

LINCOLN

2010
LINCOLN MKX

LINCOLN

2010 LINCOLN MKX

**HIGHLY EQUIPPED.
COMPLETELY ENGAGING.**

With standards like an efficient 6-speed automatic transmission.

Elegant leather-trimmed front seats that adjust 10 powerful ways.

While delivering three levels of cooling comfort or soothing heat.

Genuine wood trim that provides a warmth of its own.

A sophisticated assistant that responds to your voice.

And a power liftgate that opens wide at the touch of a button.

LINCOLN

2010 LINCOLN MKX

Lincoln MKX in Tuxedo Black Metallic with available equipment.

PERFORMANCE THAT'S AHEAD OF THE CURVE.

ENLIGHTENED WITH INGENUITY. A challenging S curve, followed by a long straightaway. Some roads are designed with drivers in mind. Some headlamps are too. Adaptive headlamps, available as part of the Ultimate Package, help increase your down-the-road visibility by pivoting with each turn of the steering wheel. Compared to conventional headlamps, this simple swiveling action makes up to 36 more feet of the roadway visible around a curve. You'll appreciate their illuminating effects.

EMPOWERED FOR ACTION. Excellent launch and acceleration are supplied by a 3.5L Duratec® V-6 engine that delivers 265 hp. Along with an EPA-estimated 25 mpg hwy. (FWD). A wide-ratio 6-speed automatic transmission – which uses

multiple clutches for smooth, refined shifts – gets much of the credit, while a luxury-tuned, fully independent suspension explains how Lincoln MKX easily handles corners and curves.

EQUIPPED FOR GRIP. Standard front-wheel drive has plenty of pull. Add the available Class II Trailer Tow Package, and Lincoln MKX can tow even more – up to 3500 lbs. To further enhance your driving experience, grab hold of available Intelligent All-Wheel Drive (AWD). Constantly delivering the appropriate torque to all four wheels, it's working before wheel slippage can even occur. In fact, Intelligent AWD utilizes standard AdvanceTrac® with RSC® (Roll Stability Control™) to help keep Lincoln MKX moving even if only one wheel has traction. Up the driveway. Into the garage. Home.

LINCOLN

2010 LINCOLN MKX

Lincoln MKX leather-trimmed seats in Light Camel with Greystone piping. Ebony wood accents. Shown with available equipment, including Ultimate Package.

INSPIRATIONAL PANORAMAS. INSIDE AND OUT.

THE NAME SAYS IT ALL. Ultimate. Inside a Lincoln MKX equipped with the available Ultimate Package, you'll realize how it earned its name. Standard heated and cooled, 10-way power front seats are trimmed in soft, comfortable leather, complete with contrast piping and an embroidered Lincoln Star in the head restraint. Figured Maple or Ebony wood enriches the instrument panel, door-trim panels and leather-wrapped steering wheel. Behind the rear seats, a below-floor Cargo Management System helps you stay

organized. For the perfect finishing touch, choose the available panoramic, all-glass Vista Roof™ to rekindle the enchantment of open-air driving. The large forward panel provides an expansive opening, while a wind diffuser helps keep the moment serene. A fixed rear panel gives passengers an outside view as well. When not in use, dual power sunshades help keep the cabin cool and protected from the sun.

LINCOLN

2010 LINCOLN MKX

PLOT YOUR COURSE. OR WATCH THE STARS. Sophisticated speech-recognition software makes the available voice-activated Navigation System incredibly easy to use. Speak your destination while driving, and a course is plotted. Route Guidance mode calls out upcoming street names. A bird's-eye view shows on-screen landmarks for reference. And with nearly 10 gigabytes of hard drive storage, you can display stored photos, rip entire CDs or just your favorite songs (up to 2400 of them). Voice activation also controls standard SIRIUS® Satellite Radio.¹ With over 130 channels of digital-quality sound, SIRIUS is your passport to an amazing range of commercial-free music, plus the best sports, news and talk entertainment. Simply speak the name of the SIRIUS channel you'd like to hear (say "The Coffee House") and it will start playing in seconds. This multifunctional Navigation System even lets you watch DVDs of your favorite stars, in full THX® II Certified 5.1 Surround sound, when Lincoln MKX is in "Park."

