

THE 2011 CTS SPORT SEDAN AND SPORT WAGON

**10-speaker Bose® 5.1 surround sound system** with 10 speakers and subwoofer. Bose components available.

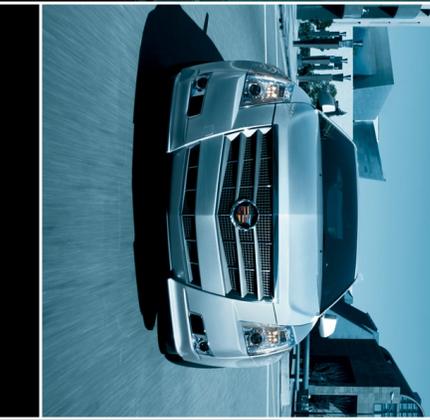

**UltraView sunroof**<sup>1</sup> with power glass and sunshade. Available on select models. Sunshade and brings the sun air to both driver and passengers.

**RearView camera** an available option. The RearView mirror or on the navigation screen when equipped.

## THE CTS SPORT SEDAN

The CTS Sport Sedan blends driving dynamics, performance and technology in a way that satisfies enthusiasts and luxury-seekers alike. A performance-oriented rear- or available all-wheel drive vehicle with seating for five, its engine is an efficient, direct-injected 3.0L V6, with a 304hp 3.6L direct injection V6 optional. A 6-speed transmission, available in manual or automatic, emphasizes performance. And Nürburgring<sup>®</sup>-tuned suspension enhancements integrate with ABS brakes and StabiliTrak electronic stability control to improve vehicle balance.

**19" Summer Tire Performance Package** (optional) includes 19" forged aluminum wheels, performance tires, paddle shift controls, 7-spoke summer-only performance tires, performance cooling and enhancements to suspension and brakes.

**Adaptive Forward Lighting** - an available luxury feature - uses an available LED headlight technology to provide up to 15° of downward travel.

<sup>1</sup> Requires DVD.  
<sup>2</sup> Requires automatic transmission.  
<sup>3</sup> Requires front-wheel drive with rear air conditioning. Performance tires are available for an additional charge. The 19" Summer Tire Performance Package is available for an additional charge. The 19" Summer Tire Performance Package is available for an additional charge. The 19" Summer Tire Performance Package is available for an additional charge.

Rear or available all-wheel drive  
comes with hydraulic  
power windows and  
power door locks. A  
5-speed automatic transmission

Rear cargo capacity is  
limited. Always use  
proper tie-down technique  
and distribute weight  
evenly. Always use proper  
hitching technique. Always  
use proper tie-down technique  
with memory height adjuster  
hitch opening to be present.

## THE CTS SPORT WAGON

The Sport Wagon applies the sleek shape of CTS design to a high-performance wagon. Vertical taillamps extend along the tailgate, integrated roof rails maintain a seamless profile. Rear seats fold flat, increasing cargo space to 58 cubic feet. Floor rails are fitted with attachment points for tie-downs. Also included is an under-floor cargo storage compartment. A useful power liftgate offers memory height positioning. Altogether, the CTS Sport Wagon offers rear- or available all-wheel drive sport handling, a luxurious interior, and versatile cargo capability in one complete package.

Stabilitrak Electronic Stability  
Control System helps maintain  
control in adverse road  
conditions. The system uses  
steering sensor data and  
yaw rate sensor data to  
adjust the suspension  
geometry of the CTS Sport Wagon.

Engines: Two are offered, a 270hp  
3.6L V6 and a 300hp 3.6L V6.  
Standard fuel economy is 24 mpg  
city/34 mpg highway. The V6  
that delivers 30 mpg.

**USB and auxiliary audio jacks** provide an easy way to connect your smartphone or other audio devices to the car's audio system. Open the lid for easy on-screen access or alternate wheel-mounted controls.

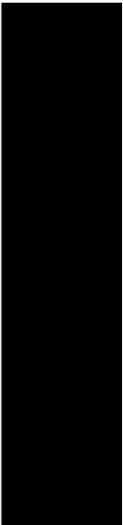

**THE CTS INTERIOR**

Inside the CTS, excitement aligns with purpose. Motorcycle-inspired gauges with a Driver Information Center that displays vehicle running data. Features include available glide-up touch screen navigation,<sup>1</sup> Bluetooth<sup>®</sup> phone connectivity,<sup>2</sup> Bose<sup>®</sup> 5.1 surround sound system and a hard drive for music storage.<sup>3</sup> Standard for one year, OnStar<sup>®</sup> Directions & Connections Plan offers available Destination Download and eNav. Three trial months of XM Radio<sup>®</sup> are also included. French-stitched leather seating surfaces, Sapele wood trim, keyless start, ambient lighting and a heated steering wheel are available.

1. Ford is a registered trademark of Ford, Inc. All rights reserved.
2. Also covers availability in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
3. OnStar is not available in all areas. Bluetooth phone connectivity is compatible with many mobile phones.
4. Requires a subscription and separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit [www.onstar.com](http://www.onstar.com) for details.
5. Requires a subscription and separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit [www.onstar.com](http://www.onstar.com) for details.
6. Requires a subscription and separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit [www.onstar.com](http://www.onstar.com) for details.

**Ambient lighting**, an available lighting feature, reacts in relation to key areas like door pulls, gearshift, instrument panel and center console.

**Glide-up touch screen navigation system** Bose<sup>®</sup> 5.1 surround sound, full iPod<sup>®</sup> integration, ahead drive for music storage, and pause-and-play live radio.

**OnStar<sup>®</sup> eNav** makes your road decisions easier. OnStar<sup>®</sup> eNav<sup>®</sup> provides turn-by-turn directions to your destination, anytime.

