availability of options and verify that the vehicle you ordered includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. Volkswagen DVD Navigation depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. "Volkswagen," the Volkswagen logo, "Routan," and "Das Auto" are registered trademarks of Volkswagen AG.