VOICE-ACTIVATED MOBILE AND MUSIC. Enter Lincoln MKX with your paired Bluetooth®-enabled mobile phone or plug your digital media player into its USB port. Lincoln SYNC®² knows you're there. Press a steering wheel button, say "Call office" or "Play Genre: Jazz," and it follows your commands. SYNC with class-exclusive 911 Assist™ can also make an emergency call from your phone if any airbag deploys.³ And unlike other systems that send you to a call center first, SYNC connects you directly to a 911 operator. The latest version features other convenient Driver Services:⁴ up-to-the-minute weather, traffic alerts, turn-by-turn directions, and personalized business, sports, entertainment, news, and more. *All at no monthly fee.*⁵ Developed in concert with Microsoft®, SYNC also helps you request a Vehicle Health Report that can be viewed online. You talk. SYNC listens.™

IN THE KNOW. ON THE GO. You're always on the move. So class-exclusive⁶ SIRIUS Travel Link™ included with the available voice-activated Navigation System, is your link to vital information – whether you're on the town, or far from it. On the 6.5" LCD color screen of the Navigation System, you can access SIRIUS Travel Link's real-time traffic with incident information.¹ If an accident lies ahead, you'll know how to avoid it. Find the lowest-priced fuel and be routed there. In fact, whenever low-fuel status is reached, gas station icons automatically appear on screen. Check local movie listings and showtimes. Access current and forecasted weather, including 5-day forecasts, ski reports and radar images of storms moving into your area. Even check the scores (in-game and final) and schedules of your favorite pro sports teams. How's that for instant connectivity?

¹Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Subscription required after complimentary six months expire. Service only available in the 48 contiguous United States and the District of Columbia. ²Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ³The vehicle's electrical system (including the battery), the wireless service provider's signal, and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist feature enabled in order for 911 to be dialed. ⁴SYNC with Traffic, Directions and Information available Summer 2009. These SYNC services not available with SIRIUS Travel Link or Navigation System. See your dealer for details. ⁵For original owner, 3 years. ⁶Luxury Midsize 5-Passenger Crossover class.

LINCOLN

2010 LINCOLN MKX

IN SIGHT AND SOUND, IT STRIKES QUITE A NOTE.

THX® II CERTIFIED 5.1 SURROUND AUDIO SYSTEM. Included in the Elite Package or as part of the available voice-activated Navigation System, the THX II Certified 5.1 Surround Audio System brings home-theater sound to Lincoln MKX on the open road. Experience DVD-Audio discs in true surround sound and listen to CDs, MP3s, standard SIRIUS Satellite Radio, and even digital music stored on your phone like never before. In this acoustically engineered cabin, bass notes thump, drum beats pop, and vocals are presented with astounding clarity. Fourteen strategically aimed and focused speakers ensure a high-impact listening event. For a modern-day drive-in movie experience, shift into "Park" and play your favorite DVDs through the Navigation System in full-blown THX II Certified 5.1 Surround sound. On Lincoln MKX models not equipped with the Navigation System, a THX II Certified Audio System with a 6-disc in-dash CD changer is available.

1. A 12-channel amplifier produces 600 watts of power from 20Hz to 20kHz with a total harmonic distortion of less than 0.1%.
2. Rich, deep bass emanates from an 8" rear subwoofer.
3. New DTS Neural Sound™¹ delivers surround sound experiences from stereo-based digital music stored in MP3 players and mobile phones.
4. Sophisticated Digital Signal Processing provides spectral balance, wide dynamic range and exceptional acoustic performance, while volume-processing technologies compensate for increases in vehicle speed.
5. Digital media players and flash drives connect via USB port and are voice-activated through the Lincoln SYNC® communications and entertainment system.
6. The available Navigation System, with nearly 10 gigabytes of hard drive storage, lets you rip, store and manage 2400 tracks with its Jukebox feature.
7. A center-channel THX Slot Speaker™ array produces a wide sound stage and home theater-like ambience.

