STANDARD FEATURES

VAN/WAGON/CUTAWAY

MECHANICAL

4.6L V8 FFV engine (E-150 and E-250)
5.4L V8 FFV engine (E-350 and E-450)
120-amp alternator
33-gallon fuel tank (Van, Wagon and Midship Cutaway)
40-gallon fuel tank (aft-of-axle Cutaway and Stripped Chassis)
50-state emissions system
Power steering
Regular Length Van

SEATING

Driver and front-passenger bucket seats with inboard armrests

INTERIOR

12-volt powerpoints (3)
Manual air conditioning (front only)
Tachometer
Tilt steering column
Sun visors

EXTERIOR

50/50 swing-out rear doors with 172 ⁹ -opening door checks (Van and Wagon)
60/40 swing-out side doors (Van and Wagon)
Black front bumper with black plastic valance
Dual-note horn
Sealed-beam headlamps
Solar-tinted glass
Windshield wipers – Interval

SAFETY & SECURITY

3-point lap/shoulder safety belts for all seating positions
AdvanceTrac [®] with RSC [®] (Roll Stability Control™) (Van and Wagon only)
Belt-Minder [®] front safety belt reminder
Driver and front-passenger front airbags ¹
Power 4-wheel disc brakes with Anti-Lock Brake System (ABS)
Side-intrusion door beams
Tire Pressure Monitoring System (SRW only, excludes spare)

¹Always wear your safety belt, secure children in the rear seat (if equipped) and follow airbag warning label instructions.

New Vehicle Limited Warranty. We want your Ford E-Series ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Business Preferred Network. Each of the select dealerships in our Business Preferred Network (BPN) is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a BPN customer, your business vehicles receive priority service at your BPN dealership to help get your vehicle back on the road quickly.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

E-SERIES POWERTRAINS

FLEXIBLE FUEL: 4.6L/5.4L GAS V8 FFVS

Both E-Series 4.6L and 5.4L gas engines are Flexible Fuel capable.¹ Ford Flex Fuel Vehicles (FFVs) give you the power of choice. E85 or gasoline? FFV lets you decide right at the pump. Both E-Series FFVs can run on E85 (85% ethanol/15% gasoline), straight gasoline, or any blend of the two. Since Ford introduced FFVs back in the mid-1990s, we've put nearly 2 million on the road, with a stream of refinements along the way. Ford engines are at the heart of E-Series' versatility and capability. Step up to the 5.4L V8 FFV to get extra punch for high-capacity applications. Its SOHC architecture pumps out 255 hp and 350 lb.-ft. of torque across a wide powerband.

CNG/LPG FUEL-CAPABLE GAS POWER

This option enables 5.4L V8 and 6.8L V10 gas engines to run on Compressed Natural Gas (CNG) or Liquefied Petroleum Gas (LPG). Modifications include hardened intake and exhaust valves as well as hardened valve seats.

6.8L GAS V10

For best-in-class gas torque, opt for the available 6.8L V10. Its electronic throttle control (ETC) modulates torque at the drive wheels for smooth, seamless engine response.

ENGINE RATINGS

	4.6L SOHC V8 FFV	5.4L SOHC V8 FFV	6.8L SOHC V10
Horsepower (hp @ rpm)	225 @ 4,800	255 @ 4,500	305 @ 4,250
Torque (lb.-ft. @ rpm)	286 @ 3,500	350 @ 2,500	420 @ 3,250

¹Excludes vans equipped with Ambulance Prep Package. ²Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. ³For maximum trailer weights with Crew Van, deduct 200 lbs. from the weights shown (except with 18,500 lbs. GCWR). ⁴E-350 SRW Cutaway with 5.4L V8 only (midship fuel tank) 10,600-lb. GCWR.