**Destination Download**, an available feature, lets you save your destination to your OnStar<sup>®</sup> eNav<sup>®</sup> navigation system. Just tap the destination button and bring an Advisor where you want to go. OnStar<sup>®</sup> eNav<sup>®</sup> sends the destination to your navigation system. If equipped.

Edison-supercapacitor and V8 cooled electric motor make the V8 build power quickly at low end and sustain it at high speeds.

Over-sized Brembo® high-performance multi-piston callipers with massive 6-piston callipers.

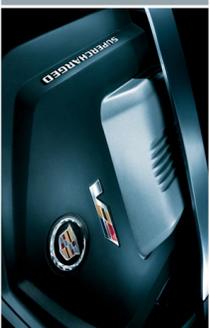

Multi-braking\* tuned VWD multi-link suspension with front slip differential andZF Servotronic 2-speed sensitive variable ratio power steering.

Dual-mode Magnetic Ride Control\* allows suspension to adjust ride firmness and balance in car mode, adds razor-sharp turn-in and improved steering response in sport mode.

## THE CTS-V SEDAN

High-powered, tight-handling, track-tuned, the CTS-V is the world's fastest production sedan, with a 0-60 time of 3.9 seconds. Powered by a 560hp supercharged 6.2L V8. Performance handling is assured by a track-tuned suspension, independent at all wheels, with revolutionary driver-selectable dual-mode Magnetic Ride Control shock damping. Brembo® disc brakes - 6-piston in front, 4-piston in rear - bring massive stopping power. The CTS-V Sedan has turned a 7:59.32 lap time on the Nürburgring®.

1. Servotronic is a registered trademark ofZF Fahrzeugtechnik.

**Perforated and suede micro-  
fiber seat trims** is designed for  
performance driving, while available suede  
microfiber steering wheel and  
shift knob help with control.

**Manual transmission** is a  
TREMEC® 6-speed manual with  
short-throw shifter and dual-disc  
clutch.

**6-speed automatic transmi-  
sion** is available with clutch  
pedal and paddle shifters for  
shifting and clutchless manual  
operation using steering wheel-  
mounted paddle shift  
controls.

**The g-meter**, positioned in the  
driver footwell, monitors engine  
brake, throttle position, lateral  
maximum lateral acceleration left  
and right, LED tracers commu-  
nicate vehicle performance  
information quickly and clearly.

**Oxidium black** lacquers on  
the center console and  
Kicker® 12-speaker audio and  
technical sophistication to the  
cockpit.

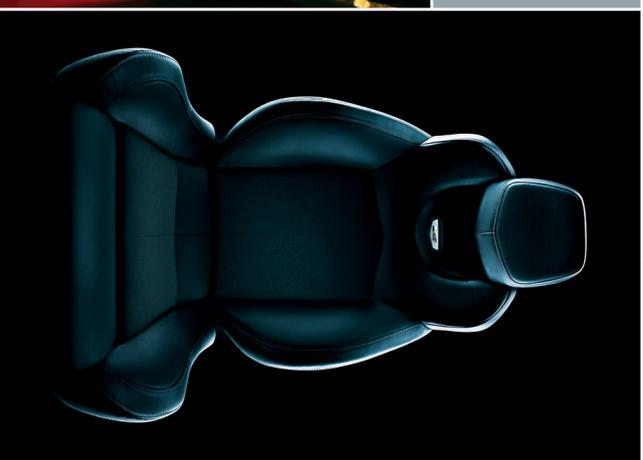

## THE CTS-V INTERIOR

The CTS-V cockpit is as much about control as it is about driver engagement. There's luxury and refinement enough to satisfy pleasure-seekers, but the real function of this cabin is guiding a very powerful machine. LED-traced gauges that flash as redline is approached, full-dash instrumentation and a TREMEC® 6-speed manual shifter put the driver in control of this performance command center.

**RECARO® performance seating**  
on the front seats allows the driver  
to adjust the seat's position to  
provide firmback and thigh  
support for driver and front-seat  
passenger, if available.

17" x 8" cast aluminum wheels with painted finish and all season P235/S55R17 Hybrid tires

### About this catalog

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing (08/10), please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process.

Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times.

Note: Some photographs in this catalog show vehicles with optional equipment.

### OnStar

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (466-7827) or visit [onstar.com](http://onstar.com) for OnStar's Terms and Conditions, Privacy Policy and details and system limitations.

### Engines

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

### Tire Sealant and Compressor Kit

Unless you option into a spare tire, there is no jack or spare tire in this vehicle. If you do not option into the spare tire, your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼ inch or a tire that has unseated from the wheel. The sealant can only be used on one tire one time before its expiration date.

### Assembly

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors. Its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavail-

able when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

### Updated Service Information

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-551-4123 or by visiting [www.helminc.com](http://www.helminc.com).

### New Vehicle Limited Warranty

The Best Luxury Coverage in the Industry, standard on every 2011 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

### Covered for 5 Years/100,000 Miles (Whichever Comes First):

Powertrain Limited Warranty with no deductible  
Roadside Assistance Program<sup>1</sup>  
Courtesy Transportation Program<sup>1</sup>

### Covered for 4 Years/50,000 Miles (Whichever Comes First):

Bumper-to-Bumper coverage  
Tires – Defects in material and workmanship  
Repairs made to correct any vehicle defect  
Corrosion on body sheet metal panels

### Rust Through Protection

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years unlimited mileage. Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in the Rust Through coverage. Application of additional rust-inhibiting materials is not required under the Rust Through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

### Fleet Orders

Some standard content may be deleted with fleet orders. See dealer for details.

<sup>1</sup> Roadside Assistance Program and Courtesy Transportation Program are not a part of the New Vehicle Limited Warranty. A separate booklet entitled "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.