¹Only available on THX II Certified 5.1 Surround Audio System.

* The audio quality is phenomenal," says CNET.com.

LINCOLN

2010 LINCOLN MKX

AFTER MIDNIGHT. New for 2010, the available **Midnight Limited Edition Package** gives any evening a boost. For starters, massive 22" bright polished-aluminum wheels, Tuxedo Black Metallic exterior paint, and a distinctive monochromatic Black grille immediately set this Lincoln MKX apart. A sport-tuned suspension keeps that feeling alive on the road. Inside, the midnight theme continues with premium Charcoal Black leather-trimmed seats with Charcoal Black piping and Ebony wood trim. Heighten your excitement with the new Midnight Limited Edition Package.

DRAMATIC PRESENCE. Lincoln MKX is worth celebrating. Especially with the available **Limited Edition Package** – featuring headlamp lenses etched with the Lincoln Star, 20" chrome-clad aluminum wheels and exclusive Limited Edition badging. The interior, as you can see above, is equally striking. For even more distinction, choose the available **Monochrome Limited Edition Package** – exclusively in Tuxedo Black Metallic with a distinctive monochromatic Black grille.

LINCOLN

2010 LINCOLN MKX

SAFETY & SECURITY: THE STANDARDS.

SUITE PROTECTION. On every 2010 Lincoln MKX, a suite of six standard airbags enhances protection for outboard passengers. Driver and front-passenger coverage includes the dual-stage front airbags of the Personal Safety System™ and front-seat side airbags. All outboard passengers benefit from the side-curtain airbags in the Safety Canopy® System, which deploy from the headliner to cover both rows of seating in certain types of side impacts. Additional protection comes from side-intrusion door beams, energy-absorbing door-trim panels, and bumper-to-bumper flow-through rails that help Lincoln MKX manage energy and enhance its performance in the event of various types of collisions.

WELL-GROUNDED. Also standard is AdvanceTrac® with class-exclusive RSC® (Roll Stability Control™),¹ the industry's only electronic stability control system with two gyroscopic sensors – one of which is a unique vehicle-roll motion sensor that directly measures the roll rate 100 times every second. Working in conjunction with the Anti-lock Brake System (ABS), traction control and yaw control, AdvanceTrac with RSC uses the roll rate and other information to automatically determine when and how it will apply individual brakes and modify engine power to help keep all four wheels of Lincoln MKX firmly planted.

ENHANCED VISION. Standard new Blind Spot Mirrors on Lincoln MKX help alert you to vehicles entering your blind spots, giving you added confidence as you make lane changes, parallel park or back up with a trailer. In the upper corner of each sideview mirror, this smartly integrated convex spotter reflects the image of approaching vehicles as they enter the blind spot on either the driver or passenger side. If you see a vehicle there, you'll know to stay in your lane until it passes. It's just another way that Lincoln MKX is always looking out for you.

ATTENTION GETTER. Additional peace of mind comes from the standard SOS Post-Crash Alert System™² which becomes operational in the event of airbag deployment or safety belt pretensioner activation. If either of these occurs, the hazard lights flash and the horn sounds so that you and your passengers may be more easily located. In this case, drawing attention to yourself is a very good thing.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at fordcredit.com.

FORD MOTOR COMPANY INSURANCE SERVICES Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Lincoln Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Contact your local Lincoln Mercury Dealer for details and a copy of the limited warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. Contact your Lincoln Mercury Dealer for details regarding the manufacturer's limited warranty and/or a copy of the LLA product limited warranty offered by the accessory manufacturer.

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 15,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or

adjustment of parts at no additional cost, as well as a 6-year/70,000-mile powertrain limited warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.
